Chap 365 It's The First Time We're Going Public, It's Worth Making It Memorable.

"I believe in your ability to control clothes." Mufeng was even more confident than Jiang Xun. As long as C brand is not blind, they will know that they should look for you when they see the effect of you wearing their clothes.

"But I don't think we can be the spokesperson anymore. They've already chosen Yan Zhiqing." Mufeng said.

"So, they wanted Yan Zhiqing to be their spokesperson?" Jiang Xun could not help but laugh. "Su Youlan thought that they wanted Yan Zhiqing to be the ambassador. She felt that she couldn't win against Yan Zhiqing and wanted to disgust me, so she turned around and looked for the small C brand."

"With Yan Zhiqing's current status in the film industry, it's impossible for C brand to only give her the ambassador role. She's competing with others for the position." Mufeng said, "By the way, Yan Zhiqing is Yan Beicheng's younger sister. She's also in the group. I don't know what she was busy with when you entered the group before, so she didn't appear. We'll have a meal together tomorrow, and we'll be able to see each other."

"Yan Zhiqing is the spokesperson for C brand. If I were to fight for it, I would be fighting for the position of ambassador." Jiang Xun said, "I think I can still work hard as an ambassador."

If she succeeded, she would be completely switched with Youlan.

She really wanted to see Youlan's expression.

"Speaking of which..." Mufeng pulled Jiang Xun over. He frowned slightly, as if he was dissatisfied.

Jiang Xun came back to her senses. Seeing his expression, she asked, "What's wrong?"

"Huo Mengyao used you to hype up the Xunmeng ship, and yesterday, Jiang Jixuan was mistaken as your boyfriend. There's a scandal." Mufeng's brows were still tightly knitted.

Jiang Xun looked at him in confusion.

Hadn't all of this been resolved?

"If everyone knew that you have a boyfriend, there wouldn't be such a misunderstanding."

"Who said that?" Jiang Xun subconsciously retorted, "Those who want to defame me don't care if I have a boyfriend or not. They will do so anyway. Even if they knew I had a boyfriend, they would still accuse me of cheating."

Mufeng was speechless.

This girl was really smart when she was smart.

But when she was unromantic, she was really straight.

Mufeng pulled Jiang Xun into his arms. "Have you never thought of making our relationship public?"

Jiang Xun blinked. "So you're talking about this."

"I thought you didn't want to make it public." Jiang Xun saw that this man usually didn't express anything, so she thought that he didn't intend to publicize it.

"I was waiting for you," Mufeng explained. "Perhaps you need a suitable time."

He couldn't make it public without Jiang Xun's consent.

"I don't mind. Anyway, my fans are so obsessed with the Fengjiang ship. I don't think they'll object to my love. Besides, it's something like a ship becoming a reality. Then, let's think about how to make it public?"

Mufeng nodded with a smile. Jiang Xun's words reminded him, "We have to think about it carefully. It's the first time we're going public, it's worth making it memorable."

They had to come up with a memorable way to make it public.

Jiang Xun thought of a few possibilities, but they were all rejected by Mufeng.

He didn't think they were special.

Jiang Xun gritted her teeth in anger. "I don't think you really want to make it public!"

Otherwise, he wouldn't keep denying it!

Isn't it just an open relationship?

She could just say it on Weibo!

Mufeng facepalmed. He had never seen someone who was so good at making bogus accusations.

Jiang Xun was too lazy to think about it, so she simply threw the task to him. "Think about it yourself. I'll listen to you."

Mufeng raised his eyes slightly. "I can't think of how to announce it in a short time. But there's one more thing you should listen to me on."

"What?" Jiang Xun's lips were covered by his just as she finished asking.

Mufeng carried her back to the bedroom. "You have scandals with other people one after another. Shouldn't you compensate me, your real boyfriend?"

Jiang Xun: "..."

That dog man!

He found an excuse to talk about this.

With his hand on her waist, Jiang Xun didn't even have dinner to compensate him.

For Jiang Xun, who regarded food as her everything, this was really a huge compensation.

Jiang Xun's stomach was growling from hunger. She looked at the man beside her, who looked full, and kicked his calf in a bad mood.

Unfortunately, she was hungry now, and she could not even kick him with the strength she used in the past.

Mufeng felt very obedient after receiving the benefits. He quickly got up. "I'll go and order something for you to eat."

It was a pity that it was past three in the morning, and most of the takeaway stores had already closed.

The few stores that were still open were very far away, and it would take at least an hour and a half for them to be delivered.

Jiang Xun didn't want to wait that long, so she said, "There are instant noodles, self-heating hotpot, self-heating rice, and some instant rice noodles in the opposite door. I'll go get them."

"You don't have to move." Mufeng saw that her cheeks were dyed red and that she was extremely hungry but also looked a little aggrieved. She was actually a rare obedient girl.

Mufeng kissed her on the lips and said, "I'll go get them."

Mufeng knew Jiang Xun's appetite, so he simply carried a whole box back.

Jiang Xun, on the other hand, went to the kitchen and brought a large electric grill to the dining room.

When Mufeng moved back, she put the self-heating hotpot, instant noodles, and rice noodles into the pot.

The electric grill could be used for two purposes. It could be used for grilling meat or as an electric hot pot.

The pot was big enough for Jiang Xun to put in a lot of things.

Jiang Xun also threw in the hotpot base ingredients from the self-heating hotpot, added water, and boiled it.

Then, she heated the self-heating rice with water and ate it with the instant noodles, rice noodles, and ingredients in the self-heating hot pot.

Jiang Xun was finally full after eating so much that the sky was shining. She pulled Mufeng back to sleep.

In the afternoon, Jiang Xun picked out a style that she liked from the pile of C brand clothes that Mufeng had given her yesterday.

Jiang Xun was born with a good sense of aesthetics. From the very beginning, she had relied on herself to match the Yi Lan clothes.

It gave Yi Lan's friendly style a high-class look.

C brand had always given people the impression of a gentle lady, but Jiang Xun actually made it look a little handsome.

She and Mufeng arrived at Qin Yang hotel and went to the room they had agreed on for the dinner.

When they arrived, the CEO of C brand Asia and Zhiqing had just arrived as well.

The CEO of C brand Asia was a capable and elegant lady who looked to be in her forties.

“CEO Qin!” Wu Shulin and Zhiqing stood up and greeted Mufeng. Then, they looked at Jiang Xun with surprise and curiosity.

“This is my girlfriend, Jiang Xun.” Mufeng introduced her graciously. “This is the CEO of C brand Asia, CEO Wu. Zhiqing, I’ve told you about her before.”

“Just call me Linda!” Shulin laughed. “CEO Wu sounds a little distant.”

“Linda,” Jiang Xun called out readily.

Zhiqing waved at Jiang Xun in a familiar manner. “My brother told me about it before, but I was filming at the time and didn’t look at the group. I’m probably the first person to see you other than Brother Zhiqian, right?”

Jiang Xun nodded. “Yes.”

Linda was surprised. It seemed that Jiang Xun was already quite familiar with Mufeng’s circle of friends.
