

My Evil Genius Wife

Volume 1

Chapter 328 – Surprise V

Just as he wanted, Xu Nuan gulped nervously and increased the pace of her hands. She started running her hands over his shaft up and down. She massaged it and sometimes squeezed his balls between her palms, making him groan in pain and pleasure.

He held his head back and gritted his teeth in frustration as he wanted to run his hands over her body and wanted to touch her but because of these bloody handcuffs, he cannot do anything.

However, this restriction was only increasing the electrifying sensation in him, making it difficult for him to control his emotions anymore.

‘ Ah, Xu Nuan. Faster.’ He moaned as the heat started to build inside him that felt like bursting out.

Xu Nuan got nervous seeing him getting impatient. He looked like a beast who was waiting to be unleashed.

Without any thought, she took him in her mouth and instantly regretted it. It was bigger than her mouth and she could feel it hitting the end of her mouth.

‘ It doesn’t look that bad when others do but it feels so weird when I do?’ She cried inwardly. This isn’t as heavenly as she thought it would.

However, before she could remove it from her mouth, Han Zihao took the charge and started thrusting himself in her mouth, catching her

off guard. She frowned and looked at him but seeing his face turning red in pleasure and enjoying this feeling with closed eyes, she gave up the idea to remove it from her mouth.

She became more determined to make this experience special for him. Since he does the same for her, can't she do the same to him? Give and take, Simple.

So she started pleasuring him with her mouth and did just as she has seen in those...ahem...action movies. It's a good thing that she has already taken some references from those movies to not be lacking in her actions.

While pleasuring him with her mouth, she didn't forget to use her hands and continued to play with his balls, making him groan loudly as he was chasing for his climax. In no time he released his fluid in her mouth, leaving her wide-eyed.

After he released it in her mouth, he then realized what happened. Xu Nuan was frowning at the bitter and sticky liquid that was shot in her mouth and was now dripping from her mouth to her neck, leaving her with a sticky, disgusting feeling.

She was on the verge of tears due to the attacking thrusts of him and now the sticky bitter liquid in her mouth. She looked at Han Zihao, giving him a look of betrayal.

He coughed awkwardly seeing her shocked expressions as she wasn't expecting to take the blow in her mouth.

' Let me get you some tissues,' he said and was about to get off the bed when she hurriedly got off the bed and dashed towards the bathroom, leaving him all baffled.

Xu Nuan gargled her mouth multiple times with clean water and made sure to wipe herself with a wet towel to remove the sticky feeling from her body. ‘ Seems like I am fit for doing blow jobs.’ she sighed while looking at herself in the mirror.

How can she run away like this? This ruined the sexy and seductive image that she had built with such efforts.

Sigh!

After she walked out of the bathroom while carrying a slightly damp wet, she halted in steps when she saw Han Zihao still lying in the bed, waiting for her. He was fully naked and she was still in the nightdress, but why was she feeling embarrassed?

She stood there thinking how she embarrassed herself earlier when he said, ‘ Why aren’t you coming? Don’t tell me that your surprise is over?’

‘ Since you locked me with these so-called handcuffs, you should take the responsibility for this and treat me better.’ He complained, making her frown.

However, before she could say anything and retort to his statement, she remembered that it was her who prepared all this for him and in the end, locked him with the handcuffs whose keys are hidden somewhere in the bushes of the garden.

She sighed and walked to the bed, and sat on the edge of the bed. She didn’t look at him as she was feeling a little discouraged. Why do things don’t go as she plans?

‘Ahhh...’ Xu Nuan who was busy in her self-reflection was caught off guard when Han Zihao suddenly flipped her over on the bed and hovered above her.

She blinked in confusion. ‘How come you are..’ She stared at his hands and realized that he didn’t have the handcuffs anymore.

‘Where are the handcuffs?’ She asked in confusion.

‘I opened them.’

‘Opened them? How? When?’

He smirked and said, ‘Do you think those cheap handcuffs can protect you from me tonight? Huh?’

When she was gone in the bathroom, he looked for the hammer and broke the handcuffs. Since they were not that strong, they opened in one or two hits only.

‘But how did you-

As always, her curiosity was at its peak and before she could start her series of questions, he sealed her mouth with his intense kiss. While he kissed her on lips and moved to her earlobes to kiss and càress and then moved to neck and collarbone and suçkèd her on her skin, marking his territory, his hands were busy exploring her body.

Xu Nuan mòànèd in plèàsurè as she forgot all the doubts that she had in her mind earlier and was now lost in sheer plèàsurè. His hands were like magic as he plèàsurèd her and intensified its effect by putting a finger inside her.

She cried in pain and pleasure and grabbed a handful of his hair, urging him to increase his pace. ‘ Ah, Han Zihao...’ she moaned his name, boosting his energy.

He increased his pace and thrust another finger inside her, increasing the pleasure. Xu Nuan moaned and could feel the ball of pleasure forming in the lower abdomen of her body.

‘ Ah, Faster.’ she cried. She was waiting for him to fasten his pace but rather than doing so, he suddenly stopped and pulled out his fingers.

She frowned and looked at him questioningly. ‘ What are you...’ However, rather than answering her question, he positioned himself in front of her and thrust his length inside her, making her body bounce in surprise.

Xu Nuan cried out in pain and pleasure as Han Zihao increased his pace and thrust himself harder and faster, making her cry out his name louder and louder.

After reaching her climax, she slumped on the bed, tired, and was covered in sweat despite the air conditioner turned on in the room. Han Zihao also went to her side and pulled her in his embrace.

Xu Nuan heaved heavily and tried to catch her breath. She hugged him and placed her head on his arm for support. ‘ Do you like my surprise?’ she asked in a low voice.

He looked at her and smiled seeing her blushing like a young shy girl, ‘ Hmm...I wonder what was the surprise. Is it the dinner that you cook personally or...the way you...’ He stopped and glanced at her, hiding her face against him.

He laughed and rubbed her back gently, ‘ Oh, I love the surprise. It would be amazing to receive such surprises frequently.’

She shot him a glare and said, ' I don't think I will do the same again. It's...weird.'

' Oh, is it? Then...do you want me to give you such surprises often ?' He asked meaningfully, making her stare at him in shock.

' Mr. Han, don't you think that your mind is becoming quite...dirty these days?' she asked.

' Really? Is that a compliment?'

She raised brows at him, ' Does it look like a compliment to you?'

' Of course it is. A good one on that.' He smiled proudly after saying this.

Xu Nuan slapped him on the chest and chuckled at his cheeky comment.

He pursed his lips and was pondering what to say when she started moving her hands up and down over it, making him groan in pleasure. ' Yes. Yes. I want it.'

' But can you be a little faster ?' He requested while covering his face to the side.

Xu Nuan couldn't help but laugh seeing him getting all shy and embarrassed about it. He acts like a pro when he does the same to him, but now when it's his time, he is getting all shy.

Well, that's why she likes him. Her cute and clumsy Sloth Han.
