Chapter 19: Mutilated The Youth Of The Country Once Again!

Mu Yichen's unexpected action sent chills down Luo Chenxi's spine. She felt like she was in danger.

The scene before her eyes felt too familiar to her. This happened last night. It was the same room and the same man...

Mu Yichen walked toward her in long strides. As he advanced, he was also removing the buttons on his shirt.

Luo Chenxi held the little dumpling in her arms tightly and looked at Mu Yichen with a vigilant expression. "What...what are you trying to do?"

Mu Yichen was stunned by her question for a moment. Soon afterward, he squinted his eyes ever so slightly and shifted his gaze to her tense little face. He actually wanted to do something. However, his train of thought was disrupted when he saw the little dumpling in Luo Chenxi's cradled arms, looking at him with the same expression as her mommy.

His thin lips curled into a vicious smile. "What do you think I'm trying to do?"

His long, slim and strong fingers moved away from the buttons on his shirt to the belt buckle on his hip. Then, he assumed a posture of loosening the belt buckle.

Luo Chenxi drew in a cold breath. She immediately raised her hand and covered Tang Tang's eyes. "Hey, hey, hey...Your daughter is still here! What are you trying to do? You're a beast!"

"Beast?" Mu Yichen sneered coldly. "Luo Chenxi, what are you thinking in that mind of yours? Don't tell me that you're thinking...that I'd be interested in a woman like you, huh?" Judging by Mu Yichen's tone, it seemed like he was not planning to do something to her.

Luo Chenxi clenched her teeth in rage. However, she felt relieved deep inside at the same time. "Why did you follow me into the room then?"

“Please allow me to remind you that this is my room,” he said indifferently.

Luo Chenxi was exasperated. “Th-then, you shall sleep here! I can sleep in the guestroom with Tang Tang!”

“Do you think that I’d allow you to sleep in a room with Tang Tang on your own? Do you think that I’ll forget what you did to her in the past just because you’re treating her nicely today? Tang Tang insists on you sleeping with her and I can’t bear to bring myself to reject her. However, I must monitor you personally,” Mu Yichen stared at her and explained impatiently.

Upon listening to his explanation, Luo Chenxi was immediately rendered speechless. The Mu family members were all guarding against Luo Chenxin and stopping her from getting close to Tang Tang.

Right now, Mu Yichen deserved to have such concerns as well.

“Th-then, please behave yourself tonight. Don’t try to look for an opportunity to make advances toward me!” she warned him, still slightly concerned.

Mu Yichen’s gaze swept across her body from up to down. After that, he spoke disdainfully, “You know, you think too highly of yourself. Look at you. You’re like a skinny skeletal ghost. Do you think that I’d even take a second glance at you last night if not for your shameless act of drugging me?”

Luo Chenxi was ashamed and furious. She could not refrain herself from gnashing her teeth in rage. “Mu Yichen, are you blind? Have you ever seen a skeletal ghost with such voluptuous breasts and pert buttocks like me?”

“Also, I didn’t drug you last night! It wasn’t my…”

Bang!

That was the sound of Mu Yichen slamming the bathroom door loudly on her.

“F*ck! What kind of person are you!” Luo Chenxi cursed aloud in rage. She turned around and saw that the little dumpling in her arms had her huge eyes open and was watching her curiously. She was so embarrassed.

Oops! I forgot that the little dumpling is still here!

She had mutilated the youth of the country once again!

“Cough, cough! I didn’t say anything just now and you didn’t hear anything either. Alright, time to sleep!” Luo Chenxi let out a fake cough then she diverted the topic of discussion by force.

Fortunately, the little dumpling's eyes glowed at once when she heard the word 'sleep'. She immediately took it upon herself to crawl under the blanket. At the same time, she lifted the blanket and patted the space next to her.

"Miss, it's time to sleep!"

As Luo Chenxi looked at the familiar huge bed, the R-rated scenes from the previous night emerged beyond her control in her mind.

