

“There are many kinds of martial arts. Which one do you want to learn?”

Hearing Li Hang's words, Xu Haoran scratched his own forehead.

Having always had the lowest grades in class, he finally started to catch on.

Xu Haoran answered, “Brother-in-law, I'll learn whatever you think suits me.”

“Good answer.”

Li Hang turned to Li Erniu, “Your master called you a dumb bull and said you weren't mean to learn inner family martial arts.”

“In a sense, he wasn't wrong.”

“But he forgot one thing: to teach students in accordance with their aptitude.”

“Your master must first know what you are best suited to learn, only then can he pass down those skills to you.”

Li Hang knew very well that Li Erniu and his gang had already peaked in terms of physical fitness.

Chapter 292 I Want To Be Strong Too

What they needed next was more targeted learning.

Wang Xiaoqi, wrapped in bandages all over due to the fight from that night, finally spoke.

“Sir!” “I want to study blade martial arts!”

“Just like that bastard's Feiyan Seventeen Blades that night.”

Li Hang smiled.

He had a random member bring over a kitchen knife and an apple.

He placed the apple on the member's head.

Then, it was as if the knife in Li Hang's hand had suddenly disappeared.

Several dozen blades flashed in the air.

So quick!

As quick as lightning!

It was too dazzling!

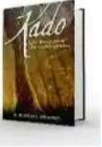

It was so fast that nobody could tell how

many attacks Li Hang had delivered!

Li Hang placed the knife back in the member's hand.

Then, the apple on the man's head turned into shreds, falling one by one onto the ground!

Li Hang asked Wang Xiaoqi, "Do you know how many attacks I made with the knife?"

Wang Xiaoqi thought for a moment. "31?"

"The Feiyan Seventeen Blades is a sham. The real one actually consists of 33 blades. In my case, it's a blade martial arts introductory skill.

I-Introductory skill?

My god! Such a terrifying skill is actually just introductory-level?

Hearing Li Hang's words, all of the members who had seen the Feiyan Seventeen Blades stood there in shock.

But at the same time, their feelings of discouragement quickly disappeared.

Chapter 292 I Want To Be Strong Too

Even ordinary people like them could learn such superb blade skills!

If this was just an introductory skill, what else would they learn later!?

They became nervous!

Excited!

Everyone felt their blood surging through their bodies.

Li Hang blankly looked at Wang Xiaoqi, "If you want to learn this technique, you must first train your eyes, followed by technique."

"From now on, help out in the training ground kitchen."

"When you can shred an apple with 33 blades like just now, I'll teach you how to shred a person into wicker."

"Yes sir!"

Wang Xiaoqi turned and ran off excitedly.

He didn't care that as he ran, his bandages began to turn blood red.

Chapter 292 I Want To Be Strong Too

After being silent for a while, Li Erniu spoke,
“Boss, I want to become strong!”

“Sir, I want to become strong too!”

“Me too!”

The men declared as they walked up to Li Hang one by one.

They seemed to have regained their usual vigor and emotions!

Having been prepared, Li Hang snapped his fingers.

A member drove over in a forklift.

On the forklift was a wooden box.

From inside it, Li Hang took out some knee protective gear.

He threw them towards Li Erniu.

Chapter 293 Filming Location

Li Erniu habitually reached out to catch the equipment.

But the moment he grabbed onto them; he felt his body fall.

He instantly collapsed on the floor while hugging the protective gear!

It was heavy!

It didn't look like it, but the gear was in fact weighed at least 200kg!

Then, Li Hang took out another three of them.

They all landed on the ground with a loud thud.

Li Hang said to Li Erniu, "From now on, keep wearing these. Even while you eat and sleep."

"Keep them on even while you and the Tigress make love."

When he said that, everyone laughed.

Lei Feifei couldn't help but turn crimson

when she heard what Li Hang said.

No such thing had happened between her and Li Erniu yet.

In fact, she had been wanting to pin him down, but Li Erniu was stubborn just like a bull.

Then, Li Hang took out a very heavy cloth bag from the box.

He threw it in front of Stray Dog. "The iron beads inside here are all 1mm in diameter."

"Each bead has been marked with a number. There are 9 numbers in total."

"Your daily task is to pick them out."

"When you're able to distinguish between all these beads within 30 seconds, come find me."

"Yes sir!"

Even though he had no idea why Li Hang had asked him to do this, Stray Dog obeyed his instructions.

“Unfortunately, the methods taught are wrong.”

“You only need to remember this: get rid of all that is redundant and keep only the essential.”

“When you figure this out, come find me.”

