“Who do you think you are? What makes you think that you are on par with Song Yuan?”

“Now you are showing off in front of me. But in front of Li Hang, you are merely just a dog. All you can do is kneel and lick the shit under his shoe!!”

“Stupid! How did I raise up a piece of trash like you?”

Wei Jiaoyang immediately stopped Wei Hong and comforted him. After that, he said softly, “Calm down, Master. This is actually a good opportunity for our family.”

Wei Hong raised his eyebrows and asked, “What do you mean?”

“Song Family's influence was always strong in the North.”

“All the other families were afraid to act rashly because Song Yuan was in charge.”

“What's more, the whole Song Family's economic power was in the hands of the second young master Song Tingjie.”

“Song Tingjie was someone resourceful and

full of cunning tricks. He was especially good at scheming against others!”

“However, he had calculated wrongly this time!”

“I've met Li Hang once. From my understanding, if Song Tingjie didn't push his limits by provoking him again and again, he wouldn't be killed by Li Hang.”

“All Li Hang would do was just break his arms and legs.”

“Song Tingjie had himself to blame for his own death!”

“Now Song Tingjie is dead. Song Yuan is dead as well. That's the end of Song Family.”

“We should take this opportunity to put all our focus on taking down the Song Family's territories!”

Wei Hong smacked the table, “You are right!”  
“Gather all our elites now.”

“And send the news to everyone in the family. Tell them to stay away from Ning Province!”

## Chapter 201 Make The Dream Come True

“From now on, Ning Province is our family's forbidden zone!!”

“In addition, find me the photos of Li Hang and all of his family members.”

“Send the photos to everyone in our family and warn them to stay away from these people!”

“Whoever offended the prohibition, break their legs and expel them from the family forever!”

Wei Jiaoyang cupped his hands and said, “Hail the Master!”

At this point, someone asked softly, “What do we do with Yang Shanqi?”

“He is just a dog after all. Since we have let him go, we don't have to care anymore which garbage dump he would die in!”

The battle between Li Hang and Song Yuan was a massive bomb to the Jiang Province's underground world.

Li Hang had eliminated all the influences of Song Family in the Jiang Province.

## Chapter 201 Make The Dream Come True

At the same time, Li Hang used the so-called elites trained by Song Family as a test for his own subordinates.

Most of them had passed the test.

But for those who failed the test, Li Hang had thrown them on a deserted island outside Ning Province.

If they could survive from the harsh environment where the food and supplies were scarce, he would consider them to have passed the test.

After they had returned, they would continue their hell-like training under Li Erniu's subordinates.

The prominent families at Huang Hai were all quiet after the incident.

They hid the whole thing tacitly.

Moreover, because of the Song Family's sudden decadence, all the prominent families had fixed their greedy eyes on the Song Family's territories.

While the prominent families in the North

were in a dog-eat-dog situation with one another, there was an exciting news coming from the Jiang Province's underground world.

Master Dao was still alive!

However, Master Dao sent a news through Golden Knife Club to the whole Jiang Province's underground world.

He decided to abandon the life of being an outlaw!

The ceremony would be held on the next day.

But now, it was a big day for Li Hang and his family- today they would move to their new house.

The villa was exquisitely renovated, so all they needed was some additional furniture.

It was located on a hillside straight up from the entrance. After a 70 degree curve, the main door was just another 100 meters away.

In front of the villa, there was a door plate.

Xu Mansion.

Xu Xiaoyang wrote these two words himself.

The words were upright and carefree!

Vigorous and powerful!

There were four parking spaces in the villa. All of them were located at the main entrance.

The hollowed out iron gate opened automatically and a small garden came into sight.

In the middle of the garden, there was a small bridge. Under the bridge was a little pond with several fat koi fishes in it.

They would come to the surface when they saw someone as though they were welcoming the owner.

The villa had three floors. The top floor was Xu Xiaoyang and Liu Yufen's room.

There were three rooms on the second floor. The room that faced south was Li Hang and Xu Muqing's room.

When they entered the room, warm and golden sunlight shone on the wooden floor.

It had its own shower room, cloakroom, as well as a 20-square-foot balcony.

The moment she saw the room, Xu Muqing's eyes glowed.

It was exactly like her dream room!

She had never told Li Hang that she wanted a room like this.

But it seemed like Li Hang had been living in her mind and turned her dream into reality now.

Xu Muqing looked at everything in front of

her in disbelief.

She turned to look at Li Hang, “How do you know that I’ve always wanted a room like this?”

“Because you are my darling.” Li Hang looked at her with indulgence.

Xu Muqing smiled gently.

Her vibrant smile and the late afternoon sunlight.

The scene was beautiful.

“Come, sit beside me.”

Li Hang sat at the edge of the bed and patted on the mattress.

Xu Muqing stood in front of Li Hang in a shy face.

She knew very well the cheeky smile on his face.

Li Hang was up to something again.

“Ei, mum.”

Li Hang suddenly turned to the door and said. Xu Muqing turned her head instinctively.

But no one was there, except for the sound of Xu Haoran walking up and down along the corridor.

When Xu Muqing realized that she was deceived by Li Hang, she immediately turned back her head. But she was shocked by what she saw.

Because his cheeky face was just right in front of hers.

The tip of their noses touched lightly.

Her heart melted instantly from the slight pressure of contact with him.

Li Hang's naughty hands encircled her slender small waist while she was distracted.

He pulled her soft body closer to himself.

Xu Muqing did not dare to lift her head so she could only rest softly on Li Hang's rock solid chest.

Chapter 202 Because You Are My Darling

Li Hang lowered his head slowly. His thick lips whispered beside Xu Muqing's ear, "We have our own shower room now."

"Normally we take shower one after another. How about we do it together this time?"

"We must follow mum's call to save energy and water. Imagine how much water we could save by showering together."

Xu Muqing felt both annoyed and amused at the same time.

This big bad Li Hang. Would someone as rich as him be bothered by the trivial water and electric bills?

It was obvious that he wanted to take advantage of her.

But when Xu Muqing thought of that time when Li Hang and she were in the sauna, she could feel her face starting to get warmer.

Her heart was hot as if it was carrying a hot burner.

She felt a little scared too.

Chapter 202 Because You Are My Darling

At the same time, she secretly looked forward to it.

“Qingqing.”

“Yes?”

Xu Muqing instinctively looked up when Li Hang called her.

At this instant, Li Hang's thick soft lips drew closer to hers.

His breath was strong and warm.

Hers was pleasantly delightful.

When those lips almost touched together, someone jumped in, “Sis, brother-in-law, I found...”

The intimacy in the room was all blown apart by Xu Haoran's sudden appearance.

Under Li Hang's fierce gaze, Xu Haoran ran away immediately for his life.

The corridor was echoed with his scream, "I'm sorry, brother-in-law!"

"Hehehe. Let us continue, darling."

But Xu Muqing quickly struggled away from Li Hang's arms and she walked to the balcony.

He ran after her and rested his hands on her slender waist again. Li Hang cupped his hands softly on her flat tummy.

Their bodies were glued together once more.

He lowered his face wanting to find her wet and soft lips.

This time Xu Muqing did not struggle, but her heart was racing.

Just then, a Mercedes Benz suddenly stopped at the villa's entrance.

A stranger came out from the car. It was a man.

Xu Muqing pushed Li Hang away at once and ran into the room with her hands covering her blushing face.

Li Hang looked at the middle-aged man. He frowned.

Soon, the man identified himself.

His name was Ma Jianye, and he was the boss of their villa's real estate.

Ma Jianye brought many gifts which were all taken out from the car's boot. Among the gifts were flowers and fruits.

So he was here to offer thanks!

Ma Jianye was at his lowest ebb before this.

But because of Li Hang's more than 200 million cash, his entire group was saved!

If it was not due to his identity, he might have already knelt down and bowed to Li Hang.

When Xu Xiaoyang greeted the visitor at the living room, Li Hang pulled Xu Muqing to the pond to look at the koi fishes.

These Longfeng koi were rare species.

All of them were fat and had beautiful tails and fins.

When the koi saw Xu Muqing and Li Hang, they all came to the surface and opened their mouths.

Two koi fishes were so close to each other as if they were kissing.

Xu Muqing associated it with what had happened in the room just now and her face suddenly turned red again.

“Sis, mum is asking you to help her in the kitchen!”

Xu Haoran yelled from the door.

When she was about to turn, her hand was held by Li Hang suddenly.

As Xu Muqing lifted her head to look at Li Hang, he lowered his head.

“Oh!!!” “Finally they kissed!”

Xu Haoran howled in the garden.

Li Hang embraced her tightly in his arms.

He felt her softness, her unusual gentleness, and her affection.

The kiss was deep. Really really deep.

It was so deep that Xu Muqing only realized that Liu Yufen had been calling her a few times from the kitchen.

Xu Muqing whispered softly to Li Hang, “Mum is asking me to go help in the kitchen.”

“Alright. Let's go together now.” As he was speaking, Li Hang suddenly carried her in his arms while he was still pressing his lips onto Xu Muqing's wet lips.

No one else could be as shameless as him.

There was no way Xu Muqing could escape from him. All she could do was to wrap her hands around Li Hang's neck and rest in his arms like a shy kitty.....

Li Hang carried her across the living hall. Xu Xiaoyang immediately introduced him to Ma Jianye, “Mr. Ma, this is my daughter and my son-in-law.”

Ma Jianye wanted to stand up but Li Hang immediately turned his head and stared at him.

“Sit down.”

Just a simple order, but Ma Jianye was turned into a kindergarten kid. He sat down quietly on the sofa with his back straight, his legs adjacent and his hands on his laps.

And Li Hang continued to carry Xu Muqing into the kitchen.

A while later, Liu Yufen chuckled as she brought some fruits out from the kitchen.

Xu Xiaoyang asked, “Why are there so few apples only? I have bought several kilos today.”

Liu Yufen whispered at Xu Xiaoyang's ear, “Your son-in-law used them to feed your daughter mouth to mouth.”

Xu Xiaoyang was titillated by Liu Yufen.

The old couple made a goo-goo eyes at each other.

On the other hand, Ma Jianye was like sitting on pins and needles. He was sweating nervously and didn't know what to do.

As for Xu Haoran, he leant against the wall and kept drawing circles with his finger.

He mumbled, "I'm just a redundant person....."

Although Lingxiao Group was now the leading company in Ning Province, Xu Xiaoyang was as humble as always.

He never showed off his wealth. There was no expensive watch on his wrist. Even the few suits that he had was bought by Liu Yufen.

Both Xu Xiaoyang and Xu Muqing were very rigorous in the way they treated others as well as in the way they did business.

They were well-received in their field. Many developers and suppliers rushed to work

with them.

Even though the development in Ning Province was in full swing, the construction was too slow for Lingxiao Group's expansion.

At the Lingxiao Group Main Building's meeting room.

Chairman Xu Xiaoyang, General Manager Xu Muqing, the suck-egg live-in son-in-law, and all the elite backbones were present.

Everyone had voted in unison that the Lingxiao Group would officially expand their business in Sheng City.

But there was an obstacle that they need to get through first.

The first family in Sheng City - Su Family!

The Su Family had occupied the Sheng City for hundreds of years. Their family's influence was intertwined in many ways. They were extremely powerful.

Although Lingxiao Group was quite strong now, there were still many challenges if they

were to compete with the Su Family face to face, even with the help of the filthy rich Li Hang.

As the saying goes, 'To win battles, you must know yourself and your enemies'.

We must first find out the enemy's weaknesses in order to defeat them.

Therefore, Li Hang brought Xu Muqing to meet a person.

It was Master Dao whom they were going to meet. Master Dao had decided to retire from the life of an outlaw starting today.

The hall of the Golden Knife Club was crowded with guests now.

And Yao Ruonan had become everyone's focus tonight.

She looked more charming after her clean and neat short hair had been trimmed by the hairstylist.

The bright-colored makeup, her beautiful eyes, and her red lips had grabbed everyone's attention.

Yao Ruonan was wearing a sexy evening dress.

Half of her back was exposed.

The bosomy breasts of her were impressive.

Especially the deep cleavage between them which had attracted many men's lustful eyes.

At the time, a handsome young man in a white suit walked towards Yao Ruonan with a confident smile.

He grabbed two glasses of wine from the waiter and passed one to Yao Ruonan.

A shining smile appeared on his fair and clean face.

“Hi pretty lady. It's a great pleasure to meet you in this beautiful night. My name is.....”

“Go away!”

A dirty word spat out from Yao Ruonan's hot and sexy lips.

This handsome man had never experienced

anything like this.

He was stunned for a while but his bright smile reappeared soon.

“Pretty lady, it seems like you are in a bad mood. What if I show you some tricks, or tell you a joke.....”

“Slap!”

A loud and clear slap. The whole Golden Knife Club could hear it clearly.

Yao Ruonan's beautiful eyes became piercingly sharp.

Her gaze was enough to scare away the handsome man in front of her.

He covered his swollen face and took a few steps back.

“What did you call me?” “I'm not a lady. Your mum is!”

## Chapter 205 Mr Li Came

Yao Ruonan was brought up in the underground world. All the men around her were rough and rude.

The word “lady” meant prostitute here in the underground world.

Yao Ruonan thought that the man was disgusting. The first word that he said had already insulted her.

Moreover, she didn't dress up for these men.

She was waiting for Li Hang. At the same time, she didn't want him to see her talking to another man.

Therefore, Yao Ruonan winked at her subordinates standing beside her to give them a signal.

Her subordinates immediately pulled the playboy towards the toilet.

Soon, the playboy was heard screaming in the toilet.

This was the real Yao Ruonan- the successor of Master Dao.

Other than Li Hang, who in the Jiang Province could control such a woman?

“Mr. Li is here!”

An excited voice came from the entrance.

“Mr. Li” was an honorific title given to Li Hang in the Jiang Province's underground world.

All of a sudden, everyone turned to look at the entrance.

A man in casual clothes appeared soon. Beside him was Xu Muqing whose beauty was on par with Yao Ruonan.

Contrary to Yao Ruonan, Xu Muqing was in her usual clean and neat ladies' suit.

Her silky dark hair was tied into a simple ponytail.

The ponytail was swinging lightly in front of the gazes of those animal-like men.

All the men who attended tonight would never forget her looks. They would remember it precisely without even a slight

deviation.

Because none of them would want to accidentally offend Mr. Li's wife. Not themselves, not their subordinates.

Everyone in the Jiang Province's underground world knew that Li Hang pampered his wife like crazy.

If one offended Li Hang, only their arms and legs would be broken.

But whoever offended his wife, they were looking for death!

All the men withdrew their gazes almost in an instant and looked at Li Hang instead.

“Qingqing, you are here at last.”

Yao Ruonan's eyes brightened when she saw Li Hang.

But she pretended to be calm and pulled Xu Muqing to meet Master Dao.

After they introduced each other, Master Dao looked at Xu Muqing, “Ms. Xu is really pretty. There is a big difference between you

Chapter 205 Mr Li Came

and my spoiled granddaughter!”

Xu Muqing immediately replied something out of courtesy but the smile on her face stiffened.

She didn't expect that the pomp would be so grand.

Yao Ruonan had never told Xu Muqing her real identity.

She didn't even know the kind old man in front of her was the top boss who had ruled Jiang Province for so many years!

The whole Jiang Province would be in reign and terror on his orders.

Xu Muqing felt a little embarrassed to take out a palm-sized gift box but she gave it to Master Dao anyway.

“Grandpa Yao, I'm truly sorry. We came in a hurry so that's why I didn't prepare any special gifts for you.”

That was the first time Master Dao had heard someone addressing him like that.

Chapter 205 Mr Li Came

Xu Muqing spoke in such good manners and her voice was sweet to the ears.

It was a pleasure listening to her speak.

Master Dao accepted the gift happily and opened it in front of everyone.

Everyone was curious when they saw Xu Muqing taking out the gift box.

“What kind of gift would Mr. Li's wife give to Master Dao?”

## Chapter 206 A Presumptuous Request

“Today is the night Master Dao retiring from the underground world, I'm sure the gift must be precious?”

But.

Everyone was shocked when the box was opened.

Inside the box was a small golden knife.

It looked like the small knife was made of real gold.

Its size was about a person's thumb.

It could be a pendant. Quite simple. Even a little cute.

Although it was made of pure gold, the size was so small.

It only costed few thousand dollars at most.

Master Dao was also shocked when he saw the small golden knife.

When Xu Muqing saw that Master Dao didn't give any response, she immediately turned to look at Li Hang in a slightly complaining

manner.

Actually she wanted to give Master Dao a golden buddha statue.

But Li Hang said the twenty thousand golden buddha was too expensive.

That was why they bought the few thousand dollar small golden knife instead.

It was the kind of gift that a relative would give a child when they reached the age of one as a courtesy.

No one would give it to a 'retiring' old man.

Moreover, everyone else had prepared a much more valuable gift for Master Dao.

Li Hang was always extremely generous to his family and friends.

But today, he was a bit stingy.

However, Master Dao suddenly laughed out loud, "Ms. Xu, thank you. Thank you very much."

