

MEDICAL GOD CHAPTER 404

Zhu Yong nodded in agreement. If Mom saw this place, she would be extremely happy.

Fishing out his phone, he phoned her.

...

Meanwhile, at the Zhu family's residence, after getting the call, Ouyang Yanyan was stunned and stood up in shock.

"Quickly, get me a change of clothes!"

Zhu Ming and Aunt Zhu were perplexed at her reaction as they asked, "Mom, what's going on? Why are you in such a hurry?"

"Zhu Yong has moved! Let's go take a look!"

Zhu Ming sneered, "What's there to see even if they've moved? They are just moving from one bird nest to another. Is there a need for you to go personally?"

Ouyang Yanyan huffed, "They are moving to Qingmei Manor!"

"What!"

Zhu Ming was shocked. How could they be moving to Qingmei Manor in such a sudden manner!

Qingmei Manor took everyone by storm when its construction was completed. The whole of Donghai knew about this top-notch mansion and it became an icon. It was just a pity that strangers could not enter the grounds easily.

Such a famous manor belonged to Zhu Linlin's family?

"Mom, could it be that Zhu Linlin embezzled the company's money to buy the place?"

Ouyang Yanyan shook her head, "That is impossible. The company's cash flow is at most one to two hundred million and is definitely not enough to buy Qingmei Manor. If Zhu Linlin took cash flow from elsewhere, it would affect the supply chain of the company but there have been no problems with the operations thus far. I don't think she did that."

Furthermore, Ouyang Yanyan and Zhu Ming knew very clearly that Zhu Linlin had neither status nor power in the company. While she did most of the work, she had the least authority. Hence, there would be no opportunity for her to embezzle, especially under the strict supervision of Ouyang Yanyan and Zhu Ming themselves.

"Then what is going on? Where did they get the money to buy the place?"

"I don't know either. Let's go and take a look first!"

As Ouyang Yanyan stepped out of the house, her eyes landed on a mid-sized bus parked outside. Without a moment's hesitation, she boarded the bus.

Upon seeing that there was only the driver on board, she remarked with scorn, "Zhu Linlin is really rebellious now. How dare she not come and pick me up personally? Hmph."

The whole family boarded the bus in displeasure and took off in the direction of Qingmei Manor.

Very quickly, they arrived at their destination and entered the grounds of the manor.

Ouyang Yanyan was extremely excited. This was the legendary Qingmei Manor! The top-notch mansion of Donghai! The trademark of one's status!

"Grandma, you're here."

Zhu Linlin and the rest welcomed them at the entrance.

Ouyang Yanyan replied with disdain, "Zhu Linlin, are you still my granddaughter, huh?"

Zhu Linlin was slightly shocked as she quickly responded, "Of course. Grandma, why would you think otherwise?"

Ouyang Yanyan scoffed, "Tell me the truth. Are you hiding a stash of your own? How much did you make from Sugar Deity 2.0?"

Zhu Linlin explained helplessly, "Grandma, I already handed over all of the profits from Sugar Deity 2.0. Also, our three companies merged shortly after it became famous and you are able to see all the financial records. I didn't take any money from there!"

Zhu Ming sneered, "You didn't? Who would believe that? If you didn't hide a stash, where did you get the money to buy such a big manor?"

"Zhu Linlin, you are indeed capable now. We are family, but yet you try to play tricks on us?"

"I..." Zhu Linlin felt wronged and was desperate to defend herself.

However, Ouyang Yanyan stamped her walking stick on the ground repeatedly and said, "Forget it, I will let you off this time, as long as you hand over this manor to the family and let me divide it."

"Don't worry. There are many rooms here and there will definitely be space for your family."

"Zhu Ming, daughter, go and pick your rooms. Tell me which rooms you want after you are done."
