

MEDICAL GOD CHAPTER 750

Mr. Fang realized he had disrespected Xie Huaqiang.

“So sorry, I’ve talked too much. I’m sure Young Master Xie is a knowledgeable man. I’m so sorry! I’ll leave now. Please enjoy your meal!”

He turned around and walked out of the room.

Xie Huaqiang was upset, and awkwardness filled the room.

Wang Yun frowned. “Can this stupid watch fetch such a good price? Don’t tell me you told the restaurant owner to fool us?”

Qin Jun retrieved his watch and put it back. He just responded with a grin and said nothing.

Wang Yun continued, “Young Master Xie, look at him. He must be in cahoots with that boss to fool you. Just ignore him.”

She tried to defuse the awkwardness, but Xie Huaqiang knew what Mr. Fang said was true.

He had the opportunity to examine Qin Jun’s watch closely. Indeed, this Blue Submariner was more exquisite than his. Moreover, Mr. Fang was an expert. He couldn’t have made things up just like that.

Xie Huaqiang forced himself to smile and wrap things up. “It doesn’t matter whether the watch is real or fake. It’s just a tool to tell us the time, that’s all. Oh, yes. I want to introduce you to a big boss. Let me make a phone call.”

Xie Huaqiang then took out his phone and rang the person up. Finally, they got to move on from the embarrassment.

Wang Yun heaved a sigh of relief and was excited with the arrangement. The primary intention of this dinner was to get Young Master Xie to introduce them to some businessmen and prominent figures from Sheng City. It would benefit their company if they could expand their businesses.

“Hello, Mr. Chen? Yes, I’m here. Please come to room No. 888! Alright, see you later!”

Xie Huaqiang regained his confidence after ending the call. “Career is the most important thing in a man’s life. For us to survive in today’s world, we must rely on networking. This is a good opportunity for you to make new friends. You should be thankful.”

Xie Huaqiang looked at Qin Jun, and once again showed off his superiority.

He might have embarrassed himself in the watch incident, but he was confident that his strong network with prominent figures could put Qin Jun to shame.

Wang Yun was exhilarated. “Who is Mr. Chen?”

Xie Huaqiang answered, “Mr. Chen is Chen Dihao. Have you heard of Dihao Karaoke Bar?”

Wang Yun was taken aback. “Oh, yes. He owns many properties like Dihao Hotel, Dihao Bar, and Dihao Internet Cafe. All these belong to the same owner?”

“That’s right. They all belong to Chen Dihao. Mr. Chen is not just any regular folk because he has powerful connections with the police and the underworld. I’m sure you’ll learn something from him.”

Wang Yun could no longer contain her excitement. "Thank you so much, Young Master Xie. Shall we prepare anything in advance?"

He thought for a bit and answered, "Mr. Chen likes to drink Wu Liang Ye. Why don't you buy two bottles of Wu Liang Ye? If not, call a cab and go out to get the wine."

Zhu Linlin frowned. "I don't think that would be necessary. It's just wine, anyway. We've Maotai here, too."

Xie Huaqiang gave her a stern look. "They're not the same. Women know nothing about this. This is all part of the business. If we want to make new friends, we have to serve them well and make sure they're comfortable."

"Now, get going. I'll pay you back later and give you some tips for your effort."
