Suddenly, everyone stood up and shouted at Grandma, who had just gotten down from the car.

“Oh!” grandma responded.

“Happy birthday!!!”

Because the two houses were not very far apart, granduncle could hear the lively commotion coming from grandma’s side.

“Let’s just get on with the party, everyone! Forget about them! Who knows if that Gold Peach might just be painted gold? And all that cash could’ve been paper!”

When Liu Honghua said this, the atmosphere became dynamic again and the guests began to feast.

Just when Liu Honghua’s husband and the other leaders had taken their seats, one of them received a phone call. He immediately stood back up!

“What? Mr. Qi is coming?! OK, we’ll welcome him at once!”

He gathered everyone in the room. Even the old birthday boy stood by the door with his cane to wait.

Chapter 71 Alarmed

To him, having the city leader attend his birthday party was the greatest honour in his life!

He could brag about this for his entire life!

Not long after, a black luxury car arrived.

Out of the car appeared a middle-aged man in a tidy suit.

Upon seeing the man, Liu Honghua said in surprise, “Dad! Dad! This is the richest man in our county!”

The rich man’s eyes scanned the entire room. He couldn’t find the person he was looking for, so he asked.

“Excuse me, is the chairman of Lingxiao Group here?”

Just as everyone was stunned by his question, Zhang Pengfei’s car speeding through with a signboard placed on top.

Seeing that, the man nodded. Immediately he got into his car and headed towards the old lady’s birthday party.

“Hmph!” Liu Honghua snorted. “It’s just the richest man in the county. What’s so great about him? Soon, the leader of Ningzhou City will come. By then, surely that guy would also running back here like a dog.”

Then, a few even fancier cars passed by slowly.

They too followed the small sign on top of the car and turned towards Liu Dongqing’s house.

“Here he is, here he is! Here comes Mr. Qi!”

This time, three very ordinary Volkswagens could be seen slowly approaching.

Just as everyone was about to go and greet them, the three cars didn’t stop but drove past them slowly instead.

“Hey! Mr. Qi! Mr. Qi! Oh, why are you guys just standing there? Hurry up and go after him! They must be heading to the wrong place!”

A group of people then quickly chased after the three cars.

Since the place was not far, they managed to catch up quickly.

“Mr. Qi, you’re at the wrong place. The birthday party is in another direction,” Liu Honghua’s

husband smiled while wiping the sweat off from his forehead.

Mr. Qi glanced at him, "You are...?"

"Oh, my name is Zhang Quande."

"Sir, you've come to the wrong place. This is basically a doghouse! Look at all the food on the table. Those are for dogs. How could they be served to leaders like you!?" he continued. "Mr. Qi, my father's birthday party is right in the front, please comes with me."

"Zhang Quande! What do you think you are you doing!?"

At this moment, several county leaders came over.

"Mr. Qi and the rest of us are here today to celebrate the old lady's birthday! You said the food here is meant for dogs. But here we are eating them, so what are we to you!?"

Zhang Quande immediately tried to deny his words. He looked as scared as a jellyfish that had shrunk!

Chapter 72 Coercive Trading

Just then, Xu Xiaoyang walked up to them.

Mr. Qi said to Xu Xiaoyang politely, "Our inspection team has passed the county and are now heading towards the town for further inspection. We heard that today is the old lady's 80th birthday, so we came over to take part in the joy. May she be blessed with a long and prosperous life."

Xu Xiaoyang led Mr. Qi to see Grandma.

The county leaders followed and Zhang Quande too wanted to follow them.

Unexpectedly, Zhang Quande's boss walked over and kicked him hard!

"Do you want to die? How could you say such things in front of Mr. Qi!?"

Zhang Quande replied dismally, "I didn't think a loser like Xu Xiaoyang would ever gain Mr. Qi's attention."

"Loser? He is the chairman of the formidable Lingxiao Group! Our county leaders are constantly waiting to discuss investment matters with him!"

"Huh? H-h-he has become the chairman!?"

Chapter 72 Coercive Trading

Zhang Quande was so shocked that he blacked out.

Among the crowd, Liu Honghua screamed, "Ahh! My husband, why have you fainted!?"

... ..

Carrying a small plate, Xu Muqing came out the back door.

"So here you are. I've been looking everywhere for you. Come and try aunt's cooking. It's much better than my mum's."

Li Hang took a mouthful of braised pork, and then replied with a grin, "It's delicious, but I think our mum's braised pork is more fragrant."

"What do you mean our mum? She's MY mum."

Li Hang imitated Xu Xiaoyang's manner of speaking.

This time, Xu Muqing didn't try to talk back.

She pursed her red lips and said to him softly, "Thank you."

"For what?"

"All these years, it has been tough for grandma.

She never gets to experience happiness. Even though she was smiling whenever I saw her, I know deep down she is in pain. But I think today, her heart must feel warm and sweet.”

Li Hang slowly stretched out his hands.

He cupped Xu Muqing’s delicate face with both hands as if he had a green leaf in his palms.

“From now on, I’ll keep grandma’s heart warm, just like how yours is everyday. Don’t worry!”

“I-It’s not.” Xu Muqing turned away slightly.

“Does your heart not feel warm?”

“Not at all. It feels cold.”

Saying that, Xu Muqing quickly went back into the house.

At this point, the blush on her cheeks had already reached her ears.....

Granduncle dropped by.

It was his first time visiting Liu Dongqing’s house after more than 10 years.

It’s not that he wanted to come. Rather, he had no choice.

Chapter 72 Coercive Trading

Because many of his guests ended up coming here to wish Grandma a happy birthday.

Mr. Qi may have already left, but all the county leaders were still there!

In front of all these leaders, even that arrogant man Liu Honghua's husband would amount to nothing!

Granduncle smiled and walked over, constantly eyeing the Longevity Peach made of pure gold.

"Sis, why don't you give me half of this peach?"

Before Grandma could respond, Li Hang brought over a kitchen knife.

He gave Granduncle and all the guests nearby a fright!

"Cut it. If you manage to cut this Gold Peach, you can have half of it."

Granduncle's hands trembled.

He wanted to cut it.

But it was made of pure gold. There's no way he could!

Suddenly, Xu Haoran rushed in!

Chapter 72 Coercive Trading

“This is bad! This is bad! Sis, brother-in-law, uncle has been beaten up!”

At the school gate, Liu Dongqing was lying flat on the ground, with one foot on his head.

The foot belonged to a young man.

He wore sunglasses and had a cigarette in his mouth.

