Chapter 2628

"Mr. Chen, you don't have to worry about it. You can take it off if you take it off. It's just to have a look, as long as it can wake up the eldest lady." "Just tell me what herbs you need. If you don't have any here, I can leave them.

" Take this old face to the Jade Cauldron Sect's warehouse."

The third elder said!

"That's not necessary, the medicinal herbs here are fine, but it may take a few days, please trouble the third elder to protect the law."

David said!

"No problem..." The third elder readily agreed!

David took out his own Shennong Ding, and then picked some herbs. The herbs were ignited in the Shennong Ding, and bursts of smoke and medicinal fragrance rose!

Next, David picked up Ruyan Liu, and gently took off Ruyan's clothes!

Seeing this, the third elder walked out of the room and stood guard outside!

After David took off Liu Ruyan's clothes, he used his spiritual power to support him, and suspended above the Shennong Cauldron. Liu Ruyan's body was directly fumigated by the smoke from burning herbs!

At this time, Kuang Biao, who was publicly humiliated by David, was being reprimanded by his master!

Now Kuang Biao is embarrassing, which is tantamount to embarrassing all the disciples of their second elder's line, even the second elder is ashamed to see others in Yudingzong!

As the eldest disciple of the Second Elder's lineage, he was humiliated by a person who just joined the Jade Cauldron Sect, and he stood still, and hadn't been able to knock him down. This is a great shame!

"Master, that guy named David has an extremely strong physical body, and he also has a magic weapon to protect his body, so I will be careless to suffer."

Kuang Biao lowered his head and whispered!

Pa...

The Second Elder slapped Kuang Biao's face fiercely!

"Are you fu**ing stupid? I've said it a long time ago, that guy's physical body is extremely strong, and you still promised him to compare him. The reason why he stood still and let you beat him was that he was only physically strong. Put on the magic weapon to protect the body, so I am not afraid of you at all!" "

But he dare not do it, because his strength level is not high, as long as he does it, his spiritual power will be consumed a lot, and he will definitely lose in your hands in the end." "I didn't

expect You idiot, you fell into his trap, you are simply a big idiot..."

The second elder became angrier and angrier with his curses, and kicked Kuang Biao twice again!

Kuang Biao was right when he thought about it. If he hadn't boasted about going to Haikou and brought David down with three moves, he would have competed with David, David would probably be at a disadvantage soon!

"Master is right. I'm going to find him right now. I'm competing with that guy. I want to get back the face I lost..."

Kuang Biao decided to compete with David!

"Wait a minute..." The second elder called out to Kuang Biao, "I know you came back this time because the medicine pool is about to open. In order to break through the peak of the transformation realm, I have a pill here. After you take it, you will be able to break through the transformation realm, have reached the state of fit."

"After you break through, go find that kid, so it will be safer..."

The second elder said, and took out a pill from his arms. The pill was black and had a fist size!

However, when Kuang Biao saw the pill, he was overjoyed and said, "Master, isn't this the Huntian Pill? This is the treasure of our Jade Cauldron Sect. Without the order of the master, you are not allowed to take it." "Can you take it?"

"Eat? As the second elder of the Jade Cauldron Sect, I am in charge of the resource allocation of the Jade Cauldron Sect, do I still need your uncle's order to take a Hunyuan Pill?" The second elder said very displeased

!

"No, no, of course Master doesn't need it, I'll take it, I'll take it right away..."

Kuang Biao took the Hunyuan Pill and began to swallow it!

After one night, Kuang Biao finally broke through to the state of integration, and his heart swelled to the extreme!

In Nie Heng's mansion, Nie Heng looked at the sky above Kuang Biao's mansion at this time, thunderclouds drifted past, and there was a sound of thunder. He knew that this was the scene of someone breaking through to the state of fusion!

Chapter 2629

"This Kuang Biao has broken through to the Fusion Realm so quickly. Could it be that he has some adventures?"

Nie Heng frowned slightly. You must know that after reaching the peak of the Transformation Realm, you need chance and luck to break through to the Fusion Realm!

When Kuang Biao comes back this time, he intends to use the energy of the medicine pool to break through!

But now that the medicine pool has not been opened, Kuang Biao has broken through to the combined state, which makes Nie Heng feel strange!

As a result, the gap in strength between Nie Heng and Kuang Biao is getting bigger and bigger, and his status as the senior brother of Yudingzong may not be guaranteed!

Suddenly, Nie Heng seemed to have thought of something, and walked quickly towards the warehouse of the Jade Cauldron Sect!

There are many Jade Cauldron Sect elixirs in this warehouse. Although these elixirs are not as precious as those in the Tibetan Medicine Pavilion, there are also many high-level elixirs, such as Hunyuan Pills!

Only the suzerain of the Jade Cauldron Sect can distribute this kind of high-level elixir, and now Kuang Biao suddenly broke through, so Nie Heng suspected that this guy stole the high-level elixir of the Jade Cauldron Sect!

So he had to go to the warehouse to check it out. If Kuang Biao stole the high-level medicine from the Jade Cauldron Sect, it would be a felony!

At the door of the warehouse where Nie Heng came, he was stopped by the disciples of the Jade Cauldron Sect guarding the warehouse!

"Brother, you can't come in and out of the important warehouse..."

the guard said to Nie Heng!

These guards are all disciples of the second elder's lineage, so they are not too afraid of Nie Heng!

"Presumptuous, the suzerain is not here. As a big disciple, I have the right to inspect all places in the Jade Cauldron Sect. Now I want to enter the warehouse to check. How dare you stop me?" Nie Heng said angrily

!

"Brother, I'm sorry, you can't go in without the second elder..."

the guard still stopped Nie Heng and said!

Snapped.....

