

## A man like none other and the man's decree Chapter 855-856

### Chapter 855

The terrifying atmosphere surrounding Chen Ping also disappeared in an instant, which made Chen Ping a little surprised, and then looked at Zhao Liguó!

At this time, Zhao Liguó was staring closely at a ring on Chen Ping's hand. The reason why he stopped was entirely because he noticed this ring!

Seeing Zhao Liguó's expression at this time, Chen Ping frowned slightly, as if thinking of something, because Lin Tianhu and Chi Feng had the same expression when they saw their ring.

Soon, Zhao Liguó regained his mind. After his face changed slightly, he immediately returned to normal. He said to Chen Ping, "Since you are

Chuang'er's friend, forget it today and come with me..." Zhao Liguó suddenly Su Yuqi and Gu Ling'er were stunned by the change in the situation. They thought that Chen Ping would definitely die today, but they didn't want Zhao Liguó to stop!

Also surprised were Xuanyuan Kai and Cheng Kun. They couldn't understand what medicine was sold in Zhao Liguó's gourd!

But seeing Zhao Liguó's changes, Chen Ping secretly breathed a sigh of relief, he thought it might be true.

”Yuqi, Linger, let’s go...”

Chen Ping said to Su Yuqi and Gu Linger.

The two girls followed behind Chen Ping, and Chen Ping followed behind Zhao Ligu, walking towards the shore together.

Chen Ping and Su Yuqi turned their heads from time to time to look at Xiao Ru, who had turned into an ice sculpture. The three of them were unspeakably uncomfortable.

”Uncle Zhao...”

Seeing that Zhao Ligu was going to take Chen Ping away, Xuanyuan Kai immediately chased after him anxiously.

”What’s the matter with you ?”

Zhao Ligu asked coldly to Xuanyuan Kai.

”Uncle Zhao, this Chen Ping ate Longjing, which should belong to all of us. In order to deal with the ice dragon, we have all done our best. Now you take Chen Ping away, so the rest of us can’t get anything. Arrived ?”

Xuanyuan Kai said.

”I’ll take him away, do you have an opinion ?”

Zhao Ligu narrowed his eyes slightly, and a breath instantly enveloped Xuanyuankai.

Xuanyuan Kai only felt his legs soften, and the whole person instantly sat on the ground!

”No...no opinion!” Xuanyuankai’s face was pale, but he still gritted his teeth and said: “Uncle Zhao, you just took Chen Ping away like this, I believe my father and Sect Master Cheng will definitely come to the door to ask for it. Saying...”

Xuanyuan Kai used his father and Cheng Kun’s father to threaten Zhao Ligu.

”You dare to threaten me?” Zhao Ligu frowned: “Don’t think you are from the Xuanyuan family, I won’t dare to touch you, I can crush you with one finger now, I’ll see if your Xuanyuan family dares to find you Can’t I go to Wuying Mountain Villa?”

After Zhao Ligu finished speaking, he waved his sleeves gently, Xuanyuankai flew out and fell heavily on the ground.

Although Zhao Ligu didn’t kill him, Xuanyuan Kai was seriously injured this time!

Then Zhao Ligu looked at Cheng Kun and said, “I’ll take them away now, do you have any opinions?”

Cheng Kun quickly shook his head and said, “What does Uncle Zhao do, how dare we juniors have any opinions...”

Cheng Kun even had opinions at this moment, He didn’t dare to say anything. After all, Xuanyuan Kai was a role model in front of him. He didn’t want to be beaten and seriously injured!

Zhao Ligu snorted coldly and glanced at Qin Xiaoxian's group not far away!

”Zhao Zhuangzhu is casual, we don't dare to have any opinions...”

Qin Xiaoxian waved his hands in fright when he saw Zhao Ligu looking here.

Only then did Zhao Ligu take Chen Ping away with satisfaction!

”Second brother, then Chen Ping just left, don't we take revenge?”

