

A Man Like None Other Novel

Chapter 2556

Chapter 2556

Feeling the killing intent on Princess Isa, David could only leave resentfully, and returned to his room!

Lying on the bed, David digested the contents of the orc book he just read, and fell asleep unknowingly!

The next morning!

An incomparably luxurious sedan chair decorated with gold was slowly carried in from the gate of the city!

After seeing the sedan chair, everyone in the city spontaneously stood on both sides, motionless, their eyes full of reverence!

Sitting in the sedan chair is Yihe Yaohuang, the highest leader of the city!

Behind Yihe Demon Emperor's sedan chair, there is another sedan chair, and the specifications of the sedan chair are no less than that of Demon Emperor's sedan chair!

And sitting in this sedan chair is an old man, with his eyes slightly closed, enjoying this high-standard treatment!

"Who is that sedan chair at the back? How can you be qualified to sit in the same sedan chair as the Demon Emperor?"

"This must be a distinguished guest invited by the Demon Emperor. I didn't see that the Demon Emperor went out of the city to invite him in person yesterday."

"I heard that the Demon Emperor The emperor went out to invite a pharmacist, could it be that a pharmacist is sitting inside?"

"What kind of powerful pharmacist is qualified to sit in a sedan chair, and let the demon emperor personally invite him?"

...

People on both sides of the street were discussing and arguing one after another. Guess the identity of the person in the sedan chair behind!

After the sedan chair entered the palace, the Demon Emperor personally invited the old man out!

"Sect Master Hu, please..." The

Demon Emperor's attitude was very humble, and he didn't appear to be superior!

On the other hand, the old man walked out of the sedan chair with a haughty expression and slightly raised his forehead!

Elder Pei, who had been greeted in the palace earlier, was immediately excited and his body trembled slightly after seeing the people invited by Yihe Yaohuang.

"Daughter, you are saved, this time you are saved..."

Elder Pei muttered to himself!

However, seeing the humble attitude of the Demon Emperor, Elder Pei was very moved in his heart. You must know that as the Demon Emperor, a high-ranking figure, he is so humble now to save his daughter!

At this time, Elder Pei had already made up his mind that he would repay the kindness of the Demon Emperor with death in this life!

"Father..."

Princess Isa hurried over when she saw her father came back.

At this time, Princess Isa couldn't wait to let the Demon Emperor go to see David. If she could break the restriction on the marriage between humans and beast races, then she could also fall in love with humans! "Yisha, this is Sect Master Hu of the Jade Cauldron Sect. It is our fortune to have

Sect Master Hu come to our imperial city."

A few Zhuyan pills will save you from saying that you are getting old soon."

Yihe Yaohuang looked at his daughter lovingly and said with a smile!

Upon hearing this, Princess Isa hurriedly greeted Sect Master Hu, "Hello, Sect Master Hu..."

"En!" Sect Master Hu still slightly raised his forehead, with an air of aloofness!

Princess Isa was a little dissatisfied with the attitude of Sovereign Hu, but the other party was invited by her father after all, so Princess Isa couldn't say anything.

"Father, I have something to ask you. I'll bring you someone. I want you to..."

Princess Yisha wanted to let Yihe Yaohuang go to see David, but she didn't finish talking. The emperor waved his hand and said, "I will take Sect Master Hu to deal with business first, and I will talk about your matter later!"

After finishing speaking, Yihe Yaohuang took Sect Master Hu and walked towards the palace, and Elder Pei was very excited. follow behind!

Yihe Yaohuang brought Zongzhu Hu to Elder Pei's daughter's room. When the door was opened, the whole room was filled with a strong smell of medicine!

At this time on the bed, a thin girl with pale face and slightly closed eyes was lying on it!

The girl's aura was very weak, and it seemed that she might die at any time!

"Sect Master Hu, this is the daughter of our Elder Pei. We have invited many pharmacists, but they have not been optimistic about it, so we ask Sect Master Hu to help!"

Yihe Yaohuang said in a pleading tone!

Chapter 2557

Hu Zongzhu nodded, then stepped forward, just glanced at the girl, and then tapped the girl's forehead three times with his hand!

"This woman has been ill for a long time, and her body is too weak. I need to nourish her with medicine. After her body recovers, I will use strong medicine to get rid of the root cause of the disease!"

Sect Master Hu said slowly!

"Sect Master Hu, from this point of view, you can save him?"

Yihe Yaohuang said in shock!

"That's natural. If I can't save you, why would I run with you!"

Sect Master Hu said confidently!

Seeing Sect Master Hu's confident expression, Elder Pei knew that his daughter was saved, so he hurriedly knelt down and said, "Sect Master Hu can save the little girl, please be respected by this old man..."

