

MEDICAL GOD CHAPTER 709

Tian Lu had offended some people. It was only natural that they came looking for her. Qin Jun could not be bothered.

Nevertheless, these ladies were his schoolmates. If anyone were to bully them in his presence, he had no choice but to intervene.

Leopard sneered, "Are you so damn good? No one dares to stop me from going for the woman I fancy, and I love these women. If you try to stop me today, I'll give you a beating!"

Qin Jun shook his head in resignation and went straight to the point. He was really tired of this fat man.

"Who's your boss? Duan Baodong or Pei Liang?"

The fat man was surprised. "You know Mr. Pei?"

Qin Jun replied, "Call Pei Liang and ask him."

Leopard hesitated. Since Qin Jun knew the names of those two bosses, it could only mean that he was indeed familiar with the triads. He might be an insider. Leopard did not dare to take any chances. He took out his cell phone and dialed Pei Liang's number to make a video call.

After a while, Pei Liang accepted the video call. He was in bed with a woman in his arms, sleeping in a hotel. Seeing Leopard, he became impatient.

"Stupid fatty, why are you making a video call to me?"

Leopard hurriedly replied politely, "Mr. Pei, there's a man in the KTV. He says he knows you. Please check him out."

Pei Liang frowned, "You must be sick. Who doesn't know me?"

As Pei Liang spoke, he turned the mobile phone around.

Gradually, Qin Jun's aloof facial features came into focus.

When Pei Liang saw the familiar face, he almost fell out of bed!

"Mr. Qin?"

Leopard's expression changed, and he turned the phone around anxiously.

"Boss, you really know him!"

Pei Liang sat up wide awake and his face turned solemn.

"Darn it! If you have a death wish, don't involve me. If you've offended Mr. Qin, quickly kowtow and apologize! Otherwise, give him the best service you can. Inform the counter not to charge him. Don't act like a fool all day long!"

"Okay, okay, okay!"

Leopard almost jumped out of his own skin in fright and broke out in a cold sweat. Suddenly he sobered up from his drunken stupor.

He had never seen Mr. Pei so anxious before. The latter emphasized that Mr. Qin was never to be offended. If Mr. Pei needed to please Mr. Qin, how much more should a lowly man like Leopard do?

After hanging up the phone, he quickly bowed.

“Mr. Qin, I am sorry. It is my fault for not knowing who you are. If you wish to beat or punish me, do as you wish!”

Qin Jun said coldly, “Get out of my sight. Scram!”

“Okay, okay. I’m leaving now, right now.”

At that, Leopard got down on the floor, squeezed himself tightly like a ball and rolled out of the room.

His underlings mimicked his actions and followed suit.

The school friends looked on in bewilderment.

Isn’t that rather too dramatic?

Only moments ago, those big hooligans were still bragging about what they were going to do to us. Then, one person had a video call showing Qin Jun to the person on the other end of the line and the situation changed immediately.

Qin Jun is no ordinary guy. Even those hooligans of the gangster world are afraid of him. This first born of the Qin family seems even mightier than we have known before.

The school friends' reunion had gone on for quite some time. The group parted ways when Qin Jun decided to leave.

When they left, the manager came out personally to send them off.

"Can we have the bill, please?"

"No need, no need. Mr. Qin's patronage is an honor to us!"
