

MEDICAL GOD CHAPTER 746

Wang Yun responded with a stiff smile. That was exactly the reaction she wanted to see on Zhu Linlin's face.

Her besties shared the video in their chat group. Coincidentally, she saw Qin Jun in it and thought he was no different from other men.

Wang Yun had saved the video and wanted to show her daughter at the right time, so she could fully give up on Qin Jun.

That video made Zhu Linlin uncomfortable. Why would Jun go to that kind of place?

But Qin Jun was single, and since they were not in any official relationship, Zhu Linlin was not in any position to question him.

No doubt it hurt her a little, but she did not comment about it.

Wang Yun then continued, "Alright then. It is not a private dinner, anyway. Besides Young Master Xie, a few other prominent figures will be there too. Just take this opportunity and get to know them. It'll be helpful to strengthen our family business too."

Now that Zhu Linlin had completely severed ties with the Zhu family, she could no longer rely on Ouyang Yanyan's network. This had taken a toll on her career.

It was time for her to build her own network and look for reliable business partners. Hence, she must attend the dinner.

“Fine, but we’ll talk business only.”

“Don’t worry about it!”

Just when Zhu Linlin was about to leave, Qin Jun arrived.

Her expression changed when she saw him. The thought of him entering the entertainment center made her feel uncomfortable, but she regained her composure. “Jun, you’re here.”

Though she greeted him as usual, Qin Jun felt she was faintly aloof, and he did not know what was going on.

“I called you, but you didn’t pick up, so I thought I should come and have a look.”

Zhu Linlin paused for a moment and took out her phone. Indeed, there were several missed calls. She was busy talking to her mother and forgot her phone was in silent mode.

He must have tracked her down using her watch because he was afraid that she might be in danger.

This move warmed Zhu Linlin’s heart. Men made mistakes, but since they were not officially together, she had no right to blame him for what he did.

“I’m fine, Jun. I’m going to attend a dinner. Will you accompany me?”

“Sure.”

Wang Yun pouted her lips, “Why can’t you leave us alone? Fine, you can come. I’ll show you what it means to be an outstanding man, so you can stop pestering Linlin.”

She gave Qin Jun a glare and stormed out of the house.

To Wang Yun, Xie Huaqiang was more powerful than Qin Jun, and she hoped he would stay away from Zhu Linlin after knowing how rich Young Master Xie was.

They arrived at the restaurant, went straight to the private room, and ordered the dishes. The legendary Young Master Xie arrived only thirty minutes later.

He walked into the room in his white shirt and casual pants, revealing his exquisite Hermes belt. He had an unhealthy pale complexion with dark eye circles, and his skin looked oily.

As a Chinese physician, Qin Jun could easily tell Xie Huaqiang was leading a healthy lifestyle as a womanizer.

“Linlin, you are here.”

Xie Huaqiang could not keep his eyes off Zhu Linlin. As someone who had many women in his life, he still thought she was in a league of her own.

It would be a blessing if he could marry her.
