

## MEDICAL GOD CHAPTER 745

Qin Jun frowned, and he checked Zhu Linlin's location. Upon realizing she was at home, he heaved a sigh of relief before heading to the Zhu residence.

At that time, everyone in the Zhu residence was busy. Zhu Linlin was sitting on the couch and listening to Wang Yun, who refused to stop talking.

"Linlin, our guests for tomorrow are all prominent figures? How can you not be there?"

Zhu Linlin was speechless. "Mom, you know how that Xie fellow thinks about me, right? And you still want me to be there? Do you expect me to entertain him?"

Wang Yun had somehow gotten to know a wealthy man from Sheng City. His surname was Xie, and he had a son who was about Zhu Linlin's age.

The young master, Xie Huaqiang, had visited them once. He fell in love with Zhu Linlin. It was as if a nasty hog had seen a gorgeous swan for the very first time.

Xie Huaqiang was foppish. He did not have a care in the world and would spend days playing with his phone, watching TikTok videos, rewarding pretty live-streamers, and have sex with them. He also seemed like a person who would party at clubs all night long. He was a classic example of a useless jerk.

He was taken aback by Zhu Linlin's beauty when he first met her because he did not expect a small city like Donghai would produce a beauty like her.

He had been trying to get close with her, and what made her uncomfortable was he kept talking about sex. He absolutely disgusted her.

After the first meeting, Zhu Linlin had been avoiding him. Yet, her mother still tried to play the matchmaker.

Wang Yun stared at her. "Aren't men all a little lecherous? This is why a woman should doll herself up!"

Zhu Linlin did not know how to react to her mother's ridiculous theory.

"I heard he's a frequent guest at Spectro Escapade. I believe you know what that place is, right? You still want me to be with him? Do you really want me to marry this kind of man?"

Spectro Escapade was a renowned entertainment center for men. Of course, all the rich ladies knew about it too.

A frown appeared between Wang Yun's brows. "You're so much prettier than those women there. If he marries you, I'm sure he wouldn't visit that place anymore. Besides, men would become more reliable after they're married. Who hasn't made mistakes in their younger days? And you think only Young Master Xie frequents Spectro Escapade? Didn't Qin Jun visit that place too?"

"Mom, don't make up stories. Why would Jun go to that kind of place?"

Wang Yun sneered, "I knew you would doubt me. Come, let me show you something."

She took out her phone and started playing a video clip for Zhu Linlin.

In the video clip, Qin Jun was seen entering Spectro Escapade.

The video was not shot in high resolution, but it was not difficult to recognize the man. It was indeed Qin Jun.

The woman who shot the video was not spying on Qin Jun. In fact, she was recording a traffic incident outside the center, and Qin Jun happened to be there.

Zhu Linlin's expression changed. Why would Jun visit that kind of place? He's not this kind of man.

Zhu Linlin did not know Qin Jun was there not for entertainment, but only to kill someone.

Ever since Sheng City's gang leader Gao Chen died in a room in Spectro Escapade, the entertainment center had officially shut down. This was also how Lei Hong became his successor in Sheng City.