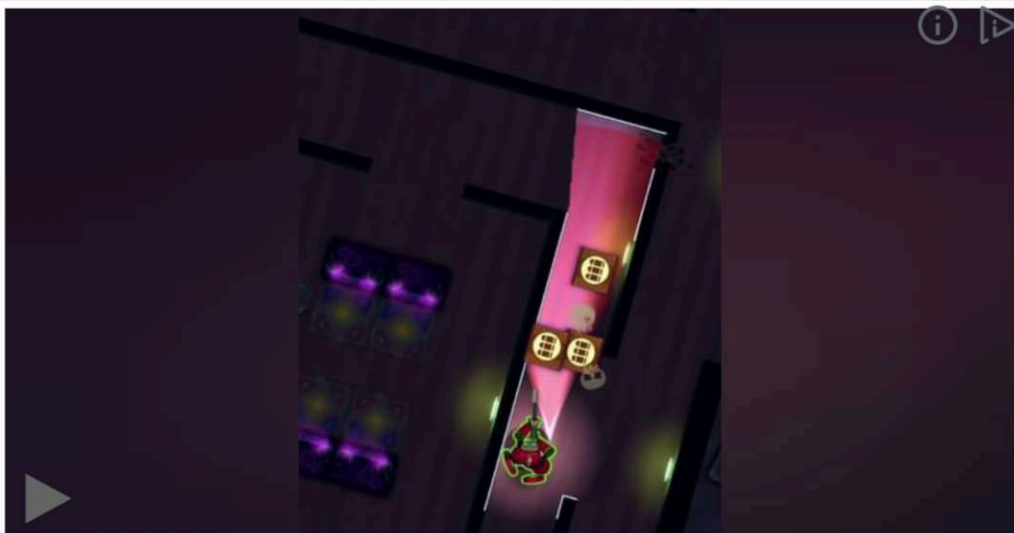

"It is my great pleasure to be able to receive

your gift today!”

“The gift of yours is the single most precious gift I have received today.”

As soon as Master Dao finished speaking, everyone began to understand why.

Everyone knew that Master Dao had a big golden knife that was used to kill.

But Li Hang had given him a small golden knife.

Which meant from now on, the Golden Knife Club would be protected by him.

Anyone who wanted to oppose against Golden Knife Club must first go through Li Hang's fists.

Li Hang then blew a warm breath into Xu Muqing's ear.

“See, I've told you he is a greedy old man. A small golden knife is enough to make him happy.”

Xu Muqing looked at Li Hang petulantly.

But it was obvious that she was beaming.

Li Hang's presence had made the party a great success.

Many guests at the party tried to approach Li Hang thinking maybe they would get some benefits.

But no one dared to get close to him because of his gaze.

After the party had ended, Master Dao and Li Hang stood quietly at the balcony.

Li Hang stood uninterestedly with a lollipop in his mouth.

After some silence, Master Dao held his fists and faced Li Hang.

“Mr. Li, I'm really grateful for your help. From now on, the Golden Knife Club is yours.”

“I'm too busy to take care of a small place like this.” Li Hang said plainly.

Small, small place?

Well, the Golden Knife Club was really too small for Li Hang.

Before he could finish, Li Hang said, "Don't worry. With your current health condition, you could easily live for another ten or twenty years."

"As for your granddaughter, you may keep her to yourself."

"Quickly find her someone liable within these few years." "Then you will have some peace after she gets married."

Master Dao did not expect that Li Hang could read his mind so clearly.

After a pause, he laughed, "Mr. Li is really incredible!"

"Old man, I would like to ask you for a favor."

Master Dao immediately stopped his laughs when he heard this. His face became serious, "Go ahead."

He contemplated for a while after he heard what Li Hang had said.

Then he continued, "May I ask if you want to defeat the Su Family, or wipe them off forever?"

Li Hang said plainly, "If the roots are not removed during weeding, the weeds will grow again when the winds of spring blows."

Master Dao understood his intention at once, "The reason why Su Family can stand tall in Jiang Province for so long is not as simple as it seems."

"There is not much profit gained from their family's properties."

"In fact, most of the time they are in loss."

"The younger generation of the family are on the loose and they are only interested in partying."

"During the early days, all they did to earn money was through some sneaky ways."

"But after that they have gotten worse and have used all kinds of filthy methods to make profits illegally."

"Moreover, the channel of their illegal profits is not only in Jiang Province, it has reached to other provinces and even overseas."

"Few years ago, I've looked into the Su Group

and found that there was a huge organization behind them. They are a communities of interest.”

Li Hang was slightly concerned with what Master Dao had just said. His eyebrows raised, “Tell me more.”

“Previously you were in a violent conflict with the two big families from the North.”

“One special characteristic of the big families in the North is, they rule their domains individually and despise each other.”

“They are just like tigers, hoping to take over the other family's territory and become the owner themselves.”

“But the situation is a bit different in the south.”

“The living environment in the south was extremely difficult a few decades ago, even up to hundreds of years.”

“Whether the big families or just small ones, they were all working together to survive.”

“Over time, they formed communities of interest.”

“Su Family is a small family divided from the Southern Family.”

“I've heard that they were originally from the Fu Province of southeast.

Fu Province was the southeast's largest seaport.

Around a thousand years ago, the Tang Dynasty had started their foreign trades there.

Many merchants and tradesmen gathered there since the beginning.

Many secret families were also hiding there. They were the ones that could manipulate the world's economy.

Master Dao continued to give out lots of information.

But Li Hang suddenly stopped him, “Cut to the chase. My patience is limited.”

He could easily wipe the Su Family off from

Jiang Province.

However, he wanted to give this chance to Xu Muqing.

After all, this was an important part of his “wife training” plan.

Master Dao thought Li Hang would be more cautious about the Su Family after his explanation.

But surprisingly, he didn't seem to care at all.

That was the communities of interest they were talking about!

Their influence had spread domestically and internationally. They were even related to the big families and consortiums overseas who had existed for hundreds of years!

But his indifferent look!

## Chapter 208 Mysterious Man

He was so rich that he could easily pay billions of dollars of cash to support the Lingxiao Group.

He was so extraordinary that he could kill the Song Family's top master with a leaf.

A man like him was really rare!

Master Dao had always been suspecting Li Hang's motives.

But until today, when he had met Xu Muqing, he finally understood whatever Li Hang had been doing was really like what the legend said - it was all for his wife.

He was so in love with his wife that he would do anything for her.

Master Dao coughed and summarized, "From my understanding, Su Family's main role in the Jiang Province was not to expand the business outside the province, but to transport cash."

"Cash?" Li Hang frowned.

"Yup. To make it simple, it's the dirty money."

Chapter 208 Mysterious Man

“The communities of interest would gather the dirty money from everywhere and transfer them overseas via Jiang Province seaport.”

“Understood.” Li Hang walked into the room after giving out his simple reply.

He left just like that?

There were more he wanted to tell.

Master Dao was confused.

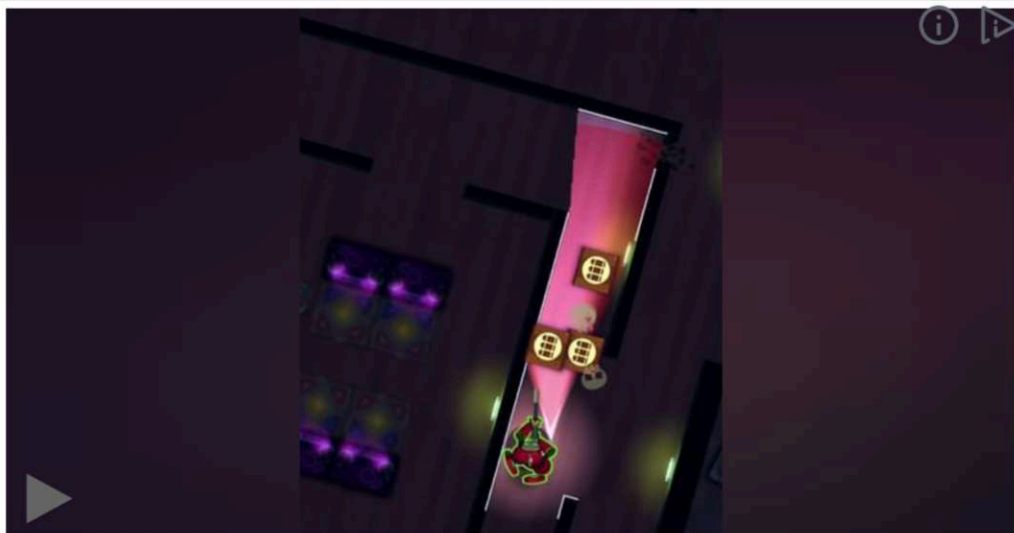

He wanted to tell him a lot more useful information.

Master Dao immediately left the balcony. Xu Muqing and Yao Ruonan were sitting on the sofa and chatting quietly.

“Mr. Li, the dirty money of Su Family is kept in underground warehouses across the whole province.”

“These recent years, I've been sending many men to follow them but I've received no results until today. Have you found a way to find them?”

Li Hang smiled plainly and took out his cellphone, "Xiaoqi, come to the room now."

Soon, Wang Xiaoqi appeared outside the room.

He stood politely at the door and said, "Boss, what can I do for you?"

"You've always wanted to learn the art of tracking from me. How about I teach it to you today?"

Wang Xiaoqi was so excited when he heard this. His fists were clenched tightly.

Compared to Li Erniu and the rest, he actually preferred to do things sneakily.

When Wang Xiaoqi was seven years old, he was abducted and trafficked to Ning Province. He had been doing petty crimes since young.

Although he was now reformed, he still preferred to sneakily attack from behind!

Li Hang was really good at teaching them according with their aptitudes and Wang Xiaoqi had great potential in

reconnaissance.

When Li Hang walked past Yao Ruonan and Xu Muqing, Xu Muqing suddenly pulled at his sleeve.

Li Hang turned.

She lifted her head. Her eyes were bright and pretty.

“Darling, can I follow and learn from you?” she asked.

“Of course, I will teach you anything you want to learn.” Li Hang nodded and answered instantly.

“I want to learn too.” Yao Ruonan raised her hand and said.

Her chests were snowy white. When she raised her hand, the two mountains at her front quaked due to her movements.

Li Hang looked away plainly, “No. Not you.”

“Qingqing, let me learn from you okay?” “We are good friends.”

## Chapter 208 Mysterious Man

Yao Ruonan knew she couldn't convince Li Hang so she didn't pester.

But she was smart to beg Xu Muqing for help instead.

Xu Muqing turned to look at Li Hang.

Her brown eyes worked well on Li Hang.

“Fine.” He couldn't resist any requests from his darling.

Soon, Li Hang left the room with the three of them.

Master Dao was the only one left. He stood at the balcony alone. Actually he wanted to join too...

The night was getting thicker.

Wang Xiaoqi drove in an ordinary black car. He parked the car outside the Su Group building.

Li Hang was sitting in the passenger seat next to him while Xu Muqing and Yao Ruonan were sitting at the back.

They had waited for 20 minutes.

Suddenly a white car came out from the underground garage.

“Follow the car.”

Wang Xiaoqi quickly started the engine and followed from a distance.

Yao Ruonan leant on the chair and whispered, “There were so many cars leaving the garage just now, why are we following this one?”

Li Hang answered plainly, “The white car went into the garage and left after such a short time.”

“Remember, if you have troubles identifying

the target, you must be good at observation.”

“Those who work in the office are usually in their suits.”

“But the white car's driver was in casual clothes.”

Yao Ruonan was stunned when she heard what Li Hang had just said.

Her sexy lips began to speak, “Oh my goodness. The sky is dark and the driver was sitting behind the wheel about 200 meters away from us. How can you see what he was wearing so clearly?”

Li Hang continued, “He was alone in the car when he entered the garage. But when he left, there is a luggage at the passenger's seat.”

“No one sensible would leave the luggage at the passenger seat. So it can only mean one thing: the luggage is important.”

Yao Ruonan and Xu Muqing looked at each other.

## Chapter 209 The Art Of Tracking

Although they were both quite excellent in many ways, the way they looked at Li Hang was like a fan who met their favorite superstar. Both of their eyes were glistening.

They followed the white car until they reached a park.

Xu Muqing asked, "What is he doing here at the park at this hour?"

"To use the toilet."

"Toilet?" Xu Muqing and Yao Ruonan were surprised.

"Qi, follow him."

"Yes, boss."

Wang Xiaoqi took an interphone with him and went to follow the driver.

Soon, Wang Xiaoqi's voice was heard from the interphone, "Boss, the driver really went into the toilet."

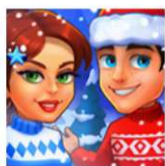

"But there is another man who just came out from the toilet. He has the exact same luggage in his hand."

## Chapter 209 The Art Of Tracking

“Follow him.” Li Hang said plainly as if it was just a normal thing.

“Remember, it's not the man you must fix your eyes on, but the luggage.”

“In order to avoid being followed, they will use all kinds of methods to pass the luggage through different people.”

After that, the man brought the luggage to the mall. In the blink of an eye, the luggage had been passed to someone else.

The next person came to a bus stop.

After many rounds of passing the luggage around, the luggage ended up in a van which departed to the suburbs.

They followed the van all the way.

Finally, they came behind a secondhand car dealer.

After the person had left, Li Hang brought the three of them to a corner.

Wang Xiaoqi and Yao Ruonan could easily flip over the wall.

## Chapter 209 The Art Of Tracking

As for Xu Muqing, Li Hang had to hold her slender waist and bring her soft body into his arms. He jumped lightly and they both landed on the other side of the wall.

But he didn't let her go.

How could he give up such a good opportunity to take advantage of her?

After so much trouble, he finally got what he wanted!

Yao Ruonan looked at them with envy.

She hoped that Li Hang would hold her in the same way.

In front of her envious eyes, Li Hang carried Xu Muqing and walked to the front of few dozen scrapped cars.

Li Hang said to Wang Xiaoqi, "Open this car's boot."

Wang Xiaoqi used to steal money from people on public buses when he was a kid and had done many similar acts when he was growing up.

Stealing a car was just a piece of cake to him.

Wang Xiaoqi used a simple tool and opened the boot in the blink of an eye.

What they found in the boot was the brown-colored briefcase.

Surprised.

Even now, Li Hang's naughty hand was still on Xu Muqing's round bottom.

He would scratch them from time to time.

However, Xu Muqing didn't notice at all because she was still full of doubts about what was going on.

She looked at her own husband, "How do you know the briefcase is in here?"

Li Hang gave her a mysterious smile. He moved closer to her ear and whispered, "I'll tell you on the bed tonight."

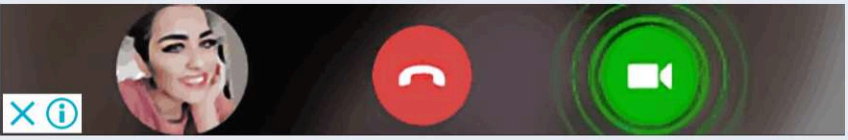

She punched him lightly with her small fist.

"You naughty."

Li Hang laughed and then let Wang Xiaoqi open a few more other boots.

They found that all these boots had a big luggage in them.

"Open it."

## Chapter 210 Can Do Something Big

Wang Xiaoqi opened the luggage skillfully.

His eyeballs almost dropped out when he saw what was in there. The luggage was filled with cash!

The cash was in USD!

Money of USA!

Wang Xiaoqi continued to open up several more luggage, they were all filled with cash!

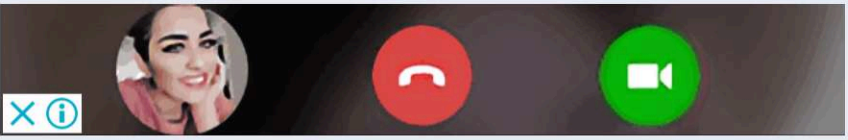

Wang Xiaoqi didn't touch the money when he saw them; he simply zipped them back up instead.

Then, Wang Xiaoqi turned to Li Hang emotionally, "Boss, what do we do next?"

Li Hang was very satisfied with Wang Xiaoqi's performance.

He was already stronger than most people because he didn't get carried away by those cash.

"I'll give you three days. Dig out all the money they hid!"

## Chapter 210 Can Do Something Big

“Yes, boss!” “I won't disappoint you!”

Wang Xiaoqi was so excited that he clenched his fists tightly. Finally he could do something big!

Within three days of expanding their business in the Sheng City, Lingxiao Group had bought a building as their new branch.

He Liangsheng and a team of elites were given an important task and were sent to Sheng City.

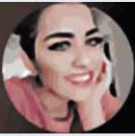

All of them were young and had working experience in other companies previously.

But when they were working for other companies, no matter how hardworking they were or how many extra hours they worked for every night, they were never treated fairly.

All the employers treated them badly and ordered them about like livestock.

However, in Lingxiao Group, they finally realized their worth.

This place was like home to them.

## Chapter 210 Can Do Something Big

Everyone was smiling and working hard to achieve their dreams.

The rising of Lingxiao Group had caused panic in many people.

In their eyes, the Lingxiao Group was like a tiger which trod in fiercely.

More than ten bosses from the Sheng City's top groups gathered at the Su Family's hall.

Many of their expressions were terribly foul.

Some were even pacing back and forth with a glass in their hands.

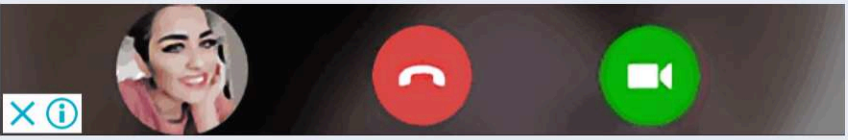

Soon, Su Zhengguo and the housekeeper came down from the staircase.

“Thank you everyone for attending tonight, I know you are extremely busy.”

“I'll just cut to the chase. There is a crisis in front of us all now.”

“We must work together to chase the Lingxiao Group out of Sheng City.”

“Master Su, quickly tell us now, what plan do

you have in mind?”

“Yeah. I'm so nervous now. Our business directly crashes with the Lingxiao Group. I'm worried that once they are here, my business will be suppressed by them.”

Su Zhengguo looked at the few emotional bosses and a confident smile appeared on his face.

“To be honest, I, Su Zhengguo have been doing business for so many years in Sheng City, I've never really felt terrified of anyone.”

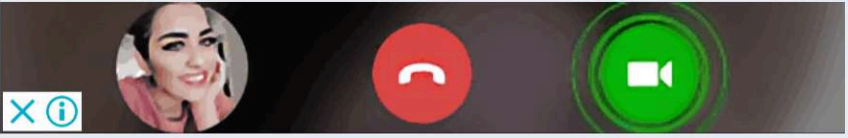

“But as we all know, it is hard to guard against secret conspiracies.”

