

My Evil Genius Wife

Volume 1

Chapter 320 - Disgusting Couple.

Highlight Karaoke-

‘ Woohoo, let’s play another song. This time I will sing the song.’
Song Ai shouted as she stood up to take the mic from Sun Ya. Her legs were wobbling and were getting weak just like others as she had drunk a lot.

Pan Lan who was sitting beside her sighed and tried to stop her but she didn’t listen to her. Every time Song Ai chooses a song to sing, she picks a sad, heart-wrenching ballad and wails uncontrollably while singing it.

By now she is aware of her drunken habits. Song Ai loves to sing and cry when she is drunk. What can be a better place for her than a karaoke bar when she is drunk? She can cry and sing to her heart’s content.

She sighed and glanced at another drunkard. Xu Nuan was passed out on the couch beside her and was sleeping peacefully.. After creating such ruckus in the room, she fell asleep.

A while ago, after taking 2 shots of the vodka, she started removing her clothes, shocking everyone.

She unbuttoned her shirt and was about to take it off when she held her hands tightly and covered her with her jacket.

Even though she was wearing a tank top underneath the shirt, Pan Lan didn’t let her do that in front of everyone.

In this room, she was the soberest one. She is feeling as if she is the kindergarten teacher.

Why is it so chaotic?

Since it was Xu Nuan's last day at the company, they all were singing and playing as if there was no tomorrow. And now, only a few people are alive and still in senses, meanwhile everyone else is dead drunk.

Everyone went wild to celebrate Xu Nuan's last day at the company and made her drink as if it's water. And Xu Nuan being Xu Nuan, she too didn't back out and continued taking insane amounts of shots.

It was so hard for her to stop drinking and make her eat something in between the drinks. After observing the last time, she made sure to not have mushrooms on the table this time.

Although Xu Nuan didn't say anything, she noticed that last time she didn't eat the mushrooms, instead, Lin Hui who came to get her, ate those appetizers instead of her.

Seeing how she avoids mushrooms, it was obvious that either she was allergic to them or she hates them to the core that she cannot eat anything as long as they're on the table.

' Zihao...Zihao...my little cutie-pie..I will eat you tonight.' Xu Nuan murmured while flapping her hands in the air in sleep.

Pan Lan was startled by her sudden cringeworthy words and looked at her disgustingly, ' Ergh...people in love are the worst when they're drunk.'

' Hey!! Stop saying those words or I will throw you out of the room.' She slapped Xu Nuan's hand to wake her up but it was of no use.

' What am I? Her nanny?' she sighed seeing how she has to take care of these drunk people.

~Thwack~

She was surprised when someone pushed open the door with a crash. She looked towards the entrance and saw a man standing there. He was wearing a formal suit, looking neat and professional.

'Did he come to the wrong room?' She wondered. From the looks of it, he looked as if he came here for a business meeting. If not the wrong room, who wears a business suit to a karaoke room?

Was he going to the restaurant on the third floor? She wondered.

'Wait...why does he...look so familiar?' She frowned and squinted to see his face. He looked kinda familiar to her.

-

Han Zihao didn't mind the people staring at him in daze and confusion. The lightning in the room was dim and the colorful lights in the room were making it difficult for him to see everyone's faces clearly.

As he was scanning the room, his eyes fell on the man with whom he had a video call a while ago. He frowned seeing the man completely passed out as he was sleeping on the couch with his head held back.

When he had the video call with him, they were in the private room of a restaurant. However, after reaching the restaurant, he found out from the reception that they had already left and someone heard them talking about going to the karaoke room on the first floor.

' Here!!'

He frowned and was about to go to the man to ask about Xu Nuan's whereabouts when he heard someone's voice. He turned to the side and found Pan Lan waving at him.

He squinted and was glad to see a familiar face at the party. He walked to her and was about to ask about Xu Nuan's whereabouts when a hand came out of nowhere and pulled on the edge of his coat.

He looked down and found Xu Nuan lying on the couch and was pulling on his coat like a small kitty.

He sighed in relief seeing her wrapped in Pan Lan's denim jacket and she was still wearing her clothes.

The conversation on the video call almost gave him a mini heart attack. During the ride he couldn't help but think of the extreme things that she can do when she is drunk.

But thankfully, there are people who are there to look after her. She is not alone and has people backing her up.

He pursed his lips as he was swayed by her smile for a moment. After coming here, he wanted to scold her for drinking like this but seeing her grinning at him like this, all the anger and frustration went away, Shoo!!

Pan Lan who was watching their silent yet warm interaction, scoffed seeing him staring at Xu Nuan with a look as if she is the most precious treasure of his in the world.

'Hah! Did they come from some romantic movie or what? Why is everyone acting so cringey?' She rubbed her arms in disgust to ease the goosebumps.

She called him because she recognized that he is the same man who came to pick her up the last time. But do they have to be like this whenever they see each other?

‘ You’re her boyfriend, right? Take her with you. I can’t take care of her anymore.’ She said indifferently while waving hands at him.

Han Zihao raised his brows at Pan Lan’s indifferent attitude and blinked. Other than Xu Nuan and his Grandma, no one treats him like this.

Is there a need for him to bear this kind of casual attitude?

More than that, he is her boss’s boss.

He took a deep breath and tried to calm himself. ‘It must be because she doesn’t know who he is.’

‘ Thanks for taking care of her. I’ll be taking her back now.’ He thanked her and carried Xu Nuan in a princess style.

Xu Nuan opened her eyes and grinned at him when he picked her up in his arms. ‘ My cutie sloth is here. Aww, why is your skin so soft?’

She nestled in the crook of his neck like a spoiled cat and held onto him tightly.

Seeing her being taken away like this, everyone in the room started to howl and tease Xu Nuan as if they’re all high school students, ‘ Hooo!! Someone is going to have a rough night.’

‘ What rough? It must be passionate. Hahaha!!’

Han Zihao was leaving the room when he heard someone say, ‘ Xu Nuan, that’s not fair. We decided to stay awake the whole night. You cannot leave early like this.’

‘ Don’t be a party pooper.’

Han Zihao turned around and looked at the man who made this comment. He was the same person who picked up Xu Nuan's phone earlier.

Why is he so noisy ?

' She can leave whenever she wants. No one can stop her from doing that.!! I will take her back.' He said, making everyone shout again at his savage comment.

Pan Lan chuckled seeing all the girls in the room fangirling over Xu Nuan's handsome boyfriend.

What do I do with these drunkards now ? She sighed.
