

My Evil Genius Wife

Volume 1

Chapter 23 - I have paid for it.

Xu Nuan stared at him with a curious gaze and blinks twice when he didn't say anything.

She pursed her lips and wondered if he was angry or what. Because he wasn't saying anything and was just staring at her.

After a while, when he spoke, his response made her dumbfounded.

‘ Because I have paid for this room. It's reasonable for me to stay here,‘ he said with a straight face which made her baffled.

She opened her mouth but couldn't speak anything. She hasn't expected this response from him at all.

Isn't she the patient here? Even if he had paid for the room, does it mean that he has to stay here? It's not a hotel room. He could have said that he wanted to stay here to take care of her or was waiting for his secretary but he said that he wants to stay here because he has paid for it? Weird.

It's not even a hotel that he wants to stay here because he has paid for it.

She laughed awkwardly and said, ‘ Yes, Yes. You can stay here as long as you want, after all, you're paying for it.‘

She shook her head and prepared to sleep. Since she has taken medicines, her eyelids were feeling heavy.

‘ What happened?‘ Han Zihao noticed that she was trying to get up.

‘ Ah ? Erm... I wanted to go to the bathroom.’ she was startled when he suddenly asked her as she was about to get off.

‘ Oh!’ He stood up and walked to her and placed one hand on her waist and helped her to get off the bed carefully. Since the cannula was still attached to her hand, he didn’t hold her by the hand.

Xu Nuan pursed her lips and for no reason, she felt a little conscious when he came so close. She has performed with male partners or even dancers, this much closeness was nothing but she can’t help but give him a second glance.

Just as her foot touched the ground, she felt wobbly and shivered. She lost her balance but since he was holding onto her, her whole weight shifted to him.

‘ Careful’ he held her tightly and pulled her closer to him to prevent her from falling.

‘ Th..thank you.’ she stammered as her face turned red when she felt her body closer to him.

....

Xu Nuan pursed her lips as she glanced at him while preparing to lie on the bed. He had helped her to the bathroom and then to the bed. She could have called the nurse but he insisted on helping her to the bathroom.

‘ Mr. Han ?’

‘ Yes,’ he raised his head and looked at her with indifference.

‘ Where is Mr. Secretary ? It’s been long since he went out.’ She was confused about why he was not coming back, after bringing the

strawberry milk, Han Zihao sent him somewhere but he didn't come back since then.

He removed his coat and put it on the couch before saying, ' He went home. He is not coming anymore.'

Her eyes widened in shock when she heard this. She can't help but gulp seeing the sight in front of him. This man is such a rare man. He not only has a good looking face but his body is just perfect. She felt her mouth parched because seeing his bodyline she can tell there are six-pack abs underneath this white shirt.

' AH, Jiang Yue stopped it. It's not a time to fantasize about a man.' she took a deep breath to calm her racing heart.

' Don't tell me you're staying here ?' she asked in shock seeing the way he was preparing to sleep on the couch.

' Why ? Any problem ?'

' _ _ '

She was speechless because she can't figure out why he wants to stay here at night.

She pursed her lips and said, ' No. Not at all. You can stay here as long as you want.'

She doesn't want to ask him another question because she knows that he won't like his response anyway.

.....

The next day, Feng Sheng came to the hospital and gave them a ride to her place. Han Zihao didn't say anything all the while and just sat in the car with his eyes closed.

Xu Nuan took a bath and was now sitting on her couch while holding a cup of coffee in her hands. She has already eaten breakfast at the hospital, so she only made coffee for her.

Her lips curled upwards as she prepared to work on her second attack. She doesn't care if she gets her wealth or not. She can make it again like before, but she can't let that bastard take all of her wealth.

She prefers to donate everything rather than giving it in his hands.

At first, she was planning to do something to transfer the wealth to Xu Nuan but if she did something like this, it will be difficult to explain the actions. After all, Xu Nuan is a nobody, it would be strange if she becomes a millionaire overnight. And that too, the superstar Ming Yue gave her the wealth? This will be too bothersome, after all, she is Ming Yue herself.

' But no one knows about it.'

' Hmm, so no one else knows about the will yet? That's easy then. Let me try this way, then.' As said, she started typing on her laptop while humming one of the songs.