He looked at the teachers who were so overwhelmed with fear that they dared not come near and said coldly, “Seriously, are you all that brave or are you just stupid?”

“How dare you make such a mess here, knowing that the Su Group already had their eye on this school? Aren’t you guys afraid of death!?”

Liu Dongqing yelled, despite being stepped onto the ground.

“Even if you’re a big group, you can’t force a trade to happen!”

“If you really want to buy this school, you’d have to at least arrange to have the students transferred to other private schools run by your Su Group!”

The man took off his sunglasses.

Immediately, many people gasped.

This man had a long scar on his left eye.

“S-Song Zong!?”

“My god, it’s actually Song Zong!”

“We’re finished! He’s the subordinate of Su Fanghua, first son of Jiangzhou!”

“What should we do? We’re no match for someone from such a powerful group.”

Chapter 73 Tow Them Into The Trash Can

Song Zong smiled grimly.

There was a prosthetic eye in his left eye socket. Paired with that hideous scar, he looked terrifying when he laughed.

Many didn't even dare to make eye contact with him.

"I'm a busy man, y'know? I don't have time to play games. I'll give you one minute to clean up this place, or else..."

Song Zong didn't finish his words. Instead, he raised his arm.

Suddenly, seven to eight cars approached from nearby.

Dozens of people rushed out of the car, and soon enough they had surrounded all the teachers.

Song Zong began to lower the cigarette in his hand.

Just when the burning cigarette was about to scar Liu Dongqing's face, Li Hang's voice was heard.

"One minute is too long. I'll give you seven seconds!"

Chapter 73 Tow Them Into The Trash Can

Li Hang, Li Erniu and a few other men approached with frosty looks on their faces. Following right behind was Xu Haoran, who fluttered with excitement.

This was his first time joining Li Hang, and he couldn't help but burn with righteous indignation!

Xu Haoran fixed his gaze on Song Zong. "Time's up. You have no chance to escape now."

"You wanna die!?" Song Zong roared, giving his men a signal.

Immediately, the large group sprinted towards Li Hang!

But Li Hang did not stop walking.

Step by step, he walked towards Song Zong.

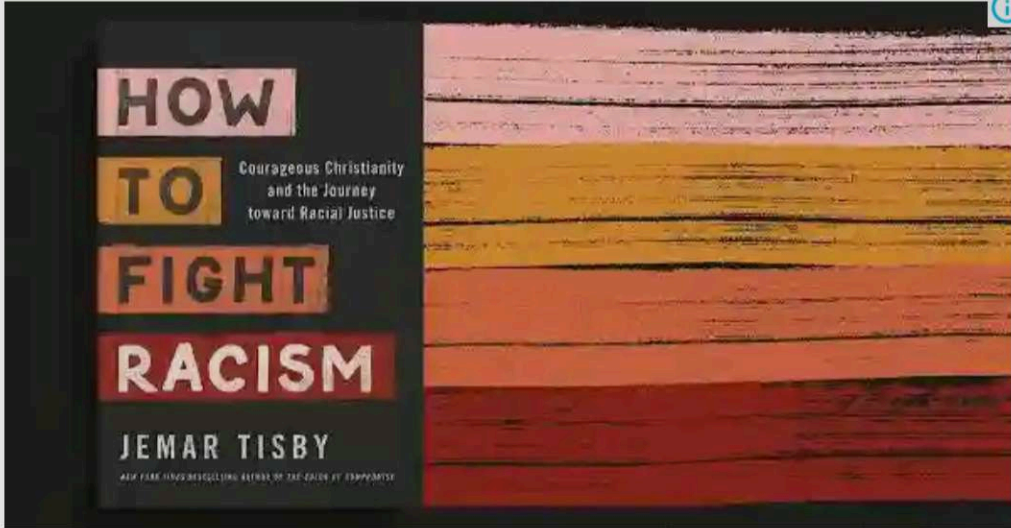

In the midst of doing so, all the thugs rushing towards him were knocked out by Li Erniu and his gang.

Seeing how Li Hang was slowly nearing, Song Zong grabbed a metal rod from the man next to him.

The rod was as thick as a person's arm!

Its surface was covered with rust, from top to bottom.

He swung hard at Li Hang!

Clang!

That was the sound of the collision.

A brick; a red, dusty, slightly damaged brick.

Right on time, it blocked Song Zong's metal rod from hitting Li Hang.

Rust dust shattered as the metal rod and red brick collided.

Due to the strong impact, Song Zong had to lean backwards and at the same time, the metal rod flew out of his hands.

As for the red brick, it made its way directly to Song Zong's face!

Bam!

One hit!

Bam!

Two hits!

Chapter 73 Tow Them Into The Trash Can

Bam, bam, bam!

By the fifth hit, the brick shattered!

And half of Song Zong's face was already ruined!

Even though Song Zong had brought 30 to 40 thugs with him, as soon as the two groups started fighting, at least a dozen of them had been knocked to the ground.

Wolves!

Li Erniu and his gang were like ravenous wolves!

It wasn't long until all of Song Zong's men were lying on the ground, wailing in pain.

By this time, Song Zong had already gone to hide in the car with the engine ignited in no time.

As the car drove off, Song Zong stuck his head out the window. Full of resentment in his eyes, he yelled at Li Hang.

"Just you wait. My boss won't let this go!"

Pointing to the thugs on the floor, Li Erniu asked, "Boss, what should we do with these

Chapter 74 Target Locked

“Yes, sir!”

Li Erniu showed up and disappeared like a wave.

As they left, they took with them all the ‘trash’ left behind by Song Zong.

No one dared to cheer on for Su Group who initially dominated the field.

Quite a few of them knew Song Zong and the fact that he fought better among Su Fanghua’s subordinates.

But they never thought that Song Zong would have lost to an anonymous young man in just one round!

Right then, Xu Xiaoyang walked over with the richest man in the county.

Xu Xiaoyang announced to the two groups, “Everyone, I am Xu Xiaoyang, chairman of Lingxiao Group. I’ve just reached an agreement with Mr. Hu here. Our Group will buy over the school. Everything else regarding the school remains unchanged - that includes all teachers and students!”

Li Hang looked at Liu Dongqing then added, “In addition, all teachers here will have their

salaries tripled!”

“What!? Li Hang and his men beat up Song Zong!?”

Miao Le jumped while inside his office.

“Madness! This is pure madness!”

The more he thought about it, the more excited he got. “Such recklessness. It’d be best to make full use of this mad fellow! Heh... Heh... Heh... Be prepared, Huang Family!” said Miao Le as he started to laugh wickedly.