“There's nothing to worry about if they compete with us in the open. What we should be worried is that Lingxiao Group might play dirty.”

“I've heard that the son-in-law of the Lingxiao Group Chairman is quite familiar with the Sheng City's underground world.”

All the bosses were pale and they trembled when they heard this.

“First, we lure out the snake, and then tempt them to a deeper pit, lastly.....”

Su Zhengguo made a gesture of cutting his own neck with his finger.

After that, Su Zhengguo continued to tell everyone his extremely insidious plan.

“I don't think it's appropriate. Business is business. But it's too much to involve another person's life.”

A middle-aged man who seemed like an honest person quickly shook his head when he heard about Su Zhengguo's plan.

His name was Wu Jianguo.

In contrast with most of the bosses here, Wu Jianguo was a self-made businessman.

He was someone with integrity and was always honest in his business.

Wu Jianguo came tonight because of his friend.

He was the first to plan to contact Lingxiao Group when he knew that they were

expanding their business to Sheng City.

But he was stopped by a few friends and eventually he joined them to Su Zhengguo's manor.

Su Zhengguo looked at Wu Jianguo in disdain, "Mr. Wu, if you try to reason with them now, I'm afraid you will be the one who dies in the end!"

Wu Jianguo said, "I think the chairman of the Lingxiao Group is quite a nice person. I've met him before, and what the rumors say is exaggerated."

There was a flash of hatred in Su Zhengguo's eyes, "My grandson went to Ning Province sincerely hoping to partner in their business. But do you know what happened next?"

"They killed my grandson!" "The Lingxiao Group are a bunch of jackals!" "They will gnaw off everything, until the last bone of yours!"

Wu Jianguo opened his mouth, wanting to say something. But then he just shut his mouth up.

When Su Zhengguo saw the reaction of Wu Jianguo, he suddenly thought of a plan.

After the gathering, as the bosses were leaving, Su Zhengguo whispered to the housekeeper beside him.

“Immediately send some men after Wu Jianguo and kill him. Frame the Lingxiao Group for his death!”

“Yes, boss!”

Su Zhengguo's face was hideous as the housekeeper left.

“Lingxiao Group, I couldn't touch you before because you were hiding in Ning Province.”

“But since you are now here in Sheng City, I'll slice the meat off your body piece by piece!”

After that, Su Zhengguo said to another man on his side, “Go, gather Cui Haifeng and Cui Tianci here at once. Tell them I have something for them!”

After they moved to the new house, Liu Yufen and Xu Xiaoyang's quality of life had improved a lot.

Especially their personal relationship- it had become sweet and sticky like glue.

Xu Xiaoyang had asked Zhao Si to go to the convenience store for several times. Whether it's the super thin or the extra safe version, he had bought a few boxes for each type.

Everyone's life was flourishing.

Full of energy!

“Ringing...”

Xu Muqing's cellphone rang.

Zhang Xiaoping was sobbing on the phone.

She told Xu Muqing choppily, “G..General Manager, come quickly!!”

“Liangsheng, Liangsheng jumped off from the building!”

“What should I do, what should I do!!!”

Boom!

Xu Muqing turned pale!

How is this possible!?

She quickly asked Zhang Xiaoping from the other side of the phone, "You are not joking, are you?" "How could he possibly jump off from the building?"

"He called me last night to tell me that he had successfully negotiated with two suppliers."

"We are still waiting for him to come back and celebrate!"

"How could he possibly die?" "Why has he jumped off from the building?" "Why?"

Xu Muqing covered her mouth and tears were trickling down from her face.

She had to lean on Li Hang as she was unable to hold in her emotions.

He gently held her slender body.

He Liangsheng was dead!

Chapter 212 Li Hang Got Angry

Li Hang didn't make a single sound.

He kept silent.

But his eyes let out a murderous aura!!

That He Liangsheng with his silly smile.

That young man who liked to keep a tanghulu in his briefcase and would feel shy when talking to a girl.

That aspiring youth who promised to make Lingxiao Group a success in Sheng City.

He died!

Infuriated!

Li Hang was really infuriated!

A strong murderous aura flooded towards Sheng City!

At the same time, all the printing press in Jiang Province reported the news.

He Liangsheng's suicide note was found on the Lingxiao Group main building's rooftop.

## Chapter 212 Li Hang Got Angry

It was a simple one sentence note.

My death is on Lingxiao Group!!

Suddenly Lingxiao Group was getting attacks from all sides!

Everyone was discussing the matter. All their saliva splashed on Lingxiao Group.

Many clamored the Lingxiao Group to leave Sheng City.

At the same time, they swore to punish both Xu Xiaoyang and Xu Muqing according to law!

Evil enterprise!

This dark and heavy hat was put on the head of Lingxiao Group.

When Li Hang and Xu Muqing saw Zhang Xiaoping, she was limped on the chair. She had been crying and her eyes were swollen.

Even Xu Muqing's eyes were red.

As soon as she saw Xu Muqing, Zhang Xiaoping pounced onto her immediately.

Chapter 212 Li Hang Got Angry

She grabbed Xu Muqing's hands tightly, "General manager, I'm sure Liansheng didn't commit suicide. He won't commit suicide. Because he had just proposed to me!"

"And I have already said yes to him!" "He won't kill himself because he said he will take care of me for the rest of my life!"

Zhang Xiaoping was sobbing. Her eyes were swollen.

Xu Muqing hugged her tightly and kept comforting her.

She turned to look at Li Hang. Her eyes looked pleading but they were full of rage at the same time!

Xu Muqing was a kind-hearted woman.

But even she was infuriated!

Li Hang didn't say a word. He came to the rooftop alone.

He stood at the spot where He Liangsheng jumped.

After some careful observations, he

frowned.

It was then Liu Delun and a few men rushed to him.

Liu Delun said in a low voice, "Boss, it must be the Su Zhengguo."

"This insidious old man. He would do anything to stop Lingxiao Group from entering Sheng City."

"But don't worry boss, I've sent some men to investigate the whole incident. There will be an answer soon."

Li Hang looked grim. He didn't say a word.

He lifted his head and looked at the north direction as if waiting for something.

Soon enough, the negative news about Lingxiao Group were everywhere on the internet.

Some people were bribed by Su Family to come out and attack Lingxiao Group.

Negative news was spreading non-stop on the media which even followed by all kinds

of curses.

The discussion was leaning to one side. Everyone was criticizing Lingxiao Group.

On the internet, things were much worse.

Lingxiao Group's CEO must apologize!  
Return all the blood money!

Some even posted Xu Xiaoyang and his family's information on the internet after conducting a human flesh search.

“Let me tell you all this, Lingxiao Group's CEO is Xu Xiaoyang. The general Manager is Xu Muqing.”

“Don't be deceived by her pretty face. She is in fact a scheming and pretentious b\*\*\*\*.”

“This type of woman uses all kinds of dirty tricks to get ahead.”

“Everyone please denounce her altogether!”  
“Follow the post!” “Let the whole world see their disgusting faces. Let them all die!”

Xu Muqing stood beside Li Hang with her fists clenched. Her body was slightly

Chapter 213 Whoever Comes Dies

Li Hang hugged Xu Muqing in his arms and kissed her forehead.

“Stay here. I'll be back soon.” he said gently.

Li Hang came to the ground floor. Liu Delun's Rolls-Royce was parked at the entrance.

Li Erniu and Zhang Pengfei were all looking very angry.

“I'm sorry boss. We are too useless!” Li Erniu lowered his head.

.....

Zhang Pengfei was also full of rage, “Boss, let me go to Sheng City now and kill both Cui Haifeng and Cui Tianci!!”

Anger!

Shame!

These emotions filled everyone's chests!

They wanted a revenge!

And to let everyone understand: whoever dared to come and kill in Ning Province

would never leave alive!

Li Hang walked past the two of them and patted their shoulders.

“Come to Sheng City with me.”

When they entered the car, Liu Delun said in a low voice.

“Boss, we've found the murderer. It's a killer organization called Bloody Hand.”

“They killed He Liangsheng first before they forged an illusion of him committing suicide.”

“This is not a simple killer organization. They are an international.....”

“Start driving.” Li Hang said plainly.

“Bloody Hand”, an international killer organization. Li Hang knew them better than anyone else.

To those who were rich and famous, “Bloody Hand” was their nightmares.

These killers set a price for the person they

were going to kill. The more famous and worthy of the person, the higher the pay.

“Boss, I'm afraid that this matter is not simple at all.”

“It involves the international killer organization. It's better that we don't confront them head-to-head.”

“These killers kill without trace. If we offend them, I'm worried that it will bring danger to Ning Province!”

Li Hang twisted his head slightly and looked at Liu Delun, “Are you scared?”

Liu Delun was shocked. He immediately shook his head and answered, “No I'm not!” “I'm used to the taste of blood on my knife.” “But I'm worried that the foundation you have built will be smashed down by these people.”

“They are not capable of doing that.”

Li Hang shut his eyes slowly without saying further.

There was something he didn't tell Liu Delun.

Bloody Hand was truly quite well-known internationally.

Ten years ago, they came third in the top ten international killers' organizations.

There were four 'diamond', 20 'gold', more than 100 'platinum', and many more bronze level killers in the Bloody Hand back then.

But they had offended Li Hang.

Within one night, two diamond killers were killed, one crippled, and one ran away with serious injuries. Only seven were left in the gold level.

As for the rest of the low-level killers, Li Hang didn't even bother to count.

Since then, the Bloody Hand had dropped from the third to the tenth in the international list!

Li Hang would have wiped them all back then if it was not because of the Killer King - the international number one killer, who intervened and asked for a reconciliation!

Li Hang didn't expect that the Bloody Hand

would dare to show themselves in Jiang Province.

They even killed his friend!

This time, not even the Killer King could stop Li Hang's rage!

Whoever dared come, dies!

Meanwhile, in the Su Family's villa.

More than ten bosses gathered here with glasses in their hands to celebrate their victory.

But one was missing- Wu Jianguo.

A Mediterranean man bowed to Su Zhengguo, "Master Su's strategy has successfully defeated Lingxiao Group."

"This time, I think they not only can't enter our Sheng City, but they also won't survive long in Ning Province."

Chapter 214 A Bunch Of Scums

Someone laughed and said, "Why don't we use this opportunity to take down Ning Province?"

"Ning Province is a good place. Let's us divide the whole place and earn money together!"

"Yeah! Let's profit together!"

Su Zhengguo waved at Cui Haifeng and Cui Tianci, and both of them immediately approached him politely.

"Everyone, we need to thank these two people here because they were the ones who dealt with Lingxiao Group, making our plan a success!"

All the bosses toasted to Cui Haifeng and Cui Tianci when they heard what he had said.

The father and son were also quite happy and kept bragging about their achievements.

Su Zhengguo patted their shoulders and spoke with a smile.

"You have done very well this time. Next,

we're going to take down Ning Province. You two will be the pioneers!”

“Thank you, Master Su!”

Cui Tianci and Cui Haifeng were thrilled. Finally they could return to Ning Province.

Their lives would be coming to a new peak once again.

Their hearts were yelling, “Ning Province, we are back!”

A few bosses gathered around them and one asked licentiously, “I've heard that the General Manager of Lingxiao Group is a pretty woman?”

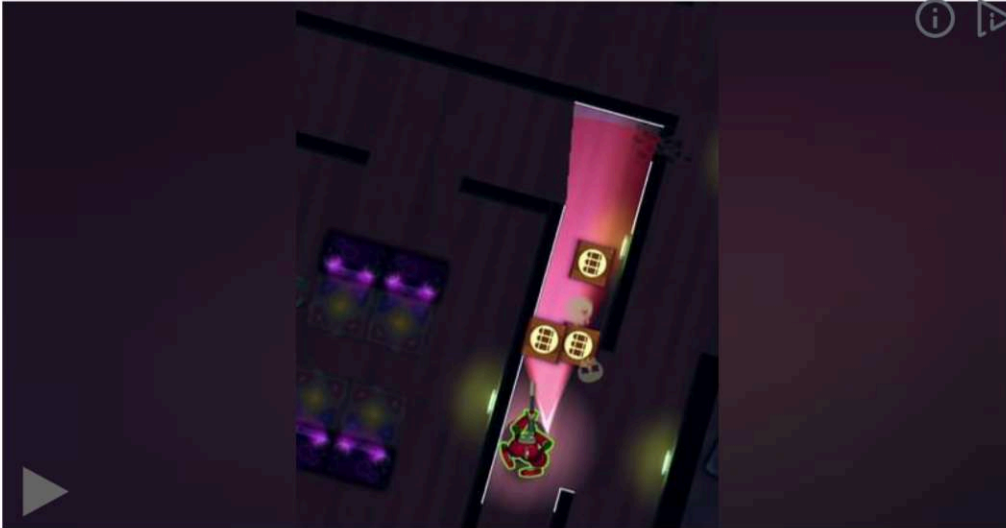

Cui Haifeng nodded, “Not only pretty, she is also quite a slut. She is the best in bed.”

“If you all are interested, let's go to Ning Province together.”

“When that time comes, I'll let you all have some fun.”

whatever we want with her.”

In order to humor their interests, Cui Tianci immediately said, “Actually, Xu Xiaoyang's wife is also quite pretty. A different taste.”

All of them looked at each other and their faces were full of smiles.

“In my opinion, it's even better if we could put them together and have some fun with both.”

“Let me tell you all this, few days ago I saw a girl in my company and I like her a lot.”

“She looked so pure and didn't even have a boyfriend. I easily got her to bed.”

“I was thinking to play with her for only a few months. However, I saw her mum the other day. Oh my goodness! You wouldn't believe me.”

“What? What? Tell us quickly.” They all moved closer.

“Let me tell you, her mum was even prettier than her.”

“At that time, I immediately pulled her mum into my car, drove her to a remote area and thoroughly played with her!”

Even Cui Tianci was started to get excited, “What happened after that?”

“All the women were born sluts, I'm telling you.”

“No matter how pure or conservative they appear to be, deep down they are all flirty.”

“At first she might say no. But after you play her and give her some money to buy a bag or even a house, you can play however you like afterwards.”

“Last night, I even played with both of them together on my bed.”

“Tsk tsk tsk. The whole experience was awesome.”

“The elder one even wanted to introduce her younger sister to me, hahahaha!” “Tonight when I return to my villa, I will play with the three of them!”

This time, he wasn't in a hurry like before. Instead, he was taking steady strides.

But the sweat on his forehead was flowing down uncontrollably.

The expression on the housekeeper's face was very strange, as if he had been stimulated.

Or, perhaps, shocked.

The housekeeper hurriedly walked up to Su Zhengguo and said softly, "Master, there is someone outside the door to see you."

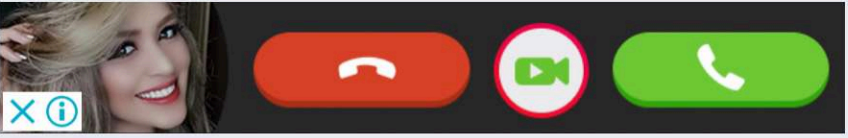

"Can't you see that I'm discussing business with some bosses? Have him wait outside." Su Zhengguo seemed extremely impatient.

"But he is no ordinary man, It's Li Hang."

Li Hang?

Cui Tianci and Cui Haifeng gritted their teeth in hatred when they heard the name.

Their plans had failed countless times because of Li Hang!

## Chapter 215 Seeking Death

If not for Li Hang, they would have succeeded already!

When Su Zhengguo heard that Li Hang was outside the door, his eyes were immediately filled with rage!

“I thought he would cover up in Ning Province, who knows this bastard has come to seek his own death!”

Cui Tianci immediately said, “Master Su, I’ll go with some bodyguards and bring Li Hang in beaten half to death!”

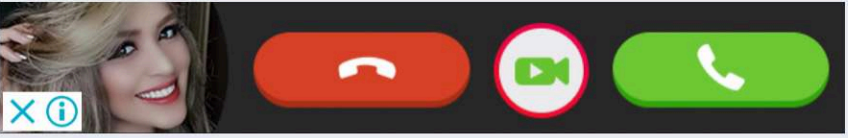

Hearing that, the bosses who were talking about women earlier had their eyes lit up.

These bosses were unfamiliar with the name Li Hang.

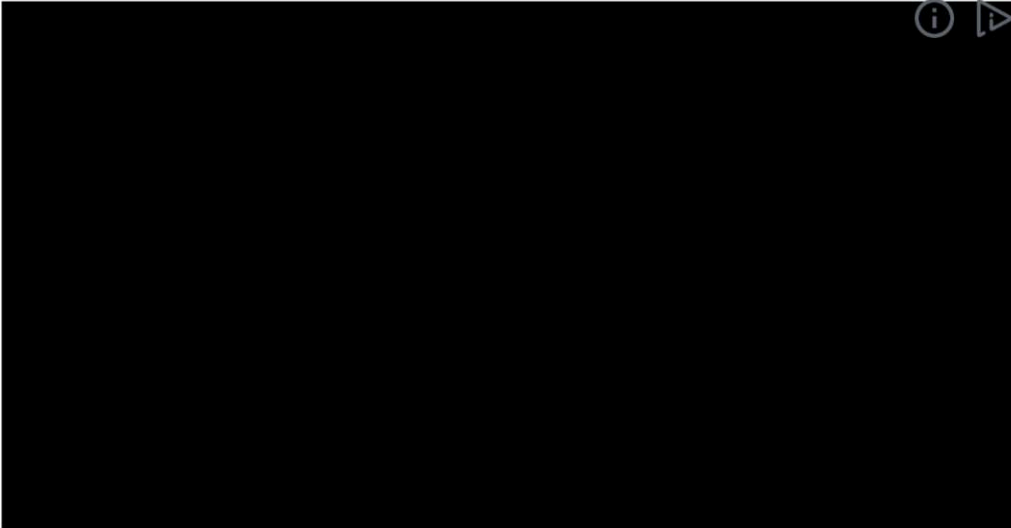

They knew Xu Xiaoyang and Xu Muqing, but for most of them, it was their first time hearing the name Li Hang.

