

My Evil Genius Wife

Volume 1

Chapter 37 – Press Conference III

Hao Mei glared at Luo Dan upon hearing her provocative words. She hated when someone points at her weakness or calls her incompetent.

Because somewhere in her heart she knows that Jiang Yue was much better than her and she can't meet her level. She not only wrote her songs but always organized everything for their album and even dance choreographies.

Jiang Yue was not the leader for no reason. She leads them in everything and not only that, her stage presence was top notch. She was a real performer when it comes to stage performances.

Luo Dan's words provoked her, causing her unable to control her emotions. She pursed her lips and drew closer to her, wanting to say something. But suddenly, the screen behind them lit up making her startle.

' Ah, Qin Ju, what are you doing? We are in front of the office? Ah, not here.' Her eyes widened in shock when loud noises could be heard in the big auditorium in full volume.

Her body froze on the spot because she could recognize this voice without turning around.

Her face turned green and her body stiffened. She hesitantly turned around and was shocked to see the video playing on the screen.

' This...this..' she murmured in horror seeing the video because it was the video when they were making out in the car yesterday. The video

was different from the last time since it was the latest video and not the picture from the office.

Luo Dan and Jia Fei were also shocked when they saw the video. They turned around and their expressions darkened seeing the half-naked Hao Mei, whose shoulders were exposed and the dress was lifted from her legs to her thighs, was sitting on Qin Ju's lap, almost strangling him.

They were kissing passionately and lewd moaning could be heard, even though it was quite dark, however their movements and lewd noises were making it obvious that they were making out in the car.

‘WHAT THE HELL! Shut it up. Close it.’ Qin Ju who was equally shocked, woke up from his trance and hurriedly went forward to close the video but unfortunately, he couldn't do so. Even after his multiple attempts, he couldn't stop the video since he wasn't aware of the source.

As Hao Mei and Qin Ju were in a panic, the reporters were busy taking the photos and videos and some were live broadcasting the whole drama.

After they were done making out which goes for a half minute in the video, Hao Mei slid off him and sat on the passenger seat revealing her crimson, sweaty face to the camera. The reporters gasped seeing her face clearly and were shocked how enticing the so-called pure soul looked when in action.

After fixing her clothes, she looked at her phone and said, ‘See, these pictures that we had taken earlier are now helping us. This paparazzi did a great job, the angles and bit of editing look like they are making out in real.’ she laughed after reading the hate comments towards Jiang Yue.

Her lips curled up as she said, ‘ I wish she would have been alive to see all her fans cursing her. She has always been so proud when it comes to her fans. She always boasted to everyone how her fans treated her and how much she loves them.’ she scoffed as she remembered how jealous she used to feel because of this.

‘Nonetheless, it’s good to see that her magic is disappearing.’

Qin Ju glanced at her and said, ‘ Hao Mei, but I don’t think it’s Lin Hui who sent us that picture. Are you sure we are doing the right thing?’

She frowned and said, ‘ Brother Qin, how can you be so gullible? I am sure that he is the one behind everything. Also, it’s not only about that picture, if not for that nosy Lin Hui, Jiang Yue would have signed the will and her wealth would have been ours by now. By the way, what happened to the fake will? How much time will take for her wealth to transfer to the foundation?’

‘ The lawyer said that it will take a few more days.’ he said while taking his cigarette out, lighting it up.

Her eyes lit up as she said, ‘ That’s great. Then we can go on vacation after this mess sorts out. I am glad that Luo Dan and that bitch Jia Fei is also leaving. They were so annoying. Argh, I was so tired of pretending to be nice to them.’ she sighed exasperatedly.

‘ Relax, you don’t need to pretend anymore. Now we can also be together without any pressure. After Luo Dan and Jia Fei leave, there will be no one to stop us. We can announce our relationship after some time.’

Hao Mei pursed her lips and said, ‘ Erm...I think there is no need to announce our relationship so soon. We are together for only a year, I think it will be too hasty to announce it soon.’

Qin Ju frowned and turned to face her, ‘ What? Soon? Hao Mei, didn’t you say before that you are tired of this secret relationship? I was together with Jiang Yue for three years but for you, I cheated on her because you said that you like me. Now you are saying you want more time? Are you saying that you’re not sure about our relationship?’

The video ended at this, followed by a long silence. The large auditorium was deadly quiet, sending Qin Ju and Hao Mei in panic. Their faces turned green and Hao Mei was already sobbing.

While the video was running, Qin Ju tried to close the video but it didn’t help. In the end, he had no choice but to see his life ruining in an instant.

Jia Fei’s expressions turned two shades black after the video ended. They were treating Hao Mei like a little sister all along and she was pretending to be nice?

‘ You..bit..What is this..’ just as she was about to teach her a lesson, the screen which has been closed and turned dark, lit up again making them startled.