Qin Xiaotian said anxiously when he saw Chen Ping walking away.

”Don't worry, he can't live, and the Shadowless Villa can't let him live...”

Qin Xiaoxian finished speaking and left with someone...

## Chapter 856

”Damn...” Xuanyuankai was helped by his subordinates and wiped the blood from the corner of his mouth: “Go, let's go back and report to my father, Long Jing appeared and was eaten by Chen Ping, this is a big event...”

Cheng Kun saw that Xuanyuankai was gone, and he didn't stay, so he took the people and left!

On the other side, Chen Ping and the others followed Zhao Ligu to the beach, and the snow wolf followed far behind.

Chen Ping was also very grateful to Xuelang for saving Su Yuqi and Gu Linger, but Xuelang had adapted to the life here after all, and Chen Ping could not take it away from Suolong Island.

And when Su Yuqi and Gu Linger saw the snow wolf, they crouched down and waved at the snow wolf!

Snow Wolf ran over sensible, and then rubbed against the two girls, like a docile wolf dog!

”Chen Ping, shall we take it away?”

Su Yuqi looked at Chen Ping and asked.

Xuelang also looked at Chen Ping with anticipation in his eyes, and it seemed that he also wanted to leave here.

Seeing Xuelang like that, Chen Ping could only nod his head.

Su Yuqi and Gu Linger happily hugged Snow Wolf.

”Brother Chen...”

Zhao Chuang, who had been brought to the coast for a long time, hurried over after seeing Chen Ping, and then glanced at his father angrily.

”Get on board...”

Zhao Ligu said.

Everyone got on the yacht that Zhao Liguo and the others drove. Although the yacht was not as big as the cruise ship that Chen Ping and the others came with, it was quite luxurious, and it was more than enough to accommodate them!

After getting on the boat, Zhao Liguo asked everyone to wait, but he called Chen Ping to a room alone.

Seeing this, Su Yuqi and Gu Linger hurriedly stood in front of Chen Ping, they were afraid that Zhao Li would attack Chen Ping!

”Dad...”

Zhao Chuang looked at Zhao Liguo and wanted to plead for Chen Ping!

”You wait outside, I’ll be fine...”

Chen Ping smiled at Su Yuqi and the others.

Since Zhao Liguo didn’t kill him on the island, he wouldn’t kill him when he got on the boat.

Chen Ping followed Zhao Liguo into a room. When the door was closed, Zhao Liguo suddenly knelt down in front of Chen Ping.

For this sudden move, Chen Ping didn’t feel much surprise, because he had already expected it.

”Zhao Liguo of Shadowless Villa, meet the Hall Master...”

Zhao Liguó's face was respectful, and he had long since lost the arrogance and ruthlessness he had when he was on Suolong Island.

”Master Zhao, get up...”

Chen Ping helped Zhao Liguó up.

”Thank you, Hall Master!” Zhao Liguó stood up.

”Zhuangzhuang Zhao, I have some doubts right now, you must tell the truth...”

Chen Ping said after supporting Zhao Liguó.

”Palace Master, please tell me, I must know everything...”

Zhao Liguó nodded.

”Zhao Zhuangzhu, do you know who the previous owner of the Dragon Ring was? What is his identity?”

Chen Ping raised his hand, revealing the ring on his hand and asked.

Since this ring was left by his father as a token of love for his mother, Chen Ping must find out who his father is.

Such a ruthless man, he wants justice for his mother.

Zhao Liguó was stunned for a moment, and then said puzzledly: “Palace Master, don't you know who gave you the Heavenly Dragon Ring?”

”I have never seen the owner of this ring, but it was given to me through someone else’s hand... ..”

Chen Ping replied.

Zhao Liguo suddenly realized: “Actually, I don’t know who the previous owner of the Dragon Ring was. We only recognize the ring and not anyone. Even the thirteen entrances of our Heavenly Dragon Hall, I don’t know where the other entrances are. !”

