Chapter 2477

Kyoto!

After David returned to the secular world with Hu Mazi, he rushed to Longmen in Kyoto non-stop!

He wanted to see if anything happened in Kyoto, and he wanted to see his mother. Since he rescued his mother, David hadn't been with his mother well.

"You child, you have been away for many days without any news. Thanks to Ruxue and the others who accompany me all day, when will you take care of my grandson?"

After seeing David, Long Ruo Tong pretended to be angry and asked David!

"Mom, I have some things to do recently, so I'm very busy. About holding my grandson, will it take a while?"

David squatted beside Long Ruotong, constantly beating Long Ruotong's legs!

"You have something to do, don't you have time to sleep at night?"

"Ru Xue and the others are fine at home all day, you just need to accompany them at night, and you don't need to have a baby. When you have a baby, I will help you Look..."

Long Ruotong stared at David and said!

David also knows how his mother is feeling now, which parent doesn't want their children and grandchildren to be full!

"Mom, in two days, I will..."

"It won't be two days, you will have s3x with Ruxue and the others tonight, or I won't recognize you as a son."

"I have already sent someone Go and call them, you sleep here tonight, don't go anywhere." Before

David could finish speaking, Long Ruotong interrupted directly!

It seems that Long Ruotong is determined today, let David have s3x with Ji Ruxue and the other girls!

Soon, Ji Ruxue and the others were called, and the girls were very happy to see David who came back!

"You guys come here..."

Long Ruotong waved to Ji Ruxue and the others!

Ji Ruxue, Gu Linger, Ge Jiayi, Ge Yuhan, Xiaolan and the others surrounded Long Ruotong and began to beat Long Ruotong's back and shoulders.

"Listen all of you, whoever is here tonight, David also sleeps here, and no one is allowed to leave tonight."

"You have to work harder, let your stomach be stronger, and give me a big grandson as soon as possible ."

Long Ruotong said to several girls!

When Ji Ruxue and the others heard this, their faces blushed immediately, and they all lowered their heads and remained silent, but this also meant that they acquiesced!

David was a little speechless, although he was already broken now, so it was fine to follow Ji Ruxue and the others as husband and wife, but he had to come one by one, and now they were all together, David was a little shy!

Just when David was at a loss, Hu Mazi came and waved at David at the door, "David, come out for a while, I have something to ask you..."

"Mom, Master Hu is looking for me, I'll go out !"

David followed Long Ruotong and went out.

"David, remember, if you dare to run away tonight, I will disown you."

Long Ruotong threatened David!

"Mom, don't worry, I will never run away, I will listen to you." David could only promise.

After David walked out of the room, Hu Mazi immediately dragged David away!

"David, your boy is really lucky. I have played with women all my life, and I have never slept with so many beautiful women all at once. Even if you die, you are worth it."

Hu Mazi said to David with envy !

"Bah, bah, you just died." David took a few mouthfuls, and then asked, "Master Hu, what do you want from me?"

"It's not me looking for you, but Long Xingxu looking for you, but he knows Your mother must be reprimanding you for not daring to show your face."

Hu Mazi said!

Just as he was talking, Long Xingxu walked over!

"Xingxu, what's wrong?"

David asked!

"Brother David, in the past few days since you left, someone came to Longmen to look for you, saying that he had something important to look for you, but I couldn't contact you at that time, so I asked him to leave his name and leave."

Long Xingxu Said.
