Chapter 2595

“Even if you eat the elixir of Taishang Laojun, you will not be able to change your fate today.”

David said coldly!

“Then try it...”

After Nie Heng finished speaking, he glanced at Wu Feiyu, and the two people who had improved their strength rushed towards David again!

“Just try it...”

David also jumped up in an instant, and the three of them fought together directly!

With a calm face, David continued to fight with the two of them, and led them to the mountains outside Dashi Village!

At this time, David didn't seem to be in a hurry to defeat the two of them, it was more like letting the two of them be his training partners!

David has just acquired the power of the three clans, and it happens that Wu Feiyu and Nie Heng will serve as sparring partners to get familiar with the use and control of the power of the three clans!

After possessing the power of the three clans, each of David's moves is much more powerful than before!

Above the mountains, there was constant roar, boulders shattered, and large trees collapsed, just like the end of the world.

The old village chief and the others watched quietly, and could only pray silently for David in their hearts, but they couldn't help at all!

Ten minutes later, the originally 100-meter-high mountain range was cut down tens of meters by the fight of three people!

"Do you have any other means? If not, I won't play with you..."

David said calmly after forcing the two of them back with a slap!

Even if the two of them have improved their strength, in David's eyes, it's still not enough. If the two of them have no other means, David doesn't want to waste time!

Nie Heng and Wu Feiyu looked at David in shock, even though they had improved their strength, they still couldn't defeat David.

And it seems that David is very relaxed when dealing with them!

One must know that David is unarmed, both of them are holding weapons, plus two-on-one, they still can't defeat David, at this moment, the two of them only feel their scalps go numb!

"It seems that the two of you have no other means, so go to hell..."

David's fist shone with golden brilliance, and he swung at the two of them with one punch!

Seeing this, the two hurriedly raised their hands to block it!

Dang...

With a crisp sound, the weapons in Wu Feiyu and Nie Heng's hands snapped instantly, and then the two of them flew upside down in an instant!

This time, after a lot of effort, the two stood up with support!

However, David did not take the opportunity to attack again, but quietly looked at Wu Feiyu and Nie Heng, as if he was thinking about something!

Seeing this, Wu Feiyu and Nie Heng looked at David nervously, because they didn't know when David would attack them!

Now they understood that if David wanted to kill them, he could kill them anytime!

"Chen...David, we have no grievances, I will kneel down for you, can you not kill me?"

Wu Feiyu's mind seemed to have collapsed, he didn't want to die, so he asked David! "Wu Feiyu, what are you talking about? As a direct descendant

of the Jade Cauldron Sect, how can you say such a thing?"

Yes."

Seeing that Wu Feiyu was going to kneel down to David in order to survive, Nie Heng shouted angrily!

But Nie Heng didn't know, even their master knelt down to David, so what are they?

However, David didn't answer Wu Feiyu, but stood there in a daze, his thoughts seemed to be no longer here!

Seeing that David did not speak, Wu Feiyu and Nie Heng glanced at each other, and then slowly backed away!

Even if it is a good opportunity to attack David, the two of them dare not attack David anymore!

After retreating for hundreds of meters, Wu Feiyu and Nie Heng saw that David still hadn't moved, so they secretly breathed a sigh of relief, turned around and ran away!

Chapter 2596

"Brother David, the two of them ran away..."

Seeing that David was motionless, and watching Wu Feiyu and the others escape, Zhu Zi shouted anxiously!

It's just that David still didn't move, his whole body seemed to be frozen!

It wasn't until Wu Feiyu and Nie Heng disappeared that David's eyes changed slightly!

"I understand, I understand the usefulness of the power of these three clans..."

David's face was suddenly full of excitement, and then he looked in the direction where Wu Feiyu and the others were fleeing, his figure flickered, and he disappeared in place in an instant!

No matter what moves David uses, the power used is only one of the powers of the three clans. There is no kung fu method that can radiate the power of the three clans together, but now David finally figured it out.

Seeing that David was gone, Wu Feiyu and Nie Heng wiped the cold sweat off their foreheads.

"It can be regarded as escaped. I didn't expect this guy to be so powerful. Which sect family is he?"

Wu Feiyu asked very puzzled!

After all, it is impossible for a villager with David's strength to live in a mountain village. To cultivate such strength, the resources needed are unimaginable. It is impossible for a mountain village like this to have so many resources!

"I don't know, I have to go back and report the truth."

"Let's go, the kid who will save me will catch up later..."

Nie Heng was also scared by David, and told Wu Feiyu to run for his life!

But as soon as the two of them moved, they saw a flash of light coming towards them. Before the two could see what was going on, they only heard Wu Feiyu's scream!

"Ah..."

One of Wu Feiyu's arms flew into the air, and blood flowed profusely from the severed arm!

"This... what speed is this?"

Nie Heng was stunned, his forehead was covered with cold sweat, he never thought that David would catch up so fast!

I saw David standing in front of the two of them, with a calm expression on his face, and around David, a vague aura was constantly flowing. They could see the fluctuations in the void around David with their naked eyes, but they couldn't feel it. Let out David's breath!

