

A Man Like None Other Novel

Chapter 2622

Seeing this scene, Fang Shu was very anxious. If he really took action, their life would be even more difficult in the future, and David alone could not be the opponent of these people!

Just when Fang Shu was extremely anxious due to his ignorance, a loud voice suddenly came!

“Stop it all...”

With an angry shout, Nie Heng ran over in a hurry! Seeing that David was surrounded by these disciples, he immediately scolded, “You fu**ing want to rebel? How dare you start an infighting

within the sect?”

.”

The young man who was beaten stepped forward and let Nie Heng look at his swollen face from the beating!

“It was you who made things difficult on purpose and didn’t give us supplies, so Mr. Chen beat you...”

Fang Shu hurriedly explained!

The young man wanted to open his mouth to refute, but Nie Heng stopped him and said, "Go, bring the supplies from the lineage of Third Master Uncle, there must be nothing less..." In Nie Heng's words, the

disciples of the Jade Cauldron Sect who distributed the supplies were all startled, he looked at Nie Heng in disbelief!

You must know that Nie Heng didn't like the lineage of the three elders in the past, and he wouldn't take the initiative to control them!

Today, they were asked to give all the supplies to the third elder's lineage, which made many Jade Cauldron Sect disciples a little confused!

"I fu**ing told you to take it, do you want to taste the taste of door rules?"

Nie Heng became anxious when he saw that no one moved!

Seeing Nie Heng get angry, those disciples who distributed supplies could only move out all the supplies from the third elder's line in desperation!

"Junior Brother Fang, let me know in advance when receiving supplies, and these boys will not dare to make things difficult for you."

Nie Heng said to Fang Shu!

Fang Shu looked at Nie Heng and didn't know what to say for a moment. He felt that Nie Heng had changed, which was a bit weird.

One must know that Nie Heng would not be so polite to them before!

But Fang Shu didn't know that the reason why Nie Heng was like this was because of David!

"Let's go..."

Seeing that the supplies were brought out, David prepared to carry them back with Fang Shu!

But just when David was about to move the supplies, a person suddenly appeared and stepped on those supplies!

"No one can move these things without my asking..."

said a middle-aged man with a swollen face and sharp eyes! As soon as Nie Heng looked at the person, he frowned and said, "Kuang Biao, what do you mean? It's not up to you to decide the

affairs of the sect, right?"

The matter of distributing supplies has always been under the jurisdiction of our lineage, why did you get involved."

Kuang Biao looked at Nie Heng coldly and asked!

"My master is not here. I am responsible for all the affairs of this sect. Why can't I manage the distribution of supplies?"

Nie Heng asked without showing any weakness.

"Hmph, the suzerain is not here, but my master is still there. He But the second elder of the sect, when will it be your turn to be a disciple in your sect?" "

Besides, the matter of distributing supplies has nothing to do with you at all, do you still want to seize power?"

Kuang Biao said with a wave of his hand, "Take these Move all the supplies back to me."

The Jade Cauldron Sect disciples who were distributing the supplies were about to make a move when Nie Heng shouted loudly, "I see who dares. If the

suzerain is not here, I, the eldest disciple, have the right to punish. If you dare to move, then Serve according to the rules of the house.”

At this moment, all the disciples of the Jade Cauldron Sect who distributed the supplies did not dare to move!

“You guys are afraid of shit. I am the real big disciple of Yudingzong. When I was apprenticed to Yudingzong, he didn’t know where to pee.

” I belong to the line of the second elder, but I won’t be bullied in vain.”

Kuang Biao said with a big wave of his hand!

Chapter 2623

“Brothers, listen to the senior brother and move in. In our eyes, there is only senior brother Kuang.”

The Jade Cauldron Sect disciple who was beaten just now shouted, and moved first!

When other people saw this, they also started to do it one after another. All the supplies that had just been moved out were moved back!

Nie Heng looked at this scene, his face turned green with anger, but there was nothing he could do. He couldn’t really do it. After all, these were the second elder’s disciples. If he really did it, the second elder would not agree!

Now that Hu Yixiao is not here, even though Nie Heng is a big disciple, he doesn’t dare to offend the Second Elder too much!

Nie Heng glanced at David helplessly, saying that he was powerless, and he didn’t expect that Kuang Biao would come back at this time!

Seeing Nie Heng's compromise, Kuang Biao raised the corner of his mouth slightly, showing the attitude of a winner, then looked at David and Fang Shu and said, "Remember, if you want to get supplies in the future, please be filial to me. I just need one sentence to do it." I'll solve it for you!"

"You found a piece of trash, it's useful, and you can't take away any supplies?"

Nie Heng was trembling with anger when he heard Kuang Biao's words!

Fang Shu didn't say a word, now that Kuang Biao is back and Nie Heng is also present, he has no part to speak at all!

Although he is also the eldest disciple of the third elder, but in the Jade Cauldron Sect, their lineage of the third elder has the least status.

"We just get back what we deserve, and we don't need to be filial to anyone at all. You'd better move out the supplies we deserve..."

David looked at Kuang Biao calmly and said!

Kuang Biao was taken aback for a moment, then looked at David, and suddenly remembered something and said, "I see, you can't be the big idiot who just worshiped under the third uncle's door?"

"What happened to your pulse, and you still worship under his sect, I heard from my master that you were very arrogant during the assessment?"

