

My Evil Genius Wife

Volume 1

Chapter 33 – Playing dirty

Xu Nuan was caught off guard when she heard Han Zihao's suggestive words. What does he mean by helping him using her body?

She subconsciously shifted back, creating distance between them and looked at him with wide eyes.

'What? What...what do you mean that you only need my body?' She stuttered as she asked in horror.

She was trying to assess if she has judged his character correctly or not. She always has been proud of her senses when it comes to judging people. But after she found out how Qin Ju and Hao Mei betrayed her and that too for a year now, she was speechless.

How can she claim that she has a good sense of character judgment after being cheated by her boyfriend and her closest friend with whom she has spent most of her time?

His lips curled up in a smile seeing her trembling and trying to shift away from him like a scared lamb.

'Yeah. Your body. There is only one thing you can do.' He raised his hand and pointed his finger towards the side.

Xu Nuan furrowed her brows and looked into the direction where he was pointing at.

'Kitchen?' She murmured as she couldn't understand why he was pointing at the kitchen.

‘ Since you have eaten your fill, now go and wash the dishes.’

‘ _ _ ’

Xu Nuan was speechless. She turned to him and asked with uncertainty, ‘ So... you’re asking me to do the dishes? Like I gave you the ‘ Golden Chance’ to make a request and you want me to do dishes?’

She was stupefied at the thought that he just wasted the precious opportunity that she had given him. He could have asked anything, like literally anything.

Yet he chose to ask her to do dishes. Is this man so innocent or stupid?

‘ As I said, you can help me using your body only. So go and do the dishes, I don’t like to do the dishes.’ After saying this, Han Zihao casually picked his laptop again and started working, ignoring her existence.

‘Hah!’ She scoffed when he didn’t even glance at her.

‘ So he wants the superstar Jiang Yue aka Ming Yue to do dishes? People die to get an autograph from her and he wants her to wash dishes with her precious hands?’

‘Ah, wait! I am not Jiang Yue anymore. Damn, it’s all happening because I am not Jiang Yue but Xu Nuan. Otherwise, there is no way he would have acted like this around me.’

A proud smile appeared on her lips as she looked at Han Zihao provocatively.

‘ Han Zihao, you just wait and watch. This Jian...Xu Nuan will show you what kind of goddess I am. You can’t get away from my charm.’

an evil smile appeared on her face as she started thinking about how to control him.

‘ What are you doing ?’ Hanz Zihao raised his head when he started to feel cold suddenly. He was startled when he saw her creepy smile and the way she was laughing while staring at him without any reason.

Han Zihao saw the way she was walking towards the kitchen as if doing the ramp walk and she is some kind of model.

’ Seems like she got hurt badly during the accident. ’ he shook his head as he tried to excuse her behavior because of her accident.

...

Xu Nuan was casually sitting on her bed with her laptop on her lap. She raised her brows seeing the articles going around on the internet.

‘ Hah! So this bastard has decided to play dirty now ?’ She said in a deep voice as her expressions turned cold.

It’s been two days since she has sent him the warning message. She wanted to wait and see how dirty he can go.

Moreover, she was making a plan in the past two days and was thinking about how to deal with her wealth.

Although she wanted to take her wealth back, however, it will be difficult to explain the incidents to everyone. Xu Nuan is not someone who has a special background nor has she ever met Jiang Yue in the

past. If she does something shady, it will be too troublesome and she is in no mood to call for more trouble for herself.

In the photo, she was with her manager, Lin Hui. The angle of the photos was provocative and they seemed very intimate in the pictures which can raise questions on their relationship.

Lin Hui was not only her manager but they also have a very close relationship. He has been The Queen's manager since their debut and they indeed have a very good relationship other than other members.

However, it was nothing but friendship. Qin Ju knows this very well, that's why he was now trying to ruin their reputation. Since Lin Hui is in his way and he not only knows about their relationship, he also knows about the so-called will. If he tries to take the wealth, he knows that Lin Hui can create problems for him.

' Does he think that all of the things are done by Lin Hui ?' she wondered while scrolling down and checking the comments under the post.

[OMG! How disgusting. I can't imagine that the bastard Lin Hui tried to hit on Ming Yue.]

[She is a goddess. I can't accept that he gets to sleep with her. Argh...this bastard is really lucky.]

[Are they making out in a car ? OMG! How disgusting. Can they just get a room because the van was also used by other members and it's disgusting to sit in the same car where they had made out.]

[I always thought that it's very fishy that he had been the Queen's manager since their debut. Not only that, but we have also seen how good their relationship is. I am sure they must have been sleeping around before this.]

[Now I understand why Ming Yue was so popular and why she gets so many endorsements and work. It's all because of her manager boyfriend who was helping her from behind the scene.]

[I agree. I am sure he must have made extra efforts to get her the best offers and treated others like trash, giving whatever was left.

[Oh my god! Did you guys see the announcement made by QY Entertainment? Go and check out their official page.]

Xu Nuan frowned and checked the official announcement made by QY Entertainment which made her furrow her brows.

She gritted her teeth as her expressions turned dark.