He quickly ordered his secretary, “Send someone to contact Lingxiao Group and tell them that we intend to invest in Ningzhou!”

The secretary acknowledged her boss’s instructions and left the room.

Not long after, she bumped into Miao Le’s younger half-brother, Miao Zihao.

Miao Zihao was the son of Miao Le’s stepmother. He was spoiled rotten since young and never thought about anyone but himself.

Like many second-generation rich kids, he loved driving sports cars and toying with women.

“Hey, where are you off to in such a hurry?”

“The boss wants to do some investment in Ningzhou...”

Miao Zihao held his chin with a lewd expression on his face. “Ningzhou, eh? That’s a good place. I heard there are many beautiful women there. Let me handle this project!”

Thanks to the efforts of father-daughter duo Xu Xiaoyang and Xu Muqing, Lingxiao Group was gradually on the right track.

The group’s businesses also began to expand rapidly.

Today, the plan was for Xu Muqing to negotiate business collaboration with a large group from the provincial capital.

Inside the conference room in Lingxiao Group’s tall building

Miao Zihao was sitting there bored.

“I’ve heard rumours that your manager’s a knockout!” he chatted with the female staff.

She smiled awkwardly.

Before she could answer, the conference door

was pushed open.

Xu Muqing walked in with her team.

As soon as she entered, Miao Zihao immediately got up and stared at Xu Muqing intensely.

Seeing Miao Zihao's expression, Xu Muqing couldn't help but be surprised. "Excuse me, is something the matter?"

Miao Zihao faked an elegant smile, "No, no, I was just so stunned by your beauty, Ms. Xu."

Xu Muqing faintly acknowledged his words.

The two teams quickly sat down to discuss their collaboration.

Since it was the Miao family taking the initiative to request cooperation this time, the negotiation was held in a congenial atmosphere.

After the meeting, Miao Zihao asked Xu Muqing, "Ms. Xu, can I treat you to dinner tonight?"

"Sure, it'd be an honor."

"Then I'll be waiting for you at Ningzhou's top

dining restaurant.”

Miao Zihao deliberately winked at her.

After returning to the hotel, Miao Zihao abruptly summoned for his secretary.

“How is it going with the intel collection on Xu Muqing?”

The secretary quickly handed him two pieces of paper.

Miao Zihao took them and casually flipped through. He frowned.

“She’s married? And her husband is a live-in son-in-law?”

Right next to him, the secretary said, “From what I gather, the live-in son-in-law does nothing.”

“So he’s just an idle worker.”

“He’s currently holding a redundant position in the Lingxiao Group. He doesn’t need to do anything.”

Miao Zihao clapped and said, "I've got it now! Xu Muqing must be a career woman. From that meeting earlier, I can tell that she prioritizes her work. If I'm not wrong, she should still be a virgin."

While saying this, he unconsciously licked his lips.

As his smile became increasingly lewd, he said, "This lady, Xu Muqing, really suits my taste!"

Ah choo!

Xu Muqing sneezed as she was tidying her files.

She reached out for a tissue, but instead felt a pair of hands.

Xu Muqing jumped. She turned her head and saw Li Hang standing beside her smiling.

"What are you doing? You scared me." Xu Muqing rolled her eyes, with a hint of anger in her voice.

Li Hang just gave her an innocent look. "You've had a busy day and it's almost dinner time. Why are you still working? Come on, let's grab dinner."

Chapter 75 | Am Her Husband

It was only after she heard 'dinner' that she responded.

"Oh, I remembered that after today's meeting, I promised Mr. Miao that I'd have dinner with him."

Li Hang blinked. "Then let's go together."

Xu Muqing nodded habitually, "OK!"

Upon reaching the reserved room in the restaurant, the door was pushed open. Miao Zihao was dressed in a crisp suit, and his hair had been combed to a shine. He stood there smiling at Xu Muqing.

"Sorry we're late, Mr. Miao."

Xu Muqing entered, followed by Li Hang.

Upon seeing Li Hang, the smile on Miao Zihao's face quickly faded.

He thought it was just going to be Xu Muqing on his own.

He had already slipped something into her drink.

He had also sprayed his hotel room with sensual perfume.

With even a variety of ‘fun’ toys ready, he was more than just prepared.

Miao Zihao pretended to be polite and pulled out a chair for Xu Muqing.

“Please have a seat, Ms. Xu.”

When he had barely finished speaking, Li Hang immediately sat his butt down onto the chair Miao Zihao pulled out.

“Thanks.”

Li Hang then pulled out the chair next to him for Xu Muqing.

The corner of Miao Zihao’s eye twitched slightly.

He looked at Li Hang. “Who are you?”

“I’m her husband.”

“So you’re the live-in son-in-law.”

Disdain. So much disdain.

At this point, Miao Zihao’s face was full of contempt.

He looked at Li Hang condescendingly and

pointed towards the door. "Get out of here at once!"

The corners of Li Hang's mouth curled slightly, and he smiled coldly.

Xu Muqing couldn't help but speak, "Mr. Miao, I apologize for not informing you about this beforehand, but you are being too impolite right now."

"Impolite? Why do I need to show any politeness to a trashy live-in son-in-law?"

Miao Zihao looked straight at Xu Muqing. "Ms. Xu, I understand your true feelings very well. I know you found this tramp and turned him into a live-in son-in-law. I know you're just using him as a shield. How can we let this piece of trash ruin our wonderful dinner? Please ask this garbage to leave, and we can properly discuss our collaboration afterwards."

"There's no need to," Xu Muqing said coldly. "I'm off work now and I don't talk about work during my private time. If you intend to discuss about business matters, you may come to our Group's building tomorrow morning."

Having said that, Xu Muqing grabbed Li Hang's hand and turned to leave.

Chapter 75 | Am Her Husband

“Stop right there!”

Miao Zihao shouted at them while Xu Muqing and Li Hang walked towards the door.

The smile on Miao Zihao’s face had completely vanished.

Instead, he now exuded a cold thick air of arrogance.

“Xu Muqing, are you aware of whom I am? I’m the second Young Master of the Miao family! Should you dare step out of this room, all the terms we have discussed earlier today shall be nullified! Do you know what this means?”

Chapter 76 I Will Go With You

"This means that your organization is going to lose a project that costs hundreds of millions!"

Xu Muqing turned to look at Miao Zihao and said, "Manager Miao, is this what your organization has been doing to threaten others?"

"That depends on how the other person looks like!" Miao Zihao laughed at his own joke.

