

“Brother, dealing with Ning Province is just like fishing. If you don't sacrifice some bait, how can you catch a big fish?”

Hearing that, Wu Zhirong suddenly understood

“As expected of my brother - always an expert in foresight and strategizing!”

After flattering the old man, Wu Zhirong hurriedly asked, “Then what should we do next, Brother?”

Zhong Wuqi cast his fishing rod again.

As the bait entered the water, the ripples began to disappear.

Zhong Wuqi replied calmly, “We'll never know how big of a fish we can get from this.”

“But there's one thing we can be sure of.”

“The bigger the fish gets, the smarter it becomes. The longer we wait, the harder it is to catch our fish.”

“Ning Province is an interesting place. The stronger Li Hang gets, the more benefits that

come with him.”

“A young man like him has already defeated so many well-known fighters.”

“And in just one night, he took out many of our brothers.”

“What does this mean?”

As Zhong Wuqi asked this question, Wu Zhirong gave it some thought.

“It means there must be something really special about Ning Province.”

“Otherwise, why would the family behind Li Hang send a young man like him to kill time in Ning Province?”

Zhong Wuqi lifted his head to look at Wu Zhirong. “Do you still think there's a familial force behind Li Hang?”

Wu Zhirong was stunned for a moment, “Do you not?”

Zhong Wuqi smiled silently.

“For the past two days, our brothers have

checked thoroughly.”

“That man is nothing but a roadside beggar; there isn't a single powerful family behind him.”

“The reason he has such power is simply due to pure luck.”

“Then if that's the case, why don't we do something right away...”

Zhong Wuqi raised his hand to interrupt Wu Zhirong, “No.”

“We can't do something that will cause us almost just as much damage as it would cause them.”

“Besides...”

A look of interest appeared on Zhong Wuqi's face.

“If we could somehow get him to join us...”

“Then not only would Ning Province become ours; Han Shan's power would also reach another level.”

Chapter 290 Serve Well

Saying that, Zhong Wuqi smiled, “Two birds with one stone.”

“Brother, are you saying you'll go there personally?” Wu Zhirong hurriedly asked.

“There's no rush.” “Before that, there's one more thing that needs to be done.”

“What is it?”

“There's a saying: play both ends against the middle.”

Zhong Wuqi set his gaze on the calm lake in front of him.

“The water looks like a mirror, but who knows what lies beneath it?”

“The more prosperous Ning Province becomes, the more attention it gets.”

“There are even people in Shanghai hungrily coveting the place already.”

“The moment we stop, someone there starts moving.”

“So why not take our time and let the people

from Shanghai do the job of measuring Li Hang's strength?"

"Against Shanghai's big families, Li Hang will definitely lose."

"That's when we move in and protect him. Then, he'll be in our debt and bow to us."

Hearing that, Wu Zhirong became aggravated. "But Brother, I have unfinished business with Li Hang!"

"Brother, eagles don't catch flies!"

Wu Zhirong twitched slightly. Finally, he let out a long sigh.

Zhong Wuqi said, "In a few days, a very distinguished guest will drop by. As your brother, I'll refer him to you."

"D-Distinguished guest?"

Wu Zhirong never thought he'd hear the word 'distinguished' coming out of Zhong Wuqi's mouth.

To him, a Grand Master like Zhong Wuqi was already beyond anyone else.

For his brother to refer someone as distinguished - just who could this person be?

Why would he come to Gu Su?

As if he had read Wu Zhirong's thoughts, Zhong Wuqi smiled, "There is always someone better than you."

"The higher you climb, the more you realize how much bigger the world actually is."

"You don't have to think too much about the rest. Just serve this nobleman well."

“As long as we can make him happy, then we will have already succeeded by half!”

“Alright. I'll be sure to treat him well - without fail.”

Then, the fishing line shook again.

Zhong Wuqi tugged.

The water splashed.

Out came an even bigger, fatter, more beautiful fish.

Its body formed a beautiful curve in the air.

Even a rainbow appeared underneath the sunlight.

Seeing the rainbow, Zhong Wuqi laughed loudly.

“Hahahaha! A good omen. This is a good omen!”

His laughter resonated across the entire forest.

Chapter 291 Learn Martial Arts

Ning Province, training base.

The base expanded day by day.

But the numbers of people training continued to refresh.

Every time someone left, another would enter.

On normal days, Li Erniu and his gang would be heard shouting like mad on the training grounds.

But today, they looked like newbies standing in front of Li Hang in an orderly fashion.

A few days ago, the gang suffered their biggest loss yet.

They could hold their own even against the "Three Tigers" from Shanghai's Qian family.

But on that night against over a dozen unknown men, things were different.

They were easily defeated like beggars on the streets.

Had Li Hang not interfered, they would have

died!

At present, Li Hang stood in front of them.

He glared at them and asked, "Are you starting to question life now? Do you feel like you've lost all meaning?"

There was no response.

But everyone lowered their heads in unison.

Li Hang stood in front of Stray Dog and asked, "You have anything to say?"

Stray Dog finally got to say what he had been holding in for a few days, "Sir, the truth is we're all feeling confused."

"Why were those people so powerful that night?"

"In front of them, we were like a bunch of defenseless 3-year-olds."

"Are we really just trash, as they said?"

When Stray Dog finished speaking, Yang Shanqi followed up.

Chapter 291 Learn Martial Arts

“We feel like we'll never be able to follow your footsteps.”

“We don't want to be a burden to you.”

Then, Li Erniu finally raised his head and said to Li Hang, “Back when I was in the Shaolin Temple, my master called me a dumb bull.”

“He said I could only learn some foreign martial arts, but never any inner family martial arts.”

Li Erniu and the other two men were considered the leaders of their gang.

When they said such words, everyone's heads lowered even more.

“Brother-in-law!”

Just then, Xu Haoran's voice came from not far off.

He hurried over.

“Brother-in-law, I want to learn martial arts from you!”

“I want to protect Miaomiao!”
