

MEDICAL GOD CHAPTER 729

Given that Lei Hong was the gang leader in Sheng City, she must be quite wealthy and powerful.

Qin Jun didn't think much so he accepted the gift. Then, his phone rang suddenly.

It was from Zhu Linlin, whom he hadn't met for a long time. They chatted over the phone for a while.

Ever since the fallout with the rest of the Zhus, Zhu Linlin and her family moved back to their house. She had not contacted any of them for some time and it was as good as they had severed ties with each other.

Thinking of that, Qin Jun remembered that it was a long time since he visited her.

"I happen to have a gift for you. I'll give it to you later."

Qin Jun smiled to himself. Zhu Linlin was lucky to call him at the right time, or he wouldn't have thought of giving her the ruby.

Soon, he arrived at her house. Upon entering the house, he heard the woman's chiming laughter.

Zhu Linlin, her family, and another young woman were all seated on the sofa.

"You're here! This is my best friend Jiang Nana. She's back from the States recently."

Wang Yun had an unpleasant look on her face when Qin Jun entered the house. Ever since she moved out of Qingmei Manor, she was crankier than before as she spent most of her time thinking about how to get the manor back from Qin Jun.

Wang Yun and Jiang Nana exchanged looks when Qin Jun entered the room. Jiang Nana squinted at him and frowned.

“Hello, how do you do?” Qin Jun greeted her politely.

“Don’t pretend that you care about how I am doing. How dare you seduce my best friend when I’m not here to protect her. Have you ever asked for my permission?” Jiang Nana’s frown remained etched on her forehead as she spoke sarcastically.

“I’ll be honest with you. I’m so disappointed to see you today. I’ll never agree to Linlin dating you!” Jiang Nana spoke in an overbearing and rude manner.

Qin Jun frowned, “What are you talking about?”

Jiang Nana laughed scornfully, “Drop the act, please.”

“I’ve looked into your background. You come from a rich family and now you are a doctor. However, other than the family mansion that you inherited, you don’t have anything else that’s valuable, do you?”

“I’ve heard that Linlin has been helping you to get a job recently. Aren’t you using her to support you? Don’t dream of Linlin marrying you just because you have a house!”

“I’m warning you. I’m not going to let my best friend marry a bast**d like you!”

She sounded harsh as she glowered at him angrily.

Qin Jun frowned before letting out a snort as he felt rather amused.

“You have no right to pry into my background, and given your status; even if you do, you won’t be able to get any information of significant importance.”

“As for Linlin and I, we haven’t progressed that far as to consider marriage.”

“And even if we are planning to get married, you are in no place to have any say in it.”

“Says who that I am not good enough for Linlin? You?”

Qin Jun’s speech left Jiang Nana fuming in anger. Her expression darkened.

“How... How dare you talk to me like that?”

Linlin pulled her friend to the side, “Nana, what are you doing? How can you say that to Jun!”

Jiang Nana was so furious that she started panting out of breath.

“I was just telling the truth. It’s true that you are way out of his league. How dare he question my place when this concerns your well-being! What a bast**d!”

“Linlin, he’s a nobody when compared to John!”

Zhu Linlin frowned slightly, “Don’t speak nonsense, Nana. There’s nothing going on between John and me.”

“You may think that there’s nothing between the two of you, but he likes you. Why do you think he’s back from the States, if not for you?” Jiang Nana scoffed.
