

MEDICAL GOD CHAPTER 699

Everyone was stunned. Yu Qiang's words sounded logical.

"Didn't the waiter say that it's free? What if it's a promotion?"

Yu Qiang scoffed. "A promotion? Do you think it's possible? I could barely reserve a spot in this restaurant. I only secured a reservation by calling ten days in advance. Do they need to promote themselves?"

Everyone fell silent. He was right. Even if they were trying to promote themselves, it was impossible for them to give such expensive sake.

"What's going on, Yu Qiang?"

He thought about it for a while before whispering, "I suspect they sent the sake to the wrong table."

"The wrong table?"

"Oh, right! Maybe they thought that one of us is their boss' friend or a VIP guest. That's why they gave us such expensive sake. Don't open the bottles. If it's a mistake, they might even make us pay for them."

Everyone did not dare to move. It was already luxurious for them to spend eight hundred on a meal. If they drank a fifty thousand sake on top of that, they might go bankrupt.

Even Yu Qiang could not afford such luxuries. There was nothing he could do about it.

After this incident happened, everyone no longer felt any sense of superiority.

What was so impressive about them? When the waiters sent a few bottles of sake to them by mistake, they did not even dare to drink them as they were afraid that they might have to foot the bill. It was not easy for them to dine at such a luxurious place.

Fifty thousand was the biannual, or even annual income for a lot of the people present there.

Qin Jun chatted happily with Ren Lu and did not care about what the rest was saying. Opening a bottle, he poured a glass of sake for Ren Lu.

After all, it was normal to drink during a gathering with friends.

However, when Yu Qiang and the rest saw Qin Jun open the bottle, they were shocked.

“You... Qin Jun! What are you doing?”

Qin Jun frowned. “What’s wrong?”

Yu Qiang was so angry that he could barely find his voice. “The sake is not included in the buffet menu!”

Qin Jun became impatient. “I know. I’ll pay for it later. I don’t need you to pay on my behalf.”

“You...”

Qin Jun continued drinking with Ren Lu.

Yu Qiang's face was flushed in anger. This guy is such a show-off! The sake cost fifty thousand a bottle! Let me see how you can pay for it later!

Everyone continued eating and chatting. However, it was evident that the atmosphere was not as lively as before. It seemed like something was weighing on their minds.

Even the delicacies on the table became boring and tasteless. On the other hand, Qin Jun and Ren Lu chatted happily.

After everyone ate to their heart's content, Yu Qiang walked out first. He announced to everyone, "Let's split the bill equally. We'll pay for our own share."

He rushed to settle his and Ai Ling's bill first.

The waiter was stunned. "Sir, aren't you going to pay as a group?"

Yu Qiang replied quickly, "No. We're splitting the bill and paying for our own share. Give me the bill quickly."

He was afraid that Qin Jun's and Ren Lu's bills would be included in his.

The waiter was puzzled. "Alright."

Why are they splitting the bill when dining with Mr. Qin? Is there something wrong with them?

Everyone settled their own bill one after the other. Although Qin Jun and Ren Lu were still engrossed in their conversation, they stood up to pay the bill too.

When they reached the counter, the cashier said, "Sir, we are waiving the bill for both of you. After all, this is Young Master Xue's restaurant."

Qin Jun was stunned for a while before nodding. So this is Xue Dalin's restaurant!

Anyway, the small amount of money meant little to Qin Jun. He turned around and prepared to leave.

However, Yu Qiang frowned and blurted, "Hey! They also drank two bottles of sake. Check the bill carefully."

Yu Qiang was a tatter-tale. Naturally, he was also afraid that they might drag him down. As he was the one who placed the reservation, he would be doomed if something happened and the restaurant went after him instead of Qin Jun.
