

“Yeah! She looks great in a bikini!”

“Hey, let me tell you!” “When Mr. Li Hang saw Miss Gu in a bikini just now, his eyes nearly fell out!”

“Don't even mention Mr. Hang; even my own eyeballs nearly fell out. She's just too pretty!”
“I wonder what our General Manager would look like in one.”

“How can she compare to a star like Miss Gu?”

“Nonsense. Miss Xu has a great figure too.”

“Oh, really?”

That last phrase caused a fire to be set ablaze in Xu Muqing's chest!

Hmph! You think I don't look good?

I'm not going to lose to Gu Yanxi!

She thought about how Li Hang's eyes nearly fell out when he saw Gu Yanxi in a bikini.

It made her feel as if something very precious was about to be taken away from her.

She silently pumped herself up as she put

on the blue bikini set, she had chosen.

Creak--

Xu Muqing's porcelain hand pushed open the dressing room door.

She slowly poked her head out and looked around.

There's no one?

Her bare feet, along with her fair, slender legs, softly landed on the sand.

She hugged her chest tightly with her arms.

But even so, she could not fully conceal her soft and round bosom.

Outside the fitting room was a small forest.

When Xu Muqing passed the forest and arrived at the beach, she found the huge place completely deserted!

What's going on?

Where'd everyone go?

Xu Muqing looked everywhere in surprise.

She spotted her own car not too far away.

But there was no one in there.

Everywhere her eyes could reach, there was no one.

Suddenly, she spotted a person floating in the deep water area up ahead.

Upon taking a closer look, she paled.

It was Li Hang!

Without a pause, she rushed over to the waters.

The golden sun rays shone over the beach.

The sea waters also became dyed golden.

With a graceful posture, Xu Muqing jumped into the water using her fair and long legs.

With one leap, she looked like a mermaid diving into the ocean.

The woman swam over the waves, and as a big one approached, she plunged into the sea.

She was like a fish swimming at full speed.

Very shortly, she had reached Li Hang.

She quickly held onto the man floating on top of the water.

Li Hang's eyes were shut.

“Darling! Darling!” Xu Muqing shouted.

But Li Hang did not respond.

She saw his lower abdomen budge slightly!

Xu Muqing was in a panic, but she still grabbed onto Li Hang and swam towards the shore.

Xu Muqing laid him flat on top of the sand.

She reached out and gently lifted his neck.

Then, using her slender fingers, she opened up his mouth.

In a very professional posture, she began to perform CPR on Li Hang.

Xu Muqing firmly pressed her two hands on his chest.

Every time she pressed downwards; crystal droplets would fall from her long hair that had been drenched by the sea water.

She pressed hard.

After 30 pumps, Xu Muqing pinched Li Hang's nose and began to blow into his mouth.

The process repeated.

“Darling!” “Darling!” “Please be OK. You'd better be OK!”

“You promised to take me on a vacation!”

“You promised to take me to snow mountains! You promised to take me to deserts!”

“There's still so much we haven't done together!”

With every press, beads of water would flow down Xu Muqing's exquisite face.

Down her slender neck.

Down the center of the two perfectly shaped mounds on her chest.

Li Hang opened his eyes slightly.

The first thing he saw was a huge, turbulent wave.

The waves were white and round.

They came one after another.

As he kept looking, something began to involuntarily flow out of his nose.

Xu Muqing had just finished pumping Li Hang's chest and was about to perform mouth-to-mouth breathing again.

Then she spotted blood trickling out of his nose.

Xu Muqing froze for a moment.

Her hand happened to be on top of Li Hang's chest.

She immediately noticed how quickly his heart was beating.

She remembered how the only time his heartbeat at this rate was when she laid on top of Li Hang that night.

Xu Muqing slowly turned to look at Li Hang's pants.

He wore a pair of flowery shorts.

By then, a 'mountain' had formed over there.

Xu Muqing finally understood what was happening.

She lowered her head and exposed her two rows of white teeth.

Then, she fiercely bit into Li Hang's lips.

“Owww!”

Li Hang yelped in pain.

He suddenly stretched out his strong arms and warmly pulled Xu Muqing into an embrace.

“You jerk!” “You almost scared me to death, you know!?”

Xu Muqing hammered her small fists onto Li Hang's chest.

“Ow!”