”Counting you, I’ve already found three halls...”

After Chen Ping finished speaking, he fell into deep thought!

At first he got this Heavenly Dragon Ring, and he always thought it was the head of the old dragon. Later, he met Lin Tianhu and Chifeng. Knowing the strength of the Heavenly Dragon Temple, Chen Ping didn’t take it too seriously at that time.

A man like none other and the man’ s decree Chapter 857–858

Chapter 857

After all, a gangster in a small city like Lin Tianhu can also be a hall of the Tianlong Temple, which shows that the strength of this Tianlong Temple is also very general.

Although the later Chifeng was quite strong and was a master, in the entire martial arts world, there were so many masters as dogs, and Chen Ping did not attract much attention.

But until yesterday, Lao Longtou revealed the truth. He knew his identity and knew that this ring was actually a token of love given to his mother by his father. With the addition of a peerless master like Zhao Ligu, he was also a member of the Tianlong Palace. This shocked Chen Ping.

He now wants to know who his father is, how he created the Tianlong Temple, and why the strengths of the various halls of the Tianlong Temple are so different!

But these questions, it seems that no one can help Chen Ping to answer, he can only rely on himself to explore.

Chen Ping now has some expectations, looking forward to where the next hall of Tianlong Palace will be, and what kind of strength will it be.

If there are more powerful tangkou like Wuying Mountain Villa, Chen Ping may be able to destroy the Long family and rescue his mother by relying on the strength of Tianlong Temple.

Just when Chen Ping was thinking, someone suddenly shouted outside.

”Who is so daring to break into Long Island without authorization?”

Hearing someone shouting outside, it should be someone from the Long family.

”Palace Master, it should be from the Long family, I’ll go out and see...”

Zhao Liguó said to Chen Ping when he heard the explosion.

”I’ll go with you, don’t reveal my identity...”

Chen Ping said.

Zhao Liguó nodded and walked out with Chen Ping.

At this moment, a huge cruise ship was parked not far in front of them. On the deck of the cruise ship, Long Xingxu was standing proudly, followed by many Long family members, watching the icy and biting snow on Suolong Island disappeared. , replaced by a piece of brown soil and rocks, and Long Xingxu’s brows were tightly twisted together.

It is obvious that such a change in Suolong Island must have been taken away by Longjing. Although this is just a legend, it does not mean that it is not true.

Now all he has to do is to find a way to stop the person who got Longjing, it is best to leave no one behind on the island.

”Master Long, I’m Zhao Liguó of Wuying Mountain Villa. I didn’t intend to break into Suolong Island without permission. I just brought him back...”

Zhao Liguó said, looking at Long Xingxu standing proudly.

Long Xingxu had already seen it the moment Zhao Liguó walked out. At this moment, he was thinking about whether the dragon crystal on the island was taken by Zhao Liguó. Strength, there is no way to stop Zhao Liguó.

”It turned out to be the owner of Zhaozhuang. You should say hello to my Long family in advance when you come to your son. After all, anyone with strength like you can land on the island casually. It won’t take long for this Suolong Island to become an island. Deserted island...”

Long Xingxu said neither humble nor arrogant.

With the Long family behind him, Long Xingxu didn’t panic even in the face of a master like Zhao Ligu.

”Master Long, I have written it down. Next time I come to Suolong Island, I must tell you that it is too late, I have to rush back, so I won’t talk to Master Long...”

After Zhao Ligu finished speaking, he looked towards With a wave of his hand, the yacht started instantly and sailed into the distance under Long Xingxu’s eyelids.

Long Xingxu looked at Zhao Ligu who was about to leave, his face became ugly, but he did not stop it, because he knew his strength and could not stop it at all...