So, they were all shouting excitedly and wanted to watch the bodyguards beat someone up.

These bosses were all big and fat with

stuffed faces.

They were excited and their eyes were filled with the desire for violence!

In order to protect their honor, the Song Family in the North had hidden the fact that Li Hang had killed Song Yuan in an instant.

Even Su Zhengguo only knew that Li Hang was quite a capable fighter.

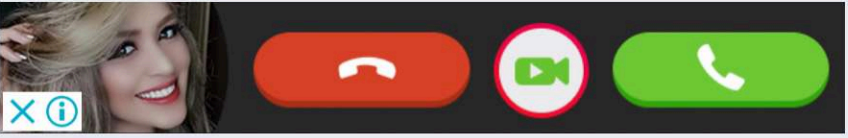

The two masters he had hired previously were beaten half to death by Li Hang.

But this time, it was different!

Su Zhengguo clapped his hands and said to the crowd, "Since everyone's so excited, follow me to the balcony on the top floor! I've prepared some refreshment there, so you can all sit down and enjoy the show!"

One of the bosses said, "I heard this Li Hang is quite the fighter. Master Su, can your bodyguards handle him?"

Su Zhengguo laughed, "Don't worry! This time, I've paid a lot to hire four masters. They all come from different places."

Chapter 215 Seeking Death

“Among them is a Muay Thai master who can break rocks with just one punch!”

“He normally fights in the underground arena. I heard that he has killed more than ten fighters.”

“Wow, then this ought to be a real exciting show!”

“Hurry, everyone go upstairs! I can't wait to watch that Muay Thai fighter beats someone's brains into a pulp!”

The bosses responded excitedly.

Cui Haifeng followed Su Zhengguo and the others upstairs.

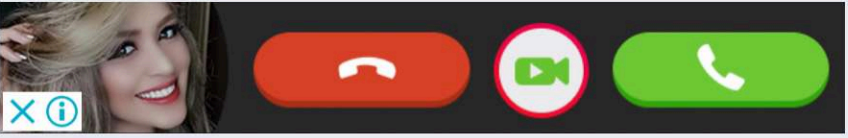

Meanwhile, Cui Tianci led ten bodyguards along with the four masters from Su Zhengguo out the door.

Li Hang waited quietly at the entrance of the villa with few of his men.

“Hahahaha!” Su Zhengguo laughed atop the balcony.

“Li Hang, you bastard! I didn't expect you to

These four men were well-built and looked like tough opponents.

Su Zhengguo was delighted, "You've only brought a few people with you. Have you come to kneel and beg for mercy? All it takes is a little trick from me, and your bullshit Lingxiao Group will be overthrown. How could mere ants like you dare to defy me? You're just courting for death! I'm going to chop your head off today and worship my grandchildren with it!"

Li Hang slowly raised his head and said calmly, "Were you the ones who killed He Liangsheng of Lingxiao Group?"

"So what if we did? I killed that bastard Wu Jianguo along with him as well! That traitor had the guts to betray me! Since you're going to die here today, I'll tell you. To me, getting rid of your Lingxiao Group is as easy as squashing an ant. That He Liangsheng however, was rather interesting. I was actually planning to have him turn his coat, but that fool was surprisingly loyal to the Lingxiao Group. Since that didn't work, I just paid someone to kill him off. It didn't cost much, just twenty thousand dollars for his life."

As he said that, Su Zhengguo suddenly pointed at Li Hang and shouted, "Now it's your turn, you bastard!"

At that moment, Cui Tianci yelled, "You four, kill Li Hang! I'll pay you a million dollars each!"

"Li Hang, you should be proud that your life is worth four million dollars!" Su Zhengguo laughed.

Outrageous!

Unruly!

To him, there was nothing that couldn't be solved with money!

The four masters that Su Zhengguo had hired smiled coldly at each other.

This was such easy money!

To them, Su Zhengguo was overreacting a little.

Li Hang and his men looked just like ordinary people.

Anyone of them could easily kill them all.

“This four million is mine!” The master rushed towards Li Hang as soon as he said that.

But Li Erniu had made a move before he could even get close!

In the blink of an eye, Li Erniu appeared before the master.

“Bang!”

“Ugh!”

“Ah!”

Three moves!

Cleanly!

Neatly!

Li Erniu's fist crushed the master's finger joint, broke his ribs and twisted both his arms!

Zhang Pengfei and Yang Shanqi who were already itching, roared and rushed forward!

Screams!

The other three masters who were acting all high and mighty had all been beaten down within a few bouts.

They were wailing in pain as they lay on the ground.

Cui Tianci was shocked!

He turned to run!

Li Hang grabbed a leaf next to him and hurled it lightly.

The leaf was like a knife.

“Whoosh!”

Right as the leaf was about to pierce Cui Tianci, a figure suddenly dashed out of the shadows.

He caught the leaf with two fingers.

It was a tall and slender man.

He was dressed ordinarily but exuded a terrifying aura.

Chapter 216 Meet Your Match

He was like a blade.

A blade that killed.

Li Erniu and the men let out a battle cry and fought with this man who had suddenly appeared.

Recalling all the trainings they had undergone, they fought hard and pushed themselves to the max.

Each of their strength increased tremendously.

However, they had met their match.

The three attacked continuously but none of them were able to take this man down.

On the other hand, their opponent seemed relax and had not broken a sweat.

Then, he put his left hand behind his back and fought Li Erniu with only his right.

He was able to neutralize all of Li Erniu's attacks with great ease.

Before the three of Li Erniu could react, they had been hit on their chest with a palm and were sent flying backwards.

The three rolled on the ground and got back up, staring fiercely at the man.

“Weak.”

Right as the man said that, Su Zhengguo laughed from the balcony, “Li Hang, you didn't expect this, did you? This is my real trump card! This man is nicknamed Lone Wolf. He's one of the highest ranked killers in the world! You trash should be proud that you get to die by his hand! Hahahaha! Lone Wolf, I now offer a reward of five million dollars for Li Hang's head. Deliver it to me!”

Lone Wolf and Li Hang stood facing each other.

Then, Lone Wolf suddenly said, "Master Su, this man is a professional. I'll give you his head for six million dollars."

"Alright, six million dollars it is. I've got nothing but money."

Cold.

Proud.

This was the aura that Lone Wolf gave off. It was a very dangerous one.

At that moment, the Li Erniu trio felt a shiver down their spine and cold sweat trickled down their face.

They thought their harsh trainings all these time had made them a lot stronger.

But this time, they met a true master.

In front of Lone Wolf, Li Erniu and team had only one thought.

Fight to the death!

Fight to the death for Li Hang!

Li Hang reached out and plucked another leaf.

He placed the leaf between his palms and rubbed it gently.

He looked at Lone Wolf nonchalantly, "I'll ask you this one thing. Was it you who killed He Liangsheng?"

Right as Li Hang said that, another man emerged from the shadows and stood behind Lone Wolf.

He raised his head. Arrogant!

Vicious!

"A mere trash like that is unworthy of my master getting his hands dirty over. I was the one who killed him. Honestly, I've never seen a man this useless before. Killing him was like slaughtering a chicken. If not for my master's orders, I would have tortured him a bit more. His screams in pain were so pleasant, even better than a woman's moans in bed. It's a shame that I forgot to record it on my phone, otherwise I could even play it

for all of you here right now.”

“Whoosh!”

A shadow flashed past in the blink of an eye!

“Psssh!”

Lone Wolf's disciple stared wide-eyed in shock.

He looked at Li Hang in disbelief and grasped at his throat.

His throat had been penetrated.

Blood came spraying out!

He couldn't speak and could only let out a strange gurgling noise.

This man who hadn't even mentioned his name had collapsed in a puddle of blood.

And on the wall not far behind him, the leaf was like a blade.

A drop of blood was dripping slowly off the stem.

Chapter 217 Turn Leaf Into Blade

The leaf was three inches deep into the wall!

Lone Wolf turned around quickly and showed a look of surprise.

It was another leaf.

But the strength and speed of it being thrown by Li Hang was much more intense than before!

Had the leaf been thrown at Lone Wolf instead, he would have ended up just like his disciple!

Lone Wolf was shocked and scared.

As a professional killer, he absolutely could not afford to have any feelings of fear.

Fear was humiliation to a killer.

But at this moment, Lone Wolf had truly experienced an extreme level of fear.

A person who could kill with a leaf this soft and with such terrifying destructive force... Although he had not personally seen the person, he had heard of him.

This person was the nightmare of all killers.

However, that person himself was not a killer.

He was a god from somewhere far, far away!

But because his hands were stained by the blood of many killers, he had a nickname in the world of killers.

A god that absolutely surpassed the “king of killers”!

The hand of god!

Hands that could save!

And hands that could kill as well!

## Chapter 218 Twenty Billion In Cash

Lone Wolf had no time to wonder why the god of the Red Sea would show up in a small place like this.

He should be standing on his throne overlooking the world.

He shouldn't be standing before him like a commoner.

A drop of cold sweat trickled down Lone Wolf's face.

He dared not run, nor could he run.

Because he had no escape.

“Lone Wolf, what are you waiting for? Hurry up and finish Li Hang off! Didn't you see your disciple got killed by him? Is six million dollars too little for you? In that case, I'll give you ten million dollars!” Su Zhengguo shouted at the top of his lungs from the balcony.

Fear and panic spread through him.

Li Hang was able to kill someone with a single leaf.

## Chapter 218 Twenty Billion In Cash

The leaf had sailed through the air like a bullet.

If the leaf was fired at him, he would have been done for!

Lone Wolf ignored Su Zhengguo. His mind was racing and he said, "Before you do anything, can I make a phone call?"

"To call for backup?"

"Yes." Lone Wolf nodded. He felt no shame in the slightest with those words.

To him, being able to make it out alive from the God of Red Sea was in itself a glory worthy of praise!

"I didn't kill He Liangsheng." Lone Wolf emphasized.

"I know. If you were the one who killed him, that leaf would've went through your body as well."

Lone Wolf was shocked!

After the shock, came relief.

“You bastard! Lone Wolf, you bastard! You're a top killer and you're afraid of a mere dog like that? I'll pay you twenty, no, thirty million! Kill Li Hang right now!”

Without waiting for Lone Wolf to react, Li Hang raised his head slightly and asked Su Zhengguo, “Do you think you have a lot of money?”

Su Zhengguo laughed arrogantly, “Hahahaha! I have so much money that I can't even stop counting! Lone Wolf, I'm now offering a hundred million dollars for Li Hang's head. Kill him right now! Do it!”

Su Zhengguo looked hideous as his face was flushed with anger.

Then, Li Hang raised his hands and snapped his finger.

“Snap!”

The sounds of car engine were suddenly heard outside the villa, and it sounded like there were a lot of them.

Soon after, about a dozen heavy forklifts drove in.

## Chapter 218 Twenty Billion In Cash

There were huge rectangular objects on the forks.

Each of them looked heavy and were covered with a black cloth.

Li Erniu quickly walked up to one and removed the black cloth.

The moment the black cloth was removed.

Shock!

Money!

Stacks of dollars neatly piled up!

The group of bosses rushed to the balcony, and their eyes lit up!

Greed!

There was about four hundred million for every cube of cash!

There were dozens of cubes here!

There was at least more than twenty billion dollars here!

The sudden news had left Su Zhengguo in shock.

The look on his face started to change.

Shock!

Panic!

Wh... What?

The money's gone?

My goodness!

More importantly, those weren't his money!

He was just holding onto it and would ship it overseas soon!

He was just a handler!

If the money was gone, so was his life!

Then, Li Hang had his men piled up the money, forming a hill of cash.

With a can of gasoline in hand, he leapt up and landed on top of it.

Su Zhengguo's eyes grew wide in fear!

He almost peed himself at the sight of Li Hang's actions.

“What are you doing?! Don't do it! You can't do this!”

Su Zhengguo then yelled at Lone Wolf, “Lone Wolf, you bastard! Kill Li Hang right now! I'll pay you two hundred million dollars, no, a billion dollars!”

Lone Wolf was dying to just turn and run at this point.

But he dared not take a single step unless Li Hang gave him permission to.

A billion dollars?

Hmph, what good is that money to me if I'm not even alive to spend it?!

Right now, Lone Wolf wouldn't dare make a single move even if he was offered a hundred billion dollars, let alone a billion.

And he was not alone.

Not even the Killer King would have dared to accept this mission either!

Whoever did would be dead!

Fire!

A tiny flame came from the lighter.

It flickered in Li Hang's hand and swayed gently in the wind.

Su Zhengguo was deathly pale and his legs were shaking from fear. His teeth rattled.

His hands were gripping the railing.

He glared daggers at Li Hang with his bloodshot eyes.

Scream!

Roar!

“Li Hang! These money belong to the Sun Family in the Fu Province! If you dare burn them, your whole family will be dead! None of you here will live!”

## Chapter 219 Burn It

Li Hang looked at Su Zhengguo coldly and tossed the lighter.

The flame spun and spun before it finally landed on the pile of money.

“Boosh!”

The wads of cash soaked in gasoline lit up in an instant.

The red flames rose up into the sky and lit up the villa!

“No! No!!!” Su Zhengguo desperately screamed.

“What are you all waiting for? Put out the fire!” Su Zhengguo yelled at the bosses around him.

But who would dare to go down there?

Su Zhengguo grabbed Cui Haifeng and yelled, “You get down there!”

Cui Haifeng shook his head, “I can't, the fire has spread too much!”

“Get down there!” Su Zhengguo shouted

Dead on the spot!

“Garbage! Li Hang, you're a dead man! The Sun Family won't forgive you!”

The flames grew larger as they engulfed the piles of cash!

The flames blazed!

The wind howled!

Li Hang stood there feeling the wind on his face as the light from the flames shone on his solemn face.

He stared at Su Zhengguo.

“Ugh!”

Su Zhengguo who had been howling had gone silent.

Li Hang looked at Lone Wolf.

“Break an arm, and you're free to go.”

Without any hesitation, Lone Wolf grabbed his blade and slashed down on his arm.

“Ugh!” He let out a grunt as half of his left arm fell onto the ground.

With his left arm gone, Lone Wolf's career as an assassin was over.

But at the very least, he lived.

Lone Wolf picked up his severed left arm and quickly vanished into the shadows.

At that moment, Li Hang's voice rang throughout the place, “Those who dare commit crimes in Ning Province shall die! Those who dare insult my men from Ning Province shall die!”

Ning Province the Forbidden Territory!

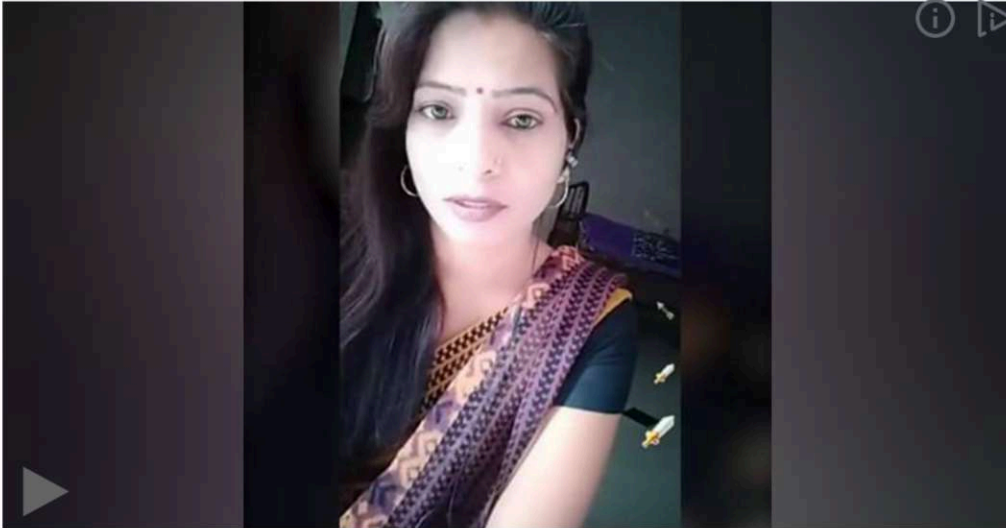

Those words were born and spread throughout everybody's ears.

After Lone Wolf reported to his organization, Bloody Hand evacuated all its killers from China!

The Killer King issued the ban immediately.

Nightfall.

A silent night.

Outside the window, a siren could be heard from time to time.

Su Zhengguo sat quietly in darkness behind the mahogany desk in his study.

“Master, we've been surrounded. Leave quickly through the underground passage!” The loyal housekeeper whispered as he stood beside him.

“There is no escape for me. Even if I can get out of Jiang Province, my family won't let me go either.” Su Zhengguo's expression grew ferocious as he said that.

A maniacal smile spread across his face.

“The Su Family is done for. But I won't let Li Hang go like this! I won't let his Lingxiao Group take over Sheng City! Even if I were to die, I won't just give up this business empire that I've built to someone else like that!”

Su Zhengguo retrieved a file from his drawer and handed it to the housekeeper.

“Master, what is this?” The housekeeper was stunned as he saw the documents.

Each one of these documents were enough to feed an ordinary person for life!

“These are all my properties in the Su Family. Go to Shanghai and look for Qian Shenghao from the Qian Family. Give it all to him with one condition, that is to kill Li Hang! Cough cough cough.....” Su Zhengguo started coughing severely as he spoke.

As he coughed, blood came out as well.

The housekeeper's face turned pale as he saw that, “Master, you.....”

Su Zhengguo glared at him and his eyes grew wide suddenly.

“What are you still waiting here for? Go now! I have nowhere else to run. I will perish along with this household.” Blood trickled down from the corner of Su Zhengguo's lips as he said that.

The flames engulfed the study.

In the fire, Su Zhengguo's furious screams continued to be heard.

“Li Hang, I'll be waiting for you in hell!  
Hahahahaha.....”

The next morning, the entire Jiang Province was in an uproar.

Su Zhengguo had died!

