

My Evil Genius Wife

Volume 1

Chapter 69 - Soon to be lady boss!

Yuhan and Grandfather Gu was confused when the man in the elevator recognized Xu Nuan and addressed her as Ms. Gu. Ever since she has come to the Gu family, no one has called her as Gu but uses her previous name instead.

Seeing the confused expressions on their faces, Feng Sheng moved forward and hurriedly introduced himself, ‘ Ah, I am Feng Sheng. Mr. Han’s secretary, the one Ms. Zhu just called a while ago.’

Yuhan and Grandfather Gu exchanged glances as they were speechless to meet them in this situation.

‘ Then this man...’ Grandfather Gu looked at the man behind Feng Sheng who was wearing a solemn expression on his face and was staring at his granddaughter’s face.

Feng Sheng pursed his lips seeing that Han Zihao doesn’t seem to have any intention to introduce himself. ‘ Ah, this is my boss, Han Zihao.’

Grandfather Gu was shocked because he had heard about this man before but he never thought that he would get to meet him in this situation.

‘ Grandfather Gu, we should hurry up and take her to the hospital.’ Yuhan urged and then the old man remembered about the situation

they were in. Yuhan was holding Xu Nuan in his arms who was unconscious and her face had turned pale.

He frowned and said, ‘ Mr. Han, will you please make the way? As you can see, it’s an emergency.’

Han Zihao tightened his jaw and said, ‘ Give her to me.’

‘ _ _ ’

Feng Sheng was shocked to see that he wants to carry Xu Nuan himself. Although it’s not that shocking since the man has previously carried her to the hospital when she fainted in their car.

That time, he had offered her to carry her inside the hospital or call the ward boy, but he denied this request and carried her inside himself. However, right now, Yuhan was already carrying her. He could have simply let him take her to the hospital, why does he want to get involved?

’ Is this what we called jealousy that he can’t even let another man touch her? Aye, they are not even in a relationship, what jealousy?’ He wondered why Han Zihao was acting like this.

Yuhan was speechless seeing his shamelessness. He thought for a moment that he was joking but his expressions were not saying so. And who the hell would joke in this situation?

‘ Mr. Han, I am sorry but I can’t let any stranger hold her. So it’s better that I carry her instead. Thanks for your concern though.’ After saying this, he tried to enter the elevator again, but Han Zihao did not budge.

Feng Sheng pursed his lips and was hoping that security won't come because they are holding the elevator on this floor for so long now. It's been 5 minutes already. What are they doing?

'I am not a stranger to her. You are.' Han Zihao said as he tried to take Xu Nuan from him but Yuhan dodged his touch.

'I am not a stranger. I am her family. You're not even her boyfriend, why do you care?' He said, which made Han Zihao's lips twitch.

Yuhan also pursed his lips because of the way it sounded. However, he didn't say anything wrong. Since Gu Xingren and he was already engaged, he was indeed family to Xu Nuan.

'I am not her boyfriend. But...future boyfriend. Now give her to me.' he said and took Xu Nuan from his hands. Yuhan was shocked by his words, which caused his grip to loosen and Han Zihao easily took Xu Nuan from him.

Feng Sheng who was standing on the side almost puked blood hearing his words. What? Future boyfriend? There is a term future husband though. But he never knew that there is a thing called a future boyfriend? And how can he be so sure that he is going to be her boyfriend in the future?

'You...' Yuhan was shocked to see the shameless behavior of the man. He wanted to take Xu Nuan back when the Old man said, 'Yuhan. Stop it. Let him carry Xu Nuan.'

Yuhan frowned as he couldn't understand why the Old man didn't seem to be a bit worried. He was letting a stranger hold his granddaughter and was asking him to retreat?

‘ Mr. Gu, don’t worry. I will take care of your granddaughter.’ Han Zihao said while holding the unconscious girl in his arms.

‘Yes. Please take care of her.’

‘ Grandfather Gu, shouldn’t we accompany them to the hospital? Aren’t you worried about her?’

