

Chapter 808

In Wolfen Sect, it was almost the same as what Chuck had imagined. It looked old-fashioned, but the training method was very modern.

People who entered into the Wolfen Sect were all elites, therefore Chuck could tell that they were elites at first glance. There were both men and women, where the men were strong while the women had good figures.

Because of the physical training, the women had perfect curves.

It was very seductive.

Liliana led Chuck to enter. There were many houses in the Wolfen Sect. Chuck suspected that the houses might have been there for thousands of years. No one knew how many generations of people had been trained there!

Chuck got excited the moment he thought about it. He wondered how he could successfully graduate from that place.

Betty did not mention it, neither did Liliana.

In Liliana's opinion, Chuck and the other four people were not qualified to graduate!

"This is where you freshmen sleep! Take a rest today. Remember, don't cause me any trouble! Otherwise, leave immediately!" Liliana was very strict.

"Understood!"

"Chuck, why didn't you respond?" Liliana stared at Chuck with her beautiful eyes. Her domineering energy as she walked forward forced Chuck to take a step back!

Chuck had already entered into the Wolfen Sect. Of course, he was not afraid of anything else.

"Chuck, are you deaf?" Liliana asked Chuck, looking domineering.

The other four students looked at Chuck like they were looking at an idiot.

What was wrong with that fool?

How dare he retaliate against Miss Liliana?

"No, I'm not deaf. I'm going to take a rest. Miss Liliana, do you want to join me?" Chuck shrugged and asked.

"Do you want to die?" Liliana was angry. He actually flirted with her?

"No, I don't! But if you want to join me, I don't mind." Chuck shrugged.

Pfft!

A few female students laughed. Chuck was very bold!

Liliana was extremely angry. "Chuck, I'll keep an eye on you!"

"Whatever!" Chuck was not going to rest. He was going to find the teacher, Miss Scarlett, whom Betty had mentioned earlier.

Betty told him that he should learn from Miss Scarlett so that he could learn more.

Liliana stormed away in anger.

"Hey, Chuck, you're so bold! You even dared to flirt with Miss Liana?" A beautiful woman in her twenties said with a smile.

"I don't mind. I can flirt as I wish." Chuck shrugged.

"What an ignorant guy!" She looked down on Chuck. She was the descendant of a rich family. How could she be taken advantage of by a commoner?

However, Chuck was already gone while she was talking.

"Tessa, don't argue with him. He is just an opportunist villain!" The beautiful woman's companion said.

"I know. I'm sure he is not a good person. I'm exhausted, I'm going to sleep!"

"But that ignorant man Chuck also stays in this room. Will he do bad things to us when we are asleep at night?"

"He wouldn't dare! If he does, I'll cripple him!" Tessa said fiercely and made a gesture of strangling his neck.

"Then, he would not dare to come near us!"

The girls laughed disdainfully. Chuck was no match for them.

They could withstand Wade's punch, therefore Chuck was nothing to them.

They saw him as an opportunist. Similar to a timid woman, who had to rely on dodging to qualify to be enrolled.

It was obvious that there was a huge gap among them!

If Chuck dared to do anything to them, they would definitely beat him so hard that he would cry.

"Where is Miss Scarlett?"

It was as if Chuck had entered into a maze. He felt as if he had entered into a temple. He was speechless!

He asked the others, but none of them said anything. Each and every one of them were incredibly cold.

Chuck walked for a long time but when he had no other choice, he returned to the place where he came from.

When he returned, it was already dark. There were only a few pieces of bread on his bed. There was nothing else. It looked rather shabby.

Chuck knew that he was there for training. Of course, it did not matter what he ate. He would just go to bed after eating.

"Don't mess around. I'm warning you!" Tessa warned Chuck.

Chuck glanced at her, closed his eyes and went to sleep.

The next day, Liliana went over and instructed Chuck and the rest to run for 10 kilometers while carrying an item which weighed 50 kilograms!

Chuck had been carrying about twenty kilograms on him already, therefore he did not mind more.

He was the first one to carry 50 kilograms and run.

He ran at high speed.

Liliana frowned and said, "This guy has good physical strength! Why aren't you guys running faster?"

Tessa and the other girls were speechless. They could only obey Liliana's orders and ran with the items on their backs.

When Chuck ran deep into the mountains, he saw a single house located at the top of the mountain. It looked interesting, as if it was a place for women to live.