As the elder of the Imperial City, Elder Pei's status is natural. Needless to say, after kneeling down to Sect Master Hu, Sect Master Hu didn't even look at it, but looked at Yihe Yaohuang and said, "Demon Emperor, I can cure the disease, but don't forget what you promised me." Now!"

"Sect Master Hu, don't worry, as long as you heal Elder Pei's daughter, you can step into my imperial city area as you please, as long as it is the spirit tree and fairy grass in my imperial city area, you can pick it

as you please!" I will offer a hundred beast pills with both hands..."

Hearing what Yihe Yaohuang said, Zongzhu Hu nodded in satisfaction, and said, "That's good, now find me a secluded courtyard, I want Refining some nourishing elixir, after seven days this woman will recover from her illness!"

"Come on, take Sect Master Hu to the courtyard in the back garden, and no one will bother you without Sect Master Hu's call!"

Demon Emperor Yihe ordered loudly !

Soon Zongzhu Hu was led to the back garden, while Elder Pei knelt on the ground gratefully, kowtowing to the demon emperor Yihe!

He didn't expect Yihe Yaohuang to agree to such a harsh request in order to invite this Hu Zongzhu here!

You must know that for them, the concept of territory is very important. Without permission, no one else is allowed to enter their territory!

Even if they were of the same kind, if beast races from other regions ran into Yihe Demon Emperor's territory, they would be chased away or killed!

But now Yihe Yaohuang actually agreed to Hu Zongzhu, allowing them Yudingzong to enter and leave his territory at will, and also sent hundreds of beast pills, which made Elder Pei not know how to thank Yihe Yaohuang!

"Demon Emperor, this veteran will swear allegiance to the Demon Emperor in the future!"

Elder Pei knocked his head on the ground!

"Elder Pei, you have followed me for many years, and your daughter is no different from mine. Get up quickly!" The

Demon Emperor Yihe helped Elder Pei up!

At this moment, a guard came to report that Princess Isa had sent someone to invite the Demon Emperor!

"This girl, she doesn't even know to let me take a rest. What's the important thing, she insists on me going!"

Yihe Yaohuang said very dissatisfied!

"Demon Emperor, the princess brought a person back from outside, and I want to ask the Demon Emperor to meet."

Elder Pei said!

"Let me meet someone? Could it be the human boy that this girl likes? I told him a long time ago that humans and beasts have different ways, we cannot marry humans, she just won't listen!"

Yihe demon The emperor sighed, feeling very helpless that Princess Isa only likes humans!

"Demon Emperor, the human being brought back by the princess is a bit strange this time, because this person actually has the aura of a beast. It is

very likely that this person is the product of the combination of the human race and our beast race!”

Elder Pei said hastily!

“What? There is such a thing? Take me to see...”

Yihe Yaohuang immediately became interested when he heard this. He has never seen this kind of human and beast. people.

Elder Pei took Yihe Yaohuang towards David’s residence!

Chapter 2558

At this time in David’s room, Princess Isa was also there, and David seemed a little nervous!

Whether it is Princess Yisha, Elder Pei, or that Huben, they are all powerful, not to mention the strength of the Demon Emperor!

David didn’t know what kind of personality this Demon Emperor had. Given his current situation, if the Demon Emperor wanted to kill him, David might not even have the ability to protect himself!

Princess Isa saw David’s nervousness, so she comforted her, “Don’t be afraid, my father is very easy-going and has a very good personality. You will know when you meet him!”

“But my father is the most annoying person. Others lied to him, but when you met my father, just tell the truth!”

David nodded, but he was still uneasy.

Soon, the door was pushed open, and Elder Pei came with Yihe Yaohuang!

"Father..."

Seeing the Demon King Yihe, Princess Isa hurried forward and said, "Royal Father, this is the man I want you to meet. His name is David..." The

Demon King Yihe did not speak because when he was outside, he could feel the strange beast breath in the room!

The reason why it is strange is that he not only felt the power breath of the dragon, but also the breath of the beast phoenix. These two breaths appeared on one person at the same time, which made Yihe Yaohuang very puzzled!

So as soon as he entered the door, Yihe Yaohuang set his sights on David!

And David felt the gaze of Yihe Demon Emperor, although he felt uneasy in his heart, he didn't look sideways, and followed Yihe Demon Emperor's eyes to meet each other!

David is going all out now, the worst thing is to die, even if he is afraid, it can't change anything at all!

After looking at David for a while, Yihe Yaohuang started to move his eyes down, and slowly swept across David's whole body!