In their eyes at this time, David had that faint appearance, as if he was not in the same time and space as them!

Gradually, David's figure began to become clear, and at the same time, the flowing aura around David turned into countless brilliant flying swords at this moment. Countless flying swords surrounded David's body, forming a huge sword Array!

Moreover, the aura emitted by these flying swords was something that Wu Feiyu and Nie Heng had never seen or heard before, and it was different from any kind of ethnic aura!

In the middle of the huge sword array, David's face was calm, like a fairy descended from the fairy world, with a daunting look!

"Eldest brother, what... what is this guy's aura? It's terrible..."

Wu Feiyu grinned in pain, and looked at David in horror, regardless of bandaging the wound.

Nie Heng shook his head. He didn't know what kind of aura it was. This kind of aura was purer than aura and a hundred times stronger than spiritual power. He had never seen such a power before!

David's performance at this time has already caused the two of them to collapse.

"It's really good of you two to be the sword testers of the strength of my three clans."

David said calmly!

"The power of the three clans?" Wu Feiyu and Nie Heng were taken aback at the same time, they didn't know what the power of the three clans was!

But without waiting for them to react, David waved his palm lightly, and countless flying swords quickly moved towards the two of them!

Seeing this, Nie Heng desperately propped up a barrier, and shouted loudly, "Junior brother, quickly get the security order..."

Only then did Wu Feiyu come to his senses, and hurriedly took out the security token from his waist, and stained the token with his own blood on his broken arm.

Accompanied by a flash of golden light, the light from the security token wrapped the two of them tightly. Nie Heng also took the opportunity to take out his own security token, and then sprayed a mouthful of blood on the token!

Chapter 2597

The two security signs emitted light at the same time, and the barriers wrapped the two of them, which gave them a sense of security!

It's a pity that before the two of them could take a breath, they found that the barrier formed by the protection sign was as fragile as glass under the attack of those flying swords, and was instantly shattered!

This time, the two were dumbfounded, this was their last hole card, but this last hole card was so vulnerable in front of David!

"Ah..."

Wu Feiyu's other arm was cut off, and his legs were also cut with many wounds by the flying sword, and he fell to his knees with a plop!

Nie Heng also suffered the same fate. All his limbs were cut off, and his whole body was covered in blood!

David swayed, and instantly appeared above the two of them, looking down at Wu Feiyu and Nie Heng, as if a fairy descended.

Wu Feiyu and Nie Heng looked up at David. At this moment, they could not see the slightest fear in their eyes. The matter had come to an end, and they just wanted to die happily!

“Who the hell are you? Kill us if you have the ability, and my master will avenge us.”

Nie Heng looked at David and said!

Wu Feiyu didn't say a word, his eyes were full of dullness. He always thought that David was a pariah in the mountains, but later found that David was very powerful, he should be the son of a certain family sect, and now David instantly killed them both, Now they can't figure out who David is!

David didn't answer Nie Heng, but stretched out his hand and grabbed the two of them, like carrying chickens, and carried them back to Dashi Village!

David didn't kill the two of them, he wanted the people from Dashi Village to kill them personally to relieve their hatred.

Zhu Zi and the old village chief were very excited when they saw David come back with Wu Feiyu and Nie Heng!

“Brother David, are you okay?”

Zhu Zi and Yun'er ran forward and said to David with concern!

“How can I have something to do, don't worry...”

David smiled slightly, then looked at the old village chief and said, “Old village chief, I brought back these two culprits and let you deal with them...” The

old man The village head had tears in his excited eyes, and then nodded.

All the villagers in Dashi Village looked at Wu Feiyu and Nie Heng angrily. If it weren't for these two people, how could so many people die in Dashi Village?

"Kill them, kill them..."

All the villagers in Dashi Village roared angrily!

The old village head waved his hand and said, "We must not let them die easily, we will torture them to death..."

After finishing speaking, the old village head had Wu Feiyu and Nie Heng tied up in the square!

In fact, even if the two of them were not tied up, they would not be able to escape. David had already broken all his limbs!

Especially Wu Feiyu, both of his arms were cut off, and it was almost impossible to take them back!

After tying the two together, the old village head said, "Folks, it is because of them that we lost our loved ones. We must take revenge now." "Each of you can try your best to torture them,

but you must never let them If you are dead, you have to let the folks behind you breathe."

The old village head followed many fellow villagers, and they all nodded in agreement!

"Start with this guy..."

The old village chief pointed at Wu Feiyu and said!

After all, this Wu Feiyu came to Dashi Village twice, beat, scolded and humiliated the people of Dashi Village, and everyone in the village hated him to the core!

All the villagers lined up and started to attack Wu Feiyu!

Some people cut Wu Feiyu's flesh with knives, some smashed it with stones, and some burned it with fire, but none of them would attack the vital points, and they would not let Wu Feiyu die!

Wu Feiyu's screams resounded throughout the square!

Now he can't wait to die immediately, living now is a kind of pain, but it's a pity that he wants to die, but he can't die at all!

This is the real life is worse than death...
