"Okay Killian I think the wedding is all planned out." Emma says to me.

"Well not everything is planned. You havent told me weather or not your walking down alone or having August do it." I say.

"You know I think August doing it will be the best idea I could think of." He says.

Before I knew it was time it was time for the wedding. Everything was perfect and my Swan looked beautiful. My Swan was now and Jones and a week a er our wedding it was time for the honeymoon.

"Okay you too have fun now. I'll have Abrielle with me. Safe travels." August says.

"Thanks again for keeping an eye on her." Emma says.

"Its no trouble." August says to us.

2years later.

Emma's POV

Killian and I have a new baby in our live our sweet son Henry. He is such a good boy and when Killian and I want to do something we have Abrielle to babysit.

"Okay love Im heading to work." Killian says.

"Okay hey pick up Abrielle from school I have to take Henry to his doctors appointment." I say.

"Sure love. I'll miss you." He says and kisses my neck.

"I'll see you later." I say.

Henry was just a baby and he loved crying and hasnt slept through the night and he is 6months old by this time Bri was sleeping through the night. The doctor says that Henry is healthy he just doesnt sleep all through the night because some babies take longer to sleep through the night. Im just happy he is healthy.

"Love how was the doctor is our boy?" Killian asks.

"He is fine he just isnt ready to sleep through the night." I say.

That night I was sitting in the bed and Killian walked in.

"Can you believe this happened to us? We started o as drunk people being wild and crazy and now we are remarried and we have two wonderful children. I love you so much, but I never saw this coming when we met." He says.

"We were Married In Vegas, divorced, had a kid, started dating, moved in together, got married, and had another child. I didnt think this was gonna happen either, but Im glad it did." I says.

"Me too love. Im glade we got drunk and then got Married In Vegas. It wouldnt be the same without that trip. I would have never met the love of my life and I would have never been as happy as I am now. I love you Emma SwanJones." He says.