Nie Heng slapped the guard on the face and roared, "You are a small guard disciple, you dare to stop me, believe it or not, I will kill you, and the second elder can't do anything about it.

" Little guard disciple, have you cut me off too?"

"Get out of the way right now, or don't blame me for being rude..."

A strong murderous intent surged from Nie Heng, directly covering the guard disciple, causing The guard disciple trembled all over, and could only obediently get out of the way!

But just when Nie Heng was about to enter the warehouse, Kuang Biao walked over from the side and said with a sneer, "Nie Heng, as the eldest disciple of the master uncle, you are bullying a little guard here. Are you still shameless?"

Seeing Kuang Biao approaching, Nie Heng didn't want to talk to him, as long as he went into the warehouse to check and if the high-grade pill was missing, it must be Kuang Biao who stole it!

When Kuang Biao saw that Nie Heng was ignoring him and walking straight towards the warehouse, his expression turned cold, and a terrifying aura erupted from his body, which instantly knocked Nie Heng away!

The current Kuang Biao has the strength of the Fusion Realm, and Nie Heng is not an opponent at all, and he doesn't even have the ability to resist!

"Kuang Biao, do you want to rebel? I am the eldest disciple of Jade Cauldron Sect, how dare you attack me?"

Nie Heng glared at Kuang Biao angrily, but he didn't dare to make a move!

Just now, Kuang Biao sent him flying with a breath. With such a difference in strength, even if Nie Heng did something, he would be asking for trouble!

"Nie Heng, don't think so highly of yourself. I'm rebelling if I attack you?" "

I'm telling you, no one can enter this warehouse without my master's order."

Kuang Biao said arrogantly!

"Kuang Biao, I have the token of the suzerain here. If my master is not here, then I will be the acting suzerain. Let alone you, even if the second elder comes, I won't dare to stop me..." Nie Heng gave the token of the

suzerain Take it out!

When seeing the Sovereign Token, Kuang Biao's expression became a little complicated. He could look down on Nie Heng, but he didn't dare to look down on the Sovereign Token. It represented the Sovereign of the Jade Cauldron and Hu Yixiao!

Chapter 2630

Seeing Kuang Biao like that, Nie Heng snorted coldly, held the suzerain token in his hand, and started walking towards the warehouse!

Kuang Biao wanted to stop him, but he didn't dare to stop...

"Nie Heng, holding your master's suzerain token, you are really impressive..."

At this moment, the second elder walked over slowly!

Seeing the Second Elder coming, Nie Heng hurriedly apologized and said with a smile, "Second Martial Uncle, how dare I play prestige in front of your old man..." "

Nie Heng, if your master entrusts me with the management of the warehouse, that means you can trust me. Today I came to inspect with the token of the suzerain, do you suspect that I am guarding myself?" "

I can let you in to investigate, if you can't find anything, then don't blame your second uncle for being merciless..."

Two The elder said coldly with a cold face!

Seeing this, Nie Heng hurriedly explained, "Second Martial Uncle, you misunderstood, how dare I check you, I just passed by and wanted to go in and have a look..." "It's okay, I won't read it, I won't read it

... ..”

Nie Heng quickly smiled, then turned and left!

After seeing Nie Heng leave, the second elder looked at Kuang Biao and said, “Now that you have broken through to the body-fitting state, you can save face. If your third uncle dares to do something, you can come back and tell me that if you are attacked by their lineage We are being bullied, how can we hang out in the Jade Cauldron Sect in the future!”

“Master, don’t worry, I will definitely save face this time...”

After Kuang Biao finished speaking, he brought a few disciples from the second elder’s lineage and went straight to the school. Go down the mountain!

At this time, Fang Shu was treating the nearby mountain people at the residence of the three elders!

When the third elder was away, Fang Shu took over the position of the third elder, and provided free medical treatment to the nearby mountain people, while the other disciples were refining elixirs, and went to the nearby mountains to pick herbs!

After all, the Jade Cauldron Sect almost easily allocated resources such as medicinal herbs to their lineage of the three elders!

But when Fang Shu was treating the mountain people, suddenly Kuang Biao rushed in with people and drove away all the mountain people who were seeing a doctor! When Fang Shu saw Kuang Biao, he got up quickly and said, “Kuang Biao, what do

you mean by coming here to drive away our patients?”

Dingzong’s resources, and that guy named David, call him out, I’m going to compete with him...”

Kuang Biao said to Fang Shu!

"Mr. Chen is not here, he went out..."

Fang Shu said!

"Going out? Who are you lying to? If you don't call him out, I won't be polite to you."

Kuang Biao said, the aura of the fit state broke out on his body, instantly overwhelming Fang Shu and the others. !

Feeling the terrifying aura of Kuang Biao, Fang Shu's eyes were full of horror. He never thought that Kuang Biao had broken through the peak of transformation!

"Mr. Chen is really not here, he went out with my master..."

Fang Shu explained!

"The third uncle is no longer?" Kuang Biao raised the corner of his mouth, and then said, "When David comes back, you tell him, I will fight him once!" "He made me lose face, I will find

face Come back, and you guys, don't forget your identities, and speak ill of me behind my back..." After

Kuang Biao finished speaking, he waved his palm lightly, and a huge force instantly crushed the surrounding houses collapsed!

Looking at the collapsed house, Fang Shu and his disciples became anxious. They didn't have many houses and lived on the site of this old sect, but now Kuang Biao actually destroyed their house!

"Kuang Biao, you are too deceitful, I will fight you..."

Fang Shu roared angrily, and rushed towards Kuang Biao, and other disciples from the third elder's line also rushed towards Kuang Biao.

Kuang Biao sneered coldly, and just waved his hand lightly. Fang Shu and the others flew upside down in an instant, and fell heavily to the ground.