"You can take away the materials if you want, then let me see if you have the ability, what kind of strength, you can ignore my master during the assessment, so arrogant." Kuang Biao's meaning is obvious

, This is to vent anger for the second elder!

Nie Heng said long ago that this guy is a vengeful lord, but he didn't expect to start targeting David as soon as he came back!

"You want to compare with me?" David said with a faint smile!

"That's right, do you dare?" Kuang Biao looked at David provocatively!

"There's nothing to be afraid of, but I'm ugly, if I accidentally beat you to death, then I can only blame you for your bad luck, not me..." David laughed

!

"Hahaha, boy, you are really crazy, no wonder my master will say you."

Kuang Biao laughed, "I am not responsible for killing you, but if I kill you, the third uncle is not allowed to trouble me. "

Of course no problem, we each obey our destiny!" David nodded!

"Mr. Chen..."

Fang Shu gently tugged at the corner of David's clothes. He didn't know David's true strength, so he didn't want David to take risks!

David smiled slightly and said, "Don't worry, I can deal with him with one hand!

"

Even Kuang Biao's master, the second elder, would have a hard time beating David if he wanted to compete with him!

"Mr. Chen, you'd better save Kuang Biao's life, otherwise it will be very troublesome later."

Nie Heng whispered to David!

Nie Heng knew David's ability, so he had no problem dealing with Kuang Biao, but he was afraid that if David really killed Kuang Biao, the Second Elder would definitely not let it go.

In this way, the entire Jade Cauldron Sect will be in chaos, and it will be difficult for David to enter the medicine pool in the future!

Chapter 2624

"I have a sense of proportion!" David smiled lightly, then looked at Kuang Biao and said, "Where shall we compete?" "It's right

here, there is no need to go to the arena, because one move is enough to deal with you, so there is no need to go to the arena Trouble."

Kuang Biao said confidently!

He never thought about how powerful a disciple who had just joined the sect and worshiped under the sect of the third elder could be.

"You're right, one trick is enough, it's very suitable here!"

David smiled lightly!

When Kuang Biao waved his hand, everyone stepped back one after another, giving David and Kuang Biao a large and spacious place!

Those disciples from the second elder's lineage all had bright eyes, wanting to see how their elder brother tortured David!

At this time, some other disciples also rushed over. After all, the Jade Cauldron Sect hadn't had this kind of competition for a long time!

Ever since Kuang Biao was dispatched to other places, no one in the Jade Cauldron School has fought within the sect!

Now that this kind of thing suddenly appears, many people are curious and excited!

Kuang Biao looked at David, the aura on his body began to rise rapidly, and soon reached the peak state of transformation!

Feeling the aura of Kuang Biao, many disciples were quite surprised!

Even Nie Heng frowned slightly, because Kuang Biao's strength obviously surpassed him!

"I've been away for so many years, do you think I'm going to sleep? I'm cultivating hard every day!" "I'm going

back to the sect this time to rely on the opening of the medicine pool, break through the transformation state, and reach the strength of the fusion state!"

Kuang With a face full of arrogance, these words are obviously meant for Nie Heng to hear!

"What are you talking so much about? Don't you want to defeat me with one move? I don't need to make a move. If you can knock me down within ten moves, you will win." David put his hands behind his back

!

The reason why David chose not to make a move was also to avoid exposing his strength too much. Before the opening of the medicine pool, it is better to keep a low profile!

When Kuang Biao heard this, he sneered and said, "Boy, you are so crazy. Needless to say, ten moves, if I can't beat you with three moves, then I will lose. , double offer..."

"No problem, hurry up, I have other things to do, I'm very busy..."

David said with a faint smile!

When everyone saw that David had his hands behind his back and was about to take Kuang Biao's attack, they all widened their eyes in surprise!

With the strength of the peak of Huajing, with one punch, a hill will disappear, who dares to take it hard?

"Boy, you will regret it..."

Kuang Biao yelled, and rushed to David in an instant, and then punched David with a whistling punch!

David didn't dodge or dodge, he still stood with a calm expression on his face, he didn't even activate his indestructible golden body!

Boom...

Kuang Biao hit David's chest with a punch, and the huge force exploded with a deafening sound!

David shook his body slightly, and took a step back with his right foot to stabilize his figure!

And when Kuang Biao punched David in the chest, he felt as if his whole body was hit on a steel plate. David's physical strength seemed to be beyond his imagination!

Kuang Biao's right arm trembled slightly, and the huge recoil made blood flow from Kuang Biao's tiger's mouth!

"Peak Transformation Realm, it looks pretty good, I've already made one move..." David withdrew his right foot, and what seemed to be a compliment, slapped Kuang Biao on the face like a big slap!

With so many people watching, Kwong Biao's strength as the pinnacle of the transformation realm, even though David was motionless, Kwong Biao couldn't hurt David with a single punch, let alone knock him down!

Everyone looked at David in surprise, and Fang Shu was even more surprised. He only knew that David's alchemy skills were amazing, but he didn't expect his body to be so perverted. A punch from the peak of transformation didn't even break the defense. Hurt David!

"Boy, don't be arrogant. I only used 50% of my strength just now. I didn't want you to die too ugly. I didn't expect your physical body to be really strong, but this punch won't make you feel so good!"

Kuang Biao hurriedly found a step for himself, and then burst out with all his strength!
