

MEDICAL GOD CHAPTER 733

“That’s fine, it’s just a meeting! Where are we going?” Zhu Linlin didn’t seem to mind.

“DiHao Karaoke Bar.” Nana sighed.

Linlin frowned, “Why are we meeting there?”

“Well, apparently he likes the place. You just go along with it,” said Jiang Nana.

Soon, the three of them reached the presidential suite on the top floor of DiHao Karaoke Bar. The room was full of sexy ladies wearing miniskirts and high heels showing off their long legs.

Yuan Shaoqiang was seated in the middle, surrounded by women as he listened to a young girl singing.

The girl stopped the music when she noticed them entering the room. His eyes lit up when he saw Linlin. Then, he let go of the two women in his embrace and lit a cigarette.

“So, is this Ms. Zhu who wants to borrow my money?” he asked with a smile.

“Yes, she’s from Zhu Pharmaceutical, a famous company in Donghai. Mr. Yuan.” Jiang Nana nodded and introduced them to each other.

“Greetings, Mr. Yuan.”

“Nice to meet you, Ms. Zhu. You look ravishing!”

The radiance of the women in the room was instantly dimmed by Linlin's incomparable beauty. Suddenly, Mr. Yuan felt that they were too ugly for his liking. "Get out, bitches."

There was nothing that the women could do but obey and leave.

Once they left the room, Yuan Shaoqiang put on a courteous laugh and patted on the seat next to him.

"Come, Ms. Zhu. Please have a seat."

Despite her dislike of the venue, she was reminded by the purpose of her visit.

"Mr. Yuan, I came for your help because the customs detained our exports..."

Mr. Yuan interrupted her before she could finish, "Hush now, there's no need to rush into talking about business. Do you sing, Ms. Zhu? Care to sing for me?"

Linlin shook her head, since she wasn't a good singer and she didn't feel like singing.

Jiang Nana laughed and recommended herself, "Mr. Yuan, I can sing! I'll sing for you while you guys chat."

"Fine. Go on then."

Nana picked up the microphone, selected a song, and started singing while Mr. Yuan put a bottle of beer in front of Linlin.

“It’s just business, Ms. Zhu. Don’t be so tense. Cheers.”

He gulped down the entire bottle of beer in just a few seconds.

Linlin was actually a good drinker, she was hesitant but she drank the beer eventually. She found it weird to be drinking beer at a karaoke instead of a restaurant, which was more common when it came to discussing business matters.

After a few sips, she put her bottle down and started getting to the point.

“Mr. Yuan, our company needs a hundred million in a week. We would have borrowed the money from the bank if not for the rules that require us to apply for the loan at least half a month earlier. I hope you can help us. Our company is very reliable and promising. Please feel free to carry out a check on us.”

Mr. Yuan fished out his phone and made a few calls for his secretary to do some checks.

Apparently, Zhu Pharmaceutical was not only famous in Donghai but also renowned in the whole country. One of their products, Sugar Deity 2.0, was even a big hit in the international market.

“You are right. I hear that your company is a renowned brand. We can have a deal, Ms. Zhu.” He nodded his head in agreement.

“I’ll lend you a hundred million for twenty days. I usually charge thirty million for interest, but I can make an exception for you if I have you at my beck and call during the next twenty days.”
