

MEDICAL GOD CHAPTER 434

“Do you really know Tiecheng’s boss, Jun?”

Qin Jun nodded. “Yeah. I treated his father before.”

“I see.” Wang Dongxue only saw Qin Jun as a doctor who had nothing much to do with business. They say a doctor will never be successful. I beg to differ. Jun treated a lot of bigshots. No matter what, Qin Jun was perfect in Wang Dongxue’s mind.

Qin Jun’s phone rang halfway through. “Take it for me.”

“Oh, okay.” Wang Dongxue picked up the phone, but then her eyes widened at the sight of the caller’s name. “He Nianying?”

Everyone knew who He Nianying was. She was the boss of He Real Estate and the richest person in the nation. H-He Nianying is calling Jun? Maybe it’s someone with the same name?

Qin Jun said, “Take the call and ask her what she needs.”

Wang Dongxue took the call gingerly and asked, “Hi, I’m Jun’s friend. He’s driving now, so what can I do for you?”

He Nianying kept quiet for a moment. “Nothing, really. I want to ask Mr. Qin out for a meal. Is he available?”

Qin Jun heard that, so he said, “Yeah. You reserve the spot. I’ll go over with my friend.”

“Okay. I’ll send the location to you.”

Wang Dongxue was still perplexed after hanging up. She couldn't recognize who it was through the voice, since she didn't know He Nianying personally. Even though Wang Dongxue had seen her on TV many times, she wasn't familiar with her voice.

Wang Dongxue wanted to ask if this caller was the same person she had in mind, but she gave up on it after a while. He Nianying sent the location not long after. It was a niche restaurant and was situated in an almost hidden location, though it was classy.

This must be her property again. They came to the restaurant and went into a room. There was already a man and a woman inside. The woman, of course, was He Nianying.

Wang Dongxue was shocked when she saw He Nianying herself. Oh my god, it's really her! This is amazing! The richest person in the country is treating Jun to a meal? Did Jun treat her before too? Wang Dongxue had never underestimated Qin Jun, but this time, she thought she had to reevaluate him.

"You must be Mr. Qin's girlfriend. Oh, you're gorgeous." He Nianying shook Wang Dongxue's hand passionately, and that took her by surprise.

Wang Dongxue saw He Nianying as an iron lady and a powerful boss who could do anything, but she didn't expect her to be so gentle in real life. Though, of course, He Nianying was only gentle to Qin Jun's friend.

A young man who looked at few years younger than Qin Jun sat beside He Nianying. He was wearing a baseball cap, a pair of sunglasses, and hip-hop attire. There was also a nonchalant, arrogant look on his face.

"Mr. Qin, this is my son, Xue Dalin."

"Hi." Qin Jun nodded at him as a greeting, while Xue Dalin gestured at him and said nothing more.

He Nianying glared at him. "What are you doing, Dalin? Where are your manners?"

Xue Dalin sat up in resignation. "Mom, I don't want to have a meal with your friends. I'd rather go boxing, so just let me go."

"No! You can go after you're done with this meal, so stop jabbering!"

He Nianying wanted to have her son to get to know Qin Jun. Women would always think for their son. Even though she had enough wealth for her son to spend for a few lifetimes, she wanted him to know someone like her senior. If her son could manage to learn something from him, it would be for the best.
