

My Evil Genius Wife

Volume 1

Chapter 39 – That bitch is really strong.

Xu Nuan was sitting in her bedroom, with the laptop on her lap, and was watching the live broadcast of the press conference after creating the chaos.

It was the morning that she found out about the scandal of her and Lin Hui and saw the notification of the press conference which was to be held in the afternoon.

She invaded all the CCTVS and phones, laptops of Hao Mei, and Qin Ju to find about these evidences. After searching for a long time, she finally got the stuff she was searching for.

After playing the role of villainous bitch by ruining the lives of those cheaters, she felt a little happy. In the first place, she doesn't want to post their makeout videos because it goes against her morals.

However, she lost her cool after seeing the way they posted the misleading pictures of her and Lin Hui. Not only that, but they also fired Lin Hui and was accusing him of doing dirty to other artists as well. If they don't care about others' reputation then why would she?

She was not a fool to forgive Hao Mei and Qin Ju so easily. Moreover, keeping her capabilities in mind, she went quite easy on them.

‘ Haha...Qin Ju, Hao Mei, didn't I warn you to not mess with a dead person? That's how a dead person takes its revenge.’ She smiled slyly while putting popcorn in her mouth.

She laughed when Jia Fei threw water on Hao Mei after the conference and slapped her crazily.

‘ Jia Fei never disappoints when it comes to being rowdy.’ She smiled seeing how her friends were trying to seek justice for her. Even though by beating that two-faced white lotus bitch.

After Jia Fei slapped Qin Ju and Hao Mei, only then Luo Dan was able to separate Jia Fei from them.

Xu Nuan picked up her phone and checked the internet. Her lips curled up seeing the public reaction. Since one of the media outlets was doing the live broadcast at the press conference, everyone saw the happenings at the conference before any articles were released.

[What the hell? Is Hao Mei a psycho or what? How can she do something like this to Jiang Yue? She treated her so nicely and they not only cheated on her but tried to take all of her wealth and ruin her reputation even after her death. They are not humans but monsters.]

[I feel so bad for Jiang Yue. She always loved her fans dearly but we let her down. How can our trust be swayed by some fake pictures? I feel so bad, I feel like I committed a crime by doubting on Jiang Yue.]

[I wonder who played this video on the screen. But I have to thank that person who did this, because of this we get to see the real side of Hao Mei and that bastard Qin Ju.]

[Do you guys think that there must be fishy behind Jiang Yue’s death? I mean the harness broke and it was not normal for the harness to break so easily. Generally, such things are carefully checked and even if we think that it’s an accident, then why did only Jiang Yue have a scene with a harness? I mean everyone had to shoot on the fields while she was made to shoot on the mountains. That’s strange. Also,

soon after her death, they prepared a fake will. Why do I feel that her accident is too much of a coincidence ?]

[I feel the same way. There is a possibility that Qin Ju and Hao Mei might have something with her death. After all, if they can try to ruin the reputation of a dead person, then they can do anything.]

[I still can't believe that Hao Mei was hiding a monster behind her innocent face. How can she do something so evil and still try to fool everyone with her innocent looks.]

[All the beautiful memories that I had with The Queens shattered. Now I can't see The Queens as they were before. Listening to their music, I won't be able to forget how monstrous Hao Mei is and how tragic and pitiful our Jiang Yue was.]

Hao Mei was now in her apartment where she reached after much difficulty. Her assistant was hesitant to accompany her, but since she pays her separately, she had no choice but to follow her.

After the conference, Jia Fei tried to almost kill her but Luo Dan prevented her from doing that.

She sighed and trembled when she remembered how everyone was looking at her in disgust and was calling her sl*t, wh*re, and whatnot.

In her whole career, she never had any serious scandal and she always maintained her poised dignified reputation.

Everyone calls her fairy Hao Mei because of her innocent fairy-like visuals and her elegance. Unlike Jiang Yue, she was always careful

and graceful while facing the camera and was frequently casted as a guest in reality shows.

However, when she thought that she could finally rule over showbiz and can take over the position of the most beautiful and influential woman, this happened.

Jiang Yue finally left her but why can't she just let her live in peace? Not only the press conference got ruined but her whole career and life were ruined.

Hao Mei placed the ice pack on her face which had swollen from Jia Fei's continuous slaps.

' That bitch is really strong.'

' Ah, I need to deal with this Qin Ju as well. However, how can that person find out about my secret relationship with that photographer? Even Qin Ju was unaware of this. ' She massaged her temples thinking about who is the person behind all of this.
