

My Evil Genius Wife

Volume 1

Chapter 165 - Immature Girl.

Tang Hu looked at Wang Meili with a frown whose expressions had turned pale and said sharply, ‘ Yes. Special Contract. I got a call from the President’s secretariat office this morning regarding it. According to the contract, the artists are gonna get 60% of the profit while Xu Nuan will get 30% and the company will be left with only 10%. And not only that, the President is planning to evaluate our positions again and see if we’re fit to manage the company or not.’ he said gritting his teeth in frustration.

Han Zihao appointed him as the CEO of the company while Wang Meili was positioned as the head manager who will manage the artists accordingly and will launch a girl group. Since it was the first project after the acquisition of the company, it was an important one to determine the future of the company.

Tang Hu was still unaware about the shares that will be given to Xu Nuan because of this deal. Even though she started with nothing but she managed to get a golden deal for herself despite having nothing with herself.

‘ Now you see what you have done ? Because of your attitude, we’re in big trouble.’ He said while pointing at her.

Wang Meili’s complexion turned pale hearing his words. ‘ But...How can the President make such a deal with a girl like her ? She is nothing but an immature kid!’ She said in disbelief.

He scoffed and leaned back on the chair, rubbing his temples, ' Do you think she is really that immature ? If she is immature and still managed to get such results, then Wang Meili, you just lost to an immature girl.Didn't you did your best to ruin her plans ?'

' You didn't let her get any help from the company, there were no vocal trainers, no choreographer, not even the company's composer and producer or director to help her, yet she managed to get the group to top 20. You tell me, what did your group do, despite having access to the company's connections and thrice the budget of theirs ? Huh ?' He shouted at her in rage.

Wang Meili didn't say anything and stood there with her head held down while trying to digest the humiliation that Tang Hu was throwing at her. He was the same person who used to treat her with respect and favours her but now when the crisis hit them, his attitude changed in a blink.

' Your group didn't even get into the top 70 leave alone the top 20. And yet you dare to come to me and talk about the artist black van and facilities for your group when they didn't even contribute to anything ? Get Out! I don't even want to see your face now.' he waved at her to leave the room and not anger him any further.

Wang Meili pursed her lips and left the office with her eyes red with humiliation or anger, she was not sure herself. After coming out of the office, she bit her lower lip and clenched her palms in humiliation, ' Xu Nuan, I really underestimated you! Since you played dirty this time, I will not gonna leave you like this and will make sure to pay you back the double of what you did to me. ' she announced while tightening her jaw. .

Han Corporations,

Feng Sheng narrowed his eyes seeing Han Zihao who was smiling like a fool while reading the comments on girls MV.

‘ Ahem, Sir, as you have said, I have informed the CEO of shining bright, Mr. Tang about our special contract with Ms. Gu and has told him about his and Ms. Wang’s position re-evaluation. I am sure after getting this information and seeing the group’s results, his attitude towards Ms. Gu will definitely change for the better.’

‘ But why didn’t you do anything back then when they were not cooperating with her and stopping her from getting any help from the company? Despite knowing everything, you didn’t do anything to help her, why? If Ms. Gu had failed, then the group would not have only disbanded but she also had to pay the cost invested by the company in the group. It would have been so unfair to her.’ Feng Sheng said concerningly.

Back then he didn’t understand his logic at all. The deal was only profitable to Xu Nuan if the group managed to hit big but at that time, it was nearly impossible for them to assume something like this and she still signed that dangerous contract.

Han Zihao smiled, ‘ I needed to check something about her.’ Also, she wouldn’t have signed that contract if she wasn’t sure about the results. He said suggestively.

Feng Sheng frowned and blinked in confusion, ‘ What is the result of your investigation?’

Han Zihao raised his brows and smirked, ‘ What do you think?’

'What? Why is he being all mysterious?' Feng Sheng wondered.

-

Xu Nuan was sitting in her office and was receiving calls from other broadcasting stations and shows to invite the group for the promotions. They not only broke the records and became the 1st girl group to get 25 million views of the release of the debut track, but their clips from the show 'Karaoke Singer' was going viral, soaring the girls popularity even higher.

'I hope it's not a dream. If it is, then don't let me wake up from this dream.' she giggled and swung her chair happily like an excited kid.

She was swinging on her chair when her eyes fell on the calendar placed on her desk. She looked at the calendar and saw the date 29th december marked with a red pen. She stopped the chair with a screech and stared at the calendar seriously.

'We were supposed to renew our contracts and announce the news about our fan concert. But who would have thought something like this to happen, ruining all our future plans?' she smiled bitterly, remembering that it was the day their contract was ending and they were planning to surprise their fans.

Not only that, she was considering her future plans with Qin Ju as well. If she wouldn't have died then she might have to face the biggest heartache and pain. On top of that, she wasn't sure if she would have got the chance to meet Han Zihao or not.

'Seems like the universe was doing it's best to bring me and Han Zihao together. That's why this ridiculous phenomenon

occurred.' she chuckled, thinking how she met him for the first time and was drooling seeing his ethereal looks.

She can't believe that she was settling for someone as low as Qin Ju when the best man like Han Zihao was waiting for her.