Saying that, Li Hang turned and dragged Xu Haoran to the training grounds not far ahead of them.

From then on, Xu Haoran's wailing could be heard across the training grounds from time to time...

Chapter 293 Filming Location

After a few days of training, Xu Haoran began to exhibit the features of a man.

His beer belly was gone and he had gained some muscle.

He also became much more mature.

But now, at the mention of celebrities and idols, he had transformed back into the ambitious youngster.

“Is it something important?”

“Of course it is.” “Brother-in-law, Ning Province is about to be hot!” Xu Haoran looked very excited.

He told Li Hang that a famous male celebrity called Liang Hanchen was coming to Ning Province.

“Brother-in-law, even if you've never watched TV or movies, you'd know who Liang Hanchen is, right?”

Li Hang looked at Xu Haoran with no response.

“No way. You've never heard of him!?” “It's

“This time, he's coming to Ning Province for filming.”

“One of the scenes is going to be shot inside our Lingxiao Group.”

Only after Xu Haoran said that did Li Hang react.

It was no wonder Xu Muqing didn't have lunch at home. She must have gone to socialize with the famous celebrities and directors.

But to Li Hang, whether it was acting or directing, a job was a job.

Such people were no different from those who cleaned the streets or delivered food.

After eating, Xu Haoran excitedly left home.

Confident

Elegant.

Extravagant.

He was finely crafted all over.

He looked like a treasure being displayed in a cabinet, shining brightly.

Liang Hanchen put down the notes in his hand and asked the bodyguard next to him, "Has Gu Yanxi arrived?"

"I just got a call. They're already in the underground carpark and will be here soon."

Liang Hanchen flipped open the notes. Xu Muqing's photo was on the first page.

In the photo, Xu Muqing wore a suit as her hair was tied into a simple yet beautiful ponytail.

There was a serene and sweet smile on her face.

Liang Hanchen placed a finger on Xu Muqing's photo and stroked it lightly.

“Who would've thought there'd be such an exquisite woman in a place like this.”

Ning Province's business goddess? Hmph. The stronger she is, the more demanding she'd be in that other aspect.

“Looks like I'll be having lots of fun again tonight.”

“Normally, women who look so pure on the outside are really wild and loud in bed. Hehehe...”

Liang Hanchen's sinister laughter echoed around the presidential suite.

Before Xu Muqing appeared, Liang Hanchen was already sure of one thing.

With who he was, all he needed was to beckon a finger.

Then, like any other women, Xu Muqing would obediently lay in his bed, lift her bum up and attempt to win his favor.

Lingxiao Group was now in full swing, but once Xu Muqing fell in the man's grasp, the Group would become another helping hand

for his family.

Good looks, fame and bedroom skills.

Those were how Liang Hanchen had managed to capture so many successful businesswomen.

All these women loved him to death.

They would give him everything - be it money or their own bodies!

Just then, there was a knock at the door.

Liang Hanchen's eyes lit up.

They were here!

Just as he stood up, the door opened.

The first person he saw was the exquisitely dressed Gu Yanxi.

Then, behind her was Xu Muqing.

Initially, Liang Hanchen wanted to keep his eyes on Gu Yanxi.

He didn't want to look too eager or

enthusiastic in front of Xu Muqing.

But the moment he saw Xu Muqing, he just couldn't shift his gaze away from her.

She was top-notch!

The woman dressed very ordinarily, but there was something about her that made her more attractive than the popular singer Gu Yanxi - in every aspect including her face, figure and aura!

The two parties sat down after greeting one other.

Gu Yanxi seemed to be very familiar with Liang Hanchen.

They kept laughing as they talked.

Liang Hanchen looked very polite and restrained.

He seemed different from those rich boys who only knew how to drive sports cars and toy with women.

He also had a radiance that many other men didn't have.

But this was also one of the main reasons he was called the 'lady killer'.

Just his smile alone would make girls scream.

But for some reason, Xu Muqing didn't like Liang Hanchen.

Especially the way he looked at her.

Xu Muqing felt that his gaze was rather familiar and irritating.

Very quickly, the two parties began to discuss the filming in Ning Province.

Liang Hanchen politely smiled at Xu Muqing, saying, "Miss Xu, the producer of this movie is a large foreign company."

"It is also being directed by a very famous Hollywood director."

"At first, they didn't want to come to Ning Province."

"Because as you know, making a movie requires the scheduling of so many people."

Chapter 294 Obsessed With Him

“This would lead to a lot of time and money being wasted.”

This was Liang Hanchen's usual way of talking.

He would emphasize on his own worth and make everything sound difficult to do.