As long as Chen Ping was by Zhao Ligu’s side, then Long Xingxu did not stop at all. He didn’t even put it into his eyes, he never thought that Long Jing would be obtained by Chen Ping, and he couldn’t even imagine that the person the Long family was looking for was also Chen Ping...

Chapter 858

Not long after Chen Ping followed Zhao Ligu and the others, Xuanyuan Kai, Qin Xiaoxian and Cheng Kun also arrived.

Looking at Xuanyuan Kai who was seriously injured, Long Xingxu said with a puzzled face: “Master Xuanyuan, on this island, who else can hurt you like this?”

”Master Long, it was me who encountered a fierce beast, and it was the place where I fought. To...”

Xuanyuan Kai explained.

It was impossible for him to tell Long Xingxu the truth. The less people knew about Long Jing, the better. If the Long family knew that Chen Ping had obtained Long Jing, then the Xuanyuan family would have no chance at all.

”Ferocious beast?”

Long Xingxu raised the corner of his mouth: “Your arm was obviously cut off, the wound is so neat, how could it be done by the beast? Do you take me as a three-year-old child?”

Xuanyuan Kai lowered his head slightly, He didn’t speak anymore, because he didn’t know how to explain it.

Long Xingxu swept a few people’s eyes, suddenly his face turned cold, and a terrifying aura instantly enveloped everyone: “Did you get Longjing? Tell me, whose hands is Longjing?”

Long Xingxu did not dare to ask Zhao Ligu, but in the face of Xuanyuan Kai and the others, Long Xingxu doesn’t have to give any face.

After hearing Long Xingxu's words, several people were shocked, but no one said anything.

They all think the same thing. The fewer people who know about Longjing, the better, especially the Long family. If the Long family knows, then this Longjing will not have their share.

Long Xingxu saw several people who didn't speak, and his face became more and more gloomy: "If you don't speak, then no one will want to leave here..."

After Long Xingxu finished speaking, a group of Long family members directly took Xuanyuankai. They surrounded.

"Young Master Long, we didn't get any Long Jing, what are you doing?"

Xuanyuan Kai asked with an ugly expression.

"Young Master Long, are you going to do something to us? Although our Thunder Gate and Xuanyuan's family lost to your Long family, but if you really dare to kill us, let's see if our two families will ask the Long family to sue. To put it simply, you are just a sideline of the Long family, will the Long family offend our two families for you?"

Cheng Kun's fiery temper looked at Long Xingxu without any fear in his eyes.

"And our Qin family, I was sent by the ancestors of the Qin family to Suolong Island. If I can't go back, the Qin family will definitely not give up..."

Qin Xiaoxian also stood up and said at this time.

Facing the Long family, they must unite together, otherwise none of them can threaten the Long family.

Seeing that he was threatening himself on his cruise ship, Long Xingxu suddenly burst out laughing.

”Hahaha...” After laughing twice, it stopped abruptly, and then Long Xingxu said angrily: “I killed you all and threw them all into the sea, who would have known that our Long family did it, you guys You dare to threaten me, and you look down on me, a sideline of the Long family...”

Long Xingxu, as a genius of the younger generation of the Long family, was not taken seriously because he came from a sideline, which is what Long Xingxu cared about the most.

Now Cheng Kun mocked him for being a sideline, and the anger in Long Xingxu’s heart was instantly ignited.

Bang.....

Suddenly, Long Xingxu shot, Cheng Kun, who was several meters away, only felt a force hit, and the whole person flew out in an instant.

”Master...”

The Wuzong brought by Cheng Kun hurriedly jumped, trying to catch Cheng Kun.

It's a pity that Wu Zong just jumped up and was kicked out by the people of the Long family.

Neither the Thunder Gate nor the Xuanyuan family had the strength to follow the Long family.

Cheng Kun fell heavily to the ground, his face was extremely pale, and the fiery temper he had just now wilted instantly.

”I'm asking you again, where is Long Jing?”

The cold killing intent that Long Xingxu exuded made everyone tremble.
