

My Evil Genius Wife

Volume 1

Chapter 107 - 5 million? How rude!

Su Xinyue sat on the couch, with her legs folded elegantly on one other as she glared at Xu Nuan in irritation. She looked around and frowned seeing how empty her house was. There is necessary furniture but there is no comfy- homey feel to it. It's like the furniture has been just put there.

Also, it was dirty as if the house hadn't been cleaned in days and the things weren't organized as well. How does she even live in this dirty house? She wondered.

Xu Nuan rubbed her aching temples and walked to her side. She sat on the couch, opposite her and looked at her tiredly and said, ' I see. So you came here to talk to me after hearing Zhu Ai's words. Hmm...' she pursed her lips and looked as if she was in deep thought.

' But...how do you know my address? Because I am sure I never told Zhu Ai about it.' she raised her brows as she asked this question.

Su Xinyue frowned seeing her attitude even after knowing that she is Han Zihao's mother. She cleared her throat and said, ' Zhu Ai's friend Gu Xingren told me. I also know that you're the adopted daughter of Gu's and yet you're being so haughty. Ah, I feel so bad for that poor girl Xingren. I heard that this house was supposed to be hers but you snatched it from her. How can you be so thick-skinned and shameless?' she asked in disbelief.

' _ _ '

Xu Nuan stared at her and scoffed lightly. So Xingren is the culprit behind it. Why doesn't this girl focus on her life? Does she love her that much?

Xu Nuan nodded as she understood everything. 'So...can I ask you why you took the burden to come all the way to my place?'

Su Xinyue frowned and blinked in confusion. Is this girl stupid? Isn't this obvious? She should be scared and nervous that she came to meet her all the way to her house but her reaction was as if her building's secretary came to her house. This wasn't the question she was expecting.

'What do you mean by why I came to see you? Of course, I came here to warn you to stay away from Han Zihao. I don't want my son to be engaged with you in any way. Whatever the relationship you have with him, just end it. I won't accept a cheap girl like you in my family. Understand that?' she said authoritatively.

Xu Nuan listened to her words with the least interest and said, 'Hmm....end our relationship...But we don't have any relationship...yet,' she added 'yet' to not give her any wrong idea.

She is not in a relationship with him now, but she wasn't denying that she won't have any relationship with him in the future as well.

Su Xinyue furrowed her brows and scowled, 'What do you mean by yet? Huh?'

'It means what it looks like. We're not in a relationship at this point, but I can't guarantee about the future.' Xu Nuan shrugged her shoulders casually.

Su Xinyue scoffed as her temperature was rising tremendously upon hearing this girl's shameless words. What? She can't guarantee about the future? How can she talk to her in this way?

'You...do you even understand what kind of situation this is? I am telling you that I don't like you and don't want my son to have any relationship with you, not now nor in the future. Do you understand?' she said exasperatedly.

Xu Nuan nodded and smiled, 'Yes. I know. I don't like you either.'

'--'

Su Xinyue was trying so hard to not be one of those bitchy moms who slaps a girl who tries to seduce their precious son. She has seen many girls who try to seduce rich men to enjoy a comfortable life but this girl was on a different level. She is not greedy but shameless as well.

Shouldn't she at least try to gain her favour? But how can she say that she doesn't like her? She took a deep breath and said, 'Well, it seems like you're exactly like what Zhu Ai has said. What do you want to leave Han Zihao? Money? Wait.' She opened her purse and took out her checkbook.

She signed one check and placed it on the table in front of Xu Nuan, 'Here. Take this and leave Han Zihao alone. Don't you dare interfere between Zhu Ai and Han Zihao's relationship. I don't want a girl like you in Han Zihao's life.'

Xu Nuan raised her brows in interest. She never thought that there will be a day where someone will give her a check to leave their son. Her face lit up as if her one of fancies became true.

'Is this how it feels when someone offers them checks like this?' That's the best way to earn money in the shortest period.' she thought inwardly.

She picked up the check in excitement but her smile dimmed seeing the check for only 5 million? Is she kidding me?

She was speechless seeing that she was offering her only 5 million to leave Han Zihao. Hah! Did she take her for a beggar? She has donated 5 million dollars to Han Zihao's foundation and she was offering only 5 million to leave him?

'Is she really Han Zihao's mother? How come she can be so cheap?' she wondered.

'She deserves a blank check at least.' She was offended by receiving this check. It was a huge insult to her self-esteem. Even though she isn't Jiang Yue anymore, how can she think that she will leave Han Zihao for such a low amount. If not for her, at least think about Han Zihao's image. Pathetic.

Seeing Xu Nuan's shocked, upset expressions, Su Xinyue smirked thinking that Xu Nuan was upset that she was offered money to leave Han Zihao. How can someone's love be counted in money? She wondered if like the actresses in dramas, she will return the check and will leave her son quietly.

Just like Xu Nuan, it was her first time offering someone money to leave her son. She has seen the same dramas as Xu Nuan and was waiting for her to cry and beg to not separate them and give them permission.

She smirked thinking that she did good by offering the check. This girl needs to know her position and stop seducing Han Zihao.

Hmjuz....ovu dfou vfl lmqu movuz nifrl.

Xu Nuan raised her head to look at her in confusion and asked, 'what...what is this? You're giving me a check to leave Han Zihao? Aunt Su, how can you do that?' Xu Nuan asked in disbelief.

'Hah. At least she has some shame.' Su Xinyue thought seeing Xu Nuan's upset expressions. Although she doesn't like her, she was in no mood to give her money just to leave her son. It was her husband's hard earned money after all. He will not leave her if she spent 5 million on someone just like that.

She has to agree that her current husband is stingier than he looks. She regrets leaving Han Zihao's father at that time. He has treated her the best, but...the deed has already done. What can she do?

However, she was glad that at least this girl had some shame and she wasn't behind Han Zihao for his money. But how can she be sure? What if she is behind Han family's property and money? She will get alot if she marries him.

' Aunt Su, I am disappointed in you. How can you offer me 5 million to leave him? Are you really his biological mother?' Xu Nuan asked with a frown.

Su Xinyue smirked but her smirk faded when she heard her next words, ' Do you even know how much this condo costs? It's definitely more than 5 million.' she commented sarcastically.

' Even though I am the adopted daughter of the Gu family, I am still their daughter. If I can get this condo, and not the real daughter, then think about it, can't I get my share in the company if I want? Does my worth look like only 5 million to you?' she asked while leaning forward, supporting her face with her hand.
