

MEDICAL GOD CHAPTER 753

The trio seemed acquainted.

Chen Dihao nodded. "I have met Mr. Qin and Ms. Zhu once."

He sounded embarrassed when he said that. The truth was, Qin Jun almost killed him.

If Chen Dihao had not reacted fast enough that day, he would be dead like Yuan Shaoqiang.

The awkwardness was written all over Xie Huaqiang's face, but he kept the conversation going with a smile. "Oh, what a coincidence."

He could feel his face turned red as if someone had given him a tight slap. At that point, he just wished he could find a place and hole up.

Obviously, what he took pride in was something they thought insignificant.

He might have a platinum card, but someone else had a black card.

He might know Chen Dihao personally, but the latter treated Qin Jun as if he was the only person who was worthy of his respect.

Indeed, there was a world of difference between Qin Jun and him.

After having a few drinks, Chen Dihao left. Since there were outsiders around the table, he did not get to talk much with Qin Jun. Instead of sitting there doing nothing, he thought he should just leave.

Qin Jun dismissed him with a nod.

Even Zhu Linlin was surprised to see Chen Dihao at today's dinner. Just yesterday, Qin Jun almost broke his arms.

Once Chen Dihao left, Wang Yun immediately asked, "Linlin, how did you know Chen Dihao? How come I've never heard you talk about him before?"

Zhu Linlin peeped at Qin Jun and hesitated for a bit before explaining, "I just got to know him recently. We've had some business deals before."

Zhu Linlin did not tell the truth because she wanted to protect Qin Jun. She was afraid that Wang Yun might go around telling people about it, since she could never keep her mouth shut. Zhu Linlin did not want her to cause Qin Jun any problems.

Wang Yun then nodded. "I see. I thought Qin Jun knows Chen Dihao too. I guess I've overestimated him."

Qin Jun responded with a smile but did not clarify.

Xie Huaqiang had embarrassed himself twice today, but he finally resolved the awkwardness.

"Linlin, you should have told me you know Mr. Chen. That would have saved us all the hassle. Anyway, it is important to know people from the underworld too if you wish to venture into Sheng City."

Zhu Linlin nodded. "You are right. If we wish to explore the market in Sheng City, we have to deal with people from the underworld too since they rule the city."

Xie Huaqiang was pleased to know that Zhu Linlin finally agreed with his view, and he responded with a grin.

“Don’t worry. I’ve also invited a leader from Sheng City’s underworld. He’s a powerful man, and if you’re able to win his approval, your future in Sheng City is set.”

Zhu Linling nodded. Indeed, she needed to build rapport with people like these.

“Well, thanks in advance then.”

“You’re welcome! Let me make a call first.”

Xie Huaqiang took out his phone and dialed a number.

“Hello, Quan? It’s me, Xie Huaqiang. Yup, okay. I’ll bring you up now!”

He ended the call and said, “I’ll go and get him now. Please be careful with what you say. He’s not as friendly as Mr. Chen.”

Xie Huaqiang then left the room.

Wang Yun thought about it and asked, “Since they’re helping our business, do we have any gifts for them?”

Zhu Linlin knitted her brows. “But I didn’t prepare anything. It’ll be too late to buy now too.”

Wang Yun smirked, “Well, we have a gift here, don’t we?”

She then turned her attention to Qin Jun's watch.
