

My Evil Genius Wife

Volume 1

Chapter 9 - Shouldn't she thank him for this?

Xu Nuan stared at Han Zihao who still had his hands in his pants and looked carefree and indifferent but his words were saying differently.

Xu Nuan was surprised and strangely felt pleased hearing his words. Han Zihao does look rude, arrogant the way he ignores others but he seems to be pretty observant.

She also wondered why is he helping her but she is not stupid to not take his help. She knows that she is in no situation right now to act arrogant.

She has miraculously woke up in a body that is not hers and has nothing in her hands right now.

She doesn't have money, nor she is well enough to leave this hospital to find a solution to this ridiculous situation.

She looked at Feng Sheng and said, ' Mr. Secretary, let me thank you in advance. '

' _ _ '

Feng Sheng was speechless seeing her shameless attitude. It seems like she was not requesting but ordering him.

Han Zihao knitted his brows and looked at her. She ignored him and talked to his secretary.

Shouldn't she thank him for this ?

Xu Nuan noticed Han Zihao's questionable glance and smiled at him, ' Thanks to you too Mr. Han. '

Han Zihao: ‘-_-’

Feng Sheng: ‘-_-’

’ What kind of strange character is she ?’ Feng Sheng couldn’t help but wonder what kind of girl she is.

....

Gu Xingren was shivering in fear now when Han Zihao suggested bringing the CCTV footage. She has not thought about this possibility at all.

She glanced at Lin Ran with her quivering eyelids. Lin Ran saw the terrified expression on Xingren’s face and understood what had happened.

She felt her heart aching but she rubbed Xingren’s back lovingly and shook her head, saying to not worry.

‘ There is no need for you to do that. Mr. Han, thanks for your kind concern but we would like to solve this problem ourselves. Thank you.’ Lin Ran stood straight and looked at Han Zihao with gratification.

She politely thanked him and signaled him to not interfere in their affair and leave.

However, she was dumbfounded seeing the way he was ignoring her words and went to stand against the wall, near Xu Nuan’s bed.

‘-_-’

‘-_-’

‘ Pfft,’ Xu Nuan couldn’t help but chuckle seeing the way he had ignored Lin Ran’s ‘kind’ words.

Lin Ran pursed her lips and glared at Xu Nuan hearing her laughter. Her embarrassment turned into anger seeing her smiling.

‘ Xu Nuan! You know what, I feel ashamed to call you my daughter because of this attitude of yours. ‘

.

‘ I used to think that you’re kind, innocent, and obedient, but I always wondered how you could bully Xingren when you’re alone. But now you’re showing your true colors in the open. ‘

‘ You don’t deserve to be called Gu. I am glad that I got Xingren who is very kind and lady-like unlike you who have no class and standard.’ Lin Ran released all of her anger at Xu Nuan.

Xu Nuan was caught off guard when Lin Ran suddenly started to shout at her. She frowned because her words were just too much.

Even though she is not the real Xu Nuan, she still feels bad. She can’t even imagine how horrible it must be for Xu Nuan to listen to this.

Even though she never had a good relationship with her family, she never faced such situations. The main point is, she never cared.

Jiang Yue’s parents have taught her to be independent and follow her dreams no matter what people say.

Even after their death, rather than fighting for the power struggle, she chose to follow her dreams. She got into music and performance despite her grandfather’s disagreement.

Her Grandfather was against this since showbiz career does not have a good reputation. It’s indeed a messy industry but not everyone is like this. There are some people who are talented and considers it an art.

She loves music more than anything and always feels alive whenever she performs on stage. However, she couldn't make her Grandfather understand her passion for music.

In the end, she left the Jiang family to make her name in the industry herself. It's not easy to get fame in the entertainment industry when you're a nobody, even her company was of no use. She has built her career from scratch and it was all because of the hard work that she became so popular and loved.

She pursed her lips and glared at Lin Ran, ' Yeah, right. You taught Gu Xingren very well, that's why she tried to kill someone. I am glad that we got changed at birth otherwise I am afraid what would have happened to Xu...me if you had raised me. ' she stopped herself from saying Xu Nuan.

Lin Ran's expressions turned green from embarrassment when she heard Xu Nuan's mocking words.

She has always thought that Xu Nuan should be glad that she found out that she was born in the Gu family, otherwise her whole life would have been spent in an orphanage.

She still treats her as someone who came from the orphanage and was not their biological daughter.

Gu Zhang cleared his throat when he heard Xu Nuan's words. Lin Ran was still in shock hearing her words.

He glanced at Xingren before turning to Xu Nuan, ' I assume that there must be some misunderstanding. However, if you feel that you're being wronged, then tell me what do you want ?'

' Just tell me what it will take to close this matter.' he tried to propose a feasible situation for both parties. The option to call the police does

not seem good and Xu Nuan does not seem to be in the mood to settle this matter quietly.

‘ Gu Zhang!’ Lin Ran shouted in annoyance seeing how he was giving in to Xu Nuan’s unreasonable behavior.
