

MEDICAL GOD CHAPTER 718

When Tang Jianqiang finished, Qin Jun had an odd expression on his face. He looked like he was trying to hold back his laughter.

“Are you sure Master Qin gave you tips?”

Tang Jianqiang tried to be boast and chuckled, “Well, you just have to know that we spoke and I won’t go into details about our conversation.”

Qin Jun was speechless. Although Tang Jianqiang liked to boast, Qin Jun thought that at the very least he would have been truthful about the mentors who had provided him with guidance and some famous practitioners who had taught him.

It was true that in the case of medicine, it was a good thing when you were able to consult and obtain guidance from the best in the field.

However, after listening to what Tang Jianqiang said, it made whatever he had said earlier sound like a bunch of nonsense that he made up.

When has Master Qin ever given you guidance?

While Qin Jun was not interested in his lies, Lin Yueyao on the other hand, perked up.

“So you have met Master Qin?”

Tang Jianqiang nodded, “Of course, after the Chinese Medicine Forum, Master Qin and I had an exchange of ideas and we spoke for very a long time.”

Tang Jianqiang did not even falter when he told a lie.

Lin Yueyao quickly continued, "What did Master Qin say?"

"Haha, they are all insights on Chinese medicine and I don't think you will understand even if I were to tell you about them. However, I did gain a lot out of it."

Lin Yueyao looked envious. Regardless of her position at the hospital, what would be better than being able to meet Master Qin in person?

"Ah, it would be really nice if I could have a conversation with Master Qin as well."

Tang Jianqiang could finally sit up tall and he smiled. "That's possible. I will let you know when there is a chance for me to introduce you to him. Having said that, though both of you hold high positions, I'm afraid you might not be qualified to speak to him even if you want to."

Tang Wen grinned when he saw that his son seemed to have gained the upper hand. "Son, aren't you going to pick your girlfriend up? She should be here anytime, right?"

Tang Jianqiang brought his girlfriend along this time but she did not tag along for the meal. She had work and could only join them later.

Tang Jianqiang took a look at his watch and said, "Yes, it's about time. I'll go pick her up, otherwise if someone recognizes her, we will be mobbed again."

With that, Tang Jianqiang left.

After he left, his relatives immediately began to question.

“Brother, I heard that Jianqiang is dating a celebrity, is that true?”

Tang Wen simply smiled. “Yes, that’s true. However, everyone please keep this to yourself. The entertainment industry is way more complicated than we can imagine and there are many things we cannot make public.”

Everyone looked stunned. Most people present had not met anyone from the entertainment industry in person, let alone a famous celebrity.

To be able to see someone like that today would be really interesting and that thought got everyone very excited.

Not long after, Tang Jianqiang walked in with a woman who was wearing a pair of sunglasses and a hat, dressed in a short skirt that revealed her long fair legs. In addition, her high heels made her look extra elegant.

Instantly, everyone’s eyes lit up.

After all, a celebrity certainly looked different from ordinary people.

Her aura was so strong and she looked better than an average woman.

After she walked in, she took her sunglasses off.

“Hello everyone, I am Wang Dandan.”