Su Zhengguo of the most prominent Su Family in Sheng City had committed suicide!

Cui Haifeng was also dead, while Cui Tianci had fled the province.

Everything that Su Zhengguo and the father and son did were also made public.

This proved the innocence of Xu Xiaoyang and the Lingxiao Group.

Wu Jianguo whom Su Zhengguo had thought to be dead, had somehow mysteriously survived.

He gave his statement to the media as he

struggled with his injuries.

The nasty deeds done by the Su Group over the years had also been exposed.

The family that had stood strong in Sheng City for hundreds of years had come to an end in an instant.

Small River Village, a rural area in Jiang Province.

It was surrounded by mountains with only a winding dirt path connecting it to the outside world.

It was about a five hour drive from County Town.

Cars wouldn't even be able to pass through if the weather was bad.

It was extremely difficult for the elder villagers to even go see a doctor outside.

The villagers had woken up very early with a grim look on their faces. Even the sky was gloomy.

He Liangsheng, the one and only university

student in the village had died.

It was a small village, so everyone there knew each other.

Today, everybody had gathered around to send He Liangsheng off.

At that moment, someone ran into He Liangsheng's yard and shouted in a frantic voice, "Cars! There are a lot of cars coming in!"

Shortly after, Li Hang appeared with a huge group of people. They all had solemn faces.

"What... What do you want?" The villagers were frightened.

Li Hang and his followers had a terrifying and deadly aura about them.

Li Hang made his way to the front of He Liangsheng's mourning hall.

He retrieved an unopened candied haw berries and placed it on the altar.

Li Hang stood in front of an old couple whose eyes were red from crying.

## Chapter 221 Granting The Third Wish

They were farmers who had never left the mountains their entire life.

The only thing they wanted from their children was for them to live an honest and diligent life.

However, such a hardworking and kind-hearted person was robbed of his life by the selfish desires of others.

Li Hang stood straight.

The men behind him all bowed.

Bow!

“Who... Who are you people?”

“We are friends of Liangsheng. We are here to express our condolences on behalf of the Lingxiao Group.”

The old couple held onto each other, as their tears flowed down uncontrollably again.

“Liangsheng had once told me that he has three wishes. I am here today to help him fulfill them.”

## Chapter 221 Granting The Third Wish

Everyone looked up at Li Hang.

It was extremely quiet, and only Li Hang's voice rang in the crowd's ears.

“He told me that he was working in the city to earn enough money to send his younger siblings to Ning Province for their studies, and to build his parents a three-story house. He said that he hadn't been home for five years, as the way home from Ning Province was too narrow and too far. He also said that the fruits grown in the village are very sweet and the vegetables are very fresh, but they just can't sell for high prices.”

The three sentences were clearly heard by everyone present.

Behind Li Hang stood many elites from Lingxiao Group's purchasing department.

They were all good friends of He Liangsheng.

They were here not only to express their condolences to He Liangsheng, but also to purchase the fresh vegetables and fruits.

Lingxiao Group had established a

As they walked out the door, the township leaders hurriedly asked Li Hang, “Mr. Li, does Lingxiao Group really intend to fund the construction and development of our town?”

“Mhmm.”

“But our conditions here are terrible. Putting everything else aside, even just the construction of a two-lane highway itself would cost a lot!”

“Lingxiao Group will not handle the construction of the highway.”

The smile on the faces of the township leaders gradually faded as they heard that.

They knew that repairing the roads was the key to wealth for them.

Without roads, they would not be able to deliver any of the goods they made to the city.

“I will pay for it”

Right as Li Hang said that, the township leaders received a phone call, “Sir, please come back quickly! There are engineering

team leaders here looking for you! They're going to build bridges and roads for us!"

Li Hang snatched three candied haw berries from He Liangsheng.

In return, he invested 5 billion dollars to build a three-lane highway connecting the village directly to Ning Province.

Shanghai, Qian Family manor.

A manor on a land covering a hundred acres with fifty luxurious cars, three hundred servants, and over two hundred years of history.

This was the Qian Family of Shanghai!

Although the Qian family was not a first-tier family in this international metropolis, it was still considered strong among second-rate families.

The Qian Family's power was nothing that the Su Family could ever compare to.

The mansion hall.

Su Zhengguo's housekeeper stood carefully with his head held low.

Across him, a well-built middle-aged man with an imposing aura sat on the yellow flowering pear wood sofa.

It was the current head of the Qian family, Qian Shenghao!

“The most prominent family of Jiang Province? Hmph! A tiny household like yours dares to claim such a title?”

“Bang!”

Qian Shenghao threw the documents onto the coffee table nonchalantly.

“These things are just garbage to me! Su Zhengguo sure is useless! With such a good location like Jiang Province, where three generations of their ancestors have been operating over so many years, this is all they've accumulated? And he dares have you come all this way to deliver these documents to me? Is he trying to insult me?!”

The housekeeper was sweating from fear.

“No, my master didn't mean it like that. He had told me that Jiang Province is a prosperous place, but it has always been occupied by various forces, both large and small. Now that it has become a land without an owner, there is a need for a great and talented man like Mr. Qian to rule it!”

“Hehehe, hahahaha..... Although that old fool Su Zhengguo is dead, his words still sound pleasant to the ears! He's right, Jiang Province is indeed a prosperous land with great potential, and everyone wants a piece of that pie. But things got complicated as more and more hands dug into it.”

“And it just happens to lack a great man like myself!”

“Seeing that Su Zhengguo is dead, you can stay here and work for me as a janitor. Don't worry, since Su Zhengguo has given me these, I will definitely fulfill his request.”

“Thank you, master!”

After the housekeeper left, Qian Shenghao called out to his two sons.

The eldest son, Qian Jiaping.

## Chapter 222 Unrest

He had always been smart since he was a child.

He took over the family business at the age of 25.

In Shanghai where the elites gather, Qian Jiaping was also a very high-profile entrepreneur.

Now 38, Qian Jiaping was still cautious in his ways to not be greedy.

Precisely because of that, their family was able to establish their place in the ever competitive Shanghai.

The younger son, Qian Jiazhe.

Qian Shenghao had valued his younger son who was intelligent and flexible since he was a child more than the steady and prudent elder son.

Qian Jiazhe was a returnee with a PhD degree.

At the same time, he was also a pianist.

He had made a lot of achievements in art.

## Chapter 222 Unrest

When he was overseas, he was a star that many idolized and worshipped.

He had been favored by many daughters of famous prominent families since his recent return to China.

After hearing what Qian Shenghao said, Qian Jiaping frowned slightly: “Father, Jiang Province has been in a state of unrest recently.”

“I heard from someone that there has been a huge commotion in the Jiang Province underworld. At the same time, there is a new and aggressively rising organization known as the Lingxiao Group. If we were to acquire the Su Group properties, we will surely come into conflict with the Lingxiao Group.”

Right as Qian Jiaping finished, Qian Jiazhe let out a sneer, “Big brother, you're being too conservative. I've already had someone looked into that Lingxiao Group. They're nothing but a tiny workshop developed from a small town. To call them an organization is giving them a lot of credit.”

Arrogance.

Disdainful.

Cocky.

Qian Jiazhe sat gracefully with his legs crossed.

His unusually pale fingers tapped gently on his legs, “Father, as far as I know, the business circle in Jiang Province is very chaotic now. Su Group going bankrupt has already caused an uproar in the entire Jiang

Province. What better chance is there than this for us to get in there?"

Qian Jiazhe's eyes lit up.

"Father, leave this to me."

"Hmm, since you're so confident in this, I'll support you. But you must remember that you're my son and the heir to the Qian family, so you mustn't do anything that would bring disgrace to our family when you are in Jiang Province. At the same time, make sure to not let the small pawn over there look down on you!"

After the family meeting ended, Qian Jiaping left the villa in his Rolls-Royce.

His secretary said with a smile, "Boss, just as you have predicted, the chairman has sent second young master to Jiang Province."

Qian Jiaping smiled slyly.

"Half of Shanghai could figure out my dad's thoughts."

His secretary continued, “Don't worry, boss. I'll send some clever guys over. They'll definitely be able to provoke a fight between Li Hang and the second young master!”

The fierce look in Qian Jiaping's eyes intensified.

The Lingxiao Group had become more cohesive ever since the incident it went through.

Many young people who were willing to work hard were sent to the frontlines by Xu Muqing to expand their market.

As for Xu Muqing, she also resided in Sheng City herself.

Xu Muqing had matured a lot recently.

Her reputation in the upper class society was also growing.

In the upper class society, Xu Muqing was nicknamed 'The Pearl Of Ning Province'.

She was as pure and flawless as a pearl.

When the Lingxiao Group made its way into Sheng City, it did not attack the bosses relentlessly like how they had feared it would.

On the contrary, Lingxiao Group had actually sought for mutual development.

To put it more bluntly, it was to make money together with everyone.

Xu Muqing's social activities also increased as the Lingxiao Group settled down in Sheng City.

Tonight, Xu Muqing was invited to attend a charity auction event.

Li Hang first dropped Xu Muqing and Zhang Xiaoping at the lobby, then parked his car at the parking lot.

Li Hang chose a spot closest to the lobby entrance.

Just as he had finished parking his car, a gold Rolls-Royce suddenly pulled over.

The driver Qian Liugui honked at Li Hang a few times.

Then he rolled down his window and wagged a finger at Li Hang.

“Get out of that spot, I'm taking it.”

Li Hang ignored him and was about to leave as he opened his car door.

Qian Liugui quickly got out of the car and stood in front of Li Hang.

He raised his head arrogantly, “Move your car out of the way, I want this spot.”

The Qian family was highly reputable in Shanghai.

As Qian Jiazhe's driver, naturally, his status was also quite high.

To him, everyone in this tiny Jiang Province should behave humbly whenever they saw his boss.

Li Hang was dressed rather plainly.

So Qian Liugui had thought of Li Hang as nothing but a mere driver for some small-time boss.

As such, he became a lot more arrogant.

Li Hang continued to ignore him and walked past Qian Liugui.

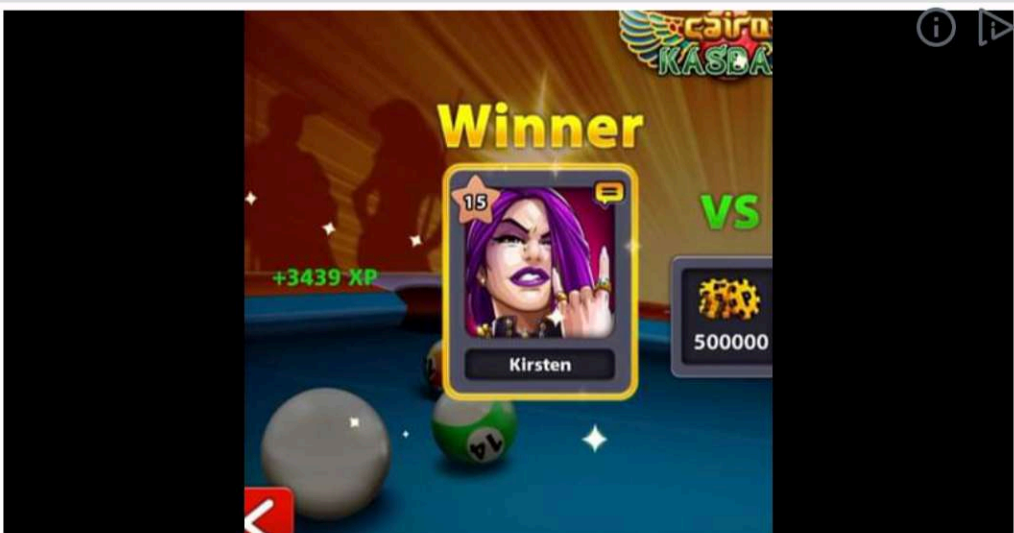

But Qian Liugui reached out his hand and grabbed Li Hang by the shoulder.

When Li Hang turned around, Qian Liugui pointed a finger at Li Hang's forehead and shouted at him.

“Are you blind?! Can't you see that I'm driving a Rolls-Royce?!” Qian Liugui stared at Li Hang with his head held high.

In a tiny city such as Jiang Province, anyone who dared oppose the Qian Family was practically asking for trouble.

“Do you know who this car belongs to? That's the second young master of the Qian Family!”

Qian Liugui tried to pull his hand back.

Suddenly, he felt a strong sensation of pain!

“Crack!”

The bone in his finger broke, and his entire finger was twisted!

“Ugh!!”

Qian Liugui clutched his hand and screamed in cold sweat.

He glared at Li Hang with a vicious look in his eyes.

“My boss is Qian Jiazhe, the heir of the Qian family! How dare you hit me?! He won't forgive you! Just you wait!”

Qian Liugui endured the pain as he reversed

the car and attempted to park it into another spot nearby.

But as he was reversing into the empty spot, another car drove right into it.

Qian Liugui's eyes were filled with rage.

“Damn it! Is everyone blind in this damn place?! Can't they see that I'm driving a gold Rolls-Royce?!”

Qian Liugui rolled down his window and was about to shout at the driver.

Then, he saw a man about two meters tall came out of the car.

Qian Liugui was so scared that he quickly pulled his head back into the car.

He tried to look for other parking spots but there would always be cars stealing his spot each time.

Damn it!

After Qian Liugui picked a fight with Li Hang, cars kept stealing his parking spots one after another.

Some were even tattered old vans.

He could only watch as each spot was taken away one after another.

Before he knew it, the entire parking lot was full!

And every other person that came out of their cars looked more menacing than the previous ones!

He drove to another spot. The parking lot which was completely empty earlier was now filled with signs.

The parking lot was full!

He couldn't accept this!

He dared not park this car that was worth twenty million outside as it could easily be scratched by anyone.

But, when he entered the parking lots, it was all filled with shattered old cars.

Some were even electronic scooters!

Qian Liugui was furious.

He parked the gold Rolls Royce right at the entrance of the hotel.

"I doubt anyone would dare touch the gold

Rolls Royce of the dignified Qian family!” Qian Liugui locked the car door and walked straight into the hotel lobby.

Right after he left, Wang Xiaoqi came over with a few professional automobile beauticians.

Wang Xiaoqi said, “Brothers, get to work! Make it snappy! Polish, wax, and a facial! He is a huge guest from Shanghai, and my boss has told us to show our greatest hospitality!”

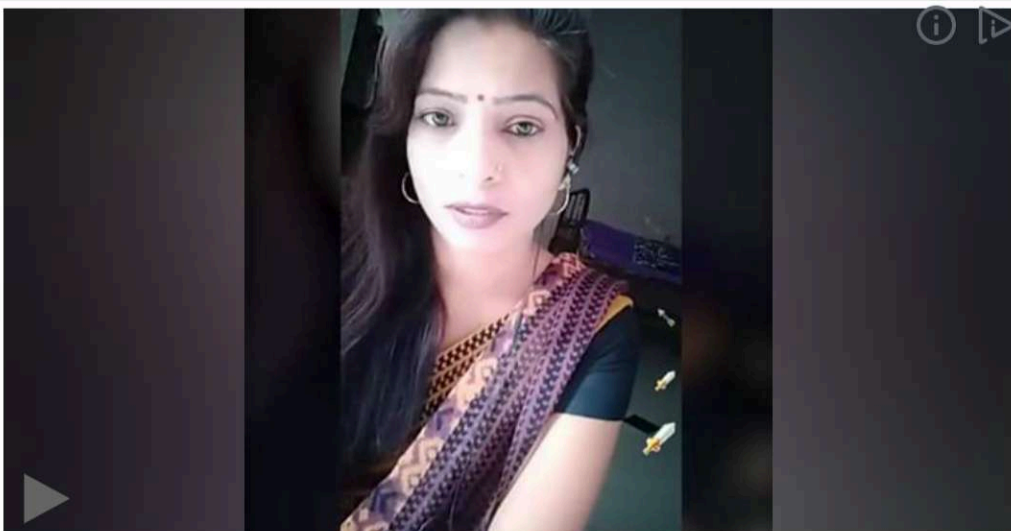

One of the automobile beauticians asked, “Mr. Wang, are we really doing this? This Rolls-Royce is already out of production now. You can't even buy it with all the money in the world!”

Wang Xiaoqi picked at his nose, “My boss said he doesn't like seeing yellow cars like this! His woman loves the color white. Spray it white!”

The automobile beautician said, “It's a bit difficult to paint a gold car white.”

Wang Xiaoqi flicked off a black chunk of booger, “Then paint it black!”

When Xu Muqing and Zhang Xiaoping entered the auction hall, they saw many people gathered around.

One of them that stood out the most was a handsome man dressed in an expensive white suit.

He had a distinctive aura about him.

He looked noble and elegant with eyes full of confidence and had a smile that attracted a lot of women.

Xu Muqing glanced at him and took Zhang Xiaoping to find a quiet place to sit down.

Qian Jiazhe's arrival had all sorts of corporate bosses sucking up to him like dogs wagging their tails.

He had a polite smile on his face, but a sneer in his heart.

They're just a bunch of bumpkins who have never seen the outside world.

I will purchase everything on auction later

today, and show you lot a taste of the Qian Family's power!

At that moment, Zhang Youli, the boss of an apparel company suddenly said, "Ms. Xu is here!"

Qian Jiazhe's eyes lit up when he saw Xu Muqing.

He had seen all sorts of women. Some were flirtatious; some were pure; and some were wild.

But he had never seen one like Xu Muqing.

At first glance, Xu Muqing looked clean and pure.

She was like a ray of sunshine in the morning.

She would draw attention to her without even having to do anything.

Qian Jiazhe walked towards Xu Muqing.

As he got closer to Xu Muqing, the smile on his face got brighter.

Zhang Youli quickly introduced Qian Jiazhe to Xu Muqing to butter him up, "Ms. Xu, this is the second young master of the Qian Family in Shanghai, Qian Jiazhe."

"Mr. Qian, Ms. Xu is the General Manager of Lingxiao Group. She is a famous beauty!"

