

The Man's Decree Chapter 738 (The Man like none Othere chapter 738)

Chapter 738 Seduction

Back in the Empyrean Sect hall, the one-hour time limit was up.

Weston still hadn't shown up, which meant he didn't find Kai.

Kai, you jerk! I'm going to kill you when I see you! Fury was written all over Lyanna's face.

"It's already been an hour. Is Poison King still not here yet?" Carlos entered the hall with people.

She tried to explain, "He's probably on his way here now. We're still waiting--"

"Do you think I'm an idiot? How far is Mapleton from the Empyrean Sect? Based on their Senior Grandmaster abilities, it'll only take them half an hour to make a full trip there and back. It's been an hour, and Poison King is still not here yet. This means he's not going to come. We should proceed with the wedding now." He smiled.

She remained silent as she bit her lips feeling all anxious.

"All right, don't make me force you to move. Put on your veil so we can get on with it," he ordered with a slightly annoyed tone since she wasn't saying anything.

“Mr. Xuereb, let’s-”

“Didn’t I say I won’t wait any further? Are you deaf?” His glare was aimed at her as he roared.

It was impossible for her to drag it any longer. She knew that and that was why she said, “I will never marry you, Carlos. If you want me, then the only thing you’ll get is my corpse!”

She then aimed the dagger at her neck and slashed it.

The moment he saw that, he stepped forward and struck her shoulder with his palm to shake the dagger off of her hand.

The members of Mapleton pulled out their weapons and prepared to fight, but they were quickly subdued by the people of the Empyrean Sect.

Carlos restricted Lyanna’s movement and spoke in an amused tone.

“You’re not going to die that easily, not until I finish using you. I don’t care if you live or die after that.”

He promptly pulled her into the bedroom.

“Let me go! Let me go!” Her screams did nothing as he had complete control over her body.

Once they arrived, he threw her to the bed and stared at her like a beast that had caught its prey. His look was so terrifying that she couldn’t help but tremble.

“Listen to me and you’ll live. Otherwise, I’ll make you wish you were dead instead,” he threatened.

“Don’t act like this, please. You’re scaring me. I’m afraid right now. Aren’t you supposed to treat me nicely on the bed if you like me? I can satisfy your desires if you be nice...” Lyanna suddenly spoke coquettishly.

Her eyes were filled with gentle love as she moved her body in a sensual manner.

No man would be able to control themselves if they saw her acting like that.

It was her Seduction Technique. Since she couldn’t win in a battle of strength against him, then the next best thing she could do was display her seduction technique.

No men could resist her move except for Kai.

When Carlos saw her acting like that, his terrifying expression promptly turned somewhat horny as he smiled at her lewdly. “I love you, pretty. Come and play with me...”

He then pounced on her.

Lyanna tried to leave, but Carlos grabbed her arms and pinned her to the bed.

His lustful gaze was fixed on her as he touched her waist with his hand. He wanted to push her into his embrace.

“There is no need to rush. Let’s drink some wine first to set the mood.” She pushed him away again.

It worked as he nodded and stepped backward. “Okay...”

She approached the wine cabinet and popped open a red wine bottle. I need to buy enough time for Weston to bring Kai here!

The edge of his mouth curved upward as she took out a bottle of red wine.

Lyanna popped open the red wine, poured the content into two cups, and brought them to Carlos.

“If you behave yourself, I’ll satisfy you, all right?” She winked at him, making him completely mesmerized by her.

“I’ll behave myself. I promise...” He nodded eagerly.

“Just drink with me for now and don’t touch me, okay?” A smug smile appeared on her face when she saw how head over heels he was for her.

“Okay...” He nodded.

After she handed him a glass of wine, he drank it in one go.

She also drank it in one go when she saw that and poured more wine into his cup.

Her plan was to make him very drunk so that she could escape.

However, when Lyanna was planning to let Carlos drink another cup, she suddenly felt her head spinning and her limbs weak. The cup in her hand fell to the ground.

“Does this... This wine is... There’s a problem with this wine...” She was shocked.

It had to be because of the wine that she was abruptly feeling unwell.

“Hahaha! I have laced the wine, but I never expect you to drink it voluntarily.” Carlos stopped pretending and started laughing.

“You... You didn’t fall for my Seduction Technique?” Lyanna was flabbergasted.

No man, aside from Kai, had ever escaped her when she used those techniques.

“Let me tell you something. Your seduction technique only works on real men. However, I’m not a proper man anymore,” he said, completely not embarrassed.

In fact, he even looked smug about it.

“Then... Then why did you marry me?” She couldn’t understand why he would still marry her despite not being a real man anymore.

“That’s because you’re special. The negative energy in your body is the best resource for me to reach a higher level of cultivation.” His lips curved upward.

“Once I absorbed the negative energy in your body, I’ll finally reach the level of Martial Arts Grandmaster and become the youngest Martial Arts Grandmaster in the martial arts world!”