That way, when things managed to be done, Xu Muqing would automatically respect him.

Then, with just a bit more effort, Xu Muqing would eventually become obsessed with him.

Liang Hanchen removed his sunglasses to reveal what the media would refer his eyes to - as beautiful as gemstones.

He smiled at Xu Muqing.

“The filming location is set to be inside Lingxiao Group.”

“Once the movie hits the screens, I'm sure your Group's reputation will skyrocket.”

That was a smile that would instantly capture the hearts of thousands of women; yet, it had no such effect on Xu Muqing.

Xu Muqing had already completely regarded this matter as a business project.

She was on the couch with a calm expression.

For some reason, Li Hang had appeared in Xu Muqing's mind.

She couldn't help but speak in the same tone Li Hang normally used.

“Mr. Liang, it's an honor to have you and your crews' film in our Group's building.”

Liang Hanchen smiled even more widely, “When I arrived, I heard from Yanxi that you're a beauty.”

“Now that I've met you, I must say that you look even more beautiful in person than in your picture.”

“Thank you for the compliment, Mr. Liang. But compared to Miss Gu, I'm nothing but an ugly duckling.”

Liang Hanchen knew: the humbler a woman was, the more she secretly yearned to be praised by others.

A woman like Xu Muqing who managed to secure a high position and social status at such a young age would surely possess strong desires.

He looked at Xu Muqing and flashed his most elegant, noble and dazzling smile at her.

“May I have the honor of inviting you to dinner tonight, Miss Xu?”

Xu Muqing rejected him without a second thought. “I'm very sorry, but I'll be having

“Oh?” “Could it be that you'll be having a very important guest over at your place tonight, Miss Xu? Perhaps you could introduce that person to me?”

Liang Hanchen confidently assumed that Xu Muqing would have a very special guest visiting her.

But Xu Muqing's next words shocked him.

“You've misunderstood, Mr. Liang. It's because my husband said he hasn't seen me for a few hours, so he wants me to go home for dinner.”

“Huh?”

His smile froze.

He was dumbfounded.

Liang Hanchen thought he had heard wrongly.

She rejected his invitation just because of a few words from her husband?

Unbelievable!

After Xu Muqing and Gu Yanxi left, Liang Hanchen wondered if there was something wrong with Xu Muqing's aesthetic!

But very quickly enough, he noticed a ladies' handbag on the seat Xu Muqing was on earlier.

Seeing the bag, a wide smile appeared on Liang Hanchen's face once again.

I see.

This woman is really something!

She just said that she was going home to be with her husband.

And yet, she purposely left a bag behind.

Doesn't this mean she'll come back?

Just as Liang Hanchen was about to grab the bag, there was a knock on the door.

Guess she was just holding herself back in front of Gu Yanxi.

Liang Hanchen immediately gave his two bodyguards a look and had them waited in the small room next door.

Under Liang Hanchen's fiery and anticipating gaze, Zhang Xiaoping pushed the door open and entered.

Liang Hanchen had already met Zhang Xiaoping. She was Xu Muqing's secretary who stood behind Xu Muqing all the while.

When Zhang Xiaoping came in, Liang Hanchen finally understood.

From what it seemed, Xu Muqing was indeed expecting a very important guest at home.

But to make it up to Liang Hanchen, she sent her little secretary over.

This woman was like an appetizer; after letting him have a taste, Xu Muqing would later show up as the main course.

Thinking about that, Liang Hanchen began

to carefully inspect Zhang Xiaoping.

He realized that Zhang Xiaoping didn't look bad either.

He rushed towards her.

In fact, Zhang Xiaoping was here for the bag Xu Muqing had left behind.

But when she saw Liang Hanchen rushing up to her, she couldn't help but jump.

Seeing how the man had quickly driven her into a corner, she hugged herself and asked softly, "Mr. Liang, what are you trying to do?"

Liang Hanchen's smile became increasingly radiant.

Looking at Zhang Xiaoping from such a close distance, he noticed how she was actually quite good-looking.

Xu Muqing was on a completely different level, of course, but it had been a while since he last toyed with such a modest-looking girl.

He lifted a finger and placed it on Zhang Xiaoping's chin.

Wearing that million-dollar smile, he said, "Miss Xu is quite a considerate woman."

In normal circumstances, Zhang Xiaoping would have fallen for his handsome, radiant smile.

Liang Hanchen habitually lowered his head so he could kiss Zhang Xiaoping on her red lips.

Slap!

A loud slap echoed throughout the presidential suite.

But Liang Hanchen was already in front of the door.

At that point, there was no longer that radiant smile on his face.

