

My Evil Genius Wife

Volume 1

Chapter 4 - Did he come from a manhwa world?

Lin Ran stared at Xu Nuan in puzzlement. However, before she could say anything, the door of the hospital room pushed open again.

Two people entered the hospital room which crowded the spacious hospital room.

Xu Nuan raised her head and turned in their direction when she saw a man who was wearing a black colored formal suit and glasses, he had a very intellectual aura.

However, her eyes stopped on the man behind him who was walking lazily with his one hand in his pocket. The other man was rather tall and was wearing the dark grey formal three-piece body fit suit.

The man raised his head and stared at her after sensing her stare. Her gaze wavered because the man had a very strong presence.

His eyes were deep and black, his thin lips were pursed in a straight line and his long nose bridge and perfect shaped jawline made him appear super attractive.

Seeing the way he was standing, Xu Nuan felt that he could be a model.

Did he come from the manhwa world? How come he is so handsome?

This body fit formal suit made him look sexy as she can see his muscular body line and could imagine those biscuit shaped abs.

' Jiang Yue, control yourself. You have no time to be infatuated by any men right now. You have transmigrated. It's fuc*ing transmigration and not you're traveling from one country to another.'

' Hitting on men should not be your priority right now.'

She reminded herself of these golden words and tried to keep her calm.

' Master Han, what brings you here? '

Han Zihao raised his brows and glanced at Xu Nuan who was sitting on the bed looking pale, and said, ' I came to settle some things with Ms. Gu.'

' Ms. Gu? You mean Xingren? But how do you know her? ' Gu Zhang's eyes brightened hearing this.

Han Zihao is the most desirable bachelor at this moment. Han Corporations are leading the business world and no other company can suppress its mighty effect.

The Gu family is rich and powerful but it's nothing in front of Han Corporations. Gu enterprises have a foothold in the business, but Han Corporations has not only expanded his range of investment in various businesses but all of them are highly successful.

That's why Han Corporations are not only on top in the domestic market but also have a strong influence in the western market as well.

Gu Xingren's eyes lit up when she heard Han Zihao's words. She was trying to remember this mysterious man who just entered the room, but now her father has said, she remembered that she had seen a photo of this man in a business magazine that her father was reading the other day.

Her eyes lit up hearing that he was searching for her.

She walked up to him with a sweet smile on her face and asked politely, ‘ Mr. Han, you came to see me ? Is there something that I can do for you ?’ she coquettishly placed her hair flicks behind her ear.

Xu Nuan pursed her lips as she felt a strong urge to itch her ears after hearing Gu Xingren’s voice. Its pitch was high and she was deliberately trying to act cute.

Han Zihao noticed Xuan Nuan’s expressions as his gaze never left her face.

He didn’t even glance at Gu Xingren and walked towards the hospital bed.

He stood in front of Xu Nuan and said, ‘ Ms. Gu, I came to meet you. How are you doing now ?’

‘ _ _ ’

‘ _ _ ’

‘ _ _ ’

Gu Xingren was shocked when Han Zihao addressed Xu Nuan as Ms. Gu. She thought that he came to meet her but in the end, he wants to meet this pitiful bit*h.

She felt extremely annoyed seeing that he not only ignored her but was talking to Xu Nuan very politely.

Xu Nuan: ‘ _ _ ’

Xu Nuan raised her brows and asked in confusion, ‘ Mr. Han, do I know you ? You’re saying that you came here to meet me ?’ She was confused because according to this body’s memories she has no remembrance of seeing such a heavenly face before.

Han Zihao remained indifferent when the man beside him spoke, ‘ Ms. Gu, let me introduce myself. I am Feng Sheng, Mr. Han’s secretary.’

‘ We are here to settle some things about the accident. You were hit by our cars, plate no. 2Y03BG. Even though it was you who came suddenly in front of our car, it’s our driver’s fault for not taking breaks in time, causing you such severe injuries. That’s why we are ready to bear your medical expenses.’

Feng Sheng smiled subtly as he looked around the room and said, ‘ If you want, you can change this room to VIP since it’s on us. However, since it’s partly because of both parties’ fault, I don’t think there is any need to go through any legal matters. If you’re satisfied with this arrangement, can we say that this matter is resolved?’

Xu Nuan now understood why he came to see her today. Before she could say anything, Gu Zhang hurriedly came forward and looked at Feng Sheng, ‘ Mr. Feng, what are you saying? It was my daughter’s fault who jumped in front of the car. How can we let you pay the hospital bills? It should be her apologizing to you for causing you trouble.’

‘ Mr. Han, you don’t need to worry. We won’t hold you accountable for this accident since it was her fault.’

Feng Sheng commented, ‘ Mr. Gu, I think we are settled now. We came to offer to pay medical bills but it was you who denied taking our offer. So you can’t hold us accountable later.’ He came prepared today and also brought a compensation contract which he was planning to get signed if they bear the medical expenses. Even though they had paid the initial medical fees when they brought her to the hospital, they came here to settle the further recovery bills as well.

Gu Zhang nodded with a bright smile and said, ‘ Mr. Han, about the upcoming construction project of the Han Corporation, I hope you

can consider Gu enterprises for it. We have improved our safety measures and we will offer you our best prices.'

' Who said that this matter is settled ?'

Manhwa is a general Korean word which is used for comics and print cartoons.
