

A Man Like None Other

Novel

Chapter 2591

David, Wu Feiyu and Nie Heng stood opposite each other!

At this moment, Wu Feiyu and Nie Heng's aura erupted, each holding their weapons tightly!

Because they discovered that David's aura had changed again at this time. In just a few days, David's strength had been improved again and again.

"You turned out to be a cultivator of transformation, and you actually hid among this group of untouchables..."

Wu Feiyu looked at David and said!

"The untouchables you speak of have the same flesh and blood as you. Today I will let you realize that you are the untouchables you speak of..."

David said with a cold expression!

Wu Feiyu seemed to feel the icy killing intent on David's body, so he didn't dare to speak for a while!

Nie Heng on the side frowned slightly, and then stepped forward and said, "You are David, right? I am Nie Heng, the chief disciple of the Jade Cauldron Sect. I think our Jade Cauldron Sect has some misunderstandings with you." "Why don't you tell us?"

"Go to the Jade Cauldron Sect, presumably our master will accept you as a disciple for the sake of your cultivation." "Do

you know that entering the Jade Cauldron Sect and becoming a Jade Cauldron Sect disciple is extremely honorable?" , It's much better than hanging out with these untouchables."

Nie Heng felt David's aura and strength, and even had the idea of recruiting David!

After all, it is almost impossible for a monk who can cultivate to the realm of transformation in this remote mountain village!

Nie Heng was afraid of the background and power behind David!

"A disciple of the Jade Cauldron Sect?"

David raised his mouth slightly, "Even if your master is here, he is only worthy of kneeling before me. Ask him if he dares to accept me as a disciple?" "

Bold, how dare you treat me like that?" Master is disrespectful, but do you know that even the demon kings around are respectful to my master."

"You brat, you dare to say something that insults my master, you are looking for death..."

Wu Feiyu yelled at David angrily!

They didn't know that their master Hu Yixiao had indeed knelt down to David!

"Boy, I'm giving you a chance, but you don't know how to grasp it. Don't think that you have the power of transformation, the two of us are afraid of you."

Nie Heng said coldly!

Although David is currently in the realm of transformation, the two of them are not weak. They are both in the realm of transformation. It is still very easy for them to play two against one!

But what they didn't know was that David possessed the power of the three races in his body at this time. Although his realm hadn't improved much, his strength had improved a lot!

Although David is only at the eighth rank of Transformation Realm, David is not afraid at all even if he meets a monk who is below the third rank of Compatible Body Realm!

Even if he encounters a fifth-grade monk in the Body Fit Realm, David can still protect himself!

How can David's current strength be compared to that of Wu Feiyu and Nie Heng!

"What I need is not that you are afraid of me, what I want is the lives of both of you." "

I want to avenge the villagers of Dashi Village..."

David burst out with a thick murderous aura, which was still tinged with blood. The breath enveloped Wu Feiyu and Nie Heng!

If it weren't for these two guys, how could so many villagers die in Dashi Village!

David wants to avenge them!

"David, is it worth it for you to avenge a bunch of untouchables and make an enemy of our Jade Cauldron?"

Nie Heng asked!

"You have one pariah per bite, just because they are weaker than you?"

David said with cold eyes!

"The world of heaven and man is like this. Heroes are judged by their strength. If their strength is not enough, they are ants. They are people who are driven to kill at will. This is the rule of the world of heaven and man."

"If you don't want to be a pariah, then improve your strength. No one forces them to be a pariah, it's just that they are not strong enough!"

Nie Heng said clearly, feeling that what he said made sense!

Chapter 2592

And David was furious when he heard Nie Heng's explanation!

"In this world, there are strong and weak after all. It is impossible for everyone to be strong." "Do

you think that you are strong now that you are a cultivator of transformation? You can surpass others?" "

In the eyes of a real expert You two are like ants in my eyes!" "

Then you two are also untouchables in your mouth?"

David asked road!

"David, you and I are on the same level of strength, yet you dare to say such a thing without shame. Since you don't listen to dissuasion, you can only die..."

Nie Heng also didn't want to talk nonsense with David. Murderous aura also began to rise!

Originally, he wanted to trick David into going to the Jade Cauldron School, so that it would be easy, but he didn't want David to not listen to the advice at all!

Since David didn't listen, he could only use force!

"After a while you will know who died..."

David sneered, grabbed the void with his right hand, and the Dragon Slaying Sword instantly appeared in David's hand!

The sword body of Zhanlongjian exuded bursts of chill. Although the sword Ling Zhongli was injured and could not get out of the sword body now, even so, the aura emanating from Dragonzhanjian was enough to tell that it was a sword. Sword!