He looked insidious!

Wicked!

“Wench, you dared to slap me? Do you know how much this face is worth?”

“Do you know how many women spread their legs for me at night, waiting for my favor?”

“You ingrate!”

Saying that, Liang Hanchen clapped his hands.

The two bodyguards instantly rushed over.

Zhang Xiaoping backpedaled in fear.

Right before the guards pounced at her, she quickly took out a bottle of pepper spray.

Pssh!

Pssh!

"Arghh!" "My eyes!"

The two bodyguards screamed.

Zhang Xiaoping quickly passed through between them, pushed them aside and sprinted out the door.

"You pieces of trash!"

“Xiaoping, what's wrong?”

Zhang Xiaoping was so frightened that tears streamed down her face.

She quickly ran towards Xu Muqing.

Just as she was about to speak, several of Liang Hanchen's bodyguards rushed out of the elevator with fierce looks on their faces.

They were followed by a grim-looking Liang Hanchen.

The bodyguards surrounded Xu Muqing and the other two women.

Liang Hanchen pointed to his reddened face.

Gu Yanxi jumped in fright when she saw it.

She knew Liang Hanchen wasn’t just an international star.

He was the young master of Shanghai’s prominent Liang family!

Gu Yanxi quickly tried to calm the situation. “There must be some sort of misunderstanding. Don’t be mad. Let’s talk about it.”

had begun to learn some basic self-defense techniques from Li Hang.

Before that, the ones Chen Guo had taught her weren't of much use.

Besides, the difference in Xu Muqing's and Chen Guo's strengths were too vast.

Hence, Xu Muqing could easily use them.

Liang Hanchen was so frightened that he turned and ran.

Just as Chen Guo was about to charge at him, Xu Muqing told her, "Forget it! Don't bother with scum like him."

He was freaked out.

Just as night was about to fall, Stray Dog wiped the sweat off his forehead and smiled, "Finally done."

Yet, Li Hang stroked his chin while saying, "Why do I feel like something's missing?"

Suddenly, the door opened and someone entered.

Right that moment, Liang Hanchen was stripped bare.

From head to toe; from top to bottom.

But wherever there was smooth skin, there were tattoos!

And the tattoos were all... really strange...

Images of Calabash Brothers, Black Cat Detective, The Adventures of Shook and Beta, The Blue Mouse and the Big Faced Cat, Big-Headed Kid and Small-Headed Father, and even Pleasant Goat and Big Wolf had all been tattooed onto Liang Hanchen's body.

“Brother-in-law!” “He's my idol!”

“Why did you do this to my idol!?”

Stray Dog gave Xu Haoran an account of what had happened earlier.

Upon hearing how Liang Hanchen had tried to lay his hands on his elder sister, Xu Haoran's pained expression immediately changed!

Without a word, the man grabbed a knife and walked towards Liang Hanchen!

Then, to Li Hang and Stray Dog's surprise, Xu Haoran shaved off all of Liang Hanchen's hair.

Pointing to Liang Hanchen's bald head, Xu Haoran said, “From the crown of his head all the way to his nose and mouth; the entire face!”

“Tattoo his 'crime committing tool' here - the bigger the better!” “Add some hair too!”

“Doesn't he like toying with women?”

“But it's too bad he's just too small. So let's

help this sick pervert feel better about himself!”

Li Hang and Stray Dog looked at each other.

“Nice!” They both said in unison.

Ning Province's highway intersection toll station.

A large group of news media and reporters had gathered.

The crowd was waiting with anticipation.

“Hey, do you think the huge celebrity Liang Hanchen will really show up?”

“Who knows?” But any news that has to do with Liang Hanchen sells for a good price.”

“I heard Liang Hanchen and the famous singer Gu Yanxi are pretty close; do you think there's anything between them?”

“I don't think so.” “I even heard two days ago that Liang Hanchen had come to Ning Province to collaborate with Lingxiao Group.”

“With Liang Hanchen's charisma, Lingxiao Group's career goddess Xu Muqing will probably fall for him deeply.”

“Bah!”

“You dare vilify my goddess? Take that back.”

“Don't you know Liang Hanchen is known as the 'goddess harvester'?” “How many goddesses have already fallen prey to him?”

“I'll scratch you to death!”

Two reporters began to fight.

As the group of people there watched the fight while smoking and chitchatting, a minivan suddenly sped over.

The vehicle door opened and someone was thrown out like garbage.

“What's that?”

“No idea. Let's go check it out.”

Several brave reporters went closer and realized it was a man.

The man's clothes had been completely stripped.