"I won't waste my time on those normal-looking people who look like cheap goods sold on the streets."

"You should be grateful that I think you meet up to my standards!"

Xu Muqing felt that it was a waste of time to say another word. She pulled Li Hang away and they hurried out of the private room.

Upon seeing this, Miao Zihao immediately rushed towards Xu Muqing, wanting to grab her arm.

But he was stopped by Li Hang before he got close enough.

"Crack!"

Li Hang had broken Miao Zihao's wrist.

Chapter 76 I Will Go With You

Aaahhhhhh!

Miao Zihao's screams were heard throughout the restaurant.

"Don't you ever come to Lingxiao Group again. If you do, I'm gonna break more than just your arm."

Li Hang's words sounded as clear as ice falling onto the ground. Miao Zihao pressed onto his broken arm and stared intensely at the leaving couple.

"B****, you are gonna pay for this!"

Miao Zihao's secretary came in hurriedly as soon as Li Hang and Xu Muqing had left.

"Young Master Zhiyi, we should head to the hospital." said the secretary when he saw that Miao Zihao was in great pain.

But Miao Zihao kicked him away and scolded angrily, "I'm not going to the hospital!" "I want to kill someone right now!"

"I want that b**** Xu Muqing to die on my bed after I have had my fun with her!"

"Don't you know someone called Wong Gaobo in Ning Province?"

"Call him now; I'll pay him 5 million!" "Ask him to bring Xu Muqing to my bed tonight!"

After dinner, Li Hang sent Xu Muqing back to the Group's office building.

She would work over-time with her team until at least ten o'clock.

Li Hang relaxed in the next office while waiting for Xu Muqing to finish her work.

Unexpectedly, he received a phone call from Xu Haoran who asked him out.

Two trucks drove into the building's underground garage within minutes after Li Hang left in his car.

"Ding!"

There was a clear, loud chime.

The elevator door opened slowly.

Several fierce-looking men came out from the lift.

They walked straight to the General Manager's office.

the night.

Xu Muqing and a few colleagues, including Secretary Zhang Xiaoping, were discussing a project for tomorrow.

"Boom!"

The meeting room's door was suddenly kicked open.

A tall and bulky man walked in.

He pointed his finger at Xu Muqing after briefly looking at each person's faces in the room.

"Take her."

More than ten of the savage-looking men rushed in immediately.

Zhang Xiaoping and a few colleagues ran over to protect Xu Muqing at once.

But those men were too fierce. They beat up whoever that came close.

Zhang Xiaoping was punched twice on the face by a huge man. Half of her face was swollen.

"Stop!" "What do you want?" Xu Muqing stepped out and faced the leader.

"Hey pretty, you must be Xu Muqing."

"Yes, I am Xu Muqing!"

Even though deep down she was scared, she still pretended to be brave while clenching her fists tightly.

"These people are just normal staff and have never offended or even contacted any of you, so why are you doing this?"

He sneered and said, "I'm not gonna waste my time talking."

"You can voluntarily come with us now. Miss Xu, or we will be forced to use unnecessary violence."

"This means, I'll break all their arms and legs."

As soon as he said this, those staff that had been beaten up retracted their bodies in fear.

Xu Muqing looked around her surroundings.

Especially Zhang Xiaoping who tried to protect her just now. Her beautiful face was now swollen red.

Xu Muqing gritted her teeth and said, "I'll go with you."

"Stop talking or I'll scar your face."

Even though Xu Muqing was scared to death, in order to protect her staff, she decided to follow them and leave the office.

Xu Muqing had gone off with those strangers. Zhang Xiaoping immediately rushed into the room where Li Hang should be.

But when she opened the door, she realized that Li Hang was not there.

Zhang Xiaoping promptly called Li Hang's cellphone.

At that time, Li Hang and Xu Haoran were having their meal in a small cafe.

Li Hang had even ordered some supper for Xu Muqing.

"Bro Hang, Bro Hang, something bad had happened! General Manager was kidnapped by a bunch of rogues!"

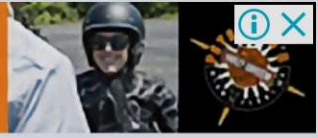

"Crack!" The phone's screen shattered under the pressure of Li Hang's strong grip.

He now sounded like a growling beast.

"Do you know the plate number?"

"Brother Liu, my sis was kidnapped!"

"What!?" Upon hearing this, Liu Delun immediately jumped down from the massage chair.

His face was full of surprise and panic!

Who would have the guts to do this in Ning Province? How dare they kidnap my brother's woman!?

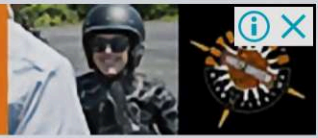

Big problem!

Something terrible is going to happen!

Zihao.

He was the brother of Miao Zihao- Miao Le.

Miao Le initially sent a capable member from the company to Ning Province to start a partnership with the Lingxiao Group.

Up until dusk today did he realize that that person didn't go to Ning Province.

After investigating, he found out that the replacement was actually his half-brother instead.

Miao Le was very familiar with Miao Zihao's character.

As soon as he found out that Miao Zihao had come to Ning Province, Miao Le asked the driver to send him there immediately.

Miao Le was the first to find Miao Zihao's secretary and he dragged him out from a bar.

"Where is my brother?"

"Master Miao Le, don't worry, Young Master Zihao didn't cause any trouble. He only found a beautiful woman and is discussing some business with her in the hotel room."

"The General Manager of Lingxiao Group is an incredibly pretty woman."

"Our young Master Zihao fell for her the moment he saw her. They are in the hotel tonight to 'improve' their relationship."

"Bulls***!" Miao Le slapped the secretary hard.

There were five red fingerprints on the secretary's face.

Miao Le had witnessed what happened to the good-for-nothing Huang Youguang- both his legs were broken by Li Hang.

And that was because Huang Youguang had flirted with Li Hang's wife.

And this General Manager of Lingxiao Group was the wife of Li Hang!

Oh no!

Oh no! Oh no!

Miao Zihao would do anything just to have fun with a woman.

The consequences would be beyond imagination if Li Hang found out what had happened.

They must be stopped!

At the same time, at Ning Province's Grand Hotel.

The leader of the rogues pulled Xu Muqing into the presidential suite.

He pushed her strongly onto the big, soft bed.

"General Manager Xu, you must serve our Young Master Miao nicely tonight."

"Or my several brothers and I would come and serve you ourselves."

Once he finished talking, he led the rest of the rogues out and they left the room with lustful smiles.

