

MEDICAL GOD CHAPTER 192

Donghoi was the Qi family's territory, after all. It was extremely foolish of an outsider family's young master to come and act so pretentious in front of him. Was Jin Shonlong tired of living?

Mr. Long didn't even hesitate. As soon as Young Master Qi had ordered him to, he went right up and started kicking Jin Shonlong's knees repeatedly.

Mr. Long had been born into a family of mercenaries. A normal person was no match for him, not to mention Young Master Shonlong who had been pampered and spoiled since he was a child.

A few kicks later, both of Jin Shonlong's legs had been broken. He lay on the floor, wailing horribly.

"I was wrong, I was wrong! Young Master Qi, please let me go..."

Jin Shonlong finally realized that Qi Xion had lost his mind completely. How crazy must Qi Xion have become to ignore all possible consequences and beat up someone like him?

Sitting in a corner, Zhu Linlin frowned. She hadn't anticipated this outcome.

Hadn't the Jin family once subdued the Qi family?

Yet this Young Master Qi seemed to have no fear towards Jin Shonlong at all.

Jin Shonlong lay twitching on the floor with both his legs broken. His face was white with fear.

But Qi Xion wasn't finished. Pointing at Jin Shonlong, he barked, "Call your father! Tell him to come over right now and kneel in front of me to apologize!"

Jin Shonlong felt rather startled, but he felt quite relieved too. Qi Xion was actually insane—why else would he be ordering him to call Jin Guongzhi? Did he have a death wish?

"Alright, I'll call him! I'll call him right now!"

As soon as he hung up the call, Jin Shonlong was overcome by a sense of shame. He had originally wanted to show off in front of Zhu Linlin, but he was now lying on the floor with both his legs broken.

Jin Shonlong pointed at Qin Jun and said, "Young Master Qi, the person who crippled you is right there!"

He had been beaten up, and he wasn't going to let Qin Jun get off so easily either.

Qi Xion's eyes followed in the direction that Jin Shonlong was pointing. As soon as he set his eyes on Qin Jun, his expression changed for the worse.

As they said, meeting enemies reopens old wounds.

Although Zhu Linlin had a hand in beating Jin Shonlong up, too, his grandfather had ordered them to lay off the Zhu family because there was someone else more powerful behind them. Hence, he could only hold in his hatred towards her.

However, Qin Jun here had no prestigious family background to speak of. Qi Xion had been searching for him for a long time, and he had finally found him!

"Mr. Long! Get him over here for me, I'm going to kill him!"

Zhu Linlin's face looked stricken. She grabbed hold of Qin Jun.

“Jun, run!”

Now that she was under someone's protection, Qi Xion couldn't do anything to her. However, Qin Jun didn't have much to fall back on, and if Qi Xion caught him now, he was definitely going to die.

However, before Zhu Linlin had stood up, Mr. Long had already appeared next to them. After all, he had once been a mercenary, and he moved much more quickly than Zhu Linlin.

Zhu Linlin's expression looked even more panicked. She darted in front of Qin Jun in an attempt to shield him.

“What do you think you're doing? What are you going to do in broad daylight?”

Qi Xion ordered coldly, “Mr. Long, ignore that woman! Push her aside and bring the man over right now!”

Mr. Long nodded. Although he couldn't injure Zhu Linlin, it wasn't as though he couldn't touch her at all. If she got in the way, there was no harm in shoving her aside.

Just as Mr. Long was going to push her aside, Qin Jun spoke up.

“You lean more heavily on your right foot when you walk. I'm guessing that you've sustained an injury to your groin area.”

As soon as he spoke, Mr. Long was stunned.

Who was this guy? How had he managed to guess that in a single glance?

The point was that Qin Jun had guessed correctly. This made Mr. Long stop in his tracks.

As he stood rooted to his spot, Qin Jun continued, "Your lips are dark-colored, and your Adam's apple is rather large. Your injury has probably affected your reproductive organs."

"Am I right in guessing that you can no longer enjoy the pleasures of the bedroom?"

Mr. Long's expression changed to one of extreme shock.

Seeing the change in his expression, Qin Jun knew that he had guessed correctly. He smiled blandly.

"It's nothing serious. I can treat it for you."

Donghai was the Qi family's territory, after all. It was extremely foolish of an outsider family's young master to come and act all pretentious in front of him. Was Jin Shanlong tired of living?

Mr. Long didn't even hesitate. As soon as Young Master Qi had ordered him to, he went right up and started kicking Jin Shanlong's knees repeatedly.

Mr. Long had been born into a family of mercenaries. A normal person was no match for him, not to mention Young Master Shanlong who had been pampered and spoiled since he was a child.
