

My Evil Genius Wife

Volume 1

Chapter 338 - Why are you grabbing my pants?

Xu Nuan was confused to see the strange situation. Why were Luo Dan, Jia Fei and Yuhan together? And why Luo Dan was asking if Yuhan is her friend or not?

She glanced at Yuhan in confusion and stepped out of the elevator with Han Zihao, 'Well, he is a close friend of mine. Is something wrong?'

'Well, as you can see, Jia Fei was drunk and he was with her. I was not sure about his identity so I was just...questioning him,' she explained honestly. However, since Xu Nuan also knows him, she realized that he must not be that bad.

Yuhan was speechless to see Luo Dan talking about him as if he made her drunk like that. He did nothing and just paid the bills, was that his fault? He even tried to stop her but she kept drinking shots over shots.

Xu Nuan frowned. She looked at Yuhan and then at Jia Fei. The last time when she went to Moonriver cafe with Yuhan, Jia Fei and Yuhan met for the first time and she remembered that it wasn't a pleasant meeting for sure.

Then what changed between them? Since when did Jia Fei and Yuhan get close enough to go out for a drink together?

'I am sure there must be some misunderstanding. Yuhan is not a bad guy. Don't worry.' Xu Nuan explained.

Han Zihao frowned and glanced at Yuhan who was pleased by Xu Nuan's response. Why is she clarifying for him? It's not like she knows him well enough to clarify for him.

'Erh...Do you need some help? You look uncomfortable.' Xu Nuan said seeing Luo Dan getting crushed by Jia Fei's body weight.

' Ah, well, Thank you. Here.' Luo Dan hesitated at first but gave in to Xu Nuan eventually. She sighed in relief and handed Jia Fei to her.

However, unlike her, Xu Nuan grabbed the back of her pants tightly and made her stand on her legs, instead of supporting her by her shoulders or back.

' Argh...why are you grabbing me by my pants? Are you a thug or what?' Jia Fei cried and tried to get out of her but Xu Nuan was holding her firmly and said, ' Stay like this, or I'll throw you on the floor. Choose what seems to be a better option for you.'

Jia Fei frowns and looks for Yuhan who was feeling bad for her. ' You!! You carry me. Come here.'

Xu Nuan frowned seeing her acting cheeky in front of her and pulled on her pants, making Jia Fei do a little jump in her place, ' Stop right there. You aren't going anywhere.' she ordered her firmly.

Han Zihao was surprised to see Xu Nuan treating Jia Fei mercilessly and couldn't help but chuckle seeing her being comfortable with her members. Compared to Luo Dan and Jia Fei, she does look like an elder sister here.

As he was watching her handling drunk Jia Fei, Luo Dan was also doing the same from the sides.

Jia Fei was drunk but she could notice the strange behavior of Xu Nuan. The way she was holding Jia Fei was the same way Jiang Yue used to hold her when Jia Fei got drunk.

And the way she was being protective towards Jia Fei, why does it all seem familiar? She wondered.

Just as she was wondering about the similarities between the two people, a panting voice could be heard from behind, ' Ms. Luo, Thank god you're still here. Your earrings fell in the car. Here. ' Han Liang said while panting heavily.

' Ah, Seriously? Thank you so much. I didn't even realize that it was lost.' Luo Dan thanked him sincerely after taking the earring.

' Now what are you doing here?' Han Zihao asked Han Liang.

Why is everyone meeting each other behind her backs? She wondered.

How come all of her friends know each other well?

—

Han Liang laughed awkwardly to see Han Zihao and Xu Nuan who were shooting daggers at him. ' Well, I was just dropping Ms. Luo Dan home. Since we met coincidentally at a hotel, I thought it would be the polite thing to do.' He explained well.

He didn't want Xu Nuan to have any ideas about his feelings for Luo Dan since he knows that she will not leave a chance to tease him about it.

Luo Dan glanced at Han Liang with a frown. 'Polite thing to do? So he was just being polite. I see...' She sighed, feeling stupid for having ideas on her own.

Han Liang cleared his throat to see Xu Nuan giving him a suspicious gaze and looked at drunk Jia Fei, 'What's wrong with her? Why does she look like a living ghost?' He laughed.

Luo Dan looked at him, giving him a stern glance. Remembering that the brat cafe girl is Luo Dan's friend, he changed his tone.

'Erhm...I mean, she seems to be quite drunk. Xu Nuan, what are you doing and not taking her home? Go and help Ms. Luo.'

'Who are you to tell her what to do?' Han Zihao said sternly.

'Brother, why are you coming at me? I didn't even say anything.'

Luo Dan blinked, realizing that Han Zihao and Han Liang, both are related to each other.

Since Han Liang met Xu Nuan in their cafe, she was aware that they knew each other.

But it was surprising to see that Xu Nuan's boyfriend and Han Liang are brothers. She had read about Han Zihao in business magazines sometimes but it was her first time seeing him in reality.

And as expected, his looks are truly ethereal and he could even attempt modeling if he wants to.

—

'Since you have given her the earring, now leave. Shoo, shoo.' Xu Nuan chided Han Liang who frowned at her.

'Yuhan, you should leave too. I will call you later.' She said, sending him off.

Han Zihao frowned when Han Liang leaned closer to him, ‘ Did you see that brother ? She said I will call you later.... Hmmmm!!!’ He teased him.

‘Ergh!! Why are you hitting me ?’ Han Liang cried in embarrassment when Han Zihao smacked him on the head.

‘ If you’ve done your part to spice things up, you can leave.’ He said sternly.

‘ Since I’ve come this far, at least invite me upstairs for a cup of coffee.’ Han Liang complained about how ruthlessly his brother was sending him back.

‘ It’s too late to drink coffee. Now get out.’

‘ But I don’t mind. I can drink -

‘ Erm...Do you want to drink coffee ? If you want you can come upstairs. I will make one for you.’ Luo Dan said seeing Han Liang wanting to drink coffee that badly.

Han Liang was just joking but his eyes lit up when Luo Dan invited him upstairs. However, before he could say anything, Xu Nuan interrupted, ‘ Ah, it’s okay. He needs to go. Why are you still standing here and not leaving ?’

Han Liang frowned and couldn’t believe he was being treated like this in front of Luo Dan. How embarrassing!!.

In the end, Han Zihao and Xu Nuan went to drop Jia Fei at her apartment with Luo Dan, meanwhile, Yuhan and Han Liang went their different ways.