After that, Miao Zihao entered the room in his

He took off his tie impatiently.

While he was removing the buttons on his suit, he continued to walk towards Xu Muqing.

"I can't help myself anymore. I have never seen any woman as attractive as you!"

"You little naughty!" Miao Zihao licked his own lips.

He wiped off the saliva that accidentally drooled down from the corner of his mouth using the back of his hand.

Not only his mouth was wet- his whole body was wet too.

"Don't you come closer. My husband will be here soon. He won't let you go easily!"

"Hahahaha!"

Miao Zihao laughed loudly and said, "You mean the live-in son-in-law?"

"It's better that he doesn't come. But if he does, I will have total fun with you in front of him."

"Imagining about the scene is already exciting enough!"

Chapter 78 My Husband Will Be Here Soon

"Let's play two rounds as a warm up before he comes."

Miao Zihao started to remove his belt.

"I can't resist anymore. You are too seductive!"

Xu Muqing picked up the pillow and also any object that was beside her and threw them at him.

While Miao Zihao was slowly taking off his pants, the four men who were guarding the door outside started to feel a chill on their backs.

One of the men couldn't help but touch the back of his head.

"That's weird. Do you guys feel a sudden drop in temperature?" he asked.

Before they could answer, they saw a man walking down the corridor from not far away.

His footsteps and speed were normal.

But for unknown reasons, he appeared in front of them within seconds.

"Hey kid!" "Do you know what this place is?"
"Now get the hell out of here!"

Chapter 78 My Husband Will Be Here Soon

"If you disturb our Young Master from having fun, be careful..."

Before the guard could finish, Li Hang suddenly grabbed his cheek.

"Crack!"

The guard's facial bones were crushed in Li Hang's grip!

With just a twist of his hand, Li Hang strongly slapped the head of another guard beside him.

Suddenly, the guard's whole body flipped in the air and he fell onto the floor a few meters away.

Li Hang lifted his leg and kicked the door open without waiting for the rest of the guards to react!

"Bang!"

"Swoosh!" Following the gust of the wind, Li Hang entered the presidential suite.

"Honey!"

Chapter 79 Terrifying Look

The moment she saw Li Hang, Xu Muqing started to weep.

She hit Miao Zihao with the pillow in her hand.

Xu Muqing wanted to run towards Li Hang.

But Miao Zihao pushed aside the pillow and grabbed onto Xu Muqing's slender leg.

Li Hang pulled out the keycard from the slot on the door in a swift move.

All Li Hang did was shaking his hand lightly.

"Ah!!"

Someone yelled.

In a blink of an eye, the door key was already stabbed onto Miao Zihao's palm!

Even though the door key was just a thin card, it pierced through Miao Zihao's entire palm.

It even nailed his hand onto the nightstand.

There was a smell of death in the air!

The terrifying smell swept over the room like a tsunami!

Chapter 79 Terrifying Look

Xu Muqing jumped into Li Hang's arms and held him tightly.

In a moment like this, she wanted to hide herself in Li Hang's body.

She was scared and shaking uncontrollably.

The tears from her eyes caused by fear were all turbid.

Li Hang lowered his head and looked at Xu Muqing. He felt guilty and regret. What he felt even stronger, was the intention to kill!

At this moment, the group of rogues who brought Xu Muqing there rushed into the room.

When Miao Zihao saw them, he yelled, "Kill him!"

"No!" "Don't kill him! Just hurt him enough that he can barely live!"

"I want to play with his wife savagely in front of him!"

"I want to play and torture her!" "Until she's dead!"

Miao Zihao's growls could be heard several meters away.

Chapter 79 Terrifying Look

Miao Le, who had just come out from the lift, could also hear it clearly.

He knew something was not right and rushed hurriedly to the presidential suite.

But at the same time, there was a group of people running up from the stairs.

It was Li Erniu who came with a team of strong-looking men. They too rushed into the presidential suite.

When they were on their way, a lot of screaming from the rogues can be heard.

When they reached the presidential suite's door, several rogues were already lying on the floor.

All of their looks were extremely ferocious.

Everyone's arms were broken.

Some even looked like a chopstick that was broken off in the middle.

Some were bloodily twisted!

"Pull them out!" Li Erniu yelled.

But Li Hang said coldly, "You can phone Liu Delun and ask him to send a corpse truck."

Chapter 79 Terrifying Look

Corpse! When he heard the word, Miao Le's pupils trembled a little.

He didn't think Li Hang was joking.

Even though he couldn't see Li Hang's face now, every word he said pierced into his heart.

That was too terrifying!

Miao Le could feel the cold sweat under his feet even though he was just standing behind Li Hang.

Such a terrifying person would be a great problem if he couldn't use him for his own benefit.

Before it was too late, Miao Le yelled, "Wait, and don't act impulsively."

Miao Le wanted to go in at once but was stopped by Li Erniu.

"Mr Li, calm down. Let us talk nicely."

"My brother was badly injured by you. Can you please let me send him to the hospital first?"

"I'll discuss further with you regarding this issue. Our Group will take full responsibility and I'll apologize to you myself."

Chapter 79 Terrifying Look

"Apologize?" Li Hang spit out his reply coldly.

He slightly turned and looked at Miao Le.

Miao Le could feel his legs wobble when their eyes met!

He had to take a few steps back because he had lost his balance. He stopped only when he could lean against the wall behind him.

What a terrible look!

Chapter 80 Where Are You

Miao Le swore that he had never seen such a terrifying look before.

At the moment, he felt like he was just an ant.

Li Hang could kill him easily!

"You want to apologize? Fine."

Miao Le felt relieved upon hearing this.

But when he was about to open his mouth, Li Hang said, "You could come in and die for him."

Miao Le was shocked!

"Mr Li, I....."

"Just get lost if you can't do it!"

"Today, he must die!"

Miao Le was anxious!

"He is my brother. Could you please let him go for the sake of me? Our Miao family would....."

"What's so great about Miao family?!"

That looks!

A killer's look!

Chapter 80 Where Are You

In that moment, Miao Le could see from Li Hang's eyes that he had decided to kill.

"I'll count to three. If you are still here after that, don't bother leaving. Just die with your brother."

Even Miao Le's pupils were shaking upon hearing this.

He dares to kill me.

Psycho. What a psycho.

Miao Le had to hold on the wall to stand straight.

He felt embarrassed and wronged.

But what's more was anger and hatred!

He stared at Li Hang, "You will pay for what you did today."