But he did not know if it belonged to Miss Scarlett.

Chuck decided he would go there again later at night. He did not want to waste his time waiting. He wanted to learn as much as possible, and then graduate from the place. After all, his mother had graduated only after 15 days!

"Useless! It's only 10 kilometers, how can you all be so tired so quickly?" Liliana was angry.

Tessa and the other girls were so tired that they all lay on their stomachs. Chuck panted, but he was only pretending.

It was not too difficult for Chuck to run 10 kilometers, as he had been under extreme training for a long time. Furthermore, Chuck basically

trained for three hours every day.

It was a test of endurance!

Liliana was the first to stare at Chuck with disdain. She ignored him, and then Tessa and the other girls followed suit.

"You girls are too disappointing," Liliana said coldly.

"Miss Liliana, it's not that we don't live up to your expectations. It's just that the weight is too heavy and we have ran a great distance. How can we girls stand it?" Tessa was almost tortured to tears.

It was possible to run a few kilometers, but it was really impossible to run ten kilometers!

"Ten kilometers is a great distance? I have also done what you are doing now. If you can't even run for ten kilometers, what are you all even doing here?" Liliana was angry. "There are a few talented elites in the Wolfen Sect. The first one is one of our coaches, Miss Scarlett. She carried 100 kilograms and ran ten kilometers. The time she took was shorter than you all!"

"What? That's unbelievable!"

Chuck's eyes lit up. Miss Scarlett was that powerful?

That was why his mother told him to learn from her.

"Are there any other women?" Tess was depressed.

"Yes, she was faster than Miss Scarlett and carried 120 kilograms of weight!" Liliana exclaimed in admiration.

"Wow, she's so awesome! Who is she?"

"I don't think you have heard of her before. Her name is Karen Lee!" Liliana said.

Chapter 809

"Who is Karen Lee? I have not heard of her name before!"

"That's right. I've never heard of her name before too. Is it possible to have such a powerful person? With the weight of 120 kilograms, how can she run very fast? It's impossible! Are you kidding?"

Tessa and the other girls shook their heads. Their faces were full of doubts.

"Even an incredibly strong person could not do that. Not to mention a woman!"

Chuck smiled. His mother had graduated only after 15 days. It was a record-breaking speed!

As a junior, Liliana would definitely know about his mother's reputation!

In addition, although his mother kept a low profile, she was a legend here.

Chuck felt proud.

"How can it be a joke? Karen's speed was incredible. In the past, except for those who founded the Wolfen Sect, no one was able to reach such a record even after dozens of generations have passed. How could I forget it?"

Liliana said coldly. After a while, she sighed, "Anyway, this woman, Karen is really a legend. She graduated from the Wolfen Sect in 15 days. She is considered the strongest student in the history of the Wolfen Sect!"

"What? 15 days? She's so powerful!"

"That's right, and she is a woman. She's really awesome. I want to learn from her!"

"Forget it, this kind of person is a combat genius that only appears once every hundred years. It's useless no matter how hard you try. You do not have the special physical quality that she has."

"By the way, coach, how old is Karen?" Tessa asked.

"I have not seen her before. I heard that she was in her twenties when she came here. Now it has been almost twenty years. She should be in her early forties and is probably married. But I don't know if her child is a boy or a girl. However, with her genes, her child must also have a special physique like her!" Liliana said.

"It must be a boy. Generally, such a powerful woman would give birth to a son!" Tessa said.

"Probably. I don't know about this. But if Karen got married in her twenties and gave birth to a child, then her child should be close to 20 years old, right? In terms of physique, he or she would've definitely inherited Karen's special physique. She was only 20 years of age, and no one knew where she had learned to fight, but her talent was undoubtedly good!" Liliana said with a sigh.

If she had such a student, she would be honored in the Wolfen Sect.

Unfortunately, she did not know Karen.

Chuck smiled. Indeed, he must have inherited his mother's special physique. Otherwise, how else would he be able to possess the strength of a combat expert in less than a year of fighting?

However, Liliana said that his physique might exceed that of his mother's. Chuck doubted it though.

Even if he could inherit 80 percent of her physique, he would be satisfied.

Chuck was overjoyed. Sure enough, reincarnation was a magical thing.

Chuck was very lucky.

"What are you laughing at? We're not talking about you!" Tessa despised Chuck.