Looking at Xu Muqing up close, Qian Jiazhe felt an irresistible urge rising.

I want this woman!

Qian Jiazhe cried out in his heart.

He maintained a bright and elegant smile on his face.

"Pleased to meet you, Ms. Xu. You sure leave a strong impression on people! I'm afraid I'll be having insomnia for the next few days!" As he spoke, Qian Jiazhe reached his hand out to Xu Muqing.

Qian Jiazhe had imagined that Xu Muqing would look surprised and shake his hand shyly after she learned of his identity.

Chapter 226 Explosion

This way, he would be able to feel Xu Muqing's soft and slender hand and touch her smooth and delicate skin.

They would then exchange flirtatious looks, get in the elevator, enter the room upstairs, and continue to learn more about each other.

He could barely hold himself back.

It must be quite a treat to ride on top of such a woman!

However, Xu Muqing did not extend her hand like he had imagined she would.

Instead, Xu Muqing had a very plain smile on her face.

She nodded politely at Qian Jiazhe and said, "Hello, pleasure to make your acquaintance, Mr. Qian."

That's all?

Nothing more?

No shy look in her eyes, no flirtatious glances, and she didn't even shake my hand.

What's going on?

Is this woman blind or something?

Can't she see how talented and handsome I am?

Does she not know that I'm the second young master of the Qian Family?

I get it now. This woman must not know about the true potential of our Qian Family since she comes from a small town!

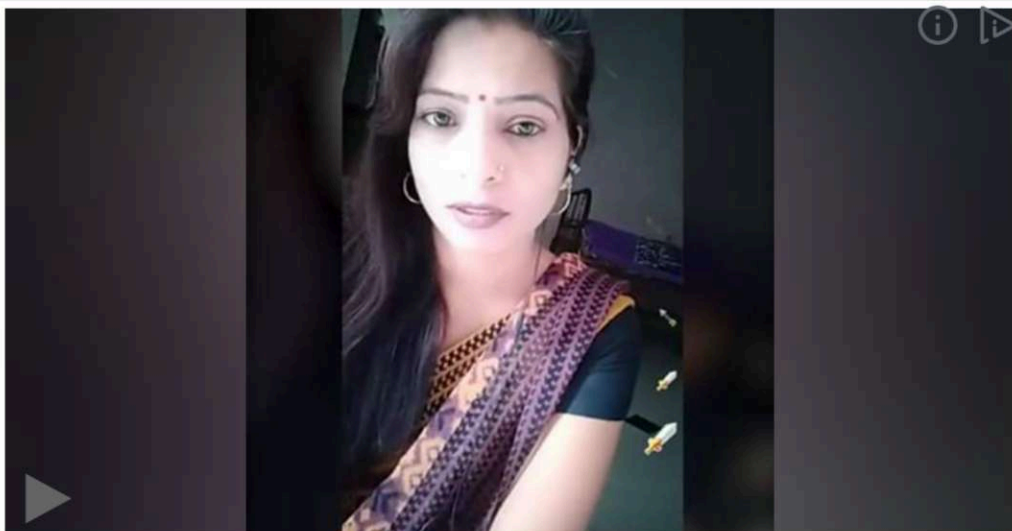

Qian Jiazhe gave Zhang Youli next to him a kick as he thought about that.

Zhang Youli was quick to react and said, "Ms. Xu, the Qian family is one of the largest families in Shanghai. All Su family's properties have been acquired by them recently. Those assets were nothing but a drop in the bucket for the Qian family." Zhang Youli said a lot, but Xu Muqing's reactions were very calm.

That's because Xu Muqing felt Qian Jiazhe was annoying.

Li Hang had told her that any guy with a

smile like that of Qian Jiazhe's was definitely up to no good.

Right as Xu Muqing was about to leave, Qian Jiazhe reached his hand out again.

“What are you doing?” Xu Muqing backed off in shock.

As Xu Muqing was stepping back, Qian Jiazhe kept advancing. Xu Muqing soon found herself backed into a corner.

Zhang Xiaoping stood in front of Xu Muqing, but Qian Jiazhe just shoved her aside.

“Ms. Xu, I don't think you know who I am from that introduction earlier. Allow me to formally introduce myself. My name is Qian Jiazhe. I am an artist and have a double PhD in psychology and economics from Harvard University. I'm the second young master of the Qian Family, we.....”

“I know about everything you said, but what does that have to do with me?” As she spoke, Xu Muqing helped Zhang Xiaoping back on her feet and glared at Qian Jiazhe.

That glare alone was enough to get Qian

Jiazhe all worked up.

“What look did you just give me? A mere peasant like you dare look at me like that?!”

Qian Jiazhe motioned at a nearby waiter, “Bring me two glasses of wine.”

He held the wine glass up to her face, “I’ll give you one chance to apologize!”

Arrogant!

Tyrannical!

To Qian Jiazhe, everyone present at the scene was not human, but mere ants.

With his identity alone, he could squash them at will and do whatever he wants. Who would dare to stop him?!

Xu Muqing reached out and took the wine glass from his hand.

As Xu Muqing picked up the wine glass, Qian Jiazhe tilted his head triumphantly.

Hmph, even if you looked like an angel, a mere nobody from a small town like you

would still end up as my plaything!

“Finish the wine, and we'll forget about how you were rude to me earlier.....”

Before Qian Jiazhe could finish, Xu Muqing splashed the wine right onto his face.

Silence!

Absolute silence!

Everyone was shocked.

This was the young master of the Qian Family!

To everyone at the scene, the Qian Family was a behemoth that could never be surpassed!

The onlookers took a few steps back quickly, for fear of getting themselves involved.

“How... How dare you treat me like this?”  
Qian Jiazhe's voice was low.

He was on the verge of exploding in anger!

“Do you know what the consequences are for angering me?”

Xu Muqing raised her chin slightly as she said, “My husband says, there is no one in Jiang Province that I couldn't afford to mess with.”

“Hahaha! Ah, hahaha...”

Laughter! Crazy laughter!

Qian Jiazhe laughed like a madman.

Suddenly, he reached out and grabbed Xu Muqing by the wrist.

He was like a rabid beast with a look of greed in his eyes.

“You're way too interesting, woman! I can't hold it in anymore, you're coming upstairs with me right now! You'd better be as wild as this when I rip your clothes off! Otherwise, it won't be enough fun!” Qian Jiazhe dragged Xu Muqing towards the exit.

At that moment, Li Hang happened to walk in through the door.

“Darling!”

Darling?

Qian Jiazhe turned to look at Li Hang upon hearing that and let out a sneer.

Plain.

Tasteless.

That was Qian Jiazhe's evaluation of Li Hang from his first impression.

He even stuck his tongue out and licked his lips.

A strong desire to dominate her swept through his body.

Qian Jiazhe wanted to have Xu Muqing underneath him right then and there.

It didn't even matter where it was, be it on the bed, on the table, on the floor, or even in the hallway! He wanted to do it!

He wanted Lingxiao Group as well as Xu Muqing!

Qian Jiazhe waved his hand and about a dozen bodyguards rushed towards Li Hang.

Qian Jiazhe said arrogantly, "Drag this useless husband into the toilet! When I'm having fun with his woman upstairs, stuff his mouth with shit!"

"Yes, young master!" The bodyguards said in unison.

They were all skilled bodyguards that had gone through hardcore training!

One by one, they rushed towards Li Hang like hungry wolves!

"Bang!"

The shadow of a fist flashed by.

The bodyguard in the front had been slammed up into the ceiling. His body crashed heavily into the ceiling before falling back down to the ground.

Li Hang kept going and all the bodyguards were sent flying one after another.

No one could see how Li Hang had hit them.

All they could hear was painful screams.

Li Hang appeared in front of Qian Jiazhe before he could even react.

Then, Qian Jiazhe felt his hand that was grabbing Xu Muqing's wrist was now empty!

As he turned around, he found that Li Hang had caught his wrist.

Qian Jiazhe glared furiously at him, "You bastard! Get your filthy hands off me! How dare you touch me?!"

"Smack!"

Li Hang slapped him across the face.

"You look human but all I hear is barks."

"You... How dared you hit me?! I'm....."

"Smack!"

It was another slap.

This slap had left Qian Jiazhe's jaw crooked.

And from his trembling lips, four bloodied

teeth came flying out!

“The Qian Family.....”

“Crack!”

“Ahhh!” Qian Jiazhe screamed out in pain before he could finish speaking.

Li Hang had broken his right index finger.

“Crack!”

The middle finger!

“Crack!”

The ring finger!

“Crack!”

The pinky finger!

Li Hang continuously broke four of Qian Jiazhe's fingers!

Then, he grabbed Qian Jiazhe by the throat and slammed him onto a long desk next to them.

There was a lot of food on the table.

Li Hang lowered his head and looked at Qian Jiazhe, “I'm a civilized person, so I won't feed you shit from the toilet. I'll have you eat everything on this table instead. If there is any leftover, I'll break all five fingers on your left hand and all ten of your toes as well.”

“Crack!”

Li Hang broke the remaining thumb on Qian Jiazhe's right hand as he said that.

Qian Jiazhe cursed as he lay on the table, “I'm going to tell my father about this! He won't let you go! He'll kill you and all of your family!”

“Seems to me you won't eat it. No problem, our service here is very user-friendly. We'll feed you instead!”

At Li Hang's command, several men came in through the door, led by Wang Xiaoqi.

Two of them grabbed a chair and sat Qian Jiazhe down on it.

Li Hang said to Wang Xiaoqi, “Mr. Qian here prefers to eat shit, so you can start feeding him with the bananas with shapes similar to shit.”

Wang Xiaoqi grabbed a banana and was about to peel it.

Li Hang spoke again, “Rich people don't peel the bananas when they eat them.”

With that, Wang Xiaoqi shoved the unpeeled banana right into Qian Jiazhe's mouth.

One.

Two.

A whole bunch!

Two bunches!

Qian Jiazhe spat the food out as he ate it, and vice versa.

Qian Jiazhe wanted to kill him, but every time he opened his mouth, food was shoved into it.

Some were dry, some were wet.

At that moment, Xu Muqing tugged at Li Hang's sleeve and said softly, "That's enough."

Li Hang looked at Xu Muqing with an exceptionally gentle gaze, "Darling, you made a mistake earlier."

"Huh?"

Just as Xu Muqing was shocked and confused, Li Hang said with a voice so loud that everyone could hear, "Not just in Jiang Province, but the whole world! There is no one in this world that my wife couldn't afford to mess with!"

Badass!

This was a true badass!

Li Hang and Xu Muqing did not participate in this charity auction.

Lingxiao Group had been doing charity activities recently.

Unlike those who were all talk and just did some superficial work without actually achieving anything.

Lingxiao Group was different.

They donated money and supplies, and also helped out those in need.

When Li Hang and Xu Muqing came down from the hotel lobby, Qian Liugui was entering the elevator.

When he saw Li Hang, he raised his injured hand at him again.

“It's you, you..... Aaaaah!” Before Qian Liugui could finish, Li Hang had broken his finger.

Li Hang grabbed another finger of Qian Liugui and told Xu Muqing, “Look, darling. I'll show you a live demonstration right now. This is why the elders always tell us not to point our fingers at people when talking to them. Because a single finger is very weak and they can grab hold of our weakness easily. See? Just like this.”

“Crack!”

“Aaaaah! Aaaaaaaaaaaah!” Li Hang gave Xu Muqing a live demonstration while Qian Liugui was screaming in pain.

Qian Liugui stomped in anger as he watched Li Hang and Xu Muqing leave, “You son of a bi\*ch!! I'm the driver of the Qian Family! You're dead!”

Qian Liugui whipped out his phone and was going to call the Qian Family bodyguards to cut Li Hang off.

He wanted to break all of Li Hang's fingers and toes!

“Ding!”

The elevator door opened suddenly.

Qian Liugui turned around and the first thing he saw was Qian Jiazhe's bodyguards.

These were all extremely skilled bodyguards that they had paid huge money for!

When he saw them, Qian Liugui felt like he was safe.

He instantly became confident.

He hurriedly pointed at Li Hang and told the bodyguard, "Quick, stop that couple!"

The bodyguard turned to look in Li Hang's direction and trembled in fear.

My goodness! Why is it him?

How would the bodyguards dare to do anything to Li Hang? It was just asking for trouble.

He cowered back in fear.

Then, Qian Jiazhe's cries were heard from the elevator.

"What are you waiting for?! Get me to the hospital now! I can't take it anymore! My stomach feels like it's about to explode!"

The driver didn't know what had happened. But since Qian Jiazhe wanted to go to the hospital, he answered, "Young master, I've parked the car at the hotel entrance, let's go!"

Escorted by his bodyguards, Qian Jiazhe

went to the hotel entrance.

But he couldn't see his car anywhere.

“Where's my car?”

Qian Liugui ran about searching for the car but he could not find that gold Rolls-Royce.

“Strange, I knew I parked it here. Where is it?”

While Qian Liugui was searching for the car, Qian Jiazhe was groaning in pain.

“Ow, ow, my tummy, my tummy!”

Since when had he ever endured such pain?

Now, not only was he in physical pain, he was exasperated!

He wanted to kill!

To kill!

The bodyguard yelled, “The young master can't hold it in any much longer! Call an ambulance!”

Right as the bodyguard was making the call, Qian Liugui screamed, "My goodness! Why is the car black?! Which bastard did this?!"

Qian Liugui only recognized the car when he saw the license plate.

The reason this car costed so much was because it was painted with real gold!

.....

After Qian Jiazhe arrived at the hospital, the doctors gave him a gastric lavage and an enema. It took about two hours before he stabilized.

He lay on the hospital bed with a drip on his hand.

Qian Jiazhe looked like he had been tortured and ravaged by more than a dozen strong men.

His entire body was limp.

That confident smile had been replaced with a look of pure hatred.

The flames of anger and hatred burned

uncontrollably!

He gritted his teeth, "I must have my revenge!"

Qian Jiazhe told his bodyguards, "Call Stray Dog now! Have him bring his men over to Jiang Province!"

## Chapter 230 This Is What Happens If You Defy Me

As the bodyguard was making the call, Qian Jiazhe pointed at Qian Liugui whose fingers were bandaged and had a swollen face, “Summon all the chairmen in Jiang Province that you can get! If any of them dares to not come, I'll make sure they die horribly!”

Qian Liugui called them all one by one.

In less than half an hour, more than twenty chairmen who usually stood tall and proud were sweating nervously as they entered this VIP ward.

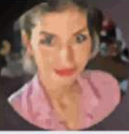

They stood in line by the hospital bed with their heads low, exchanging looks with each other.

Some of them already knew about the incident on their way here.

Some of them were still confused as to what had happened.

Wu Jianguo was one of them.

After the downfall of the Su Group, Wu Jianguo had also ushered in a new opportunity.

## Chapter 230 This Is What Happens If You Defy Me

In the past few days, he had been thinking of how he could contact Lingxiao Group.

He was trying to see if there was a way they could work together and achieve a mutually beneficial business relationship.

But before Wu Jianguo was able to encounter anyone from the Lingxiao Group, the second young master of the Qian Family had come.

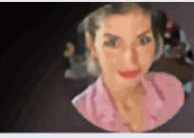

In actual fact, there were quite a few of the bosses here did not wish to work with the Qian Family.

Because the Qian Family was too ruthless and tyrannical in their methods.

Most people who have worked with them knew that it always ended with the Qian Family profiting while the others suffered losses.

Even the ones from the Qian Family ended up with the same fate.

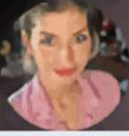

But the Qian Family were wealthy and powerful. If the bosses refused to work with them, they would suffer worse fates.

Qian Jiazhe looked very pale, but the expression on his face was vicious.

He was practically roaring when he told Wu Jianguo and the rest, "If any of you wish to continue doing business here in Jiang Province, then you will cut off all ties with Lingxiao Group and work together with me to crush them! I want this little firm goes bankrupt by tomorrow!"

I want Xu Muqing to kneel behind me and lick my ass as she begs for my forgiveness!"

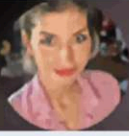

Qian Jiazhe had been administered enema five times. His anus was torn and felt like it was on fire.

The bosses exchanged glances with each other and were terrified upon hearing this.

But none of them dared to say anything and could only agree reluctantly.

Wu Jianguo frowned and said softly, "Mr. Qian, isn't this a little unwise? Let's talk it out and make money together peacefully."

"Bang!"

## Chapter 230 This Is What Happens If You Defy Me

Right as Wu Jianguo finished, Qian Jiazhe grabbed the nearest cup and hurled it at him.

The cup hit Wu Jianguo on his forehead and it started to bleed.

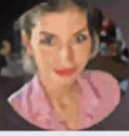

“Who do you think you are, defying my decisions?! I'm warning all of you! If any of you dares to take their side secretly, I'll make your lives hell for you! I, Qian Jiazhe am a man of my word! You should be well aware of the Qian Family's power and methods. To the Qian Family, you are all mere ants that I can squash at any time! What are you waiting for? Call up your companies and have them terminate all projects with Lingxiao Group!”

Although everyone had started making phone calls, Wu Jianguo did not do so.

Qian Jiazhe motioned at the two bodyguards next to him.

The two of them quickly knocked Wu Jianguo to the ground.

They started punching and kicking him.

## Chapter 230 This Is What Happens If You Defy Me

Qian Jiazhe finally showed a smile on his face as he watched Wu Jianguo rolling around wailing on the ground.

“See that? That's what you get for defying me!”

"It's too late now even if you beg me for mercy. You will go bankrupt tonight!"

Arrogant!

Extremely impudent!

Qian Jiazhe's smile was cold yet brutal!

He would trample, beat and ruin anyone who was weaker than him!

And kill them as if they were worthless creatures!

Qian Jiazhe sneered as he looked at Wu Jianguo.

"Drag him out!"

At this moment, a bodyguard rushed into the room and whispered to Qian Jiazhe, "Young master, Stray Dog is here."