Miao Le looked at Miao Zihao who was lying on the floor.

"Rest in peace, my brother. I'll take revenge for you."

As soon as he finished his sentence, he turned and left without hesitation.

"No!" "You can't do this!" "Not like this!"

"Miao Le, you b****, come back here!"

"Call dad. Call my mum. Hurry!"

Miao Le didn't respond. He started to smile and it quickly became bitter and ferocious!

Li Hang left the hotel with Xu Muqing.

Although Xu Muqing didn't cry, her hands were still holding on to Li Hang tightly.

She didn't appear to look nervous or scared on the outside. But it was something she would keep in her heart forever.

Instead of sending her back home, Li Hang parked the car at the seaside.

"Come, let's go."

It was dark at the seaside after night time.

All that could be heard was the sound of the waves.

They started to stroll along the beach. The sand was soft.

Li Hang kept walking alongside Xu Muqing until

Chapter 80 Where Are You

they reached the edge of the beach where the seawater could reach their feet.

Their fingers were laced together.

Xu Muqing couldn't see Li Hang's face as there was no light.

But she could hear Li Hang's voice.

Li Hang's voice sounded like a huge rock on the sea among the sound of hitting waves.

"Are you still feeling scared?"

Xu Muqing didn't answer.

Li Hang suddenly let go of her hands.

The moment he let go, Xu Muqing reached out for his wrist instinctively.

But she missed.

Xu Muqing was shocked and she moved towards Li Hang's direction immediately.

But she still couldn't reach Li Hang.

Xu Muqing panicked.

"Where are you?"

Chapter 81 First Kiss

She waved her hands around.

In this dark night, all she wanted was to touch, hold and hug someone.

She longed for Li Hang's warm hug!

Absentmindedly, Xu Muqing found that half of her body was in the water.

Waves that came from the front kept pushing her body backwards.

Xu Muqing turned around, immediately wanting to go back to the beach.

Suddenly, a hand appeared and clutched Xu Muqing's wrist.

Xu Muqing could feel that it was Li Hang and he was leading her to go even deeper into the sea.

But Xu Muqing didn't resist.

She let Li Hang lead her until the water level had reached her neck.

She started to float lightly.

"Are you still scared now?"

Li Hang asked again.

Chapter 81 First Kiss

But Xu Muqing shook her head.

Where she was now, the waves could easily bring her away anytime.

But she was not scared. All she could think of was to put herself in Li Hang's arms.

Because it was her haven.

Xu Muqing held onto Li Hang tightly.

The raging waves were not a concern.

Xu Muqing said to Li Hang, "I won't feel scared as long as you are here."

Li Hang opened his arms wide and slowly pulled her closer. He hugged Xu Muqing tightly.

"I'm sorry. It won't happen again."

Xu Muqing shook her head as she leaned tightly against Li Hang.

"You told me before. I am always bullied by others because I'm not strong enough."

"I won't be scared if this should happen again."

"I'll wait for your rescue and I won't cry anymore."

When she finished, she opened her arms and hugged Li Hang's neck.

Before Li Hang could react, a wet and soft lip with the fragrance of a young lady pressed onto his.

The kiss was deep. As deep as the boundless sea.

It was so deep Li Hang could only feel his body floating with the waves.

It was so deep Li Hang felt his body sinking.

And it was so deep that he felt almost suffocated.

At this moment, Li Hang suddenly felt that his arms were empty.

Simultaneously, the chocolate box in his arms

was taken by Xu Muqing.

The moon appeared from behind the clouds quietly.

The white moonlight shined upon Li Hang and Xu Muqing's heads like a white yarn net.

Xu Muqing used her soft and tender hand to touch Li Hang's resilient and handsome face.

"You have changed a lot. I could barely recognize you."

Li Hang never thought that Xu Muqing had already found out about his real identity. It was out of his expectation.

Moreover, the kiss just now was still lingering.

"When did you find out?"

Xu Muqing's mouth slightly curved which caused a pretty, intoxicating dimple to appear.

"I won't tell you. Go figure it out yourself."

"Because you didn't tell me neither on the first day you came."

"If you were to tell me on that day, I won't have to endure so many sleepless nights being

"You nasty!" "Liar!"

Li Hang smiled and looked down, trying to recall the memories that was so captivating.

But Xu Muqing suddenly pushed Li Hang away.

Chapter 82 Getting Better

"What else?" Li Hang laughed and asked.

Xu Muqing's attractive thin lips pursed slightly.

She seemed shy.

Her lips trembled a little and said, "And, and, you must be nice to me, and love me....."

But her words were engulfed by a huge wave.

At the same time, her petite body was pushed backwards by the waves towards the beach's direction.

Li Hang immediately stepped closer and asked, "What did you say? I didn't hear it."

"I'm not telling you. You guess it by yourself."

"Tell me again, please..."

"Nice words won't be repeated twice!"

When Li Hang brought Xu Muqing, who had already felt better, back to their home, Wong Gaobo was playing mahjong comfortably at the mahjong hall.

Behind Wong Gaobo was a sexy lady with an attractive body who was giving him a massage.

Chapter 82 Getting Better

Everyone around him was so envious.

"Aiyo, Boss Wang really knows how to enjoy life!"

"Which hotel is this young lady from? How much per night?"

Wong Gaobo took the cigarette away from his mouth and blew out some smoke.

"You must be envious! She is from the Sheng City. Her skills on the bed were really good."

"I had tried it in the toilet just now."

Everyone started talking noisily when they heard this.

Someone asked, "Boss Wang, you are really lucky! You can even get a woman from the Sheng City."

"Don't you know what my current status is? Have you heard of the Miao Family from the Sheng City?"

Everyone nodded and said, "Who wouldn't know the Six Prominent Families in Sheng City?"

do something big today."

"That's why he rewarded me with this young lady!"

"Boss Wang, tell us now, what was the big thing that you did?"

Wong Gaobo inhaled his cigarette again. Before he exhaled, there was a loud "Bang".

.....

Someone kicked open the door behind him.

Everyone turned their heads.

It was Liu Delun who brought a group of people in with a cold face.

When he saw Liu Delun, Wong Gaobo jumped up abruptly, pointing his finger at him and started scolding loudly.

"Liu Delun, what the hell do you mean by bringing this entire people here?"

"Do you know what you've done?"

There was no facial expression when Liu Delun spoke, but the intention to kill was clear in his words.

Chapter 82 Getting Better

Although he couldn't scare people off with his gaze like Li Hang, he was still a man who had gone through all the hardships to get to where he was.

.....

