

MEDICAL GOD CHAPTER 712

Tian Lu was bewildered. When she replied to that message immediately after, she found she was already blocked.

Her social media account had been deactivated. Everything was gone.

The rectification efforts on social media this time were strong. The photo disappeared from the Internet in the blink of an eye. No one could find it anymore.

Although Tian Lu still had it on her phone, she did not dare send it indiscriminately. This was indeed offensive, but who did she offend?

Was it Qin Jun?

He agreed to pose for the photo. There was no reason for him to be so petty.

Furthermore, he was still on the road and he was not in the entertainment industry so he would not have the power to this in such a short time.

On the other hand, if he felt displeased, he could just teach her a lesson with a slap on her face. There was no need to block her from the web.

After going through various avenues, Tian Lu paid fifty thousand for the information through a third party using an alias.

Finally, she found out that it was Su Wenqi who had blacklisted and blocked her.

When she received the information, Tian Lu was really dumbfounded.

It was Ms. Su?

We are at totally different levels of fame. Su Wenqi is a superstar. I am on the lowest rung of the ladder to stardom.

Even though I am a singer, I can hardly say I am a household name.

To be truthful, I could not even qualify if I apply to be her understudy. Ms. Su would probably not have heard of my name. We are not acquainted.

Why would she block and blacklist me for no apparent reason?

Could it be because of Qin Jun?

Thinking of this, Tian Lu suddenly felt a tingling sensation in her head. A very frightening thought came to her mind, and she quickly searched for Su Wenqi on social media gossip posts.

She was shocked the moment she read the posts.

This must be Qin Jun!

She saw this news before, but being an insider too, she knew this might just be some hype. Maybe the person with Su Wenqi was a staff member or a bodyguard.

However, considering the present circumstances, even though it was just a back view, the person meeting Su Wenqi at the night market was indeed Qin Jun.

Tian Lu felt a wave of dizziness.

Qin Jun's girlfriend is Su Wenqi!

Oh, it cannot be true, can it?

Tian Lu suddenly recalled that some time ago, there were rumors circulating about Su Wenqi's boyfriend being a practitioner of Traditional Chinese Medicine.

She continued searching the web.

Su Wenqi's boyfriend, Master Qin, was the chief speaker at The Chinese Medicine Forum.

Qin Jun and Master Qin are one and the same.

By now, Tian Lu had enough information to infer that Qin Jun was the famous practitioner of Chinese medicine, Master Qin.

No wonder he is so great now. He appeared on CCTV and became the pinnacle of the Traditional Chinese medical industry. How awesome is that!

Tian Lu was full of regret. If only she had known earlier, she would not have said anything about Qin Jun. Now, she had not only offended him but Su Wenqi as well.

She could no longer work in the entertainment industry.

Later, Su Wenqi sent the photo to Qin Jun and wrote in a teasing tone.

Master Qin, what a ladies' man you are?

Qin Jun was speechless. How did you get this picture?

Seeing the photo, he felt rather angry. Tian Lu was too much. I'm kind enough to indulge you by posing with you. Why on earth did you have to post it online so casually?

After Su Wenqi told Qin Jun about what happened, he was exasperated.

She deserves every bit; she did it to herself.