Stray Dog was Qian Jiazhe's strongest hatchet man.

Everyone called him Stray Dog for a reason.

His sister was once violated by a bunch of

thugs.

In just one night, he broke all the thugs' arms and legs and cut off their 'criminal tools'!

It was Qian Jiazhe who had helped him solve the matter, so after that he stayed by Qian Jiazhe like a loyal dog.

He would do whatever Qian Jiazhe instructed and had never disobeyed him!

Hence, the name Stray Dog became widely known.

Stray Dog wasn't tall and he had dark complexion.

There were two deep and ferocious scars on his face.

He bowed before Qian Jiazhe after he entered the room.

“Young Master, who did this to you?” “I will bring him here now.”

Qian Jiazhe glared at Stray Dog furiously.

The fury in his eyes was never seen in any

ordinary man!

“Even if you bring that man here and kill him in front of him, it won't help vent my anger.”

“I have an excellent plan, and you just have to do as I say.”

Stray Dog nodded, “Please give me the order, young master.”

Qian Jiazhe had been mulling over different ways of torturing since the beginning.

Now that Stray Dog had arrived, he began to reveal his plan!

“The man's name is Li Hang, and his wife is Xu Muqing, the general manager of Lingxiao Group.”

“I want you to find out which hotel Xu Muqing is staying in now.”

“Then assign two men to wait for me at the hotel.” “You will bring a group of men to distract and lead Li Hang away.”

Stray Dog frowned slightly and said, “Young master, won't your plan be rather

troublesome?”

“I can bring them both here right now.”

“And young master can screw his woman in front of him, like you always do.”

“Hasn't young master said before that it is particularly thrilling to do so?”

Qian Jiazhe laughed out loud all of a sudden when he heard this.

“Hahahaha!”

Qian Jiazhe pointed at Stray Dog and smilingly said, “Stray Dog knows me very well!”

“But this time, I'm going to try something new.”

Qian Jiazhe looked rather ferocious!

“Xu Muqing is different from any ordinary girl, and I want her to surrender to me completely.”

“So, you guys will lead Li Hang away, beat the hell out of him and hang him up.”

“I need some spare time to tame Xu Muqing.”

Stray Dog was poker-faced.

He seemed to be accustomed to Qian Jiazhe's disgustingness.

He nodded like an emotionless robot and left the place with his lackeys.

“Young master Qian, I've heard that Li Hang is very strong. Can your lackeys really accomplish the task? ”

“Should we send more men?” The chairman of a corporation beside him asked him lightly.

“Just to go after that piece of shit who lives with his wife's family? How strong can he possibly be? Can he break a rock with a single punch?”

“Stray Dog is specially chosen by me as the top hatchet man. I have put in a lot of effort to bring him in as my dog.”

Qian Jiazhe seemed to have recalled something very interesting when he said this.

His lips quirked with a sly smile!

## Chapter 232 Possessed

Li Hang, Xu Muqing and Zhang Xiaoping were having dinner in a restaurant in the evening.

The issue concerning He Liangsheng had happened quite some time ago.

But Zhang Xiaoping hadn't fully recovered, and she spoke even lesser than in the past.

Meanwhile, Wang Xiaoqi rushed into the restaurant and whispered to Li Hang.

“Boss, one of our brothers was kidnapped.”

“They called and ordered us to meet them at a slaughterhouse in the southern suburb.”

Li Hang frowned slightly. He spoke to Xu Muqing for a while before leaving the restaurant with Wang Xiaoqi.

Li Hang and Wang Xiaoqi left the place in their cars.

In the corner of the restaurant, a man immediately whispered using his walkie-talkie, “Boss, the man has left.”

Wang Slaughterhouse was shut down for

more than half a year.

As night fell, three speeding cars stopped at the entrance of the slaughterhouse.

Dozens of men got out of the car and quickly pushed the door open.

Only a single light in the slaughterhouse was turned on.

Stray Dog was sitting on a broken couch under the light.

Dozens of hatchet men were standing neatly behind him.

Stray Dog slowly stood up and gazed at Li Erniu.

He could see that Li Erniu was the strongest among all.

“Are you Li Hang?”

Stray Dog's voice was as cold as ice.

He looked at everyone with his penetrating gaze.

## Chapter 232 Possessed

“You guys are indeed capable. No wonder the outsiders call Ning Province the forbidden territory.”

“Be that as it may, Ning Province is still a low-tier city.”

“In Shanghai, you will just be assigned to run errands!”

Stray Dog stared at Li Erniu and said, “Li Hang, I will give you a chance to live, only if you bow and kowtow to me.”

“Jesus!” “Such a bad-looking arrogant jerk!”

“A weakling like you isn't worth my boss's time.”

Stray Dog frowned when he heard this. He glanced at Li Erniu and the rest and said, “Li Hang isn't here?”

Wang Xiaoqi sneered, “Who do you think you are?”

“I guess Li Hang won't be here until I have broken your arms and legs.”

Stray Dog waved his hand and said, “Do it.”

Both sides yelled and clashed at each other.

Stray Dog had considerably more men.

Yet as soon as their fists clashed, it was obvious enough to identify who had the upper hand.

The fists of Li Erniu and the other six men were very sturdy, as if covered by a layer of steel. Their opponents felt extremely painful when being punched and sounds of bones being cracked could be heard repeatedly.

Stray Dog's lackeys were each holding an iron rod.

Yet when the lackeys hit Li Erniu and the others with their iron rods, it was as if the rods were only scratching their bodies.

They were a bunch of maniacs!

Stray Dog, who was sitting on a chair and waiting for Li Hang's arrival, suddenly jumped up.

All of his lackeys were defeated in just a minute.

## Chapter 232 Possessed

Li Erniu and his men were getting even more ferocious.

The aura around them was indeed terrifying.

Stray Dog was completely stunned.

He couldn't believe this was happening in front of him.

Li Erniu and his men looked no different from any ordinary man.

But once they were ready to engage in a fight, all of them looked as if they were possessed by the devil.

Stray Dog yelled and rushed towards Li Erniu.

Li Erniu and he immediately grappled together.

Both were raining their punches and kicks on each other, and no one could tell who had the upper hand.

Nevertheless, Li Erniu was getting more ferocious as they fought.

Stray Dog rained powerful punches on him.

Yet Li Erniu did not retreat but was getting more and more savage instead.

He was exactly like a piece of steel that gets harder and hotter when being hit.

On the other hand, Stray Dog was becoming increasingly shocked.

Why does such a freak exist?

And what's even scarier to him was that his best lackeys were all defeated.

Wang Xiaoqi and the other men surrounded

Stray Dog, as if they were watching a fighting show.

To them, Li Erniu was more than enough to overpower Stray Dog.

They didn't intend to offer him any assistance at all.

Stray Dog was enraged.

He was considered a well-known figure in the underworld of Shanghai.

Stray Dog too got more and more savage as he rained his punches even faster than before.

Li Erniu would stand up as soon as he was knocked down.

It wasn't until Stray Dog felt that he was obviously getting feeble when Li Erniu suddenly stroke back.

All of a sudden, Stray Dog felt that he saw a ferocious beast.

Li Erniu bellowed and smashed his powerful fist right onto Stray Dog's face.

“Bang!”

Stray Dog was sent flying.

He smashed heavily into the wall ten meters away.

On the other hand, wounds and bruises could be seen on Li Erniu's body; his lips were bleeding as well.

Nevertheless, Li Erniu laughed.

Wang Xiaoqi came up to Li Erniu, he patted him on his shoulder and said, “Brother Niu, well done!”

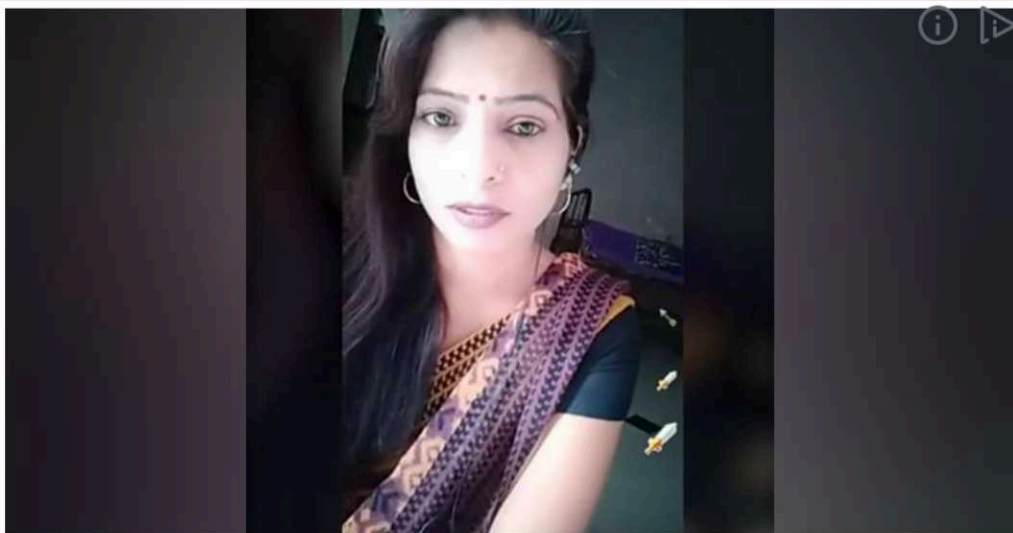

“You have improved a lot compared to yesterday.”

“Did you secretly ask our boss to teach you some new techniques recently?”

“Bullshit!” “Am I that kind of person?” “Also, I dare not ask our boss teach me when I haven't completed the training missions set by him.”

Training missions?

Were they all being trained by a single person?

Stray Dog struggled to get up while covering his face in pain.

His hands were covered with blood, and he had a severe headache.

The feeling of being punched in the face by Li Erniu was like being smashed by an iron ball!

Stray Dog stared at these seven men in front of him.

They surely had not practiced martial arts since young but were trained in a short-term 'crash course' instead!

But once they unleashed their powers, the intensity was way beyond Stray Dog's expectations.

Who is he? Who trained them to become so terrifying?

Would it be...

Would it be Li Hang?

“Where is Li Hang?” “Tell him to come and meet me.”

As soon as Stray Dog finished speaking, he was kicked by Wang Xiaoqi and he fell to the ground.

Wang Xiaoqi spat on Stray Dog and said, “Our boss is way out of your league.”

“But our boss wants me to give you something.”

Wang Xiaoqi took out a folder and threw it at Stray Dog.

Stray Dog didn't immediately open it but stared at Wang Xiaoqi fiercely instead.

“What do you mean?” “What's in the folder?”

Wang Xiaoqi sneered, “My boss said you are strong yet brainless, so he wanted me to prepare this for you to sober you up.”

“What do you mean?”

“Why do you keep asking questions?” “Open it and read it by yourself.”

Chapter 233 Comfortable To Be A Dog

Stray Dog opened the folder, glanced at the documents and photos for a moment, and immediately jumped up.

He grabbed him by his collar and yelled, "Where did you get these photos from?"

"Do you really think I will fall for such a low trick- put my boss and I at loggerheads?"

Wang Xiaoqi kicked Stray Dog and said, "My boss guessed it right."

"When some people have been used to be a dog to others, they will not look forward to become a normal human being anymore."

“You enjoy your life, but can your late sister's soul swallow this injustice?”

Stray Dog shook his head non-stop and said, “Impossible!” “Totally impossible!”

“My sister was ruined by that bunch of foreigners!”

“Young master Qian had helped me locate the murderers!”

“I have brought you the document anyway, and it's totally up to you whether you want to believe it or not.”

While Wang Xiaoqi was talking to Stray Dog, Li Erniu rescued his lackey and they left the place joyfully.

From their conversation, Stray Dog realized why he was able to kidnap the lackey in the first place.

Li Hang deliberately asked his men to let it happen!

In other words, Li Hang was fully aware of their plan since the very beginning!

What a terrifying man!

It suddenly stroke Stray Dog that since Li Hang wasn't here, he must be in the hotel!

Stray Dog took out his cellphone hurriedly, but suddenly stopped when he was about to call Qian Jiazhe and warn him.

He hesitated.

He picked up the folder that was thrown away just now.

He went through the information carefully.

Stray Dog was getting increasingly agitated while reading it.

“Bang!”

“Bang!”

“Bang!”

Stray Dog slapped his own face with both of his hands.

Each of the slaps was very heavy!

He trusted the information provided by Wang Xiaoqi.

He was not an idiot!

But when he knew that his sister was violated by several scumbags and committed suicide by hanging herself, he became frantic and wanted to locate the murderers at all costs.

At that moment, he needed a space to vent his anger.

Qian Jiazhe emerged at the right time.

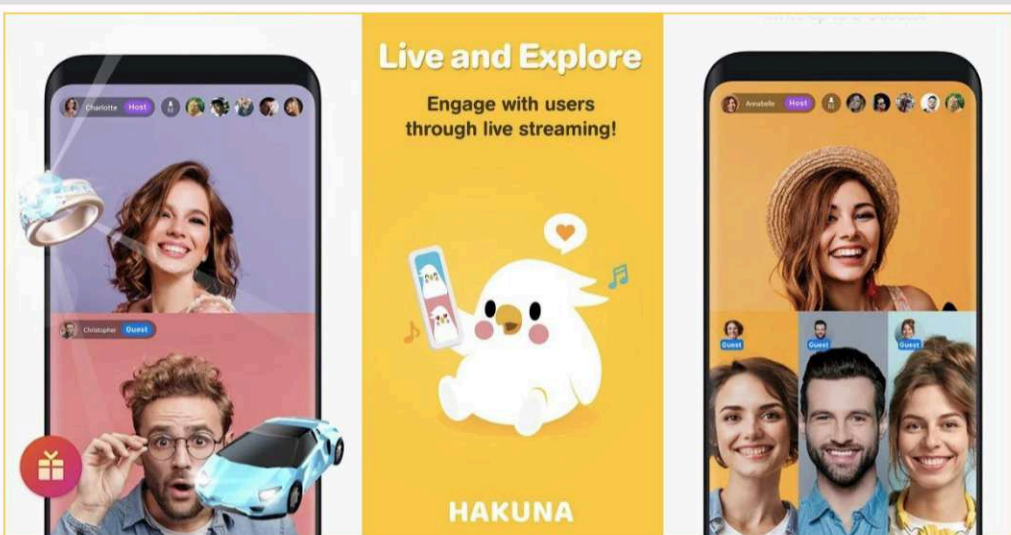

He eventually found the murderers with Qian Jiazhe's guidance.

After avenging his sister, he was empty-hearted, and felt a strong sense of guilt; he blamed himself for not protecting her.

And so, he did not contemplate the details of the entire incident.

Now that Stray Dog had recollected himself, he couldn't wait to grab a butcher knife next to him to chop off his own head!

Because for quite some time, he had helped Qian Jiazhe commit a lot of unforgivable crimes!

“I will seek revenge!” “I will seek revenge!”

His heart-rending howls echoed throughout the slaughterhouse.

Stray Dog took out several photos from the folder, and the first of them was a photo of Qian Liugui.

Meanwhile, Qian Liugui was driving Qian Jiazhe to the hotel where Xu Muqing and Li Hang were staying in.

Qian Jiazhe swaggered into the lift with his bodyguards.

Qian Liugui laid his head on the steering wheel and was green with envy.

“Damn! I wish young master will get bored with Xu Muqing soon.”

“Once he gets bored, I might have the chance to taste this woman as well.”

“Hey hey, it's such a privilege to be with our young master. I always enjoy nice clothes, delicacies and beautiful women.”

“I wonder what Xu Muqing will become after she is tamed by young master.”

“Will she become obedient or seducing?” “I can't wait to see it!”

As Qian Liugui was speaking, he put his hand into his pants and rubbed his 'thing' hard for several times.

Meanwhile, a person slowly came up to him.

He knocked on the window.

Qian Liugui turned around and realized that it was Stray Dog.

Chapter 234 Better Target

Qian Liugui rolled down the car window and asked, "Why are you here?"

"Didn't young master order you to shave Li Hang's arms and legs clean in the slaughterhouse?"

Stray Dog said gloomily, "Li Hang has already been sorted out, and now young master wants me to look for a better target."

Qian Liugui, who was already getting restless, was particularly intrigued when he heard this.

He immediately asked, "Did young master have a new target?"

Stray Dog nodded and said, "Young master wants you to go with me."

"Alright, sure, let's go."

Qian Liugui got of the car excitedly.

He followed Stray Dog and said, "How many women are in our target's family?"

"There was a time when young master put three sisters on bed and screwed them in order; I remember it vividly until today."

"At that time, I only had the chance to get the elder sister in the sack. This time, I will ask young master to give me an extra girl."

Meanwhile, Stray Dog had brought Qian Liugui to a van.

He opened the door of the van and said to Qian Liugui, "Rest assured. This time young

master will give all three of them to you.”

With his eyes lit up, Qian Liugui looked at him and asked, “Really?”

“Certainly. Why would I fool you?”

Stray Dog pushed Qian Liugui into the van while he spoke.

Then, he rushed into the van like a ferocious tiger.

Stray Dog swiftly drew a dagger from his waist and plunged it fiercely into Qian Liugui's upper thigh dozens of times.

Qian Liugui screamed in pain and begged him for mercy.

But Stray Dog, who was on the verge of overwhelming rage, totally ignored him.

He plunged his dagger into him increasingly faster.

The dagger was plunged into Qian Liugui's body from his stomach to chest, and finally even his male 'criminal tool' was cut off.

Stray Dog grabbed the lump of soft meat covered with blood and shoveled it into Qian Liugui's own mouth.

He was terrified!

Desperate!

Qian Liugui stared with his eyes open yet didn't even have the chance to scream for help!

Finally, Stray Dog placed his dagger on Qian Liugui's throat.

Stray Dog's eyes were terrifyingly penetrating.

He bellowed hoarsely, "I used to swear before my sister's tomb."

"I want all of the men who violated her to swallow their own criminal tools!"

