

## My Dangerous Billionaire Husband –

Chapter 13: The Woman You're Looking For Is In My Room

**Translator:** Larbre Studio **Editor:** Larbre Studio

He was afraid of waking the sleeping girl.

Zhu Rui, "...” It's too abnormal.

Then Ning Qing moved and her pink lips muttered, "Xu Junxi..."

Lu Shaoming's finger movement suddenly stiffened. After 3 seconds, he pulled his healthy arm back in a calm and composed manner.

Ning Qing had lost her warmth, and her tiny fair hands groped for the soft quilt on the bed. She buried her little face deep in the pillow and fell asleep peacefully.

Seeing Lu Shaoming get up, Zhu Rui whispered, "President, the CEO from the Silicon Valley of the United States, Mr. Borrow, has reached the hotel; there's still half an hour until the meeting."

"Got it. I'll head out in 10 minutes." Lu Shaoming did not have much of an expression on his face. He glanced at the girl in the bed and went to the bathroom.

10 minutes later, the door opened and Lu Shaoming walked out.

He stepped out. He was about to close the door when he saw that a group of black-clothed bodyguards had gathered in the corridor. The CEO of Huayi was cursing, "A group of useless scum, you can't even handle a woman. What do I pay you for? Hurry up and find her immediately."

"Yes sir." The bodyguards bowed their heads as they replied.

The CEO of Huayi put his hand on his waist and was as anxious as a cat on a hot tin roof. The swan in his hands had flown away. He was full of pent up rage.

As he cursed, he saw Lu Shaoming standing beside the door. The man wore a white shirt paired with a black tie, the streamlined fabric and tailored design outlined the man's tight waist, and his long legs wrapped in his trousers revealed a fresh vigor even as he stood casually.

The 30-year-old man has a deep and delicate jawline, clear sideburns, a clean and handsome temperament, with natural elegance and nobility.

The CEO of Huayi saw Lu Shaoming throwing him a somewhat cold look. His eyes were silent, but not without the sharpness and alertness of a falcon, causing a shiver to run down his spine.

He immediately put on a flattering smile and bowed to show respect for Lu Shaoming.

“The woman you’re looking for is in my room.” Lu Shaoming parted his thin, red lips as if he were saying something without thought.

It was as if CEO of Huayi had been struck by lightning; he was stunned on the spot. When he came back to his senses, he found that his legs were shaking. “I... You... No, no, no, I’m not looking for any woman. You’ve misunderstood.”

“President...”

“Shaoming...”

Just then, Zhou Yao and Zhu Rui walked over. Zhou Yao took one look at the CEO of Huayi and said with a smile, “We should go now.”

Lu Shaoming shut the door quietly, took the documents from Zhu Rui’s hand, and went ahead.

Zhu Rui followed him closely. Zhou Yao slowed down deliberately when walking past the trembling CEO of Huayi and intentionally bumped into him. “Be careful, it might not get settled so easily next time.”

Zhou Yao sneered and caught up with Lu Shaoming.

The CEO of Huayi’s legs were soft and his fat body rested against the wall. The man barely managed to sit on the ground.

Then a bodyguard came forward and said, “Boss, since the man said she’s in his room, we’ll go in and get the woman for you to enjoy.”
