### Chapter 50 – Private Talk

Although Han Liang didn't complete his words, Han Zihao understood it and frowned when he heard his question. However, rather than denying his claims, he stared at Xu Nuan.

Xu Nuan raised her head and caught him staring at her. She beamed and asked, 'Do I look pretty that you can't stop staring at me?'

'\_ \_ \_'

'\_ \_ \_'

Han Liang was speechless seeing her shamelessly flirting with his brother in front of him. He pursed his lips and waited for Han Zihao to pour cold water on her intentions but to his surprise, he didn't say anything.

'Is he stupid or what? Is he silently affirming her claims?'

'The noodles must be ready. I'll go and serve it.' He stood up without denying Xu Nuan's words.

Han Liang grinned and said, 'I want it too. I also want to taste your food.' He stood up and was about to follow him when Han Zihao stopped in his steps and turned around.

'I don't have anything for you. I didn't make anything for you, so go away and eat at a hotel. How can I cook for you when I didn't even know about your visit. That's why you should tell the other person before rather than making surprise visits.' he said with a straight face.

‘ \_ \_ ‘

‘ But Brother...I am your brother. Can't you just feed your brother? It's been a long time since I have home's food.‘ He pouted as he stared at Han Zihao with wronged expressions.

Han Zihao frowned and glanced at Xu Nuan who was casually browsing on her phone. He was thinking about a solution when he heard her words, which caused him to almost let out a chuckle. She really hates Han Liang.

‘ Hah. Shouldn't the Young Master Han Liang go to some extravagant luxurious restaurant to extinguish the fire in his stomach?‘ Xu Nuan taunted while playing on her phone.

He gritted his teeth and turned around, ‘ What the hell is your problem? It's my first time meeting you but why the hell are you treating me as your mortal enemy?‘

‘ Hah. Because you are.‘ she thought inwardly and chuckled.

Han Liang frowned seeing her chuckling creepily. She is dangerous. He has to tell Grandma to make sure that Brother doesn't date this girl. Otherwise, the very first thing she will do after getting married to him was to kick him out of the house.

He could see that she was not as simple as she looks. She is too dangerous.

...

Xu Nuan and Han Zihao were sitting at the kitchen counter and were eating their dinner while someone unimportant was standing on the side and was staring at them savoring their noodles. She opened her beer cans as well. Just as she expected, he didn't have any alcohol at home.

She glanced at Han Liang with the side of her eyes and chuckled. Even though Han Zihao asked him to leave, he didn't budge. He wanted to see whom he would choose. His brother who has grown with him or this strange girl.

In the end, he chose the girl. He didn't even give anything to eat to him.

Xu Nuan slurped the noodles as she savored its spicy and flavourful taste. Just as she had imagined, the noodles that he makes are the best.

' Ummm....Mr. Han, I must say. You should open a restaurant rather than handling the company. You will do much better if you open a restaurant.' She said while filling her mouth again with the noodles.

' \_ \_ '

' \_ \_ '

Han Liang was speechless seeing her saying this to his brother. She wants him to leave his successful business and open a restaurant ?

Han Zihao stared at her, ignoring her words, he asked, ' What did you want to talk about ? Why did you come to the company today ?'

' She went to the company ?' Han Liang shouted in disbelief.

Xu Nuan frowned but ignored him. She wiped the corners of her mouth with the napkin and said, ' Do you want me to say in front of this man ? Are you sure Mr. Han ? It's kinda private, you know.' She said while smiling slyly.

' \_ \_ '

Han Liang's mouth opened but no words came out. He stared at Han Zihao in disbelief and wondered what kind of private talk she wanted to do.

Han Zihao stared at her and smirked seeing her playing with Han Liang. She was lying just because he was standing on the side.

' I will come to your office tomorrow. Then we can talk. I don't want to talk in front of strangers.' She said while giving Han Liang an annoying glare.

Han Liang pursed his lips and wondered what wrong he had done to her.

' I am not available tomorrow. I am going on a business trip for two days.'

Xu Nuan paused and stared at Han Zihao, a crease appeared on her forehead as she said, ' again?'

He nodded.

She sighed and said, ' Then we will talk after you'll be back.'

Han Liang gritted his teeth and found a packet of the chips from the upper cabinet in the kitchen and started munching on it grumpily.

After eating her fill, Xu Nuan was about to get up from the chair when her phone rang. She looked at the screen and frowned seeing the unknown number.

' Hello.' She said in a low voice after picking up the call. Han Zihao quietly picked up the dishes and put them in the sink.

She frowned when there was no response on the other side for a while.

‘ Nuan Nuan.’ She pursed her lips and didn’t hang up the phone but she didn’t say anything either.

‘ Nuan Nuan, are you still angry with Grandfather that I didn’t treat you well? I heard you got into an accident, how are you now?’

She blinked her eyes as she remembered that he is Xu Nuan’s Grandfather who brought her to the Gu family from the orphanage. He doesn’t stay with Gu Zhang but stays at their other villa which is situated on the outskirts of the city, away from the bustling city life.

He brought her to the family which didn’t care about her even a bit. She pursed her lips and wondered how she should react. She doesn’t want to keep any relations with Gu Family but this Grandfather was a little different than others. Even though it was his responsibility to take care of her since he brought her, she can’t just blame it fully on him.