Fear was penetrating every part of her body as she listened to his rambling. She wanted to escape, but her body refused to move. Biting her own tongue would guarantee his plan would fail, but again, her body had no more energy to even move.

“Stop resisting and surrender yourself to me.” Carlos twirled his finger and caused a vortex to form in the air. It was spinning on top of her head.

Inside the spring, Kai continued to fight against the humanoid monster made of water.

Every time he tore the monster apart, it would reform to its original shape. No matter what he did, he couldn’t really destroy the humanoid monster.

The spiritual energy in his elixir field was rapidly decreasing. Even though his Focus Technique helped, it wasn’t replenishing his energy fast enough.

He knew if he continued to fight like that, he would either be killed or die from exhaustion. Furthermore, he couldn’t afford to mess around any longer as he had no idea what was going on with Lyanna.

“I’m simply a spiritual sense, brat. I cannot be killed, and you cannot defeat me. Don’t you dare take away my magic sword!” the humanoid monster warned.

Kai’s sweat continued to dissolve in the water as his expression darkened. If this monster cannot die and will always revive, how am I going to defeat it?

The monster attacked again when he was thinking. He swiftly dodged the attack and smashed the monster into pieces again.

Like always, the spring water gathered at a spot again to reform. Every time he punched the monster, the spiritual energy in his elixir field decreased. If that kept on, his elixir field would dry up and he would be devoid of any spiritual energy.

“I’ve told you before. Stop wasting your time because you’re no match for me.” The humanoid monster continued, “The water you see here is my life! I’ll live for as long as I have them around me. It’s not like you have the ability to suck the water dry!”

Upon hearing that, Kai’s eyes brightened up, and he seemed to have thought of something.

He smirked. “Thank you very much for your reminder! Although I can’t drain the water, I can definitely keep it away from me!”

With that, his body exuded an enormous wave of spiritual energy. At that point, he was using up all the spiritual energy he had left.

Soon, a force field of around a few meters square wide emerged around Kai, forcing the spring water outside the force field.

With the water now gone, the humanoid monster was starting to panic. “You b*stard! What do you think you’re doing? The Dragonslayer Sword is mine! I hid it here with me because I was hurt. How could you just take it away from me?”

“Since I found it, doesn’t that mean I have a fate with the magic sword? Besides, how could you keep such a good magic sword to yourself?” Kai chuckled coldly.

By then, there wasn’t any water left inside the force field. Without it, the humanoid monster would not be able to resurrect again.

“How dare you take my sword? I’m going to kill you!” the humanoid monster roared angrily and swung his sword toward Kai.

In response, Kai threw a punch at it. The force field instantly absorbed all the water droplets, and the monster was never seen again.

Kai was overjoyed upon seeing that. He then walked toward the Dragonslayer Sword.

As he was approaching it, a buzzing sound could be heard coming from the Dragonslayer Sword. The sword was shaking on its own. It seemed like it was reacting to Kai.

To his surprise, he was blown away by an invisible force when he tried to grab the Dragonslayer Sword.

What's going on? Isn't the humanoid monster gone already? Why can't I pull the sword out? Kai furrowed his brows.

He stared at the Dragonslayer Sword for a while before recalling something in his mind. He then bit his finger and dripped a drop of his blood onto the Dragonslayer Sword.

Buzz!

Suddenly, the Dragonslayer Sword started to vibrate violently. After absorbing the droplet of blood, the sword instantly turned into a shade of red.

Bang!

A loud and powerful explosion sent Kai flying away. At the same time, his force field was shattered instantly.

Just when he was trying to get up from the ground, he saw the Dragonslayer Sword flying toward him rapidly.

He reached out his hand and grabbed the fast-approaching Dragonslayer Sword. The moment he came into contact with the sword, he could feel the connection between himself and the blade.

Very quickly, Kai saw the blood in his body began to flow through the sword in his palm. It was as if the Dragonslayer Sword had become part of his body.

Slowly, the Dragonslayer Sword began to fade away before vanishing from sight.

Despite not being able to see it, Kai could still feel the Dragonslayer Sword in his hand.

As for the spiritual energy he had supposedly used up, he suddenly felt his elixir field being replenished again.

Have I become one with the sword?

What that thought in mind, the Dragonslayer Sword suddenly showed itself in Kai's palm again.

Kai was over the moon. What an incredible magic sword this is! Now, I can kill the Martial Arts Grandmaster with ease!

Swish!

In the blink of an eye, the spring water gushed into the pocket of space where the sword was placed. Within seconds, there wasn't a drop of water left in the spring.

Kai looked up and leaped his way out of the spring. All he saw was a piece of dry land when he looked down.

At the same time, Emphyrean Sect's spiritual energy had disappeared. No matter how hard Kai tried to seek it, he could only feel the usual thin layer of spiritual energy in the air. It seems like the Emphyrean Sect's

spiritual energy was only present because of the Dragonslayer Sword's existence.