Li Hang yelled sharply.

“Darling, you're hurting me.”

Xu Muqing glared at him petulantly, “I'm not done beating you to death!”

Li Hang pecked Xu Muqing on her lips and smiled, “As if you'd dare.”

“Fine!” “I'm done arguing with you. Weren't we supposed to shoot a commercial?”

“Where did everyone go?”

Li Hang only then told his wife, "They're all gone. The shooting was completed long ago."

Xu Muqing was stunned. "They're gone?"
"Wasn't I supposed to replace Miss Gu?"

"Where did all the staff go?"

"Oh, I've cleared out the entire area by a 10km radius."

"I've gone house to house, giving the villagers here \$20,000 each as compensation."

"Just because you're rich." Xu Muqing peevishly looked at Li Hang.

"Come on, sharing your happiness is much better than enjoying your happiness on your own. Beside, your husband is so rich that his money will never run out."

Saying that, Li Hang hugged Xu Muqing on the soft sands and rolled slightly.

Xu Muqing had thought Li Hang was playing around with her.

But it didn't take long for her to realize that the shameless man was trying to take advantage of her!

“Darling, these two pieces of cloth over your chest are digging into my skin. Did you get some tiny stones inside? Here, let me help you with that.”

“Go away. There are no stones.”

“Then what's that? It feels hard.”

“Hey! Don't touch me!”

She whimpered.

“You're so annoying! Stop taking advantage of me!”

“Heheh, a man who doesn't take advantage of his wife is an idiot.”

The sounds of Li Hang's triumphant laughter echoed all around the beach...

Meanwhile, in Ning Province's Terminal.

A group of men and women were seeing getting down from vehicles and walking out.

Some of them took public transport.

Some of them called for their rides.

Some chose to walk.

They quickly split up.

Half an hour later, about a dozen people arrived at the warehouse of a hardware store.

They waited for the last person to arrive.

A young man heading the group took off his hat and asked coldly, "Is everyone here?"

Next to him was a short man with two knives in his waist. He coldly spat out a few words, "They're all here."

The leading man glanced around.

He took out an envelope and placed several photos on the table.

“The persons in these photos are who you need to look out for.”

“Especially this man here called Li Hang.”

“According to intel, he's strong and may belong to a prominent family down South.”

As the audience nodded, he continued.

“The task this time is simple: plunge Ning Province into chaos.”

“Next, every three of you will form a group. Bring ruin to this city in your best ways possible.”

“Turn the place into a land of filth!”

“When the rumor about Ning Province being a forbidden territory is dispelled, gather your energy once again and face Li Hang's family.”

“Yes sir!”

Very quickly, these men jumped into the streets and alleys of Ning Province like rats in the dark.

Ning Province was much quieter at night compared to during the day.

Ouyang Miaomiao got off the public bus and headed towards an alley nearby while carrying her bag.

She had grown up here since she was a child.

She had walked through this alley for over a decade; she could now even pass it with her eyes closed.

Even though it was only her first day at work, Ouyang Miaomiao felt like she had already found herself a home there.

At the company, everyone got along.

Everyone had happy smiles on their faces.

Everyone also worked aggressively.

The higher-ups could see every effort made by each staff.

They cherished the results of everyone's hard work.

Chapter 283 Two Times

Ouyang Miaomiao knew that her life from now on would become even better.

Thinking happy thoughts, she would lightly skip along the concrete floor in her high heels.

She hummed a tune as she headed in the direction of her own home.

With a turn and less than 100 meters' walk, she would arrive.

Just then, a cold breeze passed her.

Ouyang Miaomiao felt a chill.

At the same time, she felt like there was someone behind her.

The moment she turned, a large hand came at her!

Bang!

The person grabbed Ouyang Miaomiao by the head and slammed it against the wall next to them.

Blood instantly poured out as she felt the

sky spinning.

Before she could regain her balance, the man once again grabbed her head and slammed it against the wall.

Bam!

Once!

Bam!

Twice!

A huge amount of blood trailed down from Ouyang Miaomiao's forehead as her body slumped onto the ground.

She began to lose consciousness.

She wanted to scream loudly.

But she didn't have the energy.

She wanted to struggle and run away.

But she didn't have the energy.

More importantly, she wanted to lift her head and find out who was doing this to her.
