## Volume 1

### Chapter 285 - Official Trip (IV)\*\*

Han Zihao wrapped a white towel around Xu Nuan to keep her warm and carried her inside in princess style.

Gladly, she also wrapped her arms around his neck and let him carry her.

At first, she thought that he would put her down upon entering the villa but when he showed no intention of doing so and continued walking towards their bedroom upstairs, she started to feel tense.

She protested and whined to put her down as this position was quite embarrassing for her. She could see his sensual gaze from close and it was making it difficult for her to keep her calm.

On top of that, since she was wearing a bikini, she could feel the heat emanating from his body.

Being carried like this was much more sensual than being in the water together; because at that time, there was water between them but here, it was nothing but just a thin piece of damp cloth between them.

She could also feel his little man poking on her bottom and it was just making the situation even more awkward for her.

‘ Han Zihao put me down. I am not a kid, I can walk by myself!!’

‘ Put me down. It’s embarrassing.’ she hit him on the chest with her small fists and glared at him but he laughed and said before hugging

her even tighter, ‘ Embarrassing? Well, we’re going to do a lot of embarrassing things later. So there is no use of getting shy.’

‘ You...’ She stared at him in shock and couldn’t believe that he made this kind of brazen comment just now.

How bold!!

She covered her face with her palms and snuggled in his nape to hide her crimson face from him, ‘ You’re so shameless.’

‘ Yes. But only for you.’ He whispered, making her mōàn in exasperation, again.

He laughed seeing her avoiding his gaze like this and kissed her on the forehead before taking the stairs to go upstairs.

-

Upon reaching the bedroom, Han Zihao didn’t halt in his steps and straight went to the bed and put her down gently.

Xu Nuan frowned seeing that he put her down on the bed, rather than in the bathroom, ‘ Why did you put me on the bed? It will get wet too.’

They just got out of the hot spring and she was still wet. She needed to change her clothes first but he was staring at her as if he’s ‘all’ ready already.

His gaze was telling her his corrupt intentions but still....she doesn’t want to ruin the beautiful bedding just because of that.

‘ What will we do about it now? The bedding will get ruined. You should have-

While she was feeling terrible for ruining the white bedsheet and the covers, Han Zihao's gaze was only fixated on her lips and damp body.

Without waiting for any further moment, he leaned in and captured her rosy lips.

Xu Nuan was caught off by the kiss but soon wrapped her arms around his neck and pulled him closer. She shifted back and sat on the bed comfortably, meanwhile, Han Zihao was standing between her legs and was kissing her earnestly.

She moaned when he sucked on her lips and was trying to find his way to the insides of her mouth.

While his lips were keeping her engaged in a passionate kiss, his hands started to roam around her body, exploring every part of her.

While kissing, she unconsciously started to wriggle in his embrace as she was feeling ticklish when his warm hands started to feel her body.

She giggled but her laughter turned into a sensual moan because of his unstoppable passionate kiss.

He moved from her lips to her neck and started sucking on her exposed skin and leaving it red. Meanwhile, his hands were playing with her two mounds over the thin bikini top, making her even more restless.

Just how he was feeling up her body, her hands started to do the same. From grabbing onto his hair, she decided to be bold and started to feel his body too.

He never removes his clothes in front of her, but for the first time, he wasn't wearing anything on the top.

Her hands roamed on his back, feeling up his muscular body. From his back, she slowly made her way to his muscular chest and toned abs.

However, she couldn't help but gasp when her fingers touched his tight and toned abdomen.

'What the Hell? When did you have the time to make this? And whom do you want to impress with this kind of hot body?' She asked dramatically to see his toned abs and was feeling envious of it.

It was so hard to get toned and visible abs.

After that, she swore to not be too greedy for abs and never go on a diet for that.

However, when did he get the time to work out for this? Isn't he the President of Han Corporation? How the hell does he have the time to work out?

He paused from kissing her and looked up at her in amusement, 'Is it that hot? Then...touch it as much as you want. It's all yours.' He whispered in a low and raspy voice, making her blush.

'Ah, stop your cheesy words already. It won't work on me.' She lied straight on his face while trying to avoid eye contact with him.

He chuckled and said, ' If that won't work on you, then I have another way to impress you? Do you want to see that?'

She looked at him curiously, ' What is it?'

He smirked and reached behind her back and efficiently pulled on the string of her bikini top.

Even though she was wearing an off-shoulder bikini top, it was secured with the knotted strings on the back and after he undid the strings, her top came loose, almost exposing her chest.

She gasped and covered her chest with her hands but he held her wrist and said, ' Didn't you say you want to see my way to charm you? Why are you covering them now?' He frowned.

'You...' Xu Nuan was shocked at how smooth his words were and was surprised that this man claims that he never did anything like this before.

To her, he is not less than any womanizer.

Seeing the way he was being shameless, she couldn't help but scoff in disbelief.

She was the stupid one to think that he is a sloth and a shy type. He is the type of man who pretends to be clueless about such things but is very dangerous.

As Xu Nuan was busy thinking about how to beat him in shamelessness, he removed her top, exposing her soft mounds to him and revealing her milky white skin.

She gasped but before she could assess the situation, he took one of her nipples in his mouth, meanwhile, he played with the other, with his hand.

She mòànéd and held her head back while holding onto his shoulders tightly and was digging her nails into his skin when he licked her nìpplè and blew air on it, making her shudder at the sudden cold sensation.

‘Zihao...’ she mòànéd as she held onto him earnestly.

It feels so good!!

-

They were so engrossed in the moment that soon Xu Nuan was lying on the bed on her back, while her legs were half dangling off the bed.

Now she was lying almost nàkèd, with her bikini top and bottom on the floor, and was wearing her pàntiès only at the moment.

Han Zihao was still in his trunks and was hovering over her, kissing her lips frivolously and leaving hickeys on her neck, making her feel giddy of his tickling feeling.

He was hovering over her and their bodies were touching each other's, but he was balancing his weight to not get smashed under his weight.

From fondling her brèàsts, his hand moves to her abdomen and then thìghs, càrèssing her skin gently and pampering her with love.

Xu Nuan mòànéd aloud when his hands were càrèssing on her inner thìgh. She arched her back in anticipation when he finally touched her down there, over her pàntiès, and rubbed her with his fingers.

‘ Xu Nuan, how does it feel ?’ He asks, making her blush even harder.

‘ Who asks that ? Don't... don't say stuff like that.’ She said embarrassedly.

‘ Why ? Why is it so embarrassing ? Xu Nuan, I want you to say that it feels good when you feel so and No when it doesn’t. You can do that, right ?‘ He looked at her but she only gritted her teeth.

It’s good that he prefers serious conversation even at this moment, but she is not in a mood to be philosophical right now.

She doesn’t have any thoughts about anything as she was not in her senses.

‘ Yes...Yes...just...do something already.‘ She said in frustration and pleaded, feeling the ball of heat forming in her lower abdomen, begging for more.

Seeing her acting desperate like this, he chuckled and said, ‘ Right away, Your Highness!!‘