But when Yihe Yaohuang's eyes fell on the Tianlong ring in David's hand, his whole face changed suddenly, and his body also trembled!

"Father, what's the matter with you?"

"Yaohuang, are you alright?"

Princess Yisha and Elder Pei both saw the changes in Yihe Yaohuang's body, and hurried forward to ask!

Yihe Yaohuang took a deep breath, controlled his trembling body, and then said, "You two go out, I have something to say to this person!"

"Father, I brought him, I just want you See why he has the aura of our beast race on him, don't kill him..."

Princess Yisha was afraid that she would go out by herself, and the demon emperor Yihe attacked David and killed David!

"Get out..."

Yihe Yaohuang uttered two words sharply!

Princess Yisha was stunned for a moment, and she was stunned, because the Demon Emperor Yihe had never spoken to her in such a tone!

"Princess, let's go out..."

Although Elder Pei didn't understand what happened to Yihe Yaohuang, he still pulled Princess Yisha out!

Just after Princess Yisha and Elder Pei went out, Yihe Yaohuang lightly waved his palm, and a light curtain instantly closed the doors and windows in the room!

Seeing this, David's heart sank suddenly, he didn't know what the Demon King Yihe was going to do to him!

But no matter what he did, with David's current strength, he didn't even have the ability to fight back!

But just when David was preparing for the worst, Yihe Yaohuang suddenly knelt down in front of David!

"The lord is above, and Yihe, my subordinate, welcomes the lord..."

Yihe Yaohuang kowtowed heavily in front of David!

At this moment, David was stunned for a moment, but he quickly realized that this Yihe Demon Emperor is also a member of Tianlong Palace, and this Yihe Imperial City is the entrance of Tianlong Palace!

However, such a majestic hall, such a big hall, made David a little unexpected. He never thought that there would be a city in the hall of Tianlong Temple.

"You...you get up..."

David couldn't get used to it for a while, and he stumbled to get Yihe Yaohuang to get up.

Chapter 2559

Yihe Yaohuang got up and stood beside David, showing some excitement!

"Hallmaster, I have been waiting for you for many years, but I didn't expect you to really appear."

Yihe Yaohuang said excitedly!

"That...that Yihe demon emperor, right?"

David couldn't get his head around right now!

A demon emperor of the beast clan is actually his subordinate, and a demon imperial city is the entrance of his Tianlong Palace, so what is he afraid of in the world of heaven and man?

It never occurred to David that there is even the entrance to the Heavenly Dragon Palace in the world of heaven and man. At this time, David became more and more interested in his father, whom he had never met!

He really wanted to know who his father was, who was able to establish a sect like Tianlongdian!

You must know that there are only seven of the thirteen entrances of the Tianlong Temple, and they have already reached the Heaven and Human Realm.

Thinking of this, David was extremely excited, then he could lead the immortals!

"Hallmaster, you can just call your subordinate Yihe..."

"I must not be called emperor in front of the hallmaster!"

Yihe said humbly!

"It doesn't matter, I'll call you Yihe Yaohuang, and I don't want others to know my identity as the master of Tianlong Palace, just call me Mr. Chen!"

David said!

"Subordinates understand!" Yihe Yaohuang nodded!

"I don't know much about your beast race, can you tell me about it? Are all the beast races in the Celestial Realm under your jurisdiction?"

David asked Yihe Yaohuang!

After hearing this, the Demon Emperor Yihe smiled awkwardly and said, "Master, among the monster beasts in the Heavenly Human Realm, there are three emperors and four kings in total, and each has its own territory and city. I can only govern the beasts in my area." As for the orcs in other places, I have no ability to govern and drive them."

David was stunned when he heard this, he didn't expect that a small orcs could be divided into so many, just like the big ones of human beings. The sect is the same!

"Aren't your beast races divided into various factions just like humans?"

David asked.

"It's the same. There are also battles between us beast clans, and various competitions will be held regularly to compete for resources for our respective imperial cities. There is no difference between following humans!"

Yihe Yaohuang said with a helpless smile!

"It seems that no matter whether you are a demon cultivator or a demon cultivator, you can't get rid of greed, and you can't get rid of your desire for strength!"

"You've been in the Celestial Realm for a long time. Tell me about the current situation in the Celestial Realm?"

David asked Yihe Yaohuang to tell him about the situation of the Heavenly Human Realm. Now David still has only a half-knowledge about the Celestial Human Realm!

He only knows that there are humans, monsters, and demons in the Heavenly Human Realm, but David doesn't know what's going on with each of them!

"Hall Master, don't you come from the world of heaven and man?"

Yaohuang Yihe asked in surprise after hearing David's words.

David shook his head, "I come from the secular world, and I don't know much about the world of heaven and man..."

