

My Evil Genius Wife

Volume 1

Chapter 293 - Shameless creature!!

Han Corporations-

Han Zihao was in his office and was going through the documents that Feng Sheng had given him a while ago to check and sign on them.

He was immersed in his work but was glancing at his phone from time to time. It's already lunchtime and Xu Nuan hasn't called or messaged him yet.

In the last few days, she always calls or messages him during this time. It has become like a routine for him to talk to her during lunch but there was no call today.

Today his phone was dead silent.

That's strange.

~Knock~Knock~

'Come in.' He said without looking up.

His eyes were fixated on the file and there was a frown on his forehead. His black hair was combed back, revealing his wide forehead but it didn't look awkward on him.

Not many people can pull up this look but he was looking mesmerizing as always. He adjusted his thin frame glasses and flipped over the page to read.

‘ Take the lunch away. I don’t want to eat today.’ He said indifferently without looking up. Since it’s lunchtime, who can it be other than Feng Sheng ?

He wasn’t in the mood to eat today. He cannot call her randomly since she is busier than him because of her classes and work.

That’s why she calls him whenever she is free, but since she hasn’t called him today, it means she is too busy to talk to him.

He sighed heavily, wondering why she works so hard. Even he doesn’t work this hard, despite being the President of Han Corporations.

As he was lost in his thoughts, he heard a playful voice, ‘ Are you trying to starve my boyfriend because of your so-called work ?’

He raised a brow upon hearing the familiar voice. This voice....it’s his favorite voice.

His lips curled up in a smile as he looked up and chuckled in disbelief to see Xu Nuan standing in front of him while carrying a white bag.

Xu Nuan smiled seeing his lost expressions and put the lunchboxes on the glass table before moving to his desk.

‘ Tell me, were you planning to starve my only boyfriend today ? That’s so cruel!’ She crossed her hands in front of her chest and said dramatically.

He chuckled seeing her reaction and put his file away and removed his glasses before signaling her to come to his side.

She giggled and walked to him. Before she knew it, she was pulled by her wrist and was sitting on his lap.

She looked at him in surprise, seeing his bold move, and asked again, ‘ Are you trying to avoid my question ? How dare you ignore me ?‘ she frowned and pinched his nose in punishment.

Despite her punishment, he was smiling at her like a lovestruck fool, ‘ Don’t you think it’s a very light punishment ? Shouldn’t you go for a harsher one ?‘ he whispered in a raspy voice, making her blush.

‘ Harsher one ? Are you sure you can bear my roughness ?‘ She counterattacked him.

‘ Well, you can try and see it yourself if I can bear it or not. Do you want to try it here ? Huh ?‘ he asked while staring at her with his suggestive gaze.

She raised her brows at his bold words and turned to look towards the door before whispering, ‘ The door is open and Mr. Secretary is still outside.‘

‘ Do you think it’s appropriate for you to do this here ?‘ she asked.

He wrapped his arms around her and looked at her with a meaningful gaze, ‘ It’s my office. No one can come here without my permission.‘

‘ By the way, there is another bedroom in my office. If you want, we can move there too.‘ He whispered before leaning for a kiss.

Xu Nuan didn’t get a chance to back away as he captured her cherry-like red lips and started sucking on them. He placed a hand behind her head, pushing her head towards him, and was deepening the kiss.

She giggled and feeling his urgency, she also wrapped her hands around his neck and kissed him back with the same passion.

While sucking on her lips, his hands moved downwards and started caressing her silky smooth legs.

The black skirt that she was wearing rolled up, revealing her thighs. His hands moved up, caressing her inner thigh, making her gasp.

She moaned against his lips, ‘ Mr. Han, don’t you think you’re becoming too bold? We’re still in the office.’

He gulped seeing her in this state and took a deep breath before picking up his phone. He dialed Feng Sheng’s number and said on the phone, ‘ Weren’t you asking for a half-day leave today? You’re free to go. Also, ask your assistant to take leave today as well.’

Feng Sheng, who was working hard outside frowned. He denied his request for leave yesterday and now he is suddenly granting it. What changed his mind suddenly?

He stared at the closed door and her pupils widened upon realizing what’s going on. OHhh!!

‘ I get it, sir. I will not let anyone disturb you. You can trust in me for that.’ he said and was feeling excited for no reason.

After Han Zihao hung up the phone, he stared at nowhere and was smiling proudly. ‘ Why am I suddenly feeling so emotional?’

‘ I knew it. Only Ms. Gu can change this workaholic. Because of her I even got a half-day leave. I should work hard to show her my loyalty. She is my ultimate savior.’

‘ Ms. Gu, don’t worry. I will not let anyone disturb you two. You’re going to make our future boss after all.’ he nodded in determination and turned to his assistant who was working on her computer.

‘ It’s lunchtime. Why are you still here? Go and get something to eat.’

‘ It’s okay sir. I am on a diet. So I will stay back and do my work.’

He frowned, ‘ No! Dieting is not good for you. You’re already so thin. There is no need for you to diet.’ He insisted. If she doesn’t leave, he won’t be able to leave as well.

‘ Here, take this company card and eat something good. Also, take your time. You don’t need to hurry to come back. Okay?’

The girl looked at him in surprise and was touched by how gentle and considerate he is. ‘ Sir,’ she looked at him gratefully and took the card from his hand.

‘ I promise I will work even harder after coming back. Thank you so much.’ The girl said thankfully and left to eat something delicious on the company’s expenses.

Feng Sheng smiled seeing her leaving and sighed in the content before picking up his bag as well to leave the office.

‘ Since I have done the work, I should leave as well.’

—

Xu Nuan was speechless when Han Zihao made that phone call. She wasn’t expecting that he would say something like that to Mr. Secretary.

She hit him on the shoulder, ‘ Are you crazy? How can you say that to him?’

‘ Argh...I can’t imagine what he will think about us now.’ She covered her face with her palm, feeling embarrassed.

He frowned, ‘ Don’t think about him. He will think nothing of it.’

‘ He is being paid to think nothing.’ He tried to calm her down but she only glared at him.

‘ You....You...Arghh...’ she gròànéèd in frustration. She can’t help but think about what he will think about them now. They were alone in the office and he blatantly told him to not let anyone enter the room.

What could be the meaning behind this? It’s simple!

Damn!! This is so embarrassing.

‘ I thought you were an innocent type. I never thought you could be this shameless.’

He chuckled at her comment and said, ‘ I never said that I am innocent one. You’re the one who àssumed it.’

‘ Don’t you know that quiet people can be the most dangerous ones? Hmm?’ He rubbed her tomato red earlobes.

She looked up upon hearing his slightly husky voice that was sounding so tempting that she almost forgot that she was angry at him.

Seeing her surprised look, he smirked and kissed her lips again, making her forget the reason why she came here.

She moaned, lost in the kisses, and wrapped her arms around his neck.

If he has already ruined her reputation, then let it be. It's not like it's gonna be fixed now.

It's his office anyway. When he is unbothered by it, then who is she to feel embarrassed about it?