"Look at him laughing like that! He's so shameless! Those who do not know better, would think that we're talking about him!"

"That's right. Karen was such a strong woman, she was a senior who had broken all records. If she had given birth to such a son like him, she would die of anger, wouldn't she?"

"Of course, how would it be possible?"

Everyone laughed at Chuck.

Tessa and the other girls laughed at him. Chuck had smiled at the wrong time.

We were talking about Karen's son. Why would it have anything to do with you?

Self-absorbed ignorant man! He was crazy!

Liliana did not look at Chuck at all. If Karen's son was as useless as Chuck, who panted and was too tired to stand up after running 10 kilometers, it would be a waste of Karen's genes.

Therefore, Chuck could only admire Karen's skills.

It was impossible for him to be Karen's son.

Besides, they had only concluded the matter based on what they had seen. How would Liliana know if Karen had given birth to a boy or girl?

However, she hated boys. If she were to have a child, she would prefer to have a daughter.

Chuck shrugged his shoulders. He did not bother to argue with those girls.

They would not believe him even if he claimed to be Karen's son. Therefore, why would he waste his time?

Liliana left. She told them to run every day for three days before she left!

Chuck did not have any problem with that.

Tessa and the other girls complained.

"How great would it be if Karen was my mother? I would inherit her special physique. Not to mention running for ten kilometers, even twenty kilometers would not be a problem. No one would be able to defeat me!"

"Me too! It's a pity that my mother is not as strong as her. Sigh, I envy Karen's child... Oh, Tessa, is it true that strong women normally give birth to a son?"

"Most likely! Because she is strong, it would be likely that she would give birth to a son. And he should be around 20 years old now, I wonder if he is handsome? How many percent of her strength would he inherit from her?" Tessa fantasized.

In her mind, she worshipped powerful women!

Because she inspired to be a powerful woman herself.

"Just by hearing her name, Karen Lee, I think she must have a good temperament and a handsome son. I don't have the chance to be Karen's child, but I can be her daughter-in-law! I can also address her as my mother. With such a powerful mother, wouldn't I get to do whatever I wanted? Hey, Chuck, are you crazy? What are you laughing at? Do you think we are talking about you?"

One of the girls was extremely angry, because Chuck laughed at her words.

"That's right. Do you think we are talking about you? What are you laughing at? I really don't understand you. Get lost!" Tessa was furious.

This was a whisper between girls.

"You girls have fun chatting!" Chuck could no longer stand them. Why do they love to gossip?

"Hmph, it's so annoying to see him laugh. Shameless! Is he trying to hint to us that he is Karen's son?"

"How could it be so coincidental? Besides, how could Karen's son have his virtue? I don't believe it!"

Several girls discussed angrily. In their view, Chuck was born from an ordinary family. It was impossible for someone like Chuck to be the son of Karen, who had broken many records.

Unless God was playing a major trick on everyone.

Chapter 810

At night, Chuck went out from his dorm.

He did not agree with Liliana's training method. He still wanted to look for Miss Scarlett, whom his mother had recommended.

In terms of Miss Scarlett's strength, Liliana had already made known to him. She was number two, after his mother.

It was obvious that Miss Scarlett was powerful!

When Chuck ran during the day, he saw a house on top of the mountain. It likely belonged to Miss Scarlett.

Chuck ran up to the mountain.

"How are those useless freshmen?" Gaige asked.

Liliana sighed and shook her head, "They are all hopeless. I'm sure I will be scolded by Master this time. Sigh! It's really difficult to find a talented student now!"

"Is Chuck Cannon also useless?"

"Yes, he only ran 10 kilometers and was already exhausted. He was even worse than some of the female students. I regret accepting him in." Liliana was extremely annoyed.

It would be better if she did not accept Chuck. Then, she would not be as upset as she was now.

"In that case, starting from the day after tomorrow, find an excuse to kick him out of here. If he is not satisfied, I'll beat him until he is satisfied!" Gaige said coldly.

"Alright. Gaige, aren't you going to bed yet?" Liliana returned to her own room.

Gaige smiled.

Liliana was speechless. "Gaige, don't think about it. Scarlett's status in the Wolfen Sect is too high now. She is not even interested in you at all. Why do you want to go through the humiliation?"