"Miss?!" The little dumpling tilted her head sideways and urged Luo Chenxi.

Luo Chenxi shook her head frantically to dismiss the distracting thoughts and slid into the bed. She had only just laid down when the little dumpling rolled into her arms to cuddle her chest. "Goodnight, Miss!"

"Goodnight, Tang Tang." The little dumpling's delicate face was blushing light pink. She closed her eyes and fell asleep in a short while.

At first, Luo Chenxi was still feeling rather worried. She heard that the act of coaxing a child to sleep was a highly difficult task. Furthermore, she was inexperienced when it came to that. Mu Yichen would be furious if he were to learn that she accidentally made Tang Tang cry during the process.

Fortunately, Tang Tang behaved herself very well and actually fell asleep by herself.

As she held the small dumpling in her arms, the little girl felt soft, warm and fuzzy.

Listening to Tang Tang's slow breathing, Luo Chenxi's tensed mind gradually relaxed after a long day. Without realizing it, she gradually drifted off to sleep as well.

By the time Mu Yichen got out from the shower, he witnessed the scene of the mother and daughter sleeping soundly together. The scene was harmonious beyond his expectations.

Tang Tang's appearance looked 70% similar to her mother's. It was just that Luo Chenxi's eyes were always flickering with greed and conspiracy. The sight of her disgusted him every single time. On the other hand, Tang Tang was pure and adorable such that one could not help loving her from the bottom of the heart. She was completely different from Chenxi.

However, right now...

Mu Yichen's gaze shifted to Luo Chenxi. He had a look of deep ponderation on his face.

Sleeping soundly, the wicked woman looked so naive and harmless. Her fair skin was blushing in her sleep. She had a set of slightly pouty lips and long, curly lashes akin to little fans that looked exactly the same as Tang Tang's.

Anyone could see and sense that they were mother and daughter with a close relationship.

Mu Yichen's gaze grew deeper and deeper. His body was also moving closer and closer toward Luo Chenxi's.

"Hmm..." Luo Chenxi suddenly turned over in her sleep and gave out a soft grunt.

Mu Yichen only realized that he had gotten so close to Luo Chenxi without even noticing it when he was almost kissing her. "Damn it! What did this woman drug me with this time?!"

He leaped up at once and walked into the bathroom with long strides as if he was running away from a killer.

...

The next morning, no one was by her side by the time Luo Chenxi woke up. She was all alone, lying in the center of the huge bed with her arms and legs spread as if she was making a snow angel.

Luo Chenxi sat upright in an instant. She looked to the left and to the right only to see that both her sides had been slept in before. She bit her nails awkwardly.

"I remembered placing Tang Tang in the center of the bed last night clearly! Was my sleeping posture was so bad that I squished her in my sleep? However, if that is the case, Mu Yichen would have fallen over from the bed because of me, right?"

She slept in someone else's room and almost pushed someone over the bed. It was an exceedingly sinful crime!

Luo Chenxi got up and washed with a shameful and uneasy feeling in her heart. She saw that her phone was still placed on the bedside table, so she reached it and plugged the charging cable into the phone.

As soon as her phone was turned on, a few ringtones pinged continuously and startled her.

Luo Chenxi hastily reached for the phone and took a look only to discover that there were seven to eight missed calls from yesterday. All the calls were made from the same unknown number. At last, this particular number sent her a text, perhaps after noticing that her phone had been turned off all the time.

[Miss Xing Chen, congratulations for winning the preliminary round of the Chinese Design Competition. You have been accepted into the next round. Please be present at the headquarters of SL Trend International Holdings at 9.00 a.m. tomorrow. We shall be reviewing the participants' eligibility at the occasion. Failure to turn up will lead to disqualification.]

Luo Chenxi was stunned for a moment upon reading the text message. After that, a pleasant surprise was revealed in her expression.
