## Volume 1

### Chapter 48 - Mr. Dumb headed Prince

Xu Nuan was instructing Han Zihao, 'How to cook the world's best noodles'. Even though she has no experience in cooking, however, she has immense experience in eating. She can at least help him using her mouth and tell him how to make the world's best noodles. It was her responsibility as his neighbor and his friend as well.

Even though he hasn't acknowledged that yet, she was already treating him as her friend. She knows that he is too prideful to call her his friend.

' Please make it spicier but don't only use chillies. I believe in you Mr. Han that you won't disappoint me. You just need to follow my instructions and...' her mouth didn't stop working as she opened the door.

However, as soon as she opened the door, her words went back inside her mouth and her eyes widened in shock. She was in utter disbelief seeing the person in front of her.

' You!!' She shouted as she stared at the man with her eyes widened and creases appeared on her forehead.

The man standing outside the door was also startled and shocked when Xu Nuan shouted. He unconsciously stepped back wondering if it was the right house.

Han Liang stared at Xu Nuan and was wondering if Feng Sheng gave him the wrong address to his brother's new house.

‘ Ah ? I am sorry if I disturbed you. I was looking for my..‘ he paused when he found the girl’s face familiar. He frowned and his eyes widened when he realized that she is the same girl from the hotel.

He was in disbelief as he came here to meet his brother but this girl opened the door. Is it her house ? Or did she come to meet his brother...in these clothes ? He wondered as he was shocked seeing her wearing casual shorts and a t-shirt.

Han Zihao was staying at another villa in the north area after he came back from abroad. He was used to staying alone, so Grandmother Han gave him the villa in the north, since it needs to be taken care of as well. However, that was not the only target that she had in her mind.

She was keeping track of his movements with the help of her ‘spies’ in the villa. From the butler to the maid to the kitchen staff, everyone reports to Grandmother Han. She was not doing this because she was worried that he might make some trouble but she was afraid that he wouldn’t do anything at all.

She was shocked to know how clean her grandson is. If it would have been someone else, their grandparents would be proud, seeing how hardworking and innocent their grandson is.

However, she was different. She doesn’t want him to only focus on his business and waste his golden time doing only business.

She wants him to enjoy his life and be happy. Nothing else can make her pleased other than seeing him happy. However, she saddens whenever she hears that his routine is from home to office and vice versa. He has even created a mini bedroom inside his office.

He has no personal life and this kind of life is not less than a robot.

Hearing that he got a girl, she asked Han Liang to find out about his new place where he shifted to without telling anyone and find out

more about that girl. She wants him to talk to her as a brother, maybe he will spill some beans.

Han Zihao who was cooking in the kitchen was startled hearing her shriek. He immediately turned the gas off and came out. He walked towards the door in worry and asked ‘ Who is...‘

He paused when he saw Han Liang standing there. He frowned and asked coldly, ‘ What are you doing here ? How did you get the address of this place ?‘

Han Liang who was staring at Xu Nuan woke up from his trance and looked at Han Zihao and was about to reply when his face fell hearing the girl’s rude words.

‘ You...you know him ? This dumb headed prince ?‘ Xu Nuan turned to Han Zihao and asked with clear disgust in her eyes as she pointed towards Han Liang.

Han Zihao: ‘ - \_ -‘

Han Liang: ‘ - \_ -‘

Han Zihao was surprised to see the way she called Han Liang a dumbhead prince. He thought for a moment that she shouted out of shock and excitement seeing the hottest idol these days. But her words left him shocked.

Han Liang was currently working as a soloist. Although he debuted as a group member and was the lead vocal in the group, however after some time he went solo.

His innocent smile can melt any girl's heart. The smiling eyes were like a cherry on top.

Han Zihao was expecting her to act like a crazy fan of him asking for a handshake, autograph, or photograph. But when she opened her mouth, she described Han Liang in the most unbelievable way.

Han Liang was speechless as well seeing the girl acting cōcky in front of him. He scoffed and said, ' What? What did you just say? Will you dare to repeat that?' His expressions darkened as he moved closer to her, trying to intimidate her.

Han Zihao frowned seeing his behavior but before he could do anything, he was dumbfounded seeing her comeback.

' Why? Your sense of music has always been poor, now your ears also have a problem? Then let me repeat, Mr. Dumbheaded Prince. What are you doing here? Why the hell did you come here?' She asked annoyingly.

The person she hates the most is him. Seeing his face reminds her of the trash bin which always smells like shit.

'Wait...is it a bit too hard?' she wondered if she was going too far with her thinking.

But who cares? He hasn't done any good to her either.

Han Zihao was speechless seeing the way they were arguing. He couldn't understand why she was showering him with so much 'respect'?