Wong Gaobo laughed coldly when he heard Liu Delun's statement.

"Do I look like I need your permission to do things? Who do you think you are?"

"Of course I don't care about all the dirty things you usually do. But you should never, ever touch the General Manager of the Lingxiao Group."

.....

"Oh, you mean the pretty woman!"

Wong Gaobo continued, "She was quite lucky to have the Young Master to like her."

"Both of them must be enjoying themselves in the hotel room now."

"With the help of the Young Master, Lingxiao Group's business will surely improve."

As soon as he finished speaking, the men behind Liu Delun suddenly stood up straight

Chapter 82 Getting Better

altogether.

They were all extremely serious.

The vigor coming from them was terrifying.

Especially those eyes.

Even though they were the leaders of the underworld, they felt like prey under the target of a beast when their eyes met.

Wong Gaobo too was shocked because of these men.

He recalled that his men were just outside so he yelled for them.

But no one responded.

Wong Gaobo realized something was wrong.

He looked at Liu Delun and said, "Liu Delun, you established a huge corporation ever since you left Boss Tiger."

"You have become a big boss now and stopped doing bad stuff. Why are you still here at a place like this?"

Chapter 83 Messed Up

"Aren't you afraid that you will be doing bad stuff again?"

"When you left the underworld and decided to turn good, it was Boss Tiger who hosted for you."

"You are violating the underworld rules if you try to touch me!"

"You could kill me, but aren't you worried that Boss Tiger will deal with you personally?"

Wong Gaobo stepped back while he was talking.

He was now pretending to be tough but deep down he was scared.

Liu Delun hadn't moved but just stared at Wong Gaobo.

"You are right. Since I'm already clean, I'll not go back to the underworld."

"Moreover, I didn't mention that I'll do it by myself."

Wong Gaobo was shocked. He pointed Liu Delun and asked, "What do you mean?"

Liu Delun lit a cigarette that he took out from

Chapter 83 Messed Up

his pocket.

He inhaled deeply and exhaled some smoke.
"I've said everything that I should."

"Besides, I want to introduce my brother to everyone here."

While he talked, Li Erniu stepped out from behind him.

No one knew who Li Erniu was.

But none of them dared to underestimate him.

They could feel that he was even more terrifying than Liu Delun.

At that moment, Li Erniu was like a knife.

Although he was a knife that was slightly blunt, it was enough to kill!

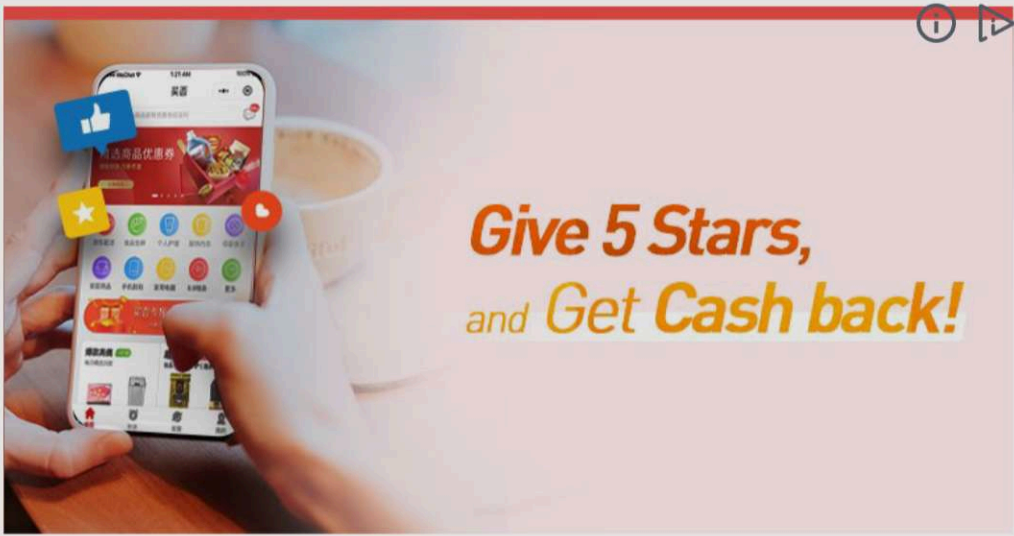

Liu Delun threw away the cigarette in his hand and walked towards the door.

While he was leaving, he closed the door as well.

What followed then were all sorts of screaming.

Boom boom boom!

Someone was knocking on the door continuously.

"Boss Liu! Boss Liu! Please let us go!"

"We had nothing to do with this!"

"It was all Wong Gaobo...."

He screamed for one last time before he could finish talking.

Liu Delun stood under the street light and started smoking.

He looked up at Ning Province's sky and mumbled to himself, "Ning Province's sky will have already changed by the time he reaches here."

"But you were all too dumb to notice it."

"Only the strongest can survive in this world. Your generation is over."

A wooden box was placed in front of the villa of the Miao Family in Jiang Province next morning.

When the bodyguard opened the box, he was

Chapter 83 Messed Up

shocked by what was inside.

He immediately brought the box into the villa.
"Master, something bad has happened!
Something bad has happened!"

The bodyguard quickly passed the box to a middle-age man.

There was a paper clipped onto the box.

"Ning Province Special Local Product!"

This man, Miao Xiangdong, was the current master of the Miao Family.

Miao Xiaodong walked down from the staircase in his comfortable pyjamas.

There was an imported cigar hanging on his mouth. It made him look very stylish.

"What's the matter? It's still early in the morning." Miao Xiaodong walked towards the bodyguard.

When the bodyguard opened the box for him, he was instantly stunned.

He didn't even realize that his cigar had dropped onto the floor.

Chapter 83 Messed Up

Miao Xiangdong staggered a few steps backwards and had to hold onto the staircase to steady his body.

He hastily stepped forward and took out a white urn from the box.

On the top of the urn was his son Miao Zihao's photo!

"Who?!"

"Who did this?!"

"Who?!" His roars echoed in the hall.

Miao Le rushed in from outside after hearing that.

Miao Xiaodong pointed at Miao Zihao's urn and roared at Miao Le.

"Do you know that your brother is dead?"

Miao Le was really good at acting.

He was fully immersed in his pretending as though he had just found out that his brother was dead.

He walked unsteadily towards the urn.

He cried out in sorrow.

"Brother!" "It was my fault!"

Miao Xiaodong quickly pulled Miao Le to the side and asked, "Quickly, tell me what happened?! Tell me now!"

Miao Le finally told him what had happened after Miao Xiaodong asked repeatedly.