Thanks to the streetlights, they could clearly see that the man had strange tattoos on his body.

One of the reporters flipped the man over and was horrified.

"It's Liang Hanchen!" He shouted.

The two reporters who were fighting immediately got up and rushed over like mad.

The crowd noticed that aside from all the strange tattoos, there was a row of words on Liang Hanchen's chest.

This is what you get for insulting the people of Ning Province!

"Quick! Capture this! Capture his photos!"

"Make it the headlines!"

"Goddamn it, don't block my camera!"

"This is the legendary goddess harvester?"

"Why is his 'murder weapon' so small?"

The forbidden area Ning Province! A safety net for citizens! Anyone who caused trouble would receive their punishment - no matter if it's an international star!

Instantly, countless headlines relating to Liang Hanchen were broadcasted.

Shanghai, Liang Hanchen's villa.

Crash!

That was the sound of a \$500,000 Ming dynasty blue and white porcelain being broken into shards.

“I want revenge! I want my revenge!”

Liang Hanchen's roars echoed across the entire living room.

Liang Hanchen had wrapped himself up nicely, revealing only his eyes and mouth. Even his nose had been wrapped up in bandages.

The nose bridge he had always been proud of was now a disgrace to him!

The few men sitting in the living room

looked at each other.

No one had expected something like that to happen.

The forbidden area Ning Province? No one had expected that someone from a small place like that would dare laying a finger on the young master of one of Shanghai's top ten families.

This person must be courting for death!

Liang Hanchen grabbed a burly man next to him, "Bring some men with you and attack Ning Province!"

"I want them dead! I want them to die!"

The burly man spoke solemnly, "Young Master, the Master has said that no one is to enter Ning Province for now. Without the Master's orders, we dare not to enter the forbidden area."

"Forbidden area, my ass!" "Look at how they've screwed me over!"

"Now I have to dress like this even in my own home; how do you expect me to

continue living like this!?”

Liang Hanchen roared while pulling onto the man.

He had called a few doctors over.

All the doctors said it would take at least three to five years to remove the tattoos from his body!

Not only could he not leave home, he had even become everyone's laughingstock.

He must have his revenge. He must! Immediately!

Liang Hanchen's agent stood up.

He respectfully said to Liang Hanchen, “Master Liang, Ning Province is full of local fighters. It's not wise to send our men there.”

“But we can lure them out.”

Liang Hanchen grabbed his agent by the collar. “And how do you propose we do that?”

Gu Yanxi, we looked up her background.”
The agent said as he revealed his yellow teeth.

“She has neither any parents nor attachments.”

“But Gu Yanxi's agent Fang Wenwen is different; her parents are both in Shanghai.”

“We can use them to control Fang Wenwen.”

“Make Fang Wenwen lure Gu Yanxi out, then use Gu Yanxi to trick Xu Muqing into leaving Ning Province.”

“Once they're out of Ning Province, you can do whatever you want with them!”

“Now that's what I call a plan!” “Let's do that!”

Fang Wenwen was horrified when she found out that Gu Yanxi had offended Liang Hanchen. That night, she departed Sheng City and headed to Ning Province.

Inside the hotel room where Gu Yanxi stayed.

Fang Wenwen paled as she asked Gu Yanxi, “What are we going to do now?”

“The last time you offended Young Master Qian, we almost died in his hands.”

“And now you've offended Young Master Liang. This guy is from the top family in Shanghai!”

“Who knows how much more powerful his family is than the Qians!?”

“We're going to die. We're going to be played to death by him!”

Fang Wenwen rubbed her temples. She was so nervous that she was about to wet herself.

Gu Yanxi reached out and held Fang Wenwen's hands. She told her seriously, “Everyone should be responsible for their own actions.”

“This matter has nothing to do with you, so I'll take care of it myself.”

“You should hurry back to Sheng City and act like you know nothing about this.”

“If worst comes to worst, I'll return to Shanghai myself. They can do whatever they want to me, but I'll keep you out of this!”

“What are you saying?” “We're sisters. We've gone through ups and downs together. Do you think I can just stand by and watch as you head to Shanghai to die?”

Just then, Fang Wenwen's phone rang.

Upon seeing the phone showed the name of Liang Hanchen's agent Lai Zhenhong, cold sweat began to form on Fang Wenwen's forehead.

She had a very bad feeling about this.

While shivering, she swiped up and answered, “Hello?”

Over the line, Lai Zhenhong didn't say anything.

Instead, Fang Wenwen heard the sounds of her parents wailing.

Fang Wenwen broke down.

“Don't do this! Please don't do this!” She
