

My Evil Genius Wife

Volume 1

Chapter 231 - Let's break up

Han Zihao was forced to swallow his words when he saw Xu Nuan standing there as soon as he pushed open the door.

She was wearing a cartoon print long t-shirt dress that barely covered her thighs. Although she was wearing black shorts underneath, it was barely invisible to his eyes and her dress was revealing too much of her skin making his eyes wander.

She let her damp hair loose and didn't even comb them. Her tousled hair was making her look more alluring than ever.

Seeing her dressed like this, he was reminded of the day when he went to her place for the first time to cook for her. Thinking about that, heat rushed to him, turning his earlobes crimson.

Xu Nuan's lips curled into a smirk seeing his reaction. Just as she had expected, Han Zihao was stupefied seeing her casual yet sexy look. Usually, she wears the panda pajamas that are comfortable and cover her well, However, to ruin his good night's sleep, she needed to do something extra.

What can be better than a long t-shirt dress? Sexy and casual!!

'This is just a start, Mr. Han. The game has just begun.'

Before Han Zihao could wake up from his trance, she pushed him slightly and entered the house, 'Dinner is ready, right?'

Let's eat. I am starving like a hyena.' she said while walking to the dining table.

Han Zihao was confused seeing her excited like this. She wasn't even talking to him a while ago, what has happened in such a short time that she was grinning like this?

-

Han Zihao pursed his lips as he watched her gobbling all the dishes one by one. To uplift her mood, he has ordered all her favorite dishes from the hotel. There were marinated crabs, lobster, spicy noodles, and dumplings too.

He was thinking that she will still be angry and will not talk to him well but instead, she was smiling and eating without a break. However, her not getting angry was bothering him even more.

Something is fishy!!

-

' Ah, it was a good meal.' she groaned in satisfaction as she leaned back against the chair, caressing her abdomen after eating almost everything herself.

He didn't say anything and stared at her suspiciously.

There was a long silence in the room. No one spoke.

After a few moments, He spoke, ' You....aren't you curious about how I found out the truth?' He asked hesitantly, observing her expressions.

It was strange for her to not ask him anything and pretend as if everything is normal. She should be curious at least, shouldn't she?

Xu Nuan slowly opened her closed eyes and looked at him, ‘ Why should I be curious ? You know the truth, that’s it then. What is there to talk about anymore ?’ She smirked after saying those words.

‘.....‘

’She is definitely up to something!’

--

She gathered her hair to one side, revealing her slender neck, and thought about something before saying, ‘ Mr. Han, should we just...stay as friends ? I don’t think that we’re compatible as a couple.’

Han Zihao was stunned when he heard her words. His eyes widened in shock as she stared at her in pure shock, ‘ Wait...what ? You...want to end our relationship ?’

‘What do you mean ? I don’t understand what happened so suddenly. Is it because of what happened at the cemetery earlier ?’

Xu Nuan pursed her lips and shook her head, ‘ Oh, No ! It’s not because of that. I realized we’re not compatible. Our personalities are too different. Moreover, there is no excitement in the relationship.’

‘ All this time I was the one pushing you, chasing after you. And it’s weird that you suddenly accepted my feelings just because you found out that I am Jiang Yue. It means you like that little girl who used to play with you, but that girl has grown into a woman now.’

‘ I am not the same girl you used to know anymore, Mr. Han. As you can see, I am not an innocent type, I can be bitchy sometimes.’

‘Also, we have a huge age difference, you’re 29 and I am 21 now. I don’t think it’s the right thing to do,’ she said seriously, making him frown.

Han Zihao was perplexed upon hearing her words. What is she saying....?

‘ What nonsense!! You aren’t even Xu Nuan, so technically there isn’t any age difference. Also, don’t lie to me, you’re doing this to get back at me, aren’t you? You’re angry for not telling you the truth, right?’ He asked while panicking.

However, she didn’t say anything and just smiled at him, helplessly.

‘ Mr. Han, I am not that petty. I don’t hold grudges over small things.’ She waved her hand and shook her head in denial.

How can she be so petty to play with him?

Han Zihao pursed his lips and observed her expressions. He squinted his eyes and found something interesting.

Very well!!

He smirked but smoothed his expressions soon enough. He let out a breath before saying, ‘ I think you’re right. We aren’t compatible at all. We can’t be together.’

‘Eh?’ Xu Nuan, who was playing with the glass, was startled to hear his words. This wasn’t what she was expecting.

‘ I am a President of Han Corporation afterall, I should marry a girl who would be par to my status and help the company to

grow too. I think Zhu Ai would be perfect for that. I should call Feng Sheng to get Ms. Zhu Ai's number and set a date for tomorrow.' he said while picking up his phone.

Her expressions turned dark seeing him talking about Zhu Ai in front of him. How can his feelings change in an instant?

' You want to talk to Zhu Ai? Why? Didn't you reject her already?'

' But she isn't even that bad. She is beautiful, educated, and don't you want to end whatever we have between us? I think I should let you go and find someone else from the same business industry.'

' Feng Sheng, you have Ms. Zhu Ai's number right? Send it to me. Also, the proposal we have from her company, give it a pass as well. Becoming business partners will stamp our relationship, unlike someone else's.' He said, glancing at Xu Nuan, whose expressions have turned grim already.

' Yes, send it fast. Also, reserve a five-star hotel for tomorrow evening too, I want to-

Before he could complete his words, Xu Nuan acted fast and jumped off the chair. She snatched the phone from him and shouted, ' MR. SECRETARY!! Don't do that. You don't need to send him her number or book any table. Otherwise, I will not let you live peacefully.' she shouted on the phone.

However, her expressions turned red when she realized that he wasn't calling anyone. She glanced at him and saw him chuckling while looking at her amusingly.

‘ So...are you done with your prank? Or do you want to go on with this drama?’

She laughed embarrassedly and raised her brows, ‘ Ah? What prank? I wasn’t pranking anyone. I was just angry. Even though we were breaking up, how can you talk about going back to Zhu Ai?’ she complained while pouting.

‘ Of course I can. We aren’t dating as you said, so there is no need for me to stay single and wait for you.’ He said, provoking her even more.

‘This sly Mr. Han.’ she gritted her teeth inwardly seeing him smirk.

‘ You...You’re recording it, right?’