"No wonder Master wants to bring you back alive. It seems that you have a lot of treasures on you..."

Nie Heng finished speaking, and took advantage of the opportunity to attack David!

Seeing this, Wu Feiyu also shot at the same time, and the two of them faced David in a pincer attack!

Seeing this scene, the old village chief and Yun'er were very nervous, but it was useless to be nervous. A battle of this level was simply not something they could participate in!

Not to mention participating, even if you get close, you will be hurt by the aftermath!

"Well done..."

Holding the dragon-slaying sword in hand, David also jumped up!

I saw that Nie Heng shook the long sword in his hand, and the sword light burst out instantly, and countless sword lights surrounded David!

And the tiger-headed knife in Wu Feiyu's hand cut out a sharp blade several feet long in an instant, and it came down with a terrifying aura!

The two of them tried their best as soon as they made a move. After all, David's strength is not weak. If they want to capture David alive, they can only make David lose his fighting power from the very beginning!

You must know that capturing a person alive is ten times and a hundred times more difficult than killing a person...

and looking at David like this, it is impossible for them to capture him alive, so they have to make David incapacitated to prevent David from committing suicide!

These two people thought very well, but they didn't know that in David's eyes, they looked down on them at all, so how could they commit suicide!

Facing the countless sword lights and the sharp blade, David smiled coldly, and his eyes were full of disdain and sarcasm!

"Compare swordsmanship with me, I'm afraid I'm your ancestor..."

The Dragon Slaying Sword in David's hand was in the void, with a light touch, countless sword flowers bloomed in the entire void in an instant!

Boom...

Nie Heng's sword light and Wu Feiyu's blade crashed down, and they were all blocked by the sword flower that David lightly tapped!

Along with the tremor of the earth, streams of smoke rose into the sky.

David's body didn't move at all, and he didn't suffer the slightest injury. Looking at Wu Feiyu and Nie Heng, the two of them retreated repeatedly despite the force of the collision!

Wu Feiyu and Nie Heng panted heavily, and looked at David in disbelief!

"This...how is this possible?"

The two people's eyes widened, they couldn't believe it!

You must know that the two of them teamed up, and they used all their strength to deal with David, who was at the same level, and it should be easy to catch!

Unexpectedly, David just lightly touched the void with his sword, and resolved the moves of the two of them without any damage!

Chapter 2593

This is too incredible? Why is this so?

David ignored the shocked two people, but glanced at the Dragon Slaying Sword in his hand, and gently stroked it with his hands!

"To deal with the two of you, I actually used the Dragon Slaying Sword. I really think highly of you..." "

Killing you two, if my sword suffers a little damage, it's not worth it!"

David said Then, he actually put away the Dragon Slaying Sword!

The blow just now let David know that he overestimated the strength of Wu Feiyu and Nie Heng.

When Wu Feiyu and Nie Heng saw that David had even put away his weapons, they obviously didn't pay attention to them. This was blatant contempt, and they were instantly outraged!

After putting away the Dragon Slaying Sword, David's body shone with golden light, the indestructible golden body was activated, and the scales shimmering with golden light covered David's whole body!

"If you two kneel down and apologize now, I can make your death easier..."

David looked at Wu Feiyu and Nie Heng and said!

"Boy, don't be ashamed. Your current strength is just relying on the treasures in your hands. If you don't have these things, how could you be our opponent!" Wu Feiyu thought that

David had just easily received their blow, It's because of the sword in his hand!

"I've put away my weapon now, and I'll let you see how I beat your shit out without a weapon." After

David finished speaking, his figure suddenly swayed, and he arrived at Wu Feiyu in an instant. before!

The power of the three clans in David's body was activated, and he used the wind walk, which directly increased the speed of the wind walk to the extreme!

It seems that the whole person is not moving, but arrives in a flash!

Wu Feiyu couldn't react at all, and he didn't expect that at a distance of more than ten meters, David just shook his body, and he was already in front of him!

When Wu Feiyu realized it, it was already too late. He only felt a force hit his abdomen fiercely, and then his body flew up like a kite, and then hit the ground fiercely, smashing the ground Smashed a deep pit several meters in diameter!

And Nie Heng, who was beside Wu Feiyu, didn't have time to react at all. He didn't realize when David had arrived in front of him, and he didn't even see an afterimage. David seemed to appear out of thin air. !

“What... what speed is this? Could it be that you can travel through time and space?”

Nie Heng was terrified and his body was shaking!

How could it be possible for a cultivator to cast time and space travel? It's simply impossible!

But the facts were in front of him again, and Nie Heng couldn't help but believe it!

