

## MEDICAL GOD CHAPTER 234

Upon reaching her apartment building, Wang Dongxue mustered her courage after much hesitation, and said, "Mr. Qin, thank you for everything today. Can I have your contact?"

Upon reaching her apartment building, Wang Dongxue mustered her courage after much hesitation, and said, "Mr. Qin, thank you for everything today. Can I have your contact?"

It was a little difficult to take the initiative as a girl, but she still said it.

"Sure."

They exchanged their WeChat contact and phone number, and Wang Dongxue said, "I have no class tomorrow afternoon. Can I... Can I treat you to a meal?"

Qin Jun said, "Sure, I can see that you have great cooking skills. I'll be more than delighted to try your cooking."

"Okay! It's a deal then. I will contact you tomorrow!"

After that, she walked into the apartment building with her cheeks feeling hot and red.

It was really exhausting after shopping for all the clothes. Initially, Qin Jun wanted to invite her to dinner in the evening, but since Wang Dongxue had to do a livestream cooking during dinnertime, he had to call off the idea.

After reaching home, A thought popped into Qin Jun's head while he ate the dishes made by Aunt Feng.

Since Aunt Feng learns her cooking from Wang Dongxue every day, does this mean that I'm tasting her dishes indirectly?

During the meal, Qin Jun fiddled with Aunt Feng's phone to watch Wang Dongxue's livestream.

Today, Wang Dongxue seemed very happy as she bought many beautiful clothes. Moreover, she kept her promise and publicized Xuanyuan Clinic while she was cooking.

"I was feeling a bit under the weather today, so I went to Xuanyuan Clinic. I realized that this Chinese medical center was really good..."

This was one of the techniques of advertising known as storytelling. Through the use of a fabricated story shared by a livestreamer, it gave the impression that this was the real-life experience of the livestreamer, and hence achieving the effect of convincing people.

Even though Qin Jun had bought her many clothes as payment for the advertising expenses, Wang Dongxue still felt a little embarrassed.

She spent quite some time advertising the clinic and it was well-received by the audience. This was mainly due to the fact that her audience were mostly aunts and uncles, and they enjoyed hearing this kind of information.

Since it was Friday, the live-streaming platform had a lot of traffic, and there would be a livestreamer competition tonight.

The competition was different from the previous challenge.

In the case of a livestreamer challenge, it would be a competition in terms of rewards or gifts.

However, this competition would be based on the comparison of the number of viewers, which was a measure of one's popularity. This competition would be based on one's true ability, and only popular livestreamers could hold this competition.

The participants of the competition would not be randomly selected but instead chosen.

While Wang Dongxue was cutting vegetables, a message popped up in the livestream room.

“Little Miss Fox invites you to compete one-on-one. Do you accept?”

Wang Dongxue frowned. Why is it Little Miss Fox again?

Suddenly, many people in the livestream room started jeering.

“This Little Miss Fox is coming for her revenge. This is a battle for revenge!”

“Accept the challenge! Let Aunt Feng teach her a lesson!”

“I wonder who gives her the courage to challenge others after losing two games in a row?”

Not wanting to bother about the challenge, Wang Dongxue shook her head and clicked on the “Reject” button.

However, right after she clicked on the button, the invitation window popped up again.

Wang Dongxue rejected the invitation again.

why does she keep pestering me?

Just when Wang Dongxue was about to reject again, a Bullet Text appeared.

“Aunt Feng of the Qin Family: Accept.”

Suddenly, the Bullet Text became lively.

“Aunt Feng is here!”