The man smiled mildly and said, ‘ I don’t think there is any need for us to follow. That man will take good care of her. Maybe better than her own family.’ he said bitterly as he turned around to go inside the banquet.

‘ How can you be so sure? Didn’t you just meet him? How can you say that you can trust him?’

Grandfather Gu stopped in his steps and turned to look at him. He smiled and said, ‘ Because these old eyes have seen the world more than you did. People can lie, but..their eyes..they don’t. And that man, I don’t know anything else, but I know that Xu Nuan is safe with him.’

Yuhan was speechless as he couldn’t seem to understand this man’s thoughts. How can he tell that the man he just met is trustworthy or not?

...

Inside the hospital room, Xu Nuan was lying unconsciously on the bed, with her hair spread on the pillow and she was covered with a blanket. The IV drip was attached to her hand making her look more vulnerable. Her face has turned pale and her moist lips have turned dry and white.

Han Zihao was standing there and was looking at her worriedly as doctors did her checkup.

‘ Doctor is everything alright?’ He asked when the doctor walked to him.

‘ Hmm...everything seems alright. Her condition has nothing to with her head injury but...‘ the doctor hesitated to cause his heart to beat faster.

‘ But what Doctor?’ before Han Zihao could ask, Feng Sheng asked worriedly.

Han Zihao glanced at him and knitted his brows. Feng Sheng unconsciously stepped back and stared at the doctor curiously.

The doctor glanced at the two men and cleared his throat before saying, ‘ It has nothing to with her head injury but she..she is just drunk.’

‘ _ _ ‘

‘ _ _ ‘

Han Zihao’s lips parted as he was speechless. He glanced at the girl who looked sickly and then at the doctor. He was not sure if he was a quack or what?

The doctor frowned seeing the suspicious gaze in his eyes and explained, ‘ She does look sick and her complexion has paled because she has not only drunk a lot but she has drunk it on the empty stomach. As I said earlier, you need to focus on her meals and give her at least three times nutritious meals. She shouldn’t have drunk so much when she can’t handle it but drinking it on an empty stomach made it worse. You are her boyfriend but can’t you just take care of

her meals? How can you let her drink this much on an empty stomach?’

Han Zihao raised his brows when the doctor called him her boyfriend but he didn't say anything. Feng Sheng looked at him with his eyes widened and grinned.

‘ I was right. He does like her.’

‘ Since she is just drunk and nothing much, you can take her back after finishing this drip. However, you have to take care of her meals from now on. She still hasn't healed properly yet, how can you let her come to the emergency room so many times?’

After the doctor left, Han Zihao walked to the girl who was laying on the hospital bed and sat on the stool beside her bed. He sighed as he looked at her pale complexion. How can she be so careless?

Feng Sheng stood there and watched Xu Nuan's sickly complexion. He nodded as he was speechless at her capability to bring trouble for herself. They were so worried on their way to the hospital but what they found was, she was just drunk?

After Han Zihao dealt with Zhu Ai, he didn't disconnect the call, nor Xu Nuan did. However, before he could hear something else, his expressions darkened when he heard the chaos over there and the way Yuhan called Xu Nuan's name when she fainted. Soon after that the call also disconnected.

Han Zihao asked him to drive to the venue of the banquet but Feng Sheng was unaware of the venue. As they took the elevator to go downstairs while he was trying to find the venue of the banquet. However, when the elevator stopped on the second floor, they were shocked to see unconscious Xu Nuan in Yuhan's arms.

They never thought that the Gu family's banquet was held at the same place where they came to attend the business party. Both events were held at the Royal banquet. Feng Sheng was surprised to see the sudden turn of events.

' That was so unexpected. Is this some kind of destiny thing ? He was not sure.'

He sighed and left the room seeing Han Zihao sitting beside her bed. He doesn't want to become the third wheel in their relationship, so he quietly left the room.

' I should try to gain Ms. Gu's favor. Seems like we are going to get our lady boos very soon.' he grinned as he walked out of the room.