"Liliana, you don't understand! Scarlett is so beautiful! She is exactly my ideal type. I must have her! I will go there again tonight, otherwise I won't be able to sleep." Gaige was excited.

"Sigh! Scarlett has such high standards. She would not even consider you at all" Liliana looked at her brother helplessly.

"I'm going!" Gaige ran out excitedly.

Liliana was speechless. She looked outside the window, at the house on top of the mountain.

"Scarlett, why do you have such high standards? My brother is excellent. Why can't you see his strengths?"

Bam!

While Chuck ran, he suddenly heard a noise behind him. Chuck quickly found a place to hide.

"It's him?"

It was Gaige who ran over. Chuck muttered to himself, "Is he also here to look for Miss Scarlett? It's already so late. He must be up to something!"

Chuck hesitated about whether he should continue to go up. After a moment of thought, he decided to continue.

Chuck ran up the mountain.

He deliberately slowed down his steps. Gaige, who ran ahead, did not notice Chuck at all.

Chuck shrugged and thought that it was normal because he was stronger than Gaige.

If he were to be discovered by Gaige, it would be strange because Gaige's strength was not comparable to his.

When he arrived at the door of the house, Chuck immediately knew that it was Miss Scarlett's house.

A normal person with normal desires would not choose to live up in the mountains.

"Miss Scarlett, it's Gaige. Can you let me in?" Gaige shouted at the door.

Chuck snickered. Gaige wanted to seduce Miss Scarlett?

"No! Go away!"

Chuck was stunned by the beautiful voice from the door.

Amazing! She's young and a combat genius!

Gaige was angry but pretended to be kind, "Miss Scarlett, I've been here many times. Please let me in! I'll leave as soon as I see you."

"No! Even if you repeat yourself for the third time, the answer is still no!"

Gaige was extremely angry. He could not defeat Scarlett in combat.

Otherwise, he would have rushed in.

He would not need to plead so pitifully like this!

"Leave!"

Gaige clenched his fists as he left. Suddenly, he executed a plan that he had been planning for a long time!

He smiled ferociously and thought, 'Scarlett, it's you who chose to reject me. If you had opened the door for me, I would not need to do this!'

Hmph, just you wait!

Gaige went down the mountain.

"You should leave as well!" The voice in the house was directed to Chuck.

Chuck was shocked, 'Did she discover me?'

When he looked up, he was speechless. There were cameras facing him.

Chuck hid himself well just now, but he did not expect that all his actions would be discovered by the person in the house.

Chuck felt embarrassed.

"Miss Scarlett, I'm a freshmen in the Wolfen Sect. My mother asked me to look for you!" Chuck said.

"Leave!" Scarlett did not want to listen anymore!

"My mother is..."

Bang!

The door opened, and an extremely beautiful woman came out!

She was 1.7 meters tall, and she wore tight jeans, with a blazing white T-shirt. Her figure was perfect and extremely sexy!

This is Miss Scarlett?

Chuck was stunned. She was as beautiful as Willa.

"Miss Scarlett, my mother is..."

Whoosh!

She had already gone down the mountain. What was she planning to do in the middle of the night?

Chuck could only follow her down the mountain.

It did not take long for Chuck to fully understand the reason his mother had asked him to learn from her.

She was so fast that Chuck could not catch up with her!

He did not manage to follow her in the same direction. Therefore, he had to run down the mountain vertically.

However, Chuck stopped, as there was a movement!

"Scarlett, you finally came out to meet me," Gaige, who had not gone down the mountain yet, was excited.

Any man would fall at the sight of Scarlett, and Gaige was no exception, ever since he saw her for the first time.

She was the only person that he had dreamt of!

He wanted to get this perfect woman, no matter what.

"I told you to go down the mountain!" Scarlett said coldly.

She was clean and pure, and Chuck was stunned at her beauty from the distance. This kind of woman must have researched on various kinds of combat skills when she was free. It would certainly be a gift to learn from her.

"Scarlett, what kind of man are you looking for?" Gaige was angry.

"I'm only interested in a combat genius, and you're not one!" Scarlett shook her head in an extremely cold manner.

Gaige was furious. "There's no such thing as a combat genius. The physical quality of people nowadays cannot produce a combat genius!"

What he was referring to were the useless freshmen. He was sure that there weren't any combat geniuses among them.

"That's what you think. However, there is definitely a combat genius among them," Scarlett said.