Afterwards, David simply told Yihe Yaohuang about his own experience!

David has absolute trust in the courts under his Heavenly Dragon Palace. Every court that appears is loyal to David, and he can even die for David without hesitation!

So David also told Yihe Yaohuang that he was seriously injured and his strength had not recovered!

"It's no wonder that the moment I entered the door, I found that the hall master's aura was wrong. I didn't expect you to be injured so badly and still survive!"

Listening to David's narration, Yihe Yaohuang was also shocked!

"Maybe it's my fate." David laughed at himself, and then asked, "Let me ask you, with your current strength, plus your entire Demon Imperial City, what level is it in the world of heaven and man, can you be invincible?"

Chapter 2560

David wanted to know the strength of the Demon Emperor Yihe in the Heavenly Human Realm. If he could reach the peak strength and sweep the Heavenly Human Realm, then David would not need to recover his strength, and he could take Yihe Demon Emperor to the Fire Fenzong Rescue the Master of the Artifact Refining Sect!

The other is to find Sonya and the others' whereabouts in the world of heaven and man. David has been worrying about Sonya and the others!

Hearing David's words, Yihe Yaohuang looked a little embarrassed, and said with a wry smile, "Master, let alone in the world of heaven and man, even among the three emperors and four kings of our beast clan, I am not the top one." Existence."

"However, if the Palace Master has something to do, I will definitely go all out, even if I sacrifice the entire imperial city people, I will not hesitate!"

"Now the entire Celestial Realm, the three clans stand together, but many of the demons are hidden in the dark, only the human race and our beast race have been active, although my strength is nothing in the world of heaven

and man, but if someone wants to destroy my imperial city, they have to weigh it carefully.”

Yihe The Demon Emperor expressed his loyalty, while David waved his hand, “That’s not necessary, I have nothing to do now.”

David believed that the Demon Emperor Yihe would be absolutely loyal, but it was impossible for David to let the Demon Emperor Yihe and his The people sacrificed for themselves!

“Hallmaster, you are seriously injured and have not fully recovered now. I still have some pills in this imperial city that can help the Hallmaster recover. In addition, I have also invited a top pharmacist, and he can also help the Hallmaster with a diagnosis and treatment. Fan!”

Yihe Yaohuang said to David!

“No need, as long as I’m recovering some strength!”

“You must not tell others about my identity!”

David exhorted to Yihe Yaohuang!

“Hallmaster, don’t worry, your subordinates won’t say anything!” Yihe Yaohuang promised!

David nodded, Yihe Yaohuang slowly exited the room!

At this moment, Princess Isa and Elder Pei are waiting outside!

Seeing the Yaohuang Yihe coming out, Princess Yisha rushed up to meet her, “Father, what did you do to David?”

“I’m fine, Mr. Chen is fine.” He said to Elder Pei, “Elder Pei, you will be responsible for Mr. Chen’s diet and daily life in the future. In addition, bring all

the pills in the imperial city. No matter what Mr. Chen needs, he must be satisfied!

"The face is surprised, but still accepts the order!

He didn't understand what was wrong with Yihe Yaohuang. He respected Davidhui so much, and even said Mr. Chen. Even if he treated Hu Zongzhu, Yihe Yaohuang had never had such an attitude!

Delivering all the elixirs in the Imperial City to the door and meeting all the requirements, Elder Pei has never seen such treatment in all these years!

Princess Isa is also a little silly, she doesn't understand how her father treats David so well!

"Father, what's the matter? And why can David have both human and divine beast aura?"

Princess Isa asked!

"Isa, let me tell you, Mr. Chen is the true body of the golden dragon, and anything can happen to him, but you are not equal to him, so don't play with fire and set yourself on fire, against God's will."

"I will go after a while ." Mingli Wangcheng proposes a marriage for you, if our two families get married, our family's power in the entire beast clan will be greatly improved!"

Yihe Yaohuang said.

"Dad, I told you, I won't marry, so don't force me..."

Princess Isa ran away angrily!

And Princess Yihe looked at her daughter's back and sighed helplessly, "Why does this girl like humans?"

"Yaohuang, is this Mr. Chen really a descendant of the dragon clan?"

Elder Pei asked curiously.

But Yihe Yaohuang gave Elder Pei a cold look and said, "Don't ask what you shouldn't ask, don't you understand this rule?"

"I know I was wrong..."

Elder Pei hurriedly lowered his head!

Yihe Yaohuang left, while Elder Pei ordered people to bring a large number of medicinal pills in the imperial city to David's room, and treated David respectfully, as long as David wanted to go again, he would satisfy him unconditionally!