Horror-struck, Qian Liugui stared at him with frightened eyes!

He was trembling with fear!

He never thought that Stray Dog, who

usually looked rather dull and silly and only knew how to kill, would know the true story!

He wanted to beg him for mercy and tell Stray Dog that he did it only after the others had done it.

Nevertheless, his lovely treasure that was being shoved into his mouth made it difficult for him to speak.

Stray Dog spoke to Qian Liugui fiercely while he was struggling desperately to escape.

"Take it easy. Young master will soon come down to accompany you."

"I will come along too to continue torturing all of you in hell!"

Once he finished speaking, the dagger pierced through Qian Liugui's throat.

At this moment, Stray Dog's lackeys immediately started to wrap Qian Liugui's dead body using several layers of plastic bags.

They were skilled at it.

Apparently, this wasn't the first or second time that they did this.

Stray Dog turned around and entered the lift.

“Ding.”

The lift door opened when he reached the seventeenth floor.

Qian Jiazhe was wandering in the long passageway with several bodyguards.

Xu Muqing's room was not far from here.

Qian Jiazhe was humming to himself as he walked.

All he could imagine now was Xu Muqing's gorgeous face and her long and slim legs.

He imagined himself screwing Xu Muqing and the sound of her sexy moans.

Qian Jiazhe stood in front of Xu Muqing's door with excitement and knocked on the door.

“A moment.”

Chapter 235 A Woman's Voice

A woman's voice came from the room.

Qian Jiazhe immediately recognized that it was not Xu Muqing's voice.

He was shocked for a while, and soon felt surprised instead.

He never thought that there was another woman in the room.

Great! I can jump into the sack with two women tonight!

“Click.”

The door opened.

Inside the room stood a fat woman who weighed more than three hundred kilos and her face was full of pockmarks.

“Well, well. What a handsome young guy!” said the fat woman. She then pulled Qian Jiazhe into the room, but Qian Jiazhe was not strong enough to resist her.

Then, he saw a few more women in their forties inside the room as well. All of them were fat, old, and strong women. They wore heavy make-up and a lot of jewelry of gold and silver.

Once inside, they gazed at Qian Jiazhe viciously from head to toe that quickly sent shivers down to his spine.

Qian Jiazhe shook his head repeatedly as he shouted to his bodyguards outside the room. “What are you guys doing? Come and chop down the hand of this fat lady now!”

But it was silent outside. Qian Jiazhe turned around to take a look. All of his bodyguards were gone.

A man stood at the door.

Li Hang! What is he doing here? Shouldn't he be hung and beaten to death by Stray Dog now?

Li Hang smiled at Qian Jiazhe and closed the door. "Master Qian, enjoy your time. Don't overwork it!"

Qian Jiazhe struggled to break away from the grasp of the fat woman as the door was about to close. "Let go of me, ugly! Do you know who I am?" he yelled.

Slap!

One of the fat women slapped him hard with her hand which was as big as a cattail leaf fan.

Qian Jiazhe was knocked over to the bed with just one smack!

Then, the other fat women took off their bath towels quickly and threw themselves on top of Qian Jiazhe with their shakily fat body!

All of a sudden, giggles from the women and Qian Jiazhe's terrifying shrieks were heard coming from the room.

The sounds inside the room lasted for almost two hours!

When the door finally opened again, all the fat women inside had already dressed up in their branded clothes with luxury bags. When they walked out of the room one by one, there was a big, contented smile on their faces.

They gave a stack of money to Wang Xiaoqi when they were about to leave. One of them even pinched Wang Xiaoqi's chin and said, "You look not bad, just like my type. Want to become my sugar baby? You can save up twenty years of hard work."

"Aunty, I do not lack any motherly love, and I want to live for another twenty years!" Wang Xiaoqi said with a laugh.

After that, those rich fat women left heartily.

Wang Xiaoqi clapped his hands. Six other men who were more than six feet tall came out from the room next door. All of them had a very muscular body.

Wang Xiaoqi divided the stack of money given by the fat woman to them. He then

ordered, "Please entertain our Master Qian. Remember, one-hour per person!"

One of the muscular men smiled slyly that sent shivers to Wang Xiaoqi. He said, "Master Qian is an artist, and he looks so fair and tender. One hour is not enough. We need him until tomorrow morning!"

"Ok, cool. You guys can have him till tomorrow morning," Wang Xiaoqi clapped his hands again with agreement.

The six muscular guys went into the room together, and another round of battle began!

This time, Qian Jiazhe's screams were more complicated. It sounded like an orchestra.

Exciting!

Surging!

Roaring!

Howling!

Up and down!

In and out!

Li Hang and Stray Dog were sitting quietly in the room next door.

Stray Dog stared at Li Hang and was very nervous. This was the first time in his life that he had felt nervous when meeting someone.

Stray Dog was not afraid to die. He was ready to give out his own life for revenge.

But when Li Hang was in front of him, he felt numb on his head and cold on both of his arms and legs.

He didn't dare to look at Li Hang in the eyes and kept staring at the teacup on the table instead.

Qian Jiazhe screams from next door never stopped for even a second. Stray Dog was actually thrilled to hear his terrifying shrieks. But still, he wanted to stab him with his dagger so badly to feel more comfortable.

“You're still not satisfied? Still want to kill him on your own?”

“Indeed. If it's not because of you, I've already entered from the windows and

stabbed him to death by now.”

Li Hang smiled faintly and said, “An old man once told me, when a cat chases a mouse to a dead end, it will not eat the mouse instantly. The cat will slowly take its time to play with the mouse until it is dying. Only then, the cat will swallow the dead mouse in one go! To a cat, eating a mouse only takes a few minutes but, playing with the mouse till it dies can take up much more time.”

Stray Dog raised his head and looked at Li Hang. “What do you mean by that?”

“You have been with Qian Jiazhe for quite some time now. You know all the bad habits of these young masters very well.”

“Have you ever thought of the reason why they are untouchable? And why they can play around people so easily?”

Stray Dog stared at Li Hang calmly. He had never thought about that before.

Li Hang glare was now as sharp as a knife.

At that moment, Stray Dog felt a cold shudder on his back and his forehead was

beaded with cold sweats.

He had never felt someone with such a huge killing intention before.

What he saw in front of him was not a man but instead, a beast from ancient times!

“If you want revenge, you can't just lock your target on Qian Jiazhe alone. You should get rid of all of them completely. Their roots are within the Qian Family.”

“Without the family's support and pampers from the parents, what do you think could create such scum-bags like Qian Jiazhe?”

“As a Chinese idiom says, 'It's a father's fault for their son's wrongdoings.' These young masters become fearless because their parents are like that! Some of their parents are even worse. They are more ruthless, disgusting, and filthy!”

Li Hang's words touched Stray Dog straight into his heart.

“So do you mean we have to uproot the whole Qian family?”

“Qian family? It's just a small weed from the garden. Do I need to put in such strenuous efforts to pick up a weed? What I want to do is to uproot all the weeds in this world forever!”

Bang!

Stray Dog was shaking, “Why do you want to tell me this?”

“Because you are Stray Dog! I don't see that you have any conscience, and you are definitely not a kind person. But you are a good brother.”

“Don't you wish that all the kind-hearted girls in this world, just like your sister, can live happily with no worries under the blue sky?”

At that moment, Stray Dog seemed like he was struck by lightning. His body was in shocks!

He stood up and knelt in front of Li Hang. He bowed and knocked his head three times on the ground.

“If you can uproot the Qian family, I will be your dog from now on!”

Chapter 237 I Am Your Dog From Now On

Li Hang handed a document file to Stray Dog. “When it's dawn, bring Qian Jiazhe back to Shanghai. Follow the instructions inside. When you finish, come back to Ning Province,” he said calmly.

Stray Dog took a look at the document. His eyes were filled with tears after reading just a few lines.

He held his fist tight, and even his fingers were clenched into his palm tightly, but he did not feel any pain.

Exciting! He was exhilarating!

If he just followed the instructions, Qian family would perish in no time!

“Can I..... Can I be trained like your men?”  
Stray Dog hesitated and stuttered out.

“Do you think those without capabilities can stay by my side?”

Stray Dog nodded hardly.

In his eyes, Li Hang was a person as resourceful as the deep blue sea, wide without any borders and deep without an end.

Stray Dog stared at Li Hang and took courage to speak to him again. “I will not be your burden as I will sharpen my teeth to be your dog. I will bite whoever you want me to

bite!” he said.

The next morning, Stray Dog drove the dying Qian Jiazhe back to Shanghai.

His driver, Qian Liugui, and his other bodyguards were nowhere to be found.

Qian Jiazhe was sent to the hospital right away. He was attended by colorectal, urology, stomatology, and male disease specialists all at the same time inside the VIP ward.

Outside the VIP ward, a lady in her forties in trendy and stylish clothes gave Stray Dog a hard slap.

Slap!

“Damn thing, how do you protect my son?”

Stray Dog lowered down his head and stood there silently.

The lady was Sun Manli. She was the niece of Master Sun from Fu Province.

She was the woman who got the Qian family rich. Her status was even higher than Qian

Shenghao, Master of the family.

“If something happens to my son, I will kill you! Damn thing!”

Qian Jiaping, Qian's family eldest young master, came in hurriedly. He was sweating profusely and was short of breath as if he had started running from afar...

“Mother, how's brother now?”

Sun Manli was not Qian Jiaping's birth mother, but their relationship was not bad.

Qian Jiaping knew how to please Su Manli, and that's the reason why they could live peacefully under one roof all these years. Not only that, Qian Jiaping treated Sun Manli like his own mother and was also very filial to her.

Sun Manli was relieved to see that Qian Jiaping had come. She cried with tears in her eyes and said, “Jiaping, you must take revenge on the people who made your brother become like this!”

“He's Li Hang, a man from a small town. Take Hei Hu and his men to Ning Province

now and bring back Li Hang's head to me!”

“Don't worry, Mother. I will get Hei Hu to Ning Province immediately!” Qian Jiaping sounded as furious as Sun Manli.

Sun Manli was pleased to see Qian Jiaping was there to take revenge for her. Even though he was not his real son, in her mind, he was at least better than just a dog.

Before Qian Jiaping could leave, a few specialists rushed into the VIP ward and whispered to Sun Manli.

Suddenly, Sun Manli's face turned pale. She felt dizzy as if the room was spinning. She then fainted onto the floor.

Qian Jiaping immediately rushed to her and grabbed her in his arms, “What happened, Mother?”

At that moment, Qian Shenghao and a few of his men had reached the ward from the other side of the corridor.

He was a bit displeased to see Qian Jiaping and Sun Manli holding each other.

Chapter 238 The True Fighter

Qian Shenghao hurriedly went up and said, "What's going on?"

"Master Qian, we will try our best to treat the young master," said the specialists cautiously.

"But he was hurt very badly and lost his virility completely. He will never have children."

Qian Shenghao grabbed Stray Dog by his collar and raised his whole body up.

His imposing manner was as vigorous as a landslide after the tsunami.

Fighter.

Stray Dog knew that Qian Shenghao was a brutal and strong man in his younger days.

He did not expect that he was as vigorous as he was before, even stronger now.

“Tell me, who did this to my son?”

“Li Hang,” Qian Jiaping blurted out before Stray Dog could open his mouth.

“Who is Li Hang?”

“He's Xu Xiaoyang's son-in-law from Lingxiao Group,” answered Stray Dog.

Qian Shenghao suddenly lunged and bit Stray Dog's right hand like a poisonous snake.

Later, they heard a popping sound. Stray Dog's hand was twisted and broken by Qian Shenghao in just a second!

Qian Shenghao flung Stray Dog to the floor like throwing a dead dog out to the streets.

Qian Shenghao then walked closer to him and stomped his foot onto Stray Dog's chest.

“You are worse than a dog. Useless thing! How dare you let a minor role in a small town hurt my son? How dare you come back?”

Just as Qian Shenghao was about to break Stray Dog's ribs, Qian Jiaping said quickly, “Father, just let me handle this. I will take Hei Hu and his men to Ning Province immediately and bring Li Hang's head to you.”

“Alright, go now and finish him before sunset,” Qian Shenghao said to Qian Jiaping with his eyes still burning.

Sun Manli tapped on Qian Jiaping's shoulder gently before he went out.

She said coldly, “I want his whole family dead. No one can live.”

Su Manli was a ruthless lady. For her, killing someone was just like killing an ant.

.....

Stray Dog came out from the hospital after he got his right hand bandaged. He saw Qian Jiaping's car outside.

As he was approaching, Qian Jiaping rolled down his car window and asked, "How's your hand? Still can move?"

"Should be fine after some rest. Thank you for your concern, young master."

"I've sent Hei Hu and his men to Ning Province. This matter will be settled in no time. Meanwhile, you can come and work for me. Don't go back to my brother."

However, Stray Dog shook his head and replied, "I am just a dog as what Master Qian said. A dog will never change his owner unless its owner dies." He then left for his car.

Qian Jiaping gave a faint smile after Stray Dog left. "Mud cannot support a wall. See if I still want you after your Master is dead!"

"President, with Hei Hu and his two brothers, Li Hang is sure to die," said the secretary who was sitting beside Qian Jiaping in the car.

"Although their abilities are not on par with Song Yuan from Song Family, if they gather their strengths together, Song Yuan will not

be their match either," the secretary continued with his soft and gentle tone.

"President, you are so busy these few days and haven't slept well. After tonight, you finally can get a good rest."

Qian Jiaping suddenly pulled his handsome secretary into his chest and touched his pretty face with his fingers. "I can always sleep well with you by my side," he said slyly.

He then moved his head down, and they kissed passionately in the car.

After a few hours. In Ning Province.

Xu Xiaoyang and Liu Yufen went to visit Grandma in the countryside. Li Hang and Xu Muqing were left alone in the house.

It was a special day for Li Hang because Xu Muqing was going to cook for him for the first time.

Usually, Xu Muqing just ordered take-aways if Liu Yufen was not at home.

However, before Liu Yufen left the house today, she purposely called Xu Muqing to her

side and told her, "To hold a man's heart is to hold his stomach."

After listening to her mother, Xu Muqing decided to cook for the first time! She pushed Li Hang out from the kitchen and restricted him from coming in.

From the living room, Li Hang heard plate-crackling sounds from the kitchen.

Finally, after an hour, Xu Muqing brought out three dishes.

She looked at Li Hang nervously and said with her red and sexy pouted lips, "Taste good?"

Li Hang, on the other hand, was eating non-stop.

Li Hang ate his food while nodding his head. He finished his rice in no time.

Li Hang handed his empty bowl to Xu Muqing and said, "Honey, your cooking is so good! Please give me another bowl of rice."

Xu Muqing did not expect her cooking to be so good as this was her first attempt. She went into the kitchen happily to get some more rice for Li Hang.

"I'm back," said Xu Haoran with a broad smile. Xu Muqing was still busy filling up the rice for Li Hang in the kitchen.

"Wow, this looks nice. Did you cook this, brother-in-law?" Xu Haoran picked up one piece of meat and put it into his mouth.

"Yucks!" Xu Haoran's eyes went wide open and he almost threw up.

He thought it was meat, but when he tasted it, he realized it was fried egg.

Li Hang raised his hand and covered Xu Haoran's mouth. He said in a whisper, "This is your sister's hard work. If you vomit it out, I will find a 300kg female gorilla to partner

with you in 'You Who Came From Apes'!"

Gulp!

Xu Haoran quickly swallowed the black salty fried egg!

"Haoran, you're back? Thought you said you will be shooting a commercial in Sheng City for three days?"

When Xu Muqing said that, Xu Haoran seemed like he suddenly thought of something and patted his thigh instantly.

"Yeah, you are right. I almost forgot- I still have something important to do."

"Sister, brother-in-law, enjoy your meal!"

Just as Xu Haoran was about to leave, Li Hang held him by the arm and wouldn't let him go. He grinned and said, "Eating won't take you a lot of time. You still need to eat even when you are going out. Come, join us."

Xu Haoran opened his eyes wide and glared at Li Hang.

It is a trap! How could he trap his brother-in-

law like this?

“Hey, 'You Who Came From Apes',” Li Hang raised one of his eyebrows while speaking.

Li Hang was a man of words. Xu Haoran shuddered when he thought about what Li Hang could do to him. He immediately sat down opposite Li Hang and took up his chopsticks obediently.

On the dining table, Xu Haoran ate each bite with pain as if what he had was poison. On the other hand, Li Hang savored what he ate with relish.

“Honey, your cooking is so good, I want to finish them up. I'll cook some noodles for you later,” said Li Hang with food still in his mouth.

Xu Muqing saw that Li Hang had almost finished up the food, but Xu Haoran on the opposite side ate at an extremely slow pace. She quickly asked him, “Why are you eating so little? Is my cooking not good?”

Xu Haoran looked at Xu Muqing with his sad eyes.

Sister, my dear sister. I can't tell you. Brother-in-law is going to kill me if I do! I don't want to act with a 300kg female gorilla with kiss and bed scenes!

Xu Muqing then took one piece and put it into her mouth. "Oh! It's so salty."

"My dear sister. I think you have put in the whole packet of salt!"

Xu Muqing then turned to Li Hang, "It tastes so bad, and you still say it's good? And even want to finish them?"

"I like to eat what you cook. My wife's cooking is the best in the world," said Li Hang as he held Xu Muqing soft and tender hand.

"Don't say nonsense," Xu Muqing answered shyly with her face blushing.

Suddenly, Li Hang's mobile rang. It was from Liu Delun.

Li Hang didn't answer.

Liu Delun sent a message: They are here.

Li Hang replied: Lure them to the training ground.

After that, Li Hang went to the kitchen to cook noodles complemented with eggs and vegetables for both Xu Muqing and Xu Haoran. It was his first time cooking for Xu Muqing too.

Xu Haoran took a look at the plain noodles. He put up his sad face again as if he was given another kind of poison. He then reluctantly took one strand of noodle with his chopsticks to taste it.