At this time, Nie Heng was afraid, and he finally believed what David said. In front of David, they were ants, the so-called untouchables!

Nie Heng backed away desperately, and at the same time threw his hands, streaks of white smoke instantly filled the air, forming a barrier in front of him!

These are unique poisons refined by their Jade Cauldron Sect, which can instantly incapacitate people after inhaling them!

After throwing out the poison, Nie Heng relaxed a little bit!

Looking at the vast expanse of whiteness in front of him, Nie Heng felt that David must have lost his ability to move, or else he would have caught up by now!

Just when Nie Heng was full of joy and helped Wu Feiyu up, he heard footsteps!

Tread...

Every step seems to be on the hearts of two people. At this time, Nie Heng and Wu Feiyu raised their hearts to their throats. It stands to reason that under this kind of poison, no one will be able to act anymore. !

But the sound of footsteps proved that someone was still active, and it seemed that they hadn't been affected in any way!

Both of them became nervous, they hoped that this person who was still walking around was not David!

Chapter 2594

But when David's figure came out of the white smoke, the hearts of the two were instantly broken!

"What's going on, what's going on here?"

Wu Feiyu looked at Nie Heng in bewilderment. You must know that this poison is exclusively refined by the Jade Cauldron Sect, and ordinary Jade Cauldron Sect disciples are not qualified to possess it!

Nie Heng, the eldest disciple, carried this kind of poison on his body, but now the poison doesn't work?

Nie Heng was also in a daze at this time, and he couldn't explain why!

They didn't know that in terms of refining medicine, their master Hu Yixiao was the younger brother in front of David, and David's body was already invulnerable to all poisons. Any poison that entered David's body would be refined by the Concentration Art. of!

Looking at the two people in a daze, David sneered coldly, "Competing in swordsmanship, I am your ancestor. Competing in alchemy, your master will call me grandpa when he sees it. Even you trash and poison want to poison you!" Flip me?"

As soon as David finished speaking, his figure flickered again, and he was directly in front of Nie Heng and Wu Feiyu!

“Holy Light Fist...”

David yelled loudly, and punched out!

Under the blessing of the power of the three clans, the power of the Holy Light Fist increased instantly, and the golden light that emerged from David’s fist was like the sun!

Boom...

The extremely fierce wind of the fist shattered the entire void, and Wu Feiyu and Nie Heng’s bodies flew out like straws!

The two vomited blood and hit the ground heavily!

In front of David, who has the power of the three clans, the two of them are simply vulnerable!

“Why, why is your strength so strong in the same realm?”

Wu Feiyu couldn’t figure out why!

“Who are you? Why are you here?”

Nie Heng knew that with David’s strength, he should also be a descendant of a family in the world of heaven and man. He wanted to know what identity David was!

You must know that in this area, although the Jade Cauldron Sect is not the strongest, but as the direct descendants of the Jade Cauldron Sect, they can almost walk sideways in this area, but they don’t want to be beaten by David, who is in the same realm today. I can’t find North!

And it was two against one, none of them could take advantage of it, instead they were beaten helplessly!

"I don't have any identity, and I don't have any power behind me. You don't have to be afraid of my identity. If you two still have cards, then show them all. If not, then I will send you to hell..." David

glanced cold!

Wu Feiyu and Nie Heng supported each other to get up, looking at David's cold eyes, they knew that David was not dead, and they were the ones who died!

At this moment, the two of them had no intention of capturing David alive!

"David, don't be too arrogant. As direct disciples of the Jade Cauldron Sect, we can't be easily killed by you."

Wu Feiyu said with his eyes narrowed!

"Of course I know, even your Junior Brother Zhang has an order card, how could you have no means to save your life?" "

However, no matter what means you have, they can't save your lives, even if your master comes. "

Even if it is the king of heaven, I can't save you today..."

David's eyes were full of murderous intent. For the sake of those folks who died in Dashi Village, David would not let Wu Feiyu and Nie Heng leave alive!

"You're so crazy..."

Nie Heng finished speaking, took out two black pills from his body, and handed one of them to Wu Feiyu!

Without the slightest hesitation, the two swallowed the pill in an instant!

Immediately afterwards, the expressions of the two people became ferocious, and the aura on their bodies also continued to rise, and soon reached the strength of the ninth rank of the transformation realm!

David is only at the eighth rank of the transformation realm, but now he has to face two opponents of the ninth rank of the transformation realm!

“Burst Pill, do you think you can defeat me with such a low-level pill to improve your strength?”

David sneered!

“David, this is not a bursting pill, it is an improved Qi-lifting pill, and it won’t have any side effects on our bodies.”

Nie Heng looked at David and said coldly!