"Father, there was a group that appeared in Ning Province called the Lingxiao Group."

"It seems that the Lingxiao Group has a strong background."

"I wanted to deal with them nicely by sending a team to discuss about working together."

"But Brother found out the news from someone else and decided to go to Ning Province by himself."

Miao Le purposely paused for awhile before he continued.

"You know his attitude. He could never control

himself whenever he saw a pretty woman."

"He would do anything to get these women....."

As the result of Miao Le's instigation, he shaped Li Hang as a psycho killer.

"I want him dead! I want him dead!" Miao Xiaodong seemed restless.

He continued to pace about.

Miao Le looked at Miao Xiangdong and patted his own chest as an act to promise something.

"Father, don't you worry. I won't let the b**** go."

"I didn't sleep last night and I came up with a plan."

"If we carry out the plan, not only the b**** will be dead; we can also take down the whole Lingxiao Group."

"More importantly, we can defeat the Huang Family."

"Huang Family?" Miao Xiaodong froze for a while and turned his head sharply to look at Miao Le and asked, "Is there something else you haven't told me?"

"Father, I planned to tell you this morning."

"Li Hang is a live-in son-in-law, but he is not to be taken lightly. He even broke Huang Zhen's son, Huang Youguang's both legs and castrated him!"

Upon hearing this, Miao Xiaodong sat down slowly.

He then asked, "Huang Zhen didn't do anything about that?"

"From what I've gathered, Huang Zhen has already sent all his men to Ning Province."

"They swear to destroy the Lingxiao Group and kill the live-in son-in-law as a revenge for his son."

Miao Xiaodong slightly rolled his eyeballs a few times.

He was the leader of a big family after all.

He didn't have the time to mourn for his son who had just passed away.

All he had in mind was how to make the situation beneficial to him.

"Quickly, tell me what you have in your mind."

Chapter 84 Never Happen Again

Miao Le laughed and said, "A quarrel which benefits only a third party!"

At the same time, in the Su family's garden.

Song Zong kneeled in front of Su Fanghua.

Su Fanghua got the first-hand news that the Huang Family wanted to pounce onto Ning Province.

He said the same thing that Miao Le did.

"A quarrel which benefits only a third party."

"The situation in Ning Province is getting complicated."

Su Fanghua looked at Song Zong. A polite smile appeared on his face.

"Song Zong."

"Yes."

"I'm giving you a chance to repent. Go to Ning Province at once and report to me whatever happens there."

"Copied!" Song Zong answered aloud.

"But you have to remember, don't fight with the

live-in son-in-law without my order."

"I'll remember that and I promise I won't make any more mistakes!"

Su Fanghua took out his phone after Song Zong left.

There was a photo of Xu Muqing on the screen.

In the photo, Xu Muqing didn't have any makeup on. She was wearing a pale yellow dress and was walking along a shady path.

It was this simplicity and exquisiteness that caused Su Fanghua to fall for her.

He looked at the picture while the smile on his face widened.

Chapter 85 A Dangerous Feeling

Ning Province was in chaos.

In only one night, Wong Gaobo and the underworld's leaders disappeared from their domain.

None of their subordinates were able to find them no matter how hard they tried.

The chaos had given the Huang Family a golden opportunity.

Huang Ke led Zhang Quanwu and the rest of their subordinates into Ning Province's underworld.

This caused the already chaotic Ning Province's underworld to become like a pot of boiling water.

Nighttime.

Boss Tiger relaxed in his study room leisurely.

He was listening to classical music while sipping red tea from his cup.

Behind him stood a huge man who was as big as a black bear.

"Boss Tiger, Uncle Wolf is here. He wants to see you."

Chapter 85 A Dangerous Feeling

Boss Tiger's hand moved a little, "Let him in."

After a while, an insidious-looking, middle-aged man with a pointy face stepped in.

Uncle Wolf had been one of the four bullies in Ning Province years ago. Zhao Beilin was his real name.

Zhao Beilin had another identity.

He was the Master to both Zhang Quanwu and Zhou Cheng.

When Zhao Beilin was younger, he got himself a great reputation in Ning Province for his mastery in using the double knife.

After that, he went to Sheng City alone and also made quite a name there.

As he got older, Zhao Beilin's skills not only didn't regress, but he also gave the impression of becoming more and more dangerous.

Even when Black Bear met Zhao Beilin, he would keep a distance from him instinctively.

Only Boss Tiger could face Zhao Beilin in such a relaxing manner.

Zhao Beilin saluted Boss Tiger politely and said,

"Brother Tiger, after all these years, you still look the same."

Boss Tiger laughed and said, "You and I have known each other for so many years- we don't need such formality. Come take a seat."

Zhao Beilin sat beside Boss Tiger.

He looked at Boss Tiger carefully and said with a smile, "It seems like you are having a comfortable life."

"I have both a son and a daughter now. My family is in harmony. This is the kind of life we gangsters dream of."

"If you are really envious of me, I believe that your stamina could already get you a football team of children." Boss Tiger laughed.

Zhao Beilin laughed together, "Don't tease me, brother. Even if I wanted to, I'm not capable of doing it."

"When I was young, I withstood a lot of hardship to get two disciples."

"But I did not expect that they would be crippled after they returned to Ning Province."

"They are now lying on sick beds. They can't

Boss Tiger looked at Zhao Beilin, "My brother, we have known each other for so long. I know your character very well."

"Stop beating around the bush. Tell me openly what the matter is."

Zhao Beilin said, "This time, Huang Family plans to use all their men to take action and I plan to take the opportunity to clean out Ning Province's underworld."

"But Ning Province once belonged to you, my brother, and that is why I must come and ask for your opinion."

"I don't have any opinions." Boss Tiger said instantly.

"For commoners like us, the cleaner the underworld, and the better it is, isn't it?"

Zhao Beilin felt slightly pleased after he heard what Boss Tiger had just said.

Everything would be easier if Boss Tiger didn't interfere.

But the smile on Boss Tiger's face slowly

faded.

He looked at Zhao Beilin and spoke word by word, "Brother, we are old friends."

"Although there are some things I can't tell you clearly, I have to warn you."

"The Ning Province now is not as simple as you think anymore."

"The waters of the Ning Province are getting deeper and deeper. You could even say that the bottom is unreachable."

"I'll leave one word for you here."

Zhao Beilin became serious. He tightened his fists and said, "Do tell me, brother."

"Do you still remember something interesting I told you years ago?"

"I was once saved by an unknown old beggar."
