

MEDICAL GOD CHAPTER 722

Su Wenqi was not amused since they were insulting Qin Jun so did not hold back her comment either.

Wang Dandan's expression changed. "Ms. Su, what are you trying to say? Are you calling me a gold-digger?"

Suddenly, Wang Dandan became very sensitive. Although Su Wenqi was a big shot in the industry, she was not one to hold back when she was offended. After all, she would be quitting the industry soon and she was never seeking fame nor popularity. As such, she was not afraid to burn her bridges with Su Wenqi.

Su Wenqi scoffed, "Aren't you interested in money? Oh, I just recalled that you used to be a 'backup' and a 'take-away', right? Would you like me to elaborate further?"

Wang Dandan's face sank and she instantly broke out into a cold sweat.

Several relatives looked at each other blankly, they were confused by what she meant by a 'backup' and a 'take-away'.

These terms were not understood by the older generation but the younger ones were clear about what she meant. Tang Jianqiang's face turned really ugly.

Just a few minutes ago, Wang Dandan was mocking others, now the tide had changed and she turned out to be the very person getting mocked. How was she different from the woman she talked about earlier?

One who wished to settle down with a random 'plain man' after earning some money.

If so, was Tang Jianqiang a “scrap picker”?

Tang Jianqiang clenched his teeth and he looked extremely upset. He knew that Wang Dandan did not have a pretty past thus he could not rebuke her.

After all, many of the relatives here were still clueless about what was happening. If he acted out now, everyone would find out subsequently.

Tang Jianqiang’s expression turned gloomy and he had no other choice but to finish his meal quietly.

In the meantime, Wang Dandan did not make a sound either. She knew that her relationship with him was probably over.

Not only so, but she had also offended Ms. Su which meant that she could no longer be able to work in the entertainment industry either.

Things never ended well for the people who offended Ms. Su in the past.

For example, just a few days ago, Tian Lu who did not know how she offended Ms. Su, ended up being blocked by the netizens online and was even rejected by the broadcasting networks. All platforms blocked her collectively, so it went to show how large Ms. Su’s influence was.

After the meal, Tang Min laughed and said, “Brother, why don’t you stay here for a few more days? I will ask Jun to bring you around.”

Tang Wen had an awkward expression on his face. “Haha, I think there is no need since we only wanted to come here to meet everyone. There are a few things that I have to attend to back at home, so I won’t bother you any further.”

How would Tang Wen ever have the cheek to stay here any longer? They came from Sheng City all the way here to boast. Instead of achieving their goal, they were being beaten by others at their own game and their pride had been hurt.

After they finished their meal, they quickly slipped out.

Not long after, Su Wenqi followed Qin Jun to his aunt's house.

On the way there, Lin Yueyao pinched Qin Jun and whispered, "What is going on? How did you even meet a diva like her?"

Qin Jun chuckled, "She was one of my patients."

"What? Did you ask her to stand in as your girlfriend today?"

"Isn't that obvious?"

Lin Yueyao rolled her eyes. She had been so startled at the thought of Su Wenqi being Qin Jun's girlfriend.

"Can you please stop messing around. Don't you know that Su Wenqi and Master Qin have an ongoing relationship?"

Although Lin Yueyao did not want to admit it, it seemed like Master Qin and Su Wenqi were in a relationship. After all, Su Wenqi's company had announced it before.

Even though that may be a hoax, Su Wenqi would not have dared to spout such nonsense if Master Qin did not give his consent.

Jun laughed, "Are you afraid that I will be bashed up by Master Qin?"

Lin Yueyao glared at him in annoyance, "Why are you acting so mindlessly! If Master Qin finds out about what happened today, things will not end well."
